## ARTICLE II

### IMPROVEMENTS; JOBS

2.01 (a) Owner agrees to construct or modernize an Eligible Facility (as defined in the Guidelines and Criteria) on the Land, and to acquire, construct, or cause to be constructed real property improvements, machinery, and equipment necessary to operate the Facility as set forth herein.

(b) Owner agrees to make real and personal property improvements on the Land that are eligible for abatement in accordance with the Guidelines and Criteria (which real and personal property is described in the definition of the Facility in Exhibit D hereto), and that the cost of such improvements, including architectural and related fees, shall be approximately Thirty ~~Three~~Four Million Dollars (\$~~3334~~,000,000), at least Thirty ~~Three~~Four Million Dollars (\$~~3334~~,000,000) of which is expected to be listed on Hidalgo County Appraisal District's tax rolls.- For the avoidance of doubt, Owner agrees that, at a minimum, Capital Costs (as that term is defined in the Guidelines and Criteria) of the Facility will exceed Twenty Five Million Dollars (\$25,000,000) and therefore qualifies as an Extraordinary Impact project (as such term is defined in the Guidelines and Criteria). The Owner has, however, opted to proceed under the schedule set forth in III.G.(1)(a) and not III.G.(1)(b) of the Guidelines. The approximate location of the Facility on the Land is reflected on a preliminary site plan attached hereto as Exhibit "C" and made a part hereof for all purposes. Owner reserves the right to revise the attached preliminary

site plan as Owner deems necessary and appropriate, and all such revisions shall be submitted to the County.

(c) Owner represents and warrants that the Facility is expected to create thirteen (13) new Jobs (as defined in Section II.R. of the Guidelines and Criteria) by December 31, 2020. Owner currently offers, and agrees to maintain during the Abatement Period, a competitive compensation and benefits package with respect to all jobs at the Facility.

2.02 Owner shall submit, which may be through use of an agent, reports to the County in accordance with Section IX.B. of the Guidelines and Criteria.

2.03 Owner covenants and agrees that the Facility is, and shall continue to be, a juice processing operation. Attached hereto as **Exhibit "D"** is a schedule of improvements, equipment, machinery, and eligible personal property that Owner will construct or purchase and install to develop the Facility, subject to non-substantive changes as Owner may determine in its sole discretion are necessary during the course of construction of the Facility on the Land. Owner agrees to continuously operate the Facility on the Land during the Abatement Period.

2.04 Owner represents that it began constructing the Facility in the Zone on or before June 2016, covenants and agrees to continue such construction and improvements to the Facility during the term hereof, and projects to complete construction no later than December 31, 2020, Owner shall notify the County of any updates to the construction schedule.

2.05 Owner represents that (i) the weighted average economic life of the Facility and eligible property will exceed ten years, and (ii) the economic life of the eligible property on which the Owner is being granted abatement hereunder exceeds the Abatement Period. Based on such representation and evidence submitted by Owner to the County, the County determines in accordance with the Guidelines and Criteria that the economic life of the Facility and eligible property exceeds ten years.

### **ARTICLE III**

#### **PROPERTY SUBJECT TO TAX ABATEMENT**

#### **RATE OF TAX ABATEMENT**

#### **TERM OF TAX ABATEMENT AND RELATED PROVISIONS**

3.01 Subject to the terms of this Agreement, the County shall abate the Owner's County ad valorem taxes in each year of the Abatement Period in an amount equal to the Tax Abatement Percentage (as defined below) multiplied by the Facility's newly created value determined in accordance with the Guidelines and Criteria, but only to the extent that such newly created value is reflected on County's tax rolls in each such year.

3.02 The applicable Tax Abatement Percentage under this Agreement shall be in accordance with the Guidelines and Criteria and shall be fixed by the parties through an addendum to this Agreement after evidence of the Capital Cost of the improvements constructed or installed by Owner for the Facility is certified by Owner and approved by the County. Based on the projected

amount to be invested in the Project, the Owner and County anticipate that the applicable Tax Abatement Percentage pursuant to the Guidelines and Criteria in each year of the Abatement Period will be the maximum Tax Abatement Percentage (eighty percent (80%)) of the newly created value. In the event the initial Capital Cost qualifies the Facility for less than the maximum Tax Abatement Percentage, additional investments constituting Capital Costs that are made in accordance with this Agreement may be added to the initial Capital Cost, and such revised Capital Cost shall be used to determine the applicable Tax Abatement Percentage for the remainder of the Abatement Period commencing with the first ad valorem tax year commencing after such revised Capital Cost is certified by Owner and approved by the County. Any such increase in the Tax Abatement Percentage shall be fixed by the parties through an additional addendum to this Agreement after evidence of the additional Capital Cost of the additional improvements constructed or installed by Owner for the Facility is certified by Owner and approved by the County.

3.03 The abatement of ad valorem taxes shall be for a period (the “**Abatement Period**”) that shall

(a) commence on the commencement of the first ad valorem tax year after each of the following events have occurred:

- (i) Owner has executed this Agreement and delivered the executed Agreement to the County;
- (ii) the County has executed this Agreement (it being agreed that the Base Year Value, as defined in the Guidelines and Criteria, is determined based on the year the Agreement has been executed by both parties);
- (iii) Owner has continued the construction of the improvements and modernization of the Facility after execution of this Agreement;
- (iv) Owner has provided adequate documentation confirming the Capital Cost of the Project and the number of Jobs created at a level to qualify for tax abatement pursuant to Section 3.04 below (it being agreed that Owner may ~~provided~~provide such documentation and, in accordance with the terms hereof, begin the Abatement Period prior to completing the Project);
- (v) the Capital Cost or Jobs created (as documented above) meets or exceeds the minimum amount required by the Guidelines and Criteria for granting tax abatements; and
- (vi) the newly created value may be ascertained from the tax rolls of the Hidalgo County Appraisal District, and

(b) end on the earlier of:

- (i) five (5) years following such commencement;
- (ii) December 31, 2026;

- (iii) the occurrence of any event that would terminate this Agreement by operation of law;
- (iv) Owner’s breach of any provision of this Agreement, which breach is not cured within the Cure Period, (as defined below); or
- (v) Owner’s failure to comply with any provision of the Guidelines and Criteria as discussed in Article V of this Agreement.

3.04 The percent of increase in newly created value (as reflected in the tax rolls of the Hidalgo County Appraisal District) to be abated (the “**Tax Abatement Percentage**”) is the greater of the abatement percentage determined by the Capital Cost involved in the Project, or the abatement percentage determined by the number of full-time jobs created, as set forth in the following table:

Percent of Increase in Newly Created Value To be Abated	Capital Cost of the Project	Number of Jobs Created
0%	Less than \$1,500,001	0-25
25%	\$1,500,001 up to and including \$5,000,000	26-50
50%	Over \$5,000,000 up to and including \$10,000,000	51-100
80%	Over \$10,000,000	101 or more

The estimated value of the abatement (as such term is defined below), based on the Owner’s good faith estimate of how the Hidalgo County Appraisal District will value the eligible improvements, is ~~ThreeFour~~ Three Hundred Eighty Seven Thousand and ~~Forty ThreeSix~~ Sixty Nine Dollars (\$~~387,043~~407,669.00). “**Estimated value of the abatement**” means the additional property taxes that would be due to the County from the Owner but for the tax abatement granted in this Agreement.

3.05 This Agreement does not change any right of Owner to protest or contest, in accordance with applicable law, any and all appraisals of, or assessments of taxes on, the Facility, and the tax abatement provided for herein for such Facility shall be applied to the amount of taxes finally determined as a result of such protest or contest, to be due with respect to the newly created value for such property.

#### **ARTICLE IV**

### **FILING OF PLANS, CERTIFICATION OF COSTS, COUNTY ACCESS TO PREMISES AND USE OF PREMISES AND IMPROVEMENTS**

4.01 Owner has provided documentation to the County concerning the commencement of construction of the Project and agrees to continue to provide such documentation as required by the County concerning the continuation of the construction and modernization of improvements pursuant to this Agreement. Without limiting the generality of the foregoing, Owner shall file with the County construction plans for the blend room portion of the Facility by June 1, 2017, and for the not-from-concentrate and tank farm portion of the Facility by June 1, 2018. The construction plans as filed shall be deemed to be incorporated herein by reference and made a part hereof for all purposes, and the Facility shall be completed in substantial conformity to said plans. Owner may elect to amend or modify the construction plans, provided the amendments or modifications comply with all applicable codes, rules and ordinances, and are not otherwise contrary to this Agreement.

4.02 Upon completion of the Facility, Owner shall file (i) “as built” construction plans with County, which plans shall detail improvements (which shall be certified by the architect if Owner uses an architect) on the Land, including purchases of personal property and related expenditures made to construct the Facility and (ii) the general contractor’s certification as to the completion of construction of the Facility (including the detail specified above). At the time of filing the as built construction plans, Owner shall also provide County with reports as required by Section IX.B. of the Guidelines and Criteria. On or before January 31, of each year of the Abatement Period (and the year immediately following the end thereof), Owner shall provide County with reports supporting job creation as of December 31 of each year of the Abatement Period, as required by Section IX.B. of the Guidelines and Criteria. On an annual basis, Owner shall also provide County a detailed list of Owner’s eligible personal property at the Facility and the estimated value of each item. For the avoidance of doubt, Owner understands and agrees, that (x) in the event, in accordance with Section III above, the Abatement Period begins prior to completion of the Facility, the Owner will provide such additional documentation as and when requested by the County for the County to determine Capital Cost, Jobs created and compliance with this Agreement and (y) taxes are not abatement unless documentation is provided to the County’s satisfaction.

4.04 Owner agrees to supply audited reports to the County and the Hidalgo County Appraisal District to establish the construction cost of improvements constructed pursuant to this Agreement and the jobs created; provided, however, that, so long as Owner provides documentation required by County for County to determine compliance with this Agreement and to determine Capital Cost expended during the Agreement (which documentation would include, without limitation, invoices and proof of payment), audited reports need not be provided until the earlier of (i) completion of the Facility and (ii) June 30, 2021 (provided such report covers the period at least through December 31, 2020).

4.05 Owner agrees to provide County employees and/or designated representatives of the County access to the Facility during the term of this Agreement, including the Abatement Period, to inspect the Facility and the Land to determine if Owner is in compliance with the terms and conditions of the Agreement. Upon completion of construction, County has the right to annually evaluate the Facility to ensure compliance with the Agreement. Owner shall provide County with an escort for all such inspections.

## **ARTICLE V**

### **BREACH**

5.01 Owner understands that the continuation and completion of the contemplated improvements and construction of the Facility after the date hereof is part of the consideration to the County for entering into this Agreement. In the event Owner fails to continue with constructing and modernizing the Facility in the Zone in accordance with this Agreement on or before December 31, 2017, this Agreement shall terminate effective as of the original date of this Agreement and the County shall be entitled to recapture and collect payment of all ad valorem taxes, if any, abated under this Agreement by any and all means allowed by law, and as provided herein.

5.02 In the event the Facility is completed and begins operation, and Owner:

1. voluntarily ceases to operate the Facility for a continuous period of eighteen (18) months;
2. allows ad valorem taxes owed to County to become delinquent;
3. relocates the Facility or the job creating activity outside the Zone;
4. breaches or fails to comply with any material term, condition, or representation contained in this Agreement; or

County may elect to terminate this Agreement and recapture abated taxes in accordance with Section 5.05 of this Agreement and the Guidelines and Criteria, unless such breach is cured within the Cure Period, as defined in Section 5.03. Owner shall pay recaptured taxes to County within sixty (60) days from the date the Agreement terminates.

5.03 Should County determine that Owner has breached this Agreement or the Guidelines and Criteria, County shall notify Owner in writing via certified or registered mail to the following address:

notice (the “**Cure Period**”), then this Agreement may be terminated by order of the Commissioners Court.

5.04 If Owner and the County disagree as to whether a breach has occurred or been timely cured, venue for an action to determine Owner’s and County’s rights will lie in Hidalgo County, Texas. The period for Owner to cure any breach of this Agreement shall be tolled from the filing of any official action to resolve questions arising from an attempt at cure to the final resolution of any such action.

5.05 If County terminates this Agreement in accordance with the terms hereof or otherwise as allowed by applicable law, County shall have the right to recapture a percentage of the total taxes previously abated in accordance with the recapture schedule in Section VIII of the Guidelines and Criteria.

## **ARTICLE VI**

6.01 It is contemplated by the parties hereto that the Owner’s purpose for making the improvements set forth in Article II is for the modernization and operation of a juice processing plant.

6.02 In accordance with Section IX.C. of the Guidelines and Criteria, Owner shall not have the right, without the written consent of County, to assign all or part of its interest in the Land, the Project, or this Agreement and maintain the tax abatement hereunder. Without limiting the generality of the foregoing, Owner acknowledges that consent will not be granted with respect to any assignment or transfer to any party that is delinquent in the payment of any taxes to County or any jurisdiction within the county.
