Monica,

The quote is in compliance with the vendor's award under BuyBoard Contract 432-13. However, there is no reference to the BuyBoard contract on the quote page provided for review.

In preparing the quote, the vendor actually shows the list price for each of the line items and the BuyBoard discounted pricing is shown in the Unit Price column.

Lion Armor Bunker Set list price is shown as \$2239.00 in the bottom of the quote. A 32% discount would reduce the price by \$-716.48, for a unit price of \$1522.52.

However, the vendor has given the County a deeper discount than what is required, and shows a unit cost of \$1445.00 for the bunker set. This means an additional savings of \$77.52 per set for the County.

Vendors are allowed to provide our members with larger discounts than required by the contract. You will need to ask the vendor to show the BuyBoard contract number on their quote.

Respectfully,

Connie W. Burkett

Thank you in advance for your assistance.
