**SCOPE OF SERVICES:**

Construction Manager (CM) is to serve as the Construction Project Management representative for Hidalgo County and the oversight of the construction process, from pre-construction through project close-out, utilizing full-time representation on site.

CM, as Hidalgo County's Representative, will be authorized to issue and receive notices, correspondence, and other communications, to meet with contracting parties and to in general represent the interests of Hidalgo

County.

**A. PROJECT APPROACH:**

CM will represent Hidalgo County in the completion of the pre-construction process, oversee construction of projects and oversee the project close-out process. This representation will be conducted by a full-time representative on site and will commence with the development of a Construction / Project Management Plan specifically tailored for the project.

- **Construction/project management plan development**

CM will work with Hidalgo County representatives to develop a Construction/Project Management Plan, which shall define and document all project requirements in narrative form. This document will serve to outline the scope of work of each of the team members and the plans and strategies for fulfilling those requirements.

During the development of the Project Management Plan, CM will develop a Master Schedule incorporating any current schedules developed by Hidalgo County and/or project architects/engineers. Once finalized and approved by Hidalgo County representatives, the schedule will serve as the roadmap for construction, FF&E procurement, and project close-out activities. Once the contractor has been selected, the Master Schedule will be updated to reflect major activities included in the more detailed construction schedule.

- **Master Project Budget Development**

In addition to developing the Master Schedule, CM will propose to develop a Master Project Budget, which will include all existing budgets prepared by Hidalgo County and/or project architects/engineers. This Project Budget will be utilized to track costs for all components of the project including, but not limited to design fees, construction costs, FF&E costs, etc. CM will also perform a detailed analysis of the construction budget to better understand the anticipated costs, which will enable the County to be prepared for the bidding / buyout process.

- **Basic Components of Project Management Plan**

In addition to the Master Schedule and Project Budget, the following basic components of The Project Management Plan will be included but not limited to the plan and updates throughout the course of the project:

- Bid Packaging/Contracting Strategy
- Construction Management
- FF&E Procurement, Handling, and Installation

- Project Closeout

**B. PRE-CONSTRUCTION PHASE**

- **General Duties:**

Prior to design, the CM will learn about the conditions at the site. This would include but not limited to the following:

- Existing conditions assessment – (review existing in the field)
- Site investigations: Need for fill clearing and/or grubbing
- Access to the site
- Amount of lay down area available
- Utility availability and routes into site
- Constraints (railroad locations, adjacent schools, noise, etc...)
- Note surface conditions

- CM will obtain all available existing plots and plans of the areas to obtain Information that will include:
- Size of the Site
- Existing structures
- Existing roads and rights-of-way
- Easements

- **Site Visit**

- Visiting the site is critical to a successful project and therefore program. Verifying existing conditions to ensure no hidden or differing site conditions exist will help to minimize costly changes in the future. CM will investigate the area and conditions around the site that could affect the work. The site will be investigated for but not limited to the following:

- Traffic studies for getting deliveries to the site
- Utilities (Gas, water, electric, telephone, sewer, storm drain, etc...)
- Neighborhoods affected (Who, What, When , and How we can affect the area)

- **Design:**

It is understood the design documents will be completed by project architects/engineers and are to be approved by Hidalgo County Commissioners' Court. CM is to assist the Project Team in finalizing and obtaining all required permits from the regulatory agencies, which includes all state, county, and local approvals. CM will develop a project management plan. The plan will consist of the following.

- Cost estimating
- Cost budgeting
- Cost control.

- **Contractor Bid Solicitation and Selection**

- **Bid and Award**

CM is to be involved with the bidding and award process including assistance in the preparation, issuance, and execution of the various construction related contracts.

- **Pre-Construction Conference**

Once a contractor has been selected, CM will organize and conduct a pre-construction conference. The agenda will cover site organization, communications, correspondence, submittals, meetings, requisitions, change orders and schedule. This conference will include all project stakeholders including Hidalgo County representatives, architects/engineers (including their design consultants) and the contractor. A positive, pre-construction kick-off conference between all project stakeholders greatly increases the success of the project.

- **Permits and Insurance**

CM will confirm that all applicable permits have been applied for and issued and verify that insurance certificates have been filed as required prior to initiation of the work. In addition, CM will issue the Notice of Award and Notice to Proceed on behalf of Hidalgo County.

CM will establish and maintain construction administration procedures. All communications between various members of the Project Team and the contractor(s) will be through the County's Contract Manager. These procedures will be detailed in the Project Management Plan.

- **Field Reports**

Construction Manager will ensure the contractor prepares a daily log of all project activity to include:

- Weather
- Contractor(s) manpower
- Contractor(s) equipment
- Material/equipment deliveries
- General description of work performed and location
- Issues and areas of concern or critical to job progress

- **Monthly Progress Reports**

- **Project Progress Meetings**

CM will organize, conduct, and document progress meetings involving the project architect/engineers, the contractor's principal personnel, and as required, Hidalgo County. Included in these meetings will be topics covering schedule, budget, quality control, submittals/shop drawings, etc.

- **Schedule Review**

CM will establish the documented procedure for tracking the construction schedule and all updates. It is anticipated that the contractor will provide weekly updates to the schedule during the project progress meetings; however, we also understand there will be a need to participate in stand-alone scheduling meetings. In addition to the weekly update schedules, CM will require the contractor to provide look-ahead schedules in order to ascertain activities that need Hidalgo County and/or architect/engineer involvement. These procedures will be included in the Project Procedures Manual and will tie closely with the Master Schedule.

- **Change Order Review**

CM will establish the documented procedure for initiating, negotiating, recommending approval to County and tracking contract change orders. These procedures will be included in the Project Procedures Manual and will tie closely with the Project Budget. In addition, CM will incorporate cost and schedule impact from change

orders into the project cost reports and the project construction schedule.

Quality Control encompasses all phases of the work, such as approval of submittals, procurement, storage of materials and equipment, coordination of subcontractor's activities, and the inspections and tests required to be sure that specified materials are used and installation is acceptable to produce the required end product. CM will work with architects to assist in monitoring the quality of the work being performed and ensure the contractor maintains the quality expected as well provide any corrective action required for any identified deficiencies. In addition to the contractor, CM will monitor the activities of all testing inspection consultants, inclusive of testing laboratories, factory testing, on-site testing, etc. CM will develop monitoring and tracking procedures to be followed by all testing inspection consultants and will require results be provided on a weekly, or daily if needed, basis. Project architects and their consultants will be involved as required and any deficiencies will be corrected under the direction of the contractor with oversight by project architect, their consultants, and/or CM.

- **Safety and Health**

CM will ensure that an accident-free and comfortable work environment is observed by eliminating recognized hazards from the workplace. CM health and safety program and specific individual programs have been developed to assure compliance with federal, state, and local regulations with particular emphasis on the Occupational Health and Safety Rules and Regulations that apply to our operations.

- **Submittal / Shop Drawing Control**

CM will work with project architects to establish a submittal/shop drawings process and tracking spreadsheet, which will then be monitored each week. The process will ensure both the contractor and project architects (and their consultants if required) are following the contractual timelines for submission and review of submittals/shop drawings as well as track when the equipment, materials, etc. are to arrive on site. CM will act as an intermediary between the design consultants and the contractor when required to ensure the project proceeds as required for the schedule. The most common culprit to delaying the submittal/shop drawing process is the contractor's lack of a proper review before submission; therefore, CM will work with the contractor to ensure the proper review occurs and develop plans for rectifying any re-occurring review issues.

- **Payment Application Review**

CM will develop a two-step process for the review and approval of the contractor payment applications:

- **Step One** - During the final week of each month, CM will conduct a payment application review meeting to include architects and the contractors for the purpose of reviewing a draft of the monthly payment application. Each line item will be reviewed and either accepted or noted for changes.

- **Step Two** – A second meeting will be held with the contractor to review the corrected payment application. If acceptable, CM will recommend approval to the project architects and Hidalgo County. If changes need to occur, CM will work with the contractor to get all changes made as soon as possible for acceptance.

- **Record Drawings**

CM will monitor the preparation of record drawings by the contractor(s) during the course of the work. Those dedicated marked-up construction drawings and specifications will be received at the completion of construction and transmitted to Hidalgo County.

- Substantial Completion/Final Completion

CM will manage the issue of certificates of substantial completion to all prime contracts, and the process of closing out contracts financially and with respect to all requirements of the contract drawings and specifications.

#### D. PROJECT CLOSE-OUT PHASE

##### Close-out Procedures

- Final Payment

CM, with input from project architects, will review the final payment request upon successful completion of all closeout items, including final punch list, all permits, substantial completion certificate(s), and resolution of any open claims or liens. 2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and

## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

**Future developments.** Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at [www.irs.gov/fw9](http://www.irs.gov/fw9).

### Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

*If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.*

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

**Note.** If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

**Foreign person.** If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

**Nonresident alien who becomes a resident alien.** Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

**Example.** Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

## Backup Withholding

**What is backup withholding?** Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

**Payments you receive will be subject to backup withholding if:**

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

## What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

## Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

## Penalties

**Failure to furnish TIN.** If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**Civil penalty for false information with respect to withholding.** If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

**Misuse of TINs.** If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

**Line 2**

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

**Line 3**

Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

**Limited Liability Company (LLC).** If the name on line 1 is an LLC treated as a partnership for U.S. federal tax purposes, check the "Limited Liability Company" box and enter "P" in the space provided. If the LLC has filed Form 8832 or 2553 to be taxed as a corporation, check the "Limited Liability Company" box and in the space provided enter "C" for C corporation or "S" for S corporation. If it is a single-member LLC that is a disregarded entity, do not check the "Limited Liability Company" box; instead check the first box in line 3 "Individual/sole proprietor or single-member LLC."

**Line 4, Exemptions**

If you are exempt from backup withholding and/or FATCA reporting, enter in the appropriate space in line 4 any code(s) that may apply to you.

**Exempt payee code.**

- Generally, individuals (including sole proprietors) are not exempt from backup withholding.
- Except as provided below, corporations are exempt from backup withholding for certain payments, including interest and dividends.

The following codes identify payees that are exempt from backup withholding. Enter the appropriate code in the space in line 4.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt payees except for 7

Payments over \$600 required to be reported and direct sales over \$5,000 <sup>1</sup>	Generally, exempt payees 1 through 5 <sup>2</sup>

<sup>1</sup> See Form 1099-MISC, Miscellaneous Income, and its instructions.

<sup>2</sup> However, the following payments made to a corporation and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, gross proceeds paid to an attorney reportable under section 6045(f), and payments for services paid by a federal executive agency.

**Exemption from FATCA reporting code.** The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

K—A broker

L—A trust exempt from tax under section 664 or described in section 4947(a)(1)

M—A tax exempt trust under a section 403(b) plan or section 457(g) plan

**Note.** You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

**Line 5**

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns.

**Line 6**

Enter your city, state, and ZIP code.

**Part I. Taxpayer Identification Number (TIN)**

**Enter your TIN in the appropriate box.** If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on this page), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

**Note.** See the chart on page 4 for further clarification of name and TIN combinations.

**How to get a TIN.** If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at [www.ssa.gov](http://www.ssa.gov). You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at [www.irs.gov/businesses](http://www.irs.gov/businesses) and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting [IRS.gov](http://IRS.gov) or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

**Note.** Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

**Caution:** A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

## Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code* earlier.

**Signature requirements.** Complete the certification as indicated in items 1 through 5 below.

1. **Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.** You must give your correct TIN, but you do not have to sign the certification.
2. **Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.** You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.
3. **Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.
4. **Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).
5. **Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

## Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

**Protect yourself from suspicious emails or phishing schemes.** Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to [phishing@irs.gov](mailto:phishing@irs.gov). You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: [spam@uce.gov](mailto:spam@uce.gov) or contact them at [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft) or 1-877-IDTHEFT (1-877-438-4338).

Visit [IRS.gov](http://IRS.gov) to learn more about identity theft and how to reduce your risk.

The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws.
