We got vendor to make the term and conditions changes as per request from 1 year to 3 years new packet attached, please remove old attachment and attach new packet.

And in regards to the renewal dates explained that they were renewals on existing copiers already in office. We explained that to Robert Vina was ok with that, so he stated that we just needed to correct the terms and conditions as per phone conversation with him, Elena and myself.

Thank you in add advance for all your help
