PERMIT APPROVED SUBJECT TO THE FOLLOWING CONDITIONS:

1. Hidalgo County Drainage District No.1 will require a Letter of Certification as to the “as built” location/elevation of the line. The letter is to be furnished by a licensed, professional, registered surveyor within 10 days of completion of the project.
2. Hidalgo County Drainage District No. 1 is notified prior to commencement of the work.
3. Permittee shall hold harmless Hidalgo County Drainage District No. 1 and its duty appointed agents and employees against any action for personal injury or property damage sustained by reason of the exercise of this permit.
4. Hidalgo County Drainage District No. 1 will not be responsible for damage to this line by maintenance or construction machinery.
5. The issuance of this permit grants your permission to work within the drainage ditch right of way for the purpose of laying your proposed facility, but does not guarantee a route free of obstructions such as utility lines, whether privately or commercially owned. In order to prevent damage to these utility lines, it will be your responsibility to contact the various utility companies or private owners for the exact location of any facilities that may in the path of your proposed work.
6. It is expressly understood that Hidalgo County Drainage District No. 1 may require owner to relocate this line, at owner’s expense, subject to provisions of governing laws, by giving 30 days written notice.
7. The right of way must be cleared of trash and excess dirt and left in a neat, clean condition upon completion of this installation. Permittee or its agents will repair any damage caused by its work activity; all trenches will be properly backfilled and permittee or its agents will correct any future settlements in area of excavation within one year time frame.
8. All work described herein shall be completed within six months from the date shown on the face of this permit; however, an extension will be considered upon request prior to expiration date.
9. In addition, we are requiring the coordinates in NAD 1983 State Plane Texas South, for each utility crossing.

IF THESE TERMS AND CONDITIONS ARE ACCEPTABLE, YOU MAY PROCEED WITH THE INSTALLATION AFTER GIVING PROPER NOTIFICATION.

12. Is this a common carrier pipeline or utility? If yes, please submit the Applicant's Texas Railroad Commission Form "T-4" or similar form designating the facility:

N/A

13. Does Applicant have the Power of Eminent Domain? N/A

14. Will the product be carried for hire or by the owner of the goods? Contractor
Company (P&S Construction LLC)

15. Where is the origin of the line? Street

16. Where is the destination of the line? East and West of Mile 17

If requested permit is granted by HCDD, Applicant, in consideration thereof, agrees and binds itself as follows:

1. All pipelines or utilities herein will be placed at least sixty feet (60') above existing or planned channel cross sections or three feet (3') below flow line of ditch, provided that temporary overhead lines for a period not to exceed six months in duration may be installed at a minimum elevation of 45 feet above the berm of the ditch.
2. Location map, profile, and plans concerning the proposed pipeline or utility crossing will furnished with this application.

3. HCDD will be notified in writing ten days prior to the beginning date of construction under this permit.
4. Applicant will bear the entire expense of all future relocations of any pipelines or utilities should such relocation, at the sole discretion of the Board of Directors of Hidalgo county Drainage District No. 1, be necessary for improvements, alteration, or maintenance of the HCDD's easement or property of interest.
5. Applicant will not do, or cause to be done, anything to impede or obstruct an adequate flow of water through or upon the property on/in which the pipelines or utilities are located; it is specifically understood and agreed that the adequacy of the flow of water referenced herein shall be within the sole discretion of the HCDD.
6. Applicant will notify the HCDD at least 48 hours prior to completion of its work and removal of its equipment from the job site to permit HCDD to make an inspection.
7. Upon notification by the HCDD, the Applicant will promptly repair or rectify any deficiency or condition caused by the Applicant's operations or installations under this permit. Applicant will leave easement in as near the same condition or better, in the HCDD's sole judgment, as it existed prior to the commencement of the operations under this permit.
8. HCDD shall not be liable or responsible for, and shall be saved and held harmless by Applicant, and further shall be indemnified by Applicant, from and against any and all suits, actions, losses, damages, claims, or liability of any character, type, or description, including all expenses of litigation, court costs, attorney's fees, and engineering fees for injury or death to any person, or injury to any property, received or sustained by any person or persons or property, arising out of, or occasioned by, directly or indirectly, the performance of Applicant under this agreement, including claims and damages arising in part from the negligence of the HCDD.

It is the expressed intent of the parties to this agreement that the indemnity provided for in this section is extended by Applicant to indemnify and protect HCDD from the consequences of

PIPELINE AND UTILITY PERMIT APPLICATION PACKET

HCDD's own negligence, whether that negligence is the sole or contributory cause of the resultant injury death, or damage.

Applicant further agrees to defend, at its own expense, with attorneys acceptable to HCDD and on behalf of the HCDD, and in the name of Hidalgo County Drainage District No. 1, any claim or litigation brought against the HCDD in connection with any such injury, death or damage.

Before construction is begun on such pipeline or utility crossings, Applicant will furnish to the HCDD a certificate of insurance (or other security approved by the HCDD) payable to Hidalgo County Drainage District No. 1 and protecting Hidalgo County Drainage District No. 1 (as an additional named insured) against any claims for personal injuries or damages to property resulting from the operations of Applicant, its agents, servants, employees, and contractors under this permit. Insurance is to be supplied in accordance with the attached Schedule A.

9. HCDD makes no warranties, expressed or implied, in the granting of this permit; nor does HCDD purport to grant any property interest or exclusive privileges whatsoever by granting such permit. It is specifically understood that HCDD is not the agent for, nor does it act for, the fee owners or any persons or entities having any right, or title to possession of the land upon which the HCDD's easement or other property interest is located. Furthermore, in granting this permit the HCDD makes no representation or warranty that it has any property interest, including, but not limited to, an easement or right of way, in the land upon which Applicant constructs, maintains, repairs, or modifies the pipelines or utilities, made the subject of this application, nor does HCDD make any representation or warranty as to the validity, quality or extent of such property interest, if any. Applicant acknowledges its understanding that HCDD in granting this permit, does not convey or grant to Applicant any rights, title or interest for which is has no legal authority to grant or convey.
10. Applicant binds itself to comply with all federal, state, and local laws or regulations and will obtain all necessary permits from all local and federal agencies required by law before installation or construction is begun.
11. Applicant will install its pipelines and utilities in a manner and location as shown in the plans and specifications filed with HCDD in support of this application for permit. HCDD's engineer or other representative may at any time make such inspection as such engineer or other

representation may deem necessary to assure that the construction of the pipeline or utilities is in accordance with the plans and specifications submitted, and said engineer or representative shall have the right to temporarily suspend Applicant's work if necessary, while such inspection is being made. Should Applicant not install the pipelines or utilities in accordance with the terms and conditions of this permit, Applicant agrees that the HCDD shall have the right to require, at Applicant's expense, the removal of the pipelines and utilities and its replacement in conformance to said plans and specifications and conditions of this permit. HCDD may revoke this permit and suspend all work hereunder if it is determined by HCDD that the pipelines or utilities are not being installed in accordance with such plans and specifications and conditions of this permit. The suspension or revocation of this permit shall not be a basis for a claim for damages against HCDD.

12. Except in emergency situations where it is necessary to protect life and property, Applicant will not make any change, modification, or alteration in or to the pipelines or utilities without first securing a new or amended permit from HCDD prior to the making of any such change. Applicant will maintain the pipelines or utilities hereby authorized in good and safe condition, and in accordance with plans, specifications, and this permit.
13. All pipeline and utility crossing locations under this permit shall be identified with appropriate markers installed three feet above ground on metal posts at such points and at such distances from HCDD's ditch as may be approved by the HCDD's engineer or representative. Applicant will remove and then replace any markers, when so designated by the HCDD's engineer or representative, as necessary to facilitate maintenance or construction on HCDD's ditch, easement or right of way.
14. Applicant agrees to pay HCDD a permit fee to cover administrative costs in the amount of \$ _____, plus a reimbursement to HCDD for any necessary engineering fees which may be incurred for the study and processing of the Application, for each crossing of an HCDD ditch. This fee will permit a single pipeline or utility to cross at a single crossing location. Applicant further agrees to pay an additional fee of \$ _____ for each additional line included in permit application at the same crossing location; however, more than one crossing location may be included in a single application.

Page 8 of 11

PIPELINE AND UTILITY PERMIT APPLICATION PACKET

Requests to lay additional line or lines, not included in an initial permit application, must be made by separate application, with new permit fees paid accordingly and support data provided.

All permits fees must be submitted with the application for permit.

Permit fees submitted with this application for which pipeline or utility crossing are not approved by HCDD Board of Directors will be refunded to Applicant.

Permit fees may be waived where Applicant is a state, county, municipality, or a special political division.

15. The Applicant is allowed one hundred twenty days (120) from the granting of the permit to start construction of the pipelines or utilities crossing. Once started, the Applicant is allowed ninety (90) days to complete all work under such permit. All construction must be completed within two hundred ten (210) days from the date of issuance of permit. Upon application, extension of the time periods set forth in this paragraph may be granted by the HCDD Board of Directors. Such applications for extension must be received by HCDD at least thirty days before the expiration of the two hundred ten (210) days period. A new permit fee, in accordance with Paragraph 14 hereof, will be charged for each extension granted.

Construction of any pipeline or utility crossing will not begin until written approval has been given by HCDD.

16. All provisions of the Pipeline and Utility Permit Administration Policy of HCDD, if any, and all amendments thereto, are hereby incorporated herein as part of the terms and conditions of this permit for all purposes.
17. Applicant warrants and represents that it has secured from all fee owners of the involved property an easement or other property rights to construct, repair or modify the pipeline or utility in the manner set forth herein.
18. This Pipeline and Utility Permit if granted by HCDD is subject to any and all other requirements, specifications and conditions listed in Exhibit A attached hereto.

- 19. HCDD requires the coordinates of all crossings in NAD 1983 State Plane Texas South, for each utility crossing.
- 20. This permit constitutes the entire agreement between the parties with regard to the subject matter hereof, and all prior agreements, representations, and negotiations between the parties regarding the subject matter are hereby superseded. This permit shall not be altered or amended except by an agreement in writing executed by the parties hereto.
- 21. Applicant warrants and represents that its undersigned representative has full authority to bind Applicant to the terms and conditions of the foregoing Application and Agreement for Pipeline or Utility Permit.

EXHIBIT A

The overhead transmission line shall be constructed and maintained in such a manner as to provide a minimum vertical clearance (at the temperature of 60 degrees Fahrenheit) of not less than 28 feet above the levee crown and at least 12 feet (3.7 meters) above the floodway design high water surface level in the area of the floodway channel.

No structure (poles or guy wires) shall be located closer than 35 feet from the toes of any levee. No structure (poles or otherwise) shall be located closer than 15 feet from the top of any channel bank.

Guy wires may be anchored within the HCDD right of way in such a manner that they do not interfere with the operation and/or maintenance of the ditch or related structures. A witness post, not less than five feet (5') above the ground, shall be installed by each anchor or the cable shall be wrapped up to a point at least five feet (5') above the ground with a bright colored material to make it obviously visible.

It shall be the Applicant's responsibility to maintain the areas clear of brush within a ten foot (10') radius of each pole, under the guy wires and around the anchors, on both side of the ditch and within the HCDD's right of way limits.
