Sandy,

Vendors are allowed to bill you for the actual freight charges incurred to get your product from the factory to you.

Under this contract, vendors are also allowed set-up and delivery fees to insure that you receive a fully functioning product upon delivery.

Respectfully,

**Subject:** H & V Equipment -DOOSAN Loader - BuyBoard -Contract# 424-13 Freight & Delivery Fees?  
**Importance:** High

Good Morning Mrs. Burkett,

In regards to H & V Equipment, Hidalgo County is interested in purchasing a DOOSAN DL250-5 Loader with a quick coupler, & 3.5 cu yd bucket and attachments -Pemberton Brush Grapple and AirBurner Loader Rake. (last page of Price List).

The Vendor wants to pass on the Freight charges for the Loader, Coupler and Bucket plus a Delivery charge to the County.

My questions is: Is this allowable?

Please advise.  
Your assistance is greatly appreciated.

Respectfully,

*Sandy Suarez, Buyer II*
