Steve,

Can you please take a look at the first whereas of the amendment, specifically where it reads **"in which the RMA and County agrees to provide certain improvements to assist the RMA in providing Right of Way acquisition services; and"**

Based on original interlocal do you think it would be fitting for it to read something like, **in which the County agrees to assist the RMA in providing Right of Way acquisition services for a RMA proposed Roadway; and**

What do you think?

Please advise.

Thank you,

**Erika Zamora**

You sent me an amended and restated interlocal. That may not be necessary.  
What provision did you want to amend?
