- a. Base Pay - \$67,626.00

Has the agenda item been created yet? Due to the personnel action, a PAR form should be submitted to the Human Resources Department.

Please let me know if you have any questions or concerns.

Thank you,

Good afternoon Rosie,

Would you happen to know if a current deputy will be assigned to this new position? Or if it will be a new hire? If it will be a current deputy, can you please provide me with the employee number?

Clarification would assist in determining whether we need to allocate funds for allowances such as longevity or supplemental pay.

Thank you,

Joe,

Attached is the proposed contract for the new officer you are picking up. Victor at the DA's Office would like for you to contact Ms. Tamez in the Budget Office and get the salary information which will be inserted in section 9. She can probably use the same salary information from the contract extensions we just did back in August. Call me if you have any questions.

Thank you,

Rick

Victor,

Just to be sure, your direction is to have two agreements with Pct. 1 rather than modifying the original agreement. The first agreement is the current agreement for two officers and the new agreement would be the 2<sup>nd</sup> agreement for the Officer position vacated by Mission PD which Pct. 1 is picking up.

If this is correct, I have attached a re-worked agreement which I will send to Pct. 1 so they can get salary information from Ms. Tamez.

Can you give it a quick once over and let me know if you see anything that needs correction? Other than the salary information and the effective dates, it is the same as the original agreements.

Let me know and thanks for your help.

Rick
