Rocio,

On the agreement, we cannot remove the automatic renewal of the account. However once we process the paperwork, I can have a future cancellation added to the account so the term would end after the first year. To renew the account, I can then send out paperwork to renew the service as it gets closer to the one year date. This would keep the account from automatically renewing, but still give an option to renew if you would like to do so.

Thanks,
Andrew

Andrew:

Our legal counsel is asking for the removal of the automatic renewals. Is it possible to remove and have the agreement just for one year?

Andrew:

The agreement was reviewed by our legal office. Upon review legal is requesting some modifications. On Schedule A Term, automatic renewals and 60 day written notice are not custom in county's agreements. Can you please advise if they can be removed and instead of 60 days, let be 30 days.

In addition, on section 3 Expiration, the date of August 23, 2016 can be changed to the day of our commissioners' court meeting, August 30, 2016.

Please advise.

Thank you.

Good Afternoon Ms. Rocio,

As my previous email explained, our current agreement with Lexis Nexis is coming to an end.

Andrew has forwarded an updated agreement.
Please advise if this will suffice?

Good Afternoon Ms. Temke,

I am inquiring regarding my account # 12906F.
According to the dates on said agreement, the agreement is nearing the end of its term. I have tried contacting Ms. Rocio Villareal, Hidalgo County Purchasing Department Contract Manager, but she will be out of the office until next week.

Would you please be so kind as to provide me with a renewal agreement/pricing.

Please feel free to contact me should you have any questions or concerns.

Thank you,

This also has an automatic renewal clause unless a termination notice is given 30 days before the annual anniversary date. Please delete the automatic renewal language. Thanks.
