Morning Mr. Lara,

Hidalgo County Sheriffs Office (sub-recipient) took possession of a OPSG vehicle that had been purchased by Sullivan City Police Department (friendly force) after the PD was unable to participate in the grant.

After taking possession of the vehicle, Hidalgo Co. has submitted the proper documentation as requested by the SAA office. Hidalgo County is trying to finalize the transfer but requires a concurrence from your office so that it can be placed on the county's Commissioners' Court and add the vehicle to their inventory.

Can you assist with the request?

Respectfully,
Abelino Reyna Jr.

Good afternoon Art,

Attached is the original form signed by Sullivan City where they are in agreement to transfer the equipment to Hidalgo County Sheriff's Office. Can you please provide something to me to concur with this request. In order to place on Commissioners' Court and add this equipment to our inventory list I do need something from you giving us permission to do so. Since this was done on your recommendation, I am requesting that you please advise if there is anything else that needs to be processed by our Agency. Being that Sullivan City did pay for the equipment, the reimbursement is being processed through them, but after it is complete, we are asking to transfer the equipment to our office. We are also requesting that the vehicle and cost of vehicle be added to our grant allocation amount in order to be in balance.

Should you have any questions, or need additional information, feel free to contact me.

Thank you,

Rosie Gonzalez
