The first email was just the recommendations part, here are my concerns with the proposed agreement and attachments:

Master Service Agreement

Section 16.1 Requires the County to indemnify CSI

Section 16.2 Requires the County to provide a defense and hold CSI harmless.

**Recommend including the following language for these two provisions: "to the extent permitted under the Constitution and laws of the State of Texas."

Section 19 - Term - is indefinite; the County cannot be obligated indefinitely.

Further, only allows for termination by cause and/or by agreement.

Section 21.1 - Governing law - Florida; the County cannot agree to jurisdiction outside of the state of Texas.

Maintenance Agreement

Section 3 - Initial Maintenance Term is unclear

Section 15 - Termination; only allows for termination for cause or 90 days prior to the end of the term

Confidentiality Agreement

Section 3.0 - Governing law is Florida; see note above.

I have reviewed the attached Master Service Agreement, with accompanying Software Maintenance Agreement and Confidentiality Agreement and have the following concerns and recommendations:

I have copied County IT so that they can verify that the County as the customer under the agreement can meet the obligations for purposes of the installation and delivery of the software.

District Clerk should review the confidentiality terms with employees to ensure compliance.

Master Service Agreement.
