Office: (956) 383-7691 ♦ Fax: (956) 289-1853

July 11, 2016

Valde Guerra, Executive Officer
Hidalgo County

Dear Mr. Guerra,

The City of Edinburg Fire Department will be conducting its annual hose test on all the fire hose in the fire department inventory. As in the past, you have allowed us to use the parking lot of your annex building located at 2802 S. Highway 281 (Canton Road & Business 281) in order to conduct these tests'. We are cordially requesting the use of that parking area for Monday August 8, 15, 22, and 29 from 5:30 pm until 10pm on the dates requested. The Edinburg Fire Department will secure the area and deny entry while we are conducting the hose testing. The City of Edinburg is insured as well as having insurance on the vehicles and the personnel that will be present at the testing. This facility allows us to perform this testing in a safe environment and keeps us accessible to the city for emergency response to incidents. We greatly appreciate your assistance.

If you have any questions, please contact me at 956-279-8056 or at bperez@cityofedinburg.com. You can also contact Fire Chief Shawn Snider who will be the Officer in Charge for the testing at 956-605-0760 or at ssnider@cityofedinburg.com.

Respectfully,

A handwritten signature in black ink, appearing to read "Ubaldo D. Perez".

Ubaldo D. Perez, C.F.E.
Deputy Chief/Asst. EMC
