

THE STATE OF TEXAS §

COUNTY OF HIDALGO §

That the County of Hidalgo, Texas, acting by and through its Commissioners' Court, by virtue of motion and resolution introduced and adopted by said Commissioners' Court on the 25th day of MAY, 2016 does by these presents **GRANT, GIVE AND RELINQUISH TO:**

H₂O Construction Services

hereinafter called Permittee, of the County of Hidalgo, Texas, the Right, Privilege and Authority to construct, reconstruct, lay and maintain a 60" inch /water/ gas/ sewer/ irrigation line; said line to be constructed of material along the following public road easement held by the Hidalgo County of Hidalgo, Texas upon the conditions, obligations, and requirements as hereinafter set forth, said public road upon which said water/ gas/ sewer/ irrigation line is to be constructed, reconstructed, laid and maintained, **described as follows:**

*Installation ^{ONLY} OF 60" pipe crossing Dickon Rd.
Project for city of Hidalgo (Northwest Drain)*

The granting, giving and authorizing of permission for the said aforementioned Permittee to so construct, reconstruct, lay and maintain a 60" line along the above described public road being conditioned that Permittee agrees that:

1. The Permittee will install and shall maintain said pipeline so that the top of the line will always be at least at the minimum depth of forty (40) inches below the flow line of the ditches on either side of said roadway when the pipeline is to be constructed, the Permittee shall contact the Commissioner in the Precinct in which the construction project is located and obtain written instructions, signed by said Commissioner, concerning the location and depth of said line. In this connection, it is agreed and understood that the Permittee will not cut the surface in any manner said public road or any roadway, without first obtaining the written permission of the Commissioners' Court of Hidalgo County, Texas.
2. The Permittee will employ a competent person or firm to do such installation and complete it in accordance with the covenants and conditions herein set forth.
3. Permittee shall stake its line on the location approved by the Commissioner in whose precinct the work is to be done well in advance of beginning its work. Permittee shall contact Commissioner before commencing any work.
4. The Permittee will use all proper caution in performing the work to prevent injury to all persons and property and it will indemnify Hidalgo County against all damages that may be assessed against the County by reasons of the work here permitted and the maintenance of such pipeline.
5. Notwithstanding any provision in this Agreement to the contrary, Permittee recognizes that the paramount purpose of the easement and dedication for the said public road is to provide for the establishment and operation of a roadway for the public. Recognizing this as the paramount purpose of the easement and dedication, Permittee agrees that Permitter has the unlimited and unrestricted right to establish, construct, reconstruct and maintain the said public road and to conduct all maintenance for the roadway and all related structures (including but not limited to the maintenance, construction and reconstruction of ditches, drainage pipes, bridges and paving surfaces) without incurring any liability, obligation or duty to Permittee.

THE STATE OF TEXAS §

COUNTY OF HIDALGO §

That the County of Hidalgo, Texas, acting by and through its Commissioners' Court, by virtue of motion and resolution introduced and adopted by said Commissioners' Court on the 25th day of May, 2016 does by these presents **GRANT, GIVE AND RELINQUISH TO:**

NORTH ALAMO WATER SUPPLY CORPORATION

_____ hereinafter called Permittee, of the County of Hidalgo, Texas, the Right, Privilege and Authority to construct, reconstruct, lay and maintain a 12 inch water line; said line to be constructed of PVC C900 DR25 material along the following public road easement held by the Hidalgo County of Hidalgo, Texas upon the conditions, obligations, and requirements as hereinafter set forth, said public road upon which said water line is to be constructed, reconstructed, laid and maintained, **described as follows:**

North Alamo Water Supply Corporation is proposing to install 2,664.0 lineal feet of 12-inch waterline along Sioux Road beginning at Station 114+00 and also being 1,200.0 feet east from the centerline of the Donna Irrigation Main Canal. The proposed waterline will be installed 5.0-feet north from the south right-of-way line and will be installed 40-inches below natural ground. The said line will traverse towards the east where at Station 127+15 the waterline will cross North to a 90 degree elbow installed 5.00 feet south of the north right-of-way line of said Sioux Road. The waterline crossing will be bored and encased with 25.0 feet of SDR26 PVC Casing. The waterline will then traverse to the east to a 12x12 inch cross to be installed at Station 139+75 where the said line will cross Sioux Road to the South and be 5.0 east of the west right-of-way line of Old La Blanca Road. The waterline crossing south will be bored and encased with 20.0 feet of SDR26 PVC Casing. The proposed waterline and bores will be installed 40-inches below lowest point of natural ground.

The granting, giving and authorizing of permission for the said aforementioned Permittee to so construct, reconstruct, lay and maintain an 12" water line along the above described public road being conditioned that Permittee agrees that:

1. The Permittee will install and shall maintain said pipeline so that the top of the line will always be at least at the minimum depth of forty (40) inches below the flow line of the ditches on either side of said roadway when the pipeline is to be constructed, the Permittee shall contact the Commissioner in the Precinct in which the construction project is located and obtain written instructions, signed by said Commissioner, concerning the location and depth of said line. In this connection, it is agreed and understood that the Permittee will not cut the surface in any manner said public road or any roadway, without first obtaining the written permission of the Commissioners' Court of Hidalgo County, Texas.
2. The Permittee will employ a competent person or firm to do such installation and complete it in accordance with the covenants and conditions herein set forth.
3. Permittee shall stake its line on the location approved by the Commissioner in whose precinct the work is to be done well in advance of beginning its work. Permittee shall contact Commissioner before commencing any work.
4. The Permittee will use all proper caution in performing the work to prevent injury to all persons and property and it will indemnify Hidalgo County against all damages that may be assessed against the County by reasons of the work here permitted and the maintenance of such pipeline.

THE STATE OF TEXAS §

COUNTY OF HIDALGO §

That the County of Hidalgo, Texas, acting by and through its Commissioners' Court, by virtue of motion and resolution introduced and adopted by said Commissioners' Court on the 25th day of May, 2016 does by these presents **GRANT, GIVE AND RELINQUISH TO:**

NORTH ALAMO WATER SUPPLY CORPORATION

_____ hereinafter called Permittee, of the County of Hidalgo, Texas, the Right, Privilege and Authority to construct, reconstruct, lay and maintain a 12 inch water line; said line to be constructed of PVC C900 DR25 material along the following public road easement held by the Hidalgo County of Hidalgo, Texas upon the conditions, obligations, and requirements as hereinafter set forth, said public road upon which said water line is to be constructed, reconstructed, laid and maintained, **described as follows:**

North Alamo Water Supply Corporation is proposing to install 375.0 lineal feet of 12-inch waterline along La Blanca Road. The proposed waterline will begin at Station 140+50 and be 5.0 feet east of the west right-of-way of line of Old La Blanca Road also being located at the southwest corner of the intersection of Old La Blanca Road and Sioux Road. al. The proposed waterline will traverse 375.0 feet to the south and connect to an existing waterline. The proposed waterline will be installed 40-inches below natural ground.

The granting, giving and authorizing of permission for the said aforementioned Permittee to so construct, reconstruct, lay and maintain an 12" water line along the above described public road being conditioned that Permittee agrees that:

1. The Permittee will install and shall maintain said pipeline so that the top of the line will always be at least at the minimum depth of forty (40) inches below the flow line of the ditches on either side of said roadway when the pipeline is to be constructed, the Permittee shall contact the Commissioner in the Precinct in which the construction project is located and obtain written instructions, signed by said Commissioner, concerning the location and depth of said line. In this connection, it is agreed and understood that the Permittee will not cut the surface in any manner said public road or any roadway, without first obtaining the written permission of the Commissioners' Court of Hidalgo County, Texas.
2. The Permittee will employ a competent person or firm to do such installation and complete it in accordance with the covenants and conditions herein set forth.
3. Permittee shall stake its line on the location approved by the Commissioner in whose precinct the work is to be done well in advance of beginning its work. Permittee shall contact Commissioner before commencing any work.
4. The Permittee will use all proper caution in performing the work to prevent injury to all persons and property and it will indemnify Hidalgo County against all damages that may be assessed against the County by reasons of the work here permitted and the maintenance of such pipeline.
5. Notwithstanding any provision in this Agreement to the contrary, Permittee recognizes that the paramount purpose of the easement and dedication for the said public road is to provide for the establishment and operation of a roadway for the public. Recognizing this as the paramount purpose of the easement and dedication, Permittee agrees that Permitter has the unlimited and unrestricted right to establish, construct, reconstruct and maintain the said public road and to conduct all maintenance for the roadway and all
