I'm perplexed. We've tried contacting you several times about your membership renewal status but we've not heard back. Perhaps it has been an oversight but time is running out. Renew today—or risk losing out on all of the valuable benefits—including exclusive access to the 'Members Only' section of our new online community, **NFPA Xchange™**. (See the enclosed brochure for details.)

Remember, your NFPA® membership also includes interactive, monthly video presentations with *Office Hours* and *NFPA Insider*...up-to-date industry news and information through *NFPA Journal®* as well as voting privileges. Remember, if your dues are not paid on time you are subject to a 180-day waiting period before you can vote on important NFPA codes and standards again.

Please hurry! Your membership will expire on 08/31/16 and you will no longer have access to all of the valuable benefits, services, and resources you've come to depend on. Return your renewal invoice above with payment in the enclosed envelope—or **renew online at [nfpa.org/membership](http://nfpa.org/membership)**.

I look forward to you continuing as an NFPA member in good standing.

Sincerely,

M.C. Twombly  
Membership Manager

P.S. If you don't renew *now* your membership benefits may not be there when you need them most! For fastest service, renew online at **[nfpa.org/membership](http://nfpa.org/membership)**.
