Dear Judge and Commissioners:

In accordance with Local Government Code Section 111.093, a requisition issued or a contract for work, labor, services, or materials and supplies is not binding until the county auditor certifies that the budget contains an ample provision for the obligation and that funds are or will be available to pay the obligation when due. Recommend that agreements/contracts be revised to include the County Auditor's signature as certification of available funds.

Re: Review of *Monthly Fees Report* and Supporting Documentation
For the Month of September 2016

Dear Ms. Ramon:

We have conducted a limited scope review of the *Monthly Fees Report (Monthly Report)* and supporting documentation for the month of September 2016 pursuant to Local Government Code §115.002 (a) and (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Report* for the month of September 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed the *Monthly Report*, fee schedules, and *Contracts for Lease Election Services* approved by Commissioners Court. The following procedures were performed:

- Reviewed the submittal date of the *Monthly Report* to the County Auditor's Office to determine if the report and supporting documentation were received within 5 days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fees were allocated and reported in the proper amounts.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Report* agreed to: 1.) total deposits made with the County Treasurer and 2.) total deposits posted to *alio's* Undistributed Receipts general ledger account.
- Verified that the 10% administrative fee pursuant to Article VI Cost of Service and Billing in the *Contract for Lease Election Services* and Elections Code §31.100(d) was paid timely.

- Reviewed *Cashier's Daily Close-Out Reports*/*Daily Remittance Report* (*Close-Out Reports*) and County Treasurer receipts to determine whether collections were properly accounted and deposited with the County Treasurer on a timely basis.
- Reviewed receipts issued to verify the proper completion and issuance in sequential order.
- Reviewed *Close-Out Reports* to verify proper completion.
- Verified that payments for Election Services were timely remitted.

Conclusion:
Total collections for the month of September 2016 were $20,717.05. Based on the results of our review, we have concluded that fees were generally properly accounted and reported.

If you should have any questions or would like to schedule a meeting to discuss the above noted observations, please do not hesitate to contact Alejandra Santa Ana, MSA, Internal Auditor I, at 318-2511 ext. 4647, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Re: Review of *Monthly Fees Report* and Supporting Documentation
For the months of October 2016 and November 2016

Dear Mr. Garza:

We have conducted a limited scope review of the *Monthly Fees Reports* and supporting documentation for the months of October 2016 and November 2016 pursuant to Local Government Code §115.002 (a) and (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope and Methodology:
The scope of our review was limited to collections reported by the Fire Marshal's Office on the *Monthly Fees Reports* for the months of October 2016 and November 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes, the *Monthly Fees Reports*, and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Fees Reports* to the County Auditor's Office to determine if the reports and supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Reports* to ensure that the reports were signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Reports* by footing and cross-footing the reports.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.

- Reviewed receipts issued, *Daily Remittance,* and *Monthly Fees Reports* to verify proper completion.

Re: Review of Delta Lake *Monthly Fees Report* and Supporting Documentation
For the months of October 2016 and November 2016

Dear Commissioner Cuellar:

We conducted a limited scope review of the Delta Lake *Monthly Fees Reports* and all supporting documentation for the months of October 2016 and November 2016 pursuant to Local Government Code §115.002 (a) and (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported on the *Monthly Fees Reports* for the months of October 2016 and November 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal date of the *Monthly Reports* and applicable supporting documentation to the County Auditor's Office to determine if the reports and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Reports* to ensure that the reports were signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Reports* by footing and cross-footing the reports.
- Reviewed tickets issued to determine if proper fee amounts were collected and reported.
- Verified tickets issued followed a sequential order.
- Verified that procedures for voided tickets were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports/Daily Remittance Forms (Close-Out Report)* to determine whether fees collected were properly accounted & deposited with the County Treasurer on a daily basis.

- Verified that the collections per the *Monthly Reports* agreed to total tickets issued and the deposits made with the County Treasurer.
- Verified the *Close-Out Report Forms* and *Monthly Fees Reports* were properly completed.

Conclusion:
Total collections for the months of October 2016 and November 2016 were $488.00 and $262.00, respectively. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported; however, the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observation.

Observation No. 1:
According to the Delta Lake Park staff, effective July 21, 2012, the park entrance fee from Monday through Saturday is waived. The park entrance fee is only collected on Sundays.

Local Government Code Sec. 316.001(4) states, "the commissioners court of a county may set and collect fees for admission to a county park, if approved by a majority of the qualified voters of the county voting on the issue at a referendum election, which the commissioners court may order and hold for that purpose. Local Government Code Sec. 316.004 further states that "the commissioners court may set and collect the fees in different amounts or may waive the fees in consideration of the following factors: (1) the time of the day at which or the day of the week on which a facility or service is used; (2) the size of a group wishing to use a facility or service; (3) the special circumstances of certain classes of persons, including elderly persons and indigent persons; or (4) other factors that the court considers to justify a different fee or the waiver of a fee".

Commissioner's Court approval to waive the park entrance fee was not obtained.

Recommendation:
Commissioners Court approval to waive the park entrance fee should be obtained.

Please provide a written management response to the observation noted above by January 13, 2017.

Honorable A.C. Cuellar, Jr., Commissioner
Hidalgo County Precinct No. 1

Re: Review of the Precinct 1 Sanitation Program *Monthly Fees Report* and Supporting Documentation For the month of October 2016

Dear Commissioner Cuellar:

We conducted a limited scope review of the Precinct 1 Sanitation Program *Monthly Fees Report* and all supporting documentation for the month of October 2016 pursuant to Local Government Code §115.002 (a), and §115.002 (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported on the *Monthly Fees Report* for the month of October 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal date of the *Monthly Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified that receipts and permits issued followed a sequential order.
- Verified that procedures for voided receipts and permits were properly followed.

- Reviewed *Cashier's Daily Close-Out Reports/Daily Remittance Forms (Close-Out Report)* to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Verified the *Close-Out Report Forms* and *Monthly Fees Report* were properly completed.

Conclusion:
Total collections for the month of October 2016 were $17,300.00. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported. However, the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
Permit number 33288 was unissued and unaccounted for. Pursuant to the official permit log, the permit was provided to user 9 for issuance purposes; however, staff was not able to provide an explanation for the missing permit.

The County Auditor's Office requires that permits be issued in sequential order. In addition, an employee must be designated the responsibility of maintaining custody of unissued permits in a secure place. Access to the secure place must be limited to as few employees as possible. A log must be used to record the sequence of official permits issued, date issued, and to whom issued. The log should be reviewed periodically to account for all official permits.

Failure to ensure that permits are issued in sequential order may result in the loss of County funds.

Recommendation:
Management should ensure that permits are issued in sequential order. In addition, $25.00 for the missing permit 33288 should be deposited with the County Treasurer's Office.

In addition, we noted that during January 2016, February 2016, May 2016, and July 2016 there were five missing permits. The County Auditor's Office requested that $125.00 for the five missing permits be replenished and deposited with the County Treasurer. As of today, the funds have not been deposited. The $125.00 should be immediately deposited with the County Treasurer.

Observation No. 2:
The *Monthly Fees Report* and applicable supporting documentation were not filed with the County Auditor's Office within five days after the last day of the month pursuant to Local Government Code §114.001 (b). The report was submitted 12 days late.

Local Government Code §114.001 (b) requires monthly reports to be filed with the County Auditor's Office within five days after the last day of each month.

Failure to ensure that the monthly report is filed with the County Auditor's Office within five days after the last day of the month will result in non-compliance with Local Government Code §114.001 (b).

Recommendation:
Management should ensure that the *Monthly Fees Report* and supporting documentation are filed with the County Auditor's Office within five days after the last day of the month.

Observation No. 3:
We noted during out review that the *Cashiers Daily Close out Reports* were missing the signature of the County Official or his designee on *Part III Acknowledgement and Approval* documenting the verification that the bank validated deposit slip agreed to the total amount to be deposited on the Close-Out Report. Staff, did not provide an explanation for the missing signatures.

The County Auditor's Office requires that after the deposit has been made, the County Official or his/her designee must verify that the total amount on the bank validated deposit slip agrees to the total amount to be deposited on the Close-Out Report. The County Official or his/her designee must sign under *Part III Acknowledgement and Approval* to document responsibility for this verification.

Failure to ensure that the bank validated deposit slip agrees to the total amount to be deposited on the Close-Out Report may result in the loss of County funds.

Recommendation:
Management should ensure that the County Official or his/her designee verifies the total amount on the bank validated deposit slip agrees to the total amount to be deposited on the Close-Out Report and that the County Official or his/her designee signs *Part III Acknowledgement and Approval* to document responsibility for this verification.

Observation No: 4
We noted that receipts were not properly voided. The receipts did not contain the supervisor's signature of approval and the explanation for void. Staff has previously been provided with copies of the approved Cash Handling Guidelines and Procedures and trained on the procedures for voiding receipts. Staff was not able to provide an explanation for the receipts that were not properly voided.

The County Auditor's Office requires that approval of a void receipt be obtained prior to voiding a receipt. Approval of void receipts should be limited to supervisors. The supervisors should ensure the original and all copies of the void receipt contain on the face of the receipt the word "void", an explanation for the void, the date receipt was voided, and the supervisor's signature of approval. In addition, the properly authorized voided receipt must be submitted to the Auditor's Office along with the monthly reports.

Failure to ensure that receipts are properly voided may result in the loss of County funds.

Recommendation:
Management should ensure that receipts are properly voided. At a minimum, the procedures noted above should be implemented.

If you should have any questions, please do not hesitate to call Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651, or Arcy B. Duran, CPA, Director of Audit, at ext. 4645, Linda Fong, First Assistant Auditor, at ext. 4668, or me at 4604.

EDINBURG, TEXAS 78539

December 22, 2016

The Honorable Eduardo Cantu
Hidalgo County Commissioner Precinct No. 2
300 W. Hall Acres Suite G
Pharr, Texas 78577

Re: Review of the Precinct 2 Sanitation Program *Monthly Fees Reports* and Supporting Documentation For the Months of October and November 2016

Dear Commissioner Cantu:

We conducted a limited scope review of the Precinct 2 Sanitation Program *Monthly Fees Reports* and all supporting documentation for the months of October and November 2016 pursuant to Local Government Code §115.002 (a), and §115.002 (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported on the *Monthly Fees Reports* for the months of October and November 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal date of the *Monthly Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified that receipts and permits issued followed a sequential order.
- Verified that procedures for voided receipts and voided permits were properly followed.

- Reviewed *Cashier's Daily Close-Out Reports/Daily Remittance Forms (Close-Out Report)* to determine whether fees collected were properly accounted & deposited with the financial institution on a daily basis.
- Verified that the collections per the *Monthly Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer and the financial institution.
- Verified the *Close-Out Report Forms* and *Monthly Fees Report* were properly completed.

Conclusion:
Total collections for the months of October and November 2016 were $5,250.00 and $4,425.00, respectively. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported.

If you should have any questions, please do not hesitate to call Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651, or Arcy B. Duran, CPA, Director of Audit, at ext. 4645, Linda Fong, First Assistant Auditor, ext 4668, or me at ext 4604.

Re: Review of Sanitation Program *Monthly Fees Report* and Supporting Documentation
For the month of October 2016

Dear Commissioner Flores:

We conducted a limited scope review of the Precinct 3 Sanitation Program *Monthly Fees Report* and all supporting documentation for the month of October 2016 pursuant to Local Government Code §115.002 (a), and §115.002 (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported on the *Monthly Fees Report* for the month of October 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following procedures were performed:

- Reviewed the submittal date of the *Monthly Fees Report* and applicable supporting documentation to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified that receipts and permits issued followed a sequential order.
- Verified that procedures for voided receipts and voided permits were properly followed.

- Reviewed *Cashier's Daily Close-Out Reports/Daily Remittance Forms (Close-Out Report)* to determine whether fees collected were properly accounted and deposited with the financial institution on a daily basis.
- Verified that the collections per the *Monthly Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer and the financial institution.
- Verified the *Close-Out Report Forms* and *Monthly Fees Report* were properly completed.

Conclusion:
Total collections for the month of October 2016 were $33,300.00. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported.

However, we noted that shortages and missing permits totaling $440.00 (shortages of $25.00, $10.00, and $5.00 on January 8, 2016, January 11, 2016 and February 24, 2016, respectively, and 13 missing permits between January and August totaling $400.00) have not been replenished and deposited with the County Treasurer, as previously requested by the County Auditor's Office. The $440.00 should be immediately deposited with the County Treasurer.

If you should have any questions please do not hesitate to contact Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, Linda Fong, First Assistant Auditor, at ext. 4668, or me at ext. 4604.

Re: Review of *Monthly Fees Reports* and Supporting Documentation
For the months of October 2016 & November 2016

Dear Commissioner Flores:

We conducted a review of the Anzalduas Park *Monthly Fees Reports* and supporting documentation for the months of October 2016 and November 2016 in accordance with Local Government Code §115.002(a) and (b). The objective of the review was to determine whether collections were properly accounted and reported.

Scope:
The scope of the review was limited to collections reported by your office on the *Monthly Fees Reports* for the months of October 2016 and November 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes, the *Monthly Fees Reports*, and fee schedules. The following procedures were performed:

- Reviewed the submittal dates of the *Monthly Fees Reports* to the County Auditor's Office to determine if the reports and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signatures on the *Monthly Fees Reports* to ensure that the reports were signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Reports* by footing and cross-footing the reports.
- Reviewed tickets issued to determine if proper fee amounts were collected and reported.

- Verified tickets issued followed a sequential order.
- Verified that procedures for voided tickets were properly followed.
- Reviewed *Cashier's Daily Close-Out Reports/Daily Remittance Forms* to determine whether fees collected were properly accounted and deposited with the County Treasurer on or before the fifth business day after the day on which the funds were received pursuant to Local Government Code §113.022.
- Verified that the collections per the *Monthly Fees Reports* agreed to total tickets issued and the deposits made with the County Treasurer.
- Reviewed receipts issued, *Cashier's Daily Close-Out Reports/Daily Remittance Forms*, and *Monthly Fees Report* to verify proper completion.

Conclusion:
Total collections for the months of October 2016 and November 2016 were $2,480.00 and $776.00, respectively. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported; however, the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observation.

Observation No. 1:
A $4.00 park entrance fee is collected from vehicles entering the Anzalduas Park on Saturdays and Sundays. Commissioners Court approved to increase the park entrance fee from $2.00 to $4.00 on March 23, 1993. A review of the County's financial records indicated that a park entrance fee has been collected since at least 1992. Commissioners Court may set and approve park entrance fees if approved by a majority of qualified voters through a referendum election; however, evidence that a referendum election was conducted was not provided. According to the Anzalduas Park staff, they were not aware if and when a referendum election was held to approve the collection of the park entrance fee.

In addition, according to staff, the park entrance fee is waived under certain circumstances. For example, the park entrance fee is only collected on weekends and waived on weekdays. The park entrance fee is also waived from vehicles entering the park after the *Daily Close-Out Report* and deposit cut-off time of 4:30 p.m. In addition, the park entrance fee is waived from County employees and law enforcement personnel upon presentment of a County or law enforcement identification card. Although Commissioners Court may waive the collection of the park entrance fee under certain circumstances, evidence of a Commissioners Court waiver policy was not provided. According to the Anzalduas Park staff, a waiver policy will be presented to Commissioners Court.

Local Government Code §316.001(4) states that "the commissioners court of a county may set and collect fees for admission to a county park, if approved by a majority of the qualified voters of the county voting on the issue at a referendum election, which the commissioners court may order and hold for that purpose." Local Government Code §316.004 further states that "the commissioners court may set and collect the fees in different amounts or may waive the fees in consideration of the following factors: (1) the time of the day at which or the day of the week on which a facility or service is used; (2) the size of a group wishing to use a facility or service; (3) the special circumstances of certain classes of persons, including elderly persons and indigent persons; or (4) other factors that the court considers to justify a different fee or the waiver of a fee."

The County Auditor's Office requires that all departments continue to collect and receipt after the established cut-off time. Any collections receipted after the cut-off time can be safeguarded overnight until they are deposited the next business day with the next business day's collections.

Formal procedures have not been developed and implemented to ensure that park entrance fees are properly collected. Failure to properly collect the park entrance fees may result in the loss of County funds.

Recommendation:
Management should develop and implement formal procedures to ensure that park entrance fees are properly collected. Evidence that a referendum election was conducted and evidence authorizing the collection and waiver of the fee should be obtained. In addition, the park entrance fee should continue to be collected after the cut-off time as required by the *Cash Handling Guidelines and Procedures*.

Please provide a written management response to the observation noted above by January 13, 2017.

If you should have any questions, please do not hesitate to call Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651, or Arcy B. Duran, CPA, Director of Audit, at ext. 4645, Linda Fong, First Assistant Auditor, at ext. 4668, or me at 4604.

The Honorable Joseph Palacios
Hidalgo County Commissioner Precinct No. 4
1051 N. Doolittle Rd.
Edinburg, Texas 78542

Re: Review of the Precinct 4 Sanitation Program *Monthly Fee Report* and Supporting Documentation For the month of October 2016

Dear Commissioner Palacios:

We conducted a limited scope review of the Precinct 4 Sanitation Program *Monthly Fee Report* and all supporting documentation for the month of October 2016 pursuant to Local Government Code §115.002 (a) and (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported on the *Monthly Fee Report* for the month of October 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes, the *Monthly Fee Report,* and fee schedules. The following procedures were performed:

- Reviewed the submittal date of the *Monthly Fee Report* to the County Auditor's Office to determine if the report was received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signatures on the *Monthly Fee Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fee Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified that receipts and permits issued followed a sequential order.
- Verified that procedures for voided receipts and voided permits were properly followed.

- Reviewed *Cashier's Daily Close-Out Reports/Daily Remittance Forms (Close-Out Report)* to determine whether fees collected were properly accounted and deposited with the County Treasurer on a daily basis.
- Verified that the collections per the *Monthly Fee Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed receipts issued, *Close-Out Reports* and *Monthly Fee Report* to verify proper completion.

Conclusion:
Total collections for the month of October 2016 were $25,825.00. Based on the results of our review, we have concluded that fees collected were properly accounted and reported.

Ref: Review of *Monthly Fees Report* and Supporting Documentation
For the month of October 2016

Dear Constable Cantu:

We have conducted a limited scope review of the Constable Precinct 2 *Monthly Fees Report* and supporting documentation for the month of October 2016 pursuant to Local Government Code § 115.002 (a) and (b) and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fees Report* for the month of October 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes and fee schedules. The following are some of the procedures performed:

- Reviewed the submittal date of the *Monthly Fees Report* to the County Auditor's Office to determine if the report and supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the reports.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Cashier's Daily Close-Out Report/Daily Remittance Form* to determine whether fees collected were properly accounted and deposited with the County Treasurer in a timely manner.

- Verified that the collections per the *Monthly Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed receipts, *Cashier's Daily Close-Out Report/Daily Remittance Form,* and *Monthly Fees Report* to verify proper completion.

Conclusion:
Total collections for the month of October 2016 were $31,677.30. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported.

Re: Review of *Monthly Fees Report* and Supporting Documentation
For the Month of September 2016

Dear Sheriff Guerra:

We have conducted a limited scope review of the *Monthly Fees Report* and supporting documentation for the month of September 2016 pursuant to Local Government Code §115.002 (a) and (b). The objective of the review was to determine if fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Monthly Fees Report* for the month of September 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable fee schedules and the *Monthly Fees Reports*. The following procedures were also performed:

- Reviewed the submittal date of the *Monthly Fees Report* to the County Auditor's Office to determine if the report and supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001(b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if fees were allocated and reported in the proper amounts and verified whether any adjustments were made.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the *Monthly Fees Report* agreed to: 1.) total receipts issued, 2.) total deposits made with the County Treasurer, and 3.) total deposits posted to *alio's* various general ledger accounts.

- Reviewed direct deposits noted on the bank statements to ensure the direct deposits were timely remitted to the County Treasurer's Office.
- Verified that receipts issued followed a sequential order.
- Reviewed the *Monthly Fees Report* and County Treasurer receipts to determine whether fees collected were properly accounted and deposited with the County Treasurer's Office on a weekly basis.
- Reviewed receipts issued and the *Monthly Fees Report*, among other supporting documentation, to verify proper completion.

Conclusion:
Total collections for the month of September 2016 were $76,854.85. Based on the results of our review, we have concluded that fees were generally properly accounted and reported. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observation.

Observation No. 1:
We noted during our review that *Odyssey* has been programmed to allow cashiers to backdate receipts.

The County Auditor's Office requires that all cash received be promptly recorded and controlled using a pre-numbered official County receipt. In order to create an audit trail, the official County receipt must be noted with the actual date of issuance, payer's name, form of payment (e.g., cash, check, or credit card), amount, account name to be credited, description (e.g., case number, style of case number), and the initials or signature of the cashier. In addition, prior to issuing a receipt; the cashier must verify that all the information on the receipt is correct.

Allowing cashiers to backdate receipts increases the risk of loss of County funds.

Recommendation:
We recommend that management contact the Information Technology Department and request that *Odyssey* be programmed to prevent receipts from being backdated.

Please provide a management response to the observations noted above by November 23, 2016.

If you should have any questions or concerns, please do not hesitate to Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, Linda Fong, First Assistant Auditor, at ext. 4668, or me at ext. 4604.

Re: Review of "D" *Monthly Fines and Fees Report* and Supporting Documentation
For the month ended September 30, 2016

Dear Sheriff Guerra:

We have conducted a limited scope review of the "D" *Monthly Fines and Fees Report* and supporting documentation for the month ended September 30, 2016 pursuant to Local Government Code §115.002 (a) and (b). The objective of the review was to determine if fines and fees collected were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the "D" *Monthly Fines and Fees Report* for the month of September 30, 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed the "D" *Monthly Fines and Fee Report* and supporting documentation. The following procedures were also performed:

- Reviewed the submittal date of the "D" *Monthly Fines and Fees Report* to the County Auditor's Office to determine if the report and supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001(b).
- Verified the signature on the "D" *Monthly Fines and Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the "D" *Monthly Fines and Fees Report* by footing and cross-footing the report.
- Verified that procedures for voided receipts were properly followed.
- Verified that collections per the "D" *Monthly Fines and Fees Report* agreed to: 1.) total receipts issued; and 2.) total deposits.
- Reviewed the "D" *Monthly Fines and Fees Report* and County Treasurer receipts to determine whether fees collected were properly accounted and deposited with the County Treasurer's Office on a weekly basis.

- Reviewed receipts issued and the "D" *Monthly Fines and Fees Report*, among other supporting documentation, to verify proper completion.

Conclusion:
Total collections for the month of September 2016 were $2,832.10. Based on the results of our review, we have concluded that fees were generally properly accounted and reported. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
Procedures for voiding receipts were not consistently followed. At times, void receipts did not contain the employee signature, reason for void, date the receipt was void, or the signature of the supervisor approving the void.

The County Auditor's Office requires that approval to void a receipt be obtained prior to voiding a receipt. Approval of void receipts should be limited to supervisors. The supervisors should ensure the original and all copies of the void receipt contain on the face of the receipt the word "void", an explanation for the void, the date receipt was voided, and the supervisor's signature of approval. In addition, the supervisor should ensure that the original and all the other copies of the voided receipt are securely attached together.

Formal procedures have not been developed and implemented to ensure receipts are properly voided. This may result in the loss or misuse of County funds.

Recommendation:
Management should develop and implement formal procedures to ensure that void receipts contain the employee signature, reason for void, date the receipt was void, and the signature of the supervisor approving the void.

Observation No. 2:
We noted during our review that fines, fees, and court costs collected from inmates upon discharge from jail are being deposited into the Bond "B" (cash bail bonds) bank account. According to staff, the new deposit procedure was implemented during the transition to *Odyssey*, as recommended by Tyler Technologies; however, the Sheriff's Office is currently working with the Auditor's Office to implement procedures for depositing the funds with the County Treasurer.

Local Government Code §113.021(a) states "fees, commissions, funds, and other money belonging to a county shall be deposited with the county treasurer by the person who collects the money. The person must deposit the money in accordance with any applicable procedures prescribed by or under Section 112.001 or 112.002."

Pursuant to Local Government Code §85.001 (A)-(B), the Sheriff is required to execute a surety bond, "conditioned that the sheriff will: (A) faithfully perform the duties of office established by law; (B) account for and pay to the person authorized by law to receive them the fines, forfeitures, and penalties the sheriff collects for the use of the state or a county."

Failure to remit fines, fees, and court costs to the County Treasurer may violate the terms of the Sheriff's official bond.

Recommendation:
In order to ensure compliance with state statutes and ensure that funds are more effectively and efficiently accounted, management should ensure that the Sheriff's "D" collections are deposited with the County Treasurer.

Please provide a management response to the observations noted above by November 23, 2016.

If you should have any questions or concerns, please do not hesitate to contact Letty Chavez, Compliance Audit Supervisor, ext. 4651, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, Linda Fong, First Assistant Auditor, at ext. 4668, or me at ext. 4604.

Re: Review of Sheriff's Regular Trust Fund Financial Statements
For the Month Ended September 30, 2016

Dear Sheriff Guerra:

We conducted a limited scope review of the Regular Trust Fund financial statements for the month ended September 30, 2016 pursuant to Local Government Code §115.001. The objective of the review was to obtain limited assurance that the financial statements are free from material misstatements.

Management is responsible for the preparation of the financial statements including the design, implementation, and maintenance of internal controls relevant to the preparation of the financial statements. Our responsibility is to perform procedures to obtain limited assurance that there are no material modifications that need to be made to the financial statements.

Based on our review, nothing came to our attention that caused us to believe that the financial statements contained any material misstatements. However, we noted that the system of internal controls relevant to the preparation of the financial statements requires improvements as noted in the following observation:

Observation No. 1

Pursuant to Tax Code §34.01 (a), "real property seized under a tax warrant issued under subchapter E, Chapter 33, or ordered sold pursuant to foreclosure of a tax lien shall be sold by the officer charged with selling the property...".

Pursuant to Tax Code §34.02 (d), "the officer conducting a sale under section 33.94 or 34.01 shall pay any excess proceeds after payment of all amounts due all participants in the sale as specified by subsection (b) to the clerk of the court issuing the warrant or order of sale."

During the month of September 2016, the Sheriff's Office conducted a tax sale of foreclosed properties. The Sheriff's Office distributed the proceeds from the tax sale to the delinquent tax attorney firm. The delinquent tax attorney firm distributed the tax sale proceeds to all the tax sale participants instead of the distribution being made by the Sheriff as required by Tax Code § 34.02.

According to the Sheriff's Office, they were instructed to issue the proceeds, after deduction of the Sheriff's fees, to the delinquent tax attorney firm. The delinquent tax attorney firm would then be responsible for distributing the proceeds to the proper entities. In addition, if the proceeds were

generated from a tax re-sale, Odyssey was programmed to automatically issue the check for all proceeds, including the Sheriff's fees, to the delinquent tax attorney firm.

We recommend that the Sheriff's Office distribute the tax sale proceeds to all participating entities pursuant to Tax Code §34.02. In addition, management should contact Tyler Technology and request that *Odyssey* be programmed to allow the Sheriff's Office to distribute the tax re-sale proceeds to all participating entities.

If you have any questions, please contact Letty Chavez, Compliance Audit Supervisor, at 318-2511, ext. 4651, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, Linda Fong, First Assistant Auditor, at ext. 4668, or me at ext. 4604.

Re: Review of Sheriff's Fee Financial Statements
For the Months Ended August 31, 2016 and September 30, 2016

Dear Sheriff Guerra:

We conducted a limited scope review of the Fee Trust Account financial statements for the months ended August 31, 2016 and September 30, 2016 pursuant to Local Government Code §112.006 (a), §115.001, §115.002 (b), and §115.901. The objective of the review was to obtain limited assurance that the financial statements are free from material misstatement.

Management is responsible for the preparation of the financial statements including the design, implementation, and maintenance of internal controls relevant to the preparation of the financial statements. Our responsibility is to perform procedures to obtain limited assurance that the financial statements are free from material misstatement.

Based on our review, nothing came to our attention that caused us to believe that the financial statements contained any material misstatements. However, we noted that the system of internal controls relevant to the preparation of the financial statements requires improvement as noted in the following observations.

Please contact the County Treasurer's Office if assistance is needed with this transition.

Observation No. 2:
The Due to Others – Voided Checks balance as of September 30, 2016 was $190.00. The balance included 8 voided checks with original issue date of December 12, 2013 through June 17, 2016.

Pursuant to Texas Property Code Chapter 76, a check may be presumed abandoned on the latest of the third anniversary of the date (1) the check was payable; (2) the issuer or payor of the check last received documented communication from the payee of the check; or (3) the check was issued if, according to the knowledge and records of the issuer or payor of the check, during that period, a claim to the check has not been asserted or an act of ownership by the payee has not been exercised.

We recommend that a notice be mailed to the last known address of the payee for the 8 voided checks stating that: (1) the Sheriff's Office is holding the funds; and (2) the Sheriff's Office may be required to deliver the funds to the County Treasurer on or before July 1 if the funds are not claimed. Any applicable funds not claimed should be escheated to the County Treasurer prior to closing the "Fee" bank account.

Re: Review of Sheriff's Regular Trust Fund Financial Statements
For the Months Ended June 30, 2016 through August 31, 2016

Dear Sheriff Guerra:

We conducted a limited scope review of the Regular Trust Fund financial statements for the months ended June 30, 2016 through August 31, 2016 pursuant to Local Government Code §115.001. The objective of the review was to obtain limited assurance that the financial statements are free from material misstatements.

Management is responsible for the preparation of the financial statements including the design, implementation, and maintenance of internal controls relevant to the preparation of the financial statements. Our responsibility is to perform procedures to obtain limited assurance that there are no material modifications that need to be made to the financial statements.

Based on our review, nothing came to our attention that caused us to believe that the financial statements contained any material misstatements. However, we noted that the system of internal controls relevant to the preparation of the financial statements requires improvements as noted in the following observation:

Observation No. 1

Pursuant to Tax Code §34.01 (a), "real property seized under a tax warrant issued under subchapter E, Chapter 33, or ordered sold pursuant to foreclosure of a tax lien shall be sold by the officer charged with selling the property…".

Pursuant to Tax Code §34.02 (d), "the officer conducting a sale under section 33.94 or 34.01 shall pay any excess proceeds after payment of all amounts due all participants in the sale as specified by subsection (b) to the clerk of the court issuing the warrant or order of sale."

During the month of July 2016 and August 2016, the Sheriff's Office conducted a tax sale of foreclosed properties. The Sheriff's Office distributed the proceeds from the tax sale to the delinquent tax attorney firm. The delinquent tax attorney firm distributed the tax sale proceeds to all the tax sale participants instead of the distribution being made by the Sheriff as required by Tax Code § 34.02.

According to the Sheriff's Office, they were instructed to issue the proceeds, after deduction of the Sheriff's fees, to the delinquent tax attorney firm. The delinquent tax attorney firm would then be

responsible for distributing the proceeds to the proper entities. In addition, if the proceeds were generated from a tax re-sale, Odyssey was programmed to automatically issue the check for all proceeds, including the Sheriff's fees, to the delinquent tax attorney firm.

We recommend that the Sheriff's Office distribute the tax sale proceeds to all participating entities pursuant to Tax Code §34.02. In addition, management should contact Tyler Technology and request that *Odyssey* be programmed to allow the Sheriff's Office to distribute the tax re-sale proceeds to all participating entities.

Re: Review of Sheriff's Inmate Trust Financial Statements
For the Months of June 2016 through August 2016

Dear Sheriff Guerra:

We conducted a limited scope review of the financial statements and applicable supporting documentation of the Inmate Trust Fund Account for the months of June 2016 through August 2016 pursuant to Local Government Code §115.001. The objective of the review was to obtain limited assurance that the financial statements are free from material misstatements.

Management is responsible for the preparation of the financial statements and for designing, implementing, and maintaining internal control relevant to the preparation of the financial statements. Our responsibility is to perform procedures to obtain limited assurance that there are no material modifications that need to be made to the financial statements.

Based on our review, nothing came to our attention that caused us to believe that the financial statements contained any material misstatements. However, we noted that the system of internal controls for the accounting of inmate trust funds requires improvement as noted below:

Observation No. 1:
As of August 31, 2016, the "Held in Trust" account had a cash balance of $49,585.96 and consisted of funds received from inmates and/or the inmates' family members. However, the balance on the "Inmate Accounts with Balances Report," a report generated from *Odyssey* (the County's law enforcement system) that lists the names of the inmates and the amount of funds held in trust for each inmate, was only $45,570.48 resulting in an unidentified variance of $4,015.48. The Sheriff's Office conducted research to identify the owners of the unidentified variance and several checks were issued; however, a variance continues to exist.

Recommendation:
We recommend that the Sheriff's Office continue to conduct additional research to identify the owners of the unidentified variance.

Observation No. 2:
Voided check numbers 284821, 285333, 285976, 287448, 287453, 287455, and 288009 were not properly voided. The voids did not contain an explanation for the void, the date the check was void, and the supervisor's signature of approval.

The County Auditor's Office requires that approval of a void receipt/check be obtained prior to voiding a receipt/check. Approval of void receipts/checks should be limited to supervisors. The supervisors should ensure the original and all copies of the void receipt/check contain on the face of the receipt/check the word "void", an explanation for the void, the date receipt/check was voided, and the supervisor's signature of approval. In addition, the supervisor should ensure that the original and all the other copies of the voided receipt are securely attached together and submitted to the County Auditor's Office.

JUDGE, 430TH D.C. | JESSE CONTRERAS JUDGE, 449TH D.C.

Failure to ensure proper procedures for voiding receipts/checks are followed may result in the loss or misuse of County funds.

Recommendation:
Management should re-train staff regarding the proper procedures for voiding receipts/checks. At a minimum, the procedures listed above should be implemented.

Observation No. 3:
The amount on the "Inmate Account Journal" generated from Odyssey for the months of June 2016 through August 2016 totaled $139,275.49; $126,279.27; and $137,360.29, respectively. However; the amount on the "Commissary Sales" generated from Odyssey for the months of June 2016 through August 2016 totaled $139,268.25; $126,226.24; and $137,351.38, respectively.

The amounts on the "Inmate Account Journal" and the "Commissary Sales" reports should agree; however, for the months of June 2016 through August 2016 there was a variance of $7.24, $53.03, and 8.91, respectively. According to the Sheriff's Office, the variance may be due to rounding. Tyler Technologies has been made aware of the issue and is in the process of determining the reason for the differences.

Recommendation:
We recommend that the Sheriff's Office continue to communicate with Tyler Technologies to ensure that the issue is resolved and the "Inmate Account Journal" and the "Commissary Sales" report agree.

Observation No. 4:
We noted that the "Inmate Accounts with Balances" report generated from *Odyssey* for the month ended August 31, 2016 included the names of 26 inmates with negative balances. A review of the 26 inmate accounts in *Odyssey* revealed the following:

- 25 inmate account balances were negative since the conversion to *Odyssey*; however, the inmates with negative balances were not appearing on the "Inmate Accounts with Balances" report until August 2016. We reviewed the 25 inmate accounts in *Ablterm* to determine the reason for the negative balance. The inmate's account balances in *Ableterm* were "0". It appears that the inmates were released with an amount in excess of the balance as a result of a calculation glitch in *Ableterm*. The Sheriff's Office was not aware of the calculation glitch until the "Inmate Accounts with Balances" report for the month ended August 31, 2016 was generated from *Odyssey*.
- 1 inmate account was negative due to an error in the Commissary sale. The inmate's account was corrected by the Commissary Supervisor.

Recommendation:
We recommend that the Sheriff's Office conduct research to determine if the 25 inmates owe the Sheriff's Office the negative balance amount. If the Sheriff's Office determines that the inmates in fact owe the balance, a letter should be sent to the inmate to request the funds. In addition, the accounts receivable amount should be recorded on the Jail Commissary balance sheet.

Please provide a management response to the observations noted above by November 23, 2016.

If you have any questions, please contact Letty Chavez, Compliance Audit Supervisor, at 318-2511, ext 4651, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, or me at ext. 4604.

Re: Review of *Hot Checks Processing Fees Reports* and Supporting Documentation
For the Months of September 2016 and October 2016

Dear Mr. Rodriguez:

We have conducted a limited scope review of the *Hot Checks Processing Fees Report* (*Processing Fees Report*) and all supporting documentation for the months of September 2016 and October 2016 pursuant to Local Government Code §115.002 (a) and (b). The objective of the review was to determine if collections were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Processing Fees Report* for the months of September 2016 and October 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:
In planning and performing our review, we reviewed applicable statutes, the *Processing Fees Report*, and fee schedules. The following procedures were performed:

- Reviewed the submittal date of the *Processing Fees Report* to the County Auditor's Office to determine if the report was received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Processing Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Processing Fees Report* by footing and cross-footing the report.

- Verified that the sequence of receipts and checks issued per the *Processing Fees Report* agreed to *Odyssey's DA Receipt Journal Report* and *Check Transaction Register Report*. In addition, verified that receipts and checks issued followed a sequential order.
- Verified collections and disbursements per the *Processing Fees Report* agreed to *Odyssey's Hot Checks Receipt Journal Report*.
- Verified that collections received from the Community Supervision and Corrections Department were receipted and included on the *Processing Fees Report*.
- Verified that the collections per the *Processing Fees Report* agreed to total receipts issued and the deposits made to the Hot Check bank account.
- Verified that the processing fees per the *Processing Fees Report* were remitted to the County Treasurer's Office in a timely manner.
- Verified that procedures for voided receipts and checks were properly followed.
- Reviewed a random sample of receipts to ensure processing and merchant fees were properly collected and reported as required by Code of Criminal Procedures §102.007 and Business and Commerce Code §3.506 (b) .
- Reviewed a random sample of receipts to determine if court costs collected were remitted to the applicable Justice of the Peace courts and receipted.

Conclusion:
Total collections for the months of September 2016 and October 2016 were $123,299.08 and $111,862.22, respectively. Based on the results of the review, we have concluded that collections were generally properly accounted and reported. However, improvements could be made to the system of internal controls as noted in the following observation.

Observation No. 1:
We randomly selected 28 of 282 (10%) receipts issued during the period of review to determine if processing and merchant fees were properly collected and reported as required by Code of Criminal Procedures §102.007 and Business and Commerce Code § 3.506 (b).

The results of our review revealed the following:

- For 27 of 28 receipts, the processing and merchant fees were properly collected and reported.
- For 1 of 28 receipts, the processing fee was properly collected; however, the merchant fee was not properly collected. A merchant fee of $10.00 was collected instead of the $25.00 approved by the District Attorney's Office. According to staff, $10.00 was collected instead of $25.00 since the hot check was received by the District Attorney's Office on January 2, 2015 prior to the District Attorney notifying the staff about the $25.00 merchant fee.

In addition, we noted that the District Attorney's Office does not have a formal policy that details the amount of merchant fee to be collected. According to the Check Fraud Division Supervisor, the District Attorney, on or around January 20, 2015, verbally requested that a $25.00 merchant fee be collected for hot checks received by the District Attorney's Office on or after January 1, 2015.

Pursuant to Code of Criminal Procedures §102.007 (b), a District Attorney may collect a processing fee from any person who is a party to an offense described in Code of Criminal Procedures §102.007 (a). Pursuant to Code of Criminal Procedures 102.007 (c), the amount of the fee may not exceed:

- $10 if the face amount of the check or sight order does not exceed $10;
- $15 if the face amount of the check or sight order is greater than $10 but does not exceed $100;
- $30 if the face amount of the check or sight order is greater than $100 but does not exceed $300;
- $50 if the face amount of the check or sight order is greater than $300 but does not exceed $500; and
- $75 if the face amount of the check or sight order is greater than $500.

Pursuant to Business and Commerce Code § 3.506 (b), on return of a payment device to the holder following dishonor of the payment device by a payor, the holder, the holder's assignee, agent, or representative, or any other person retained by the holder to seek collection of the face value of the dishonored payment device may charge the drawer or endorser a maximum (merchant) fee of $30.

Recommendation:
Management should implement formal policies and procedures detailing the merchant fee to be collected pursuant to Business Commerce Code 3.506 (b).

Please provide a written management response to the observation noted above by December 22, 2016.

If you should have any questions or would like to schedule a meeting to discuss this report, please do not hesitate to call Reynaldo Cantu III, Internal Auditor I, at 318-2511 ext. 4653, Letty Chavez, Compliance Audit Supervisor, at ext. 4651, Arcy B. Re: Review of *Hot Checks Processing Fees Reports* and Supporting Documentation
For the Month of November 2016

Dear Mr. Rodriguez:

We have conducted a limited scope review of the *Hot Checks Processing Fees Report* (*Processing Fees Report*) and all supporting documentation for the month of November 2016 pursuant to Local Government Code §115.002 (a) and (b). The objective of the review was to determine if collections were properly accounted and reported.

Scope:
The scope of our review was limited to collections reported by your office on the *Processing Fees Report* for the month of November 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

Methodology:

- Reviewed the submittal date of the *Processing Fees Report* to the County Auditor's Office to determine if the report was received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).

- Reviewed a random sample of receipts to determine if court costs collected were remitted to the applicable Justice of the Peace courts and receipted.

Conclusion:
Total collections for the month of November 2016 were $122,084.41. Based on the results of the review, we have concluded that collections were generally properly accounted and reported. However, improvements could be made to the system of internal controls as noted in the following observation.

Observation No. 1:
We randomly selected 15 of 156 (10%) receipts issued during the period of review to determine if processing and merchant fees were properly collected and reported as required by Code of Criminal Procedures §102.007 and Business and Commerce Code § 3.506 (b).

The results of our review revealed that the processing and merchant fees were properly collected and reported. However, we noted that the District Attorney's Office does not have a formal policy that details the amount of merchant fee to be collected. According to the District Attorney's Office Accountant, a formal policy has been provided to legal for final approval.

Pursuant to Code of Criminal Procedures §102.007 (b), a District Attorney may collect a processing fee from any person who is a party to an offense described in Code of Criminal Procedures §102.007 (a). Pursuant to Code of Criminal Procedures 102.007 (c), the amount of the fee may not exceed:

Ref: Review of Delinquent Tax Attorney Payment Request - October 2016
Report No. 2016-75

Dear Mr. Villarreal:

We have completed a limited scope review of the October 2016 payment request prepared by your office for delinquent tax attorney (DTA) fees due to Linebarger, Goggan, Blair, and Sampson LLP ("LGBS") and related supporting documentation. The objective of our limited scope review was to determine if the payment request was accurate and properly authorized.

The scope of our review was limited to a review of the DTA fees collected by your office on behalf of the following entities: Hidalgo County (GHD), Road District 2 (RD2), Road District 5 (RD5), Road District 7 (RD7), Road District 11 (RD11), Road District 12 (RD12), Road District 14 (RD14), Road District 15, State of Texas (TEX); and the payment request prepared by your office for the month ended October 31, 2016. The County Auditor's Office did not review the tax accounts listed on the "Hidalgo County Tax Office Prior Collection Report" that reflected a refund since LGBS stated that they would not seek reimbursement for DTA fees previously paid to the prior DTA firm. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. The responsibility for sound internal controls rests with management.

As part of our review, we reviewed the payment request, the delinquent tax attorney contract, and various collection reports prepared by your office. The following procedures were performed:

- Verified that the payment request was signed and included a certification by the Hidalgo County Tax Assessor/Collector that the "payment represents 15% of the delinquent taxes and penalty and interest collections for the month of October 2016."
- Reviewed the "Hidalgo County Tax Office Prior Collection Report" to determine if the DTA fees were collected at the 15% rate specified in the contract.
- Reviewed the "Hidalgo County Tax Office Prior Collection Report" to determine if the total amount of DTA fees collected agree to the amount transferred to the Hidalgo County Treasurer's Office.

LUIS M. SINGLETERRY JUDGE, 92ND D.C. | RODOLFO DELGADO JUDGE, 93RD D.C. | J. R. "BOBBY" FLORES JUDGE, 138TH D.C. | ROSE GUERRA REYNA JUDGE, 206TH D.C. | JUAN R. PARTIDA JUDGE, 275TH D.C. | MARIO E. JUDGE, 430TH D.C. | JESSE CONTRERAS JUDGE, 449TH D.C.

The results of our review revealed that the payment request was generally accurate and properly authorized. More specifically, the following was noted:

- The payment request was signed and included a certification by the Hidalgo County Tax Assessor/Collector that the "payment represents 15% of the delinquent taxes and penalty and interest collections for the month of October 2016."
- Although DTA fees for 192 tax accounts were not collected at the 15% rate specified in the contract; we concluded that the differences in rates were attributed to tax deferrals (185 tax accounts) and small amounts collected (7 tax accounts) (see Exhibit A). The small amounts collected on the 7 tax accounts resulted in a net overage of $.05.

We will proceed to process the October 2016 DTA payment request in the amount of $144,998.81 to LGBS.

If you have any questions, please feel free to call Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, Linda Fong, First Assistant Auditor at ext. 4668, or me at ext. 4604.

The Honorable A.C. Cuellar, Jr., Commissioner
Hidalgo County Precinct No. 1
1902 Joe Stephens Suite 101
Weslaco, Texas 78596

Re: Audit of the Commissioner Precinct 1 Office Asset Inventory Listing
Audit No. 2016-67

Dear Commissioner Cuellar:

It is the practice of the County Auditor's Office to conduct an asset inventory audit when a change in administration occurs; therefore, we conducted an audit of the Precinct No. 1 Office asset inventory listing pursuant to Local Government Code §115.001 and our annual audit plan. The objective of the audit was to evaluate the accuracy and completeness of the asset inventory listing maintained by the Purchasing Department on behalf of Precinct No. 1.

BACKGROUND:
Commissioner Precinct No. 1, as an elected official, is inherently responsible for ensuring that County assets in the custody of the Precinct No. 1 Office are properly accounted, safeguarded, and disposed. Some of these responsibilities include:

- Verifying the receipt of all assets purchased and/or assigned to the Precinct No. 1 Office.
- Ensuring assets are properly tagged.
- Updating the asset inventory listing, as necessary, to account for acquisitions and disposals.
- Conducting periodic physical inventories of assets.
- Ensuring assets are only used for County purposes.
- Safeguarding assets in the Department's possession until disposal.
- Filing police reports in the event an asset is lost or stolen.
- Requiring that a formal request and formal approval from the Department Head or Designee be obtained when equipment is taken off County premises, including when taken off-site for repairs.

Precinct No. 1 employees are also inherently responsible for protecting County property entrusted to them. This includes the proper care, maintenance, control, and reasonable safeguards to prevent loss, damage or theft of such assets.

As of October 31, 2016, the Precinct No. 1 asset inventory listing consisted of 721 assets with a total acquisition cost of $10,029,290.69.

Generally Accepted Accounting Principles (GAAP)
Pursuant to generally accepted accounting principles (GAAP), adequate controls must be maintained over capital and minor assets. In addition, the GASB 34 Manual for Texas Cities and Counties states, "A government should maintain its capital asset records in its capital asset software module. This information should include asset identification numbers, equipment category codes, tag numbers, dates of acquisition, assigned departments, purchase costs and descriptions of each asset."

Capital Asset Guide
On October 23, 2001, Commissioners Court approved the Capital Asset Guide (the Guide) to be effective on January 1, 2002 in order to comply with the reporting requirements of Governmental Accounting Standards Board Statement No. 34. The Guide requires that assets (i.e., vehicles, land, buildings, machinery, equipment, computer

systems) with a useful life greater than one year and an acquisition cost of $1,000 or more be capitalized. In addition, donations should be capitalized at fair market value. On November 10, 2009, Commissioners Court clarified that assets with an inventory cost of $300.00 to $999.99 were subject to inventory.

SCOPE AND METHODOLOGY:

The scope of the audit was limited to the asset inventory listing as of October 31, 2016. The audit was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

In planning and performing the audit, the following procedures were performed:

- Selected all assets on the asset inventory listing for physical identification and to determine whether the assets were properly tagged; and
- Compared assets located at Precinct No. 1 premises to the asset inventory listing to determine whether the asset inventory listing was complete.

CONCLUSION:

Based on the results of our review, we have concluded that Precinct No. 1's inventory listing per *alio* was not accurate and complete. More specifically, the following was noted:

We selected all 721 (100%) assets on the asset inventory listing for physical identification. Of the 721 assets:

- 600 (83%) were physically located. Of the 600 assets:
  - 545 assets contained an asset tag;
    - 2 of 545 assets (2 trucks) were located at HOLT Cat. The vehicles were trade-ins towards the acquisition of new units; however, the assets had not been removed from the asset inventory listing (see Exhibit A).
  - 3 assets (5,000 gallon oil storage tank, 1 chlorine system, and 1 flow meter) were located underground (see Exhibit B);
  - 9 assets (1 roller, 2 trucks, 5 roll-off containers, and 1 weed eater) did not contain an asset tag; however, the assets were traced to the asset inventory listing utilizing the serial number (see Exhibit C);
  - 42 assets (1 scanner, 1 shredder mower, 4 roll-off containers, 2 trailers, 6 chairs, 1 cabinet, 2 light bars, 1 ice maker, 2 storage tanks, 3 portable toilets, 1 welding kit, 1 30" Fan, 4 tool box, 4 tarp mechanisms, 2 baseball field equipment, 1 pressure washer, 1 diagnostic machine, 1 brush guard, 1 grill guard, 1 wing mower, 1 air wrench, and 1 cement mixer) did not contain an asset tag or serial number (see Exhibit D). The assets were traced to the asset inventory listing utilizing the assets description; and
  - 1 asset (water pump) was assigned two asset tags (asset tag number 45814 and 30747), in error (see Exhibit E).
- 121 (17%) were not physically located. Of the 121 assets:
  - 3 assets (1 oxygen meter, 1 lowboy trailer, and 1 vibratory plate) were declared surplus. A copy of the "Asset Transfer Form" was provided; however, the assets had not been removed from the asset inventory listing (see Exhibit F); and
  - 118 assets could not be accounted for. In addition, "Asset Transfer Forms" and police reports were not provided (see Exhibit G). Several attempts were made to physically identify the assets; however, Precinct No. 1 did not provide the location of the assets.

We physically located 271 assets that were not included on the asset inventory listing. Of the 271 assets:

- 86 (32%) assets contained an asset tag. Of the 86 assets:
  - 73 assets were on the asset inventory listing of other County departments (i.e., Budget and Management, Commissioner Precinct 2, Commissioner Precinct 4, Constable Precinct 1, Executive Office, Health Department, JP Pct 4, Pl 2, JP Pct 4, Pl 1, Information Technology Department, Juvenile Probation,

Sheriff's Department, Surplus Warehouse, Veteran's Service, WIC, Location 9999, and Location 7777). Copies of "Asset Transfer Forms" were not kept on file (see Exhibit H).

- 13 assets (truck, filing cabinet, scale, chair, ice machine, 3 desks, water pump, drill, pressure washer, air compressor, and a light bar) did not have an asset record in *alio* (see Exhibit I).

- 185 (68%) assets did not contain an asset tag; however, the assets appear to be capital or minor assets that should have been included in the asset inventory listing (see Exhibit J). In addition, these assets may be some of the assets that could not be accounted for.

RECOMMENDATION:

Management should coordinate with the Purchasing Department to take corrective action to address the deficiencies identified in the audit and ensure the asset inventory listing is updated, as follows:

1. Purchasing Department should remove from Precinct No. 1 Office asset inventory listing the 2 assets that were traded in (see Exhibit A).
2. Purchasing Department should affix asset tags to the 51 assets that did not contain an asset tag (see Exhibits C and D).
3. Purchasing Department should remove asset tag 45814 (water pump) from the asset inventory listing since the asset was assigned two asset tag numbers, in error (see Exhibit E).
4. Purchasing Department should remove the 3 assets declared surplus from the asset inventory listing (see Exhibit F).
5. Further research on the 118 assets that were not located should be conducted. If the assets are no longer in Precinct No. 1 possession, supporting documentation should be provided to the Purchasing Department to remove the assets from the inventory listing (see Exhibit G).
6. Asset transfer forms should be prepared for the 73 assets that were listed on the asset inventory listing of other County departments and submitted to the Purchasing Department in order to update the asset inventory listing (see Exhibit H).
7. Purchasing Department should record in *alio* the 13 assets with asset tags that were not on the inventory listing (see Exhibit I).
8. Purchasing Department should conduct research on the 185 assets that did not contain an asset tag to determine if the assets are subject to inventory control (see Exhibit J).

Please ensure that corrective action is finalized and an updated asset inventory listing is submitted to the County Auditor's Office by Tuesday, December 27, 2016.

We would like to express our appreciation to you and your staff for the courtesy, cooperation, and assistance provided to us during the audit. EDINBURG, TEXAS 78539

December 12, 2016

The Honorable Aida Salinas Flores, Judge
398th State District Court
100 N. Closner, 2nd Floor
Edinburg, Texas 78539

Re: Audit of the 398th District Court Asset Inventory Listing
Audit No. 2016-71

Dear Judge Aida Salinas Flores:

It is the practice of the County Auditor's Office to conduct an asset inventory audit when a change in administration occurs; therefore, we conducted an audit of the 398th District Court asset inventory listing pursuant to Local Government Code §115.001 and our annual audit plan. The objective of the audit was to evaluate the accuracy and completeness of the asset inventory listing maintained by the Purchasing Department on behalf of the 398th District Court.

BACKGROUND:
The Judge of the District Court, as an elected official, is inherently responsible for ensuring that County assets in the custody of the District Court are properly accounted, safeguarded, and disposed. Some of these responsibilities include:

- Verifying the receipt of all assets purchased and/or assigned to the District Court.
- Ensuring assets are properly tagged.
- Conducting periodic physical inventories of assets.
- Ensuring assets are only used for County purposes.
- Safeguarding assets in the Department's possession until disposal.
- Filing police reports in the event an asset is lost or stolen.
- Requiring that a formal request and formal approval from the Department Head or Designee be obtained when equipment is taken off County premises, including when taken off-site for repairs.

Employees of the District Court are also inherently responsible for protecting County property entrusted to them. This includes the proper care, maintenance, control, and reasonable safeguards to prevent loss, damage, or theft of such assets.

As of November 16, 2016, the 398th District Court asset inventory listing consisted of 51 assets with a total acquisition cost of $52,054.05.

Generally Accepted Accounting Principles (GAAP)
Pursuant to generally accepted accounting principles (GAAP), adequate controls must be maintained over capital and minor assets. In addition, the GASB 34 Manual for Texas Cities and Counties states, "A government should maintain its capital asset records in its capital asset software module. This information should include asset identification numbers, equipment category codes, asset tag numbers, and dates of acquisition, assigned departments, purchase costs and descriptions of each asset."

Capital Asset Guide
On October 23, 2001, Commissioners Court approved the Capital Asset Guide (the Guide) to be effective on January 1, 2002 in order to comply with the reporting requirements of Governmental Accounting Standards Board Statement No. 34. The Guide requires that assets (i.e., vehicles, land, buildings, machinery, equipment, computer systems) with a useful life greater than one year and an acquisition cost of $1,000 or more be capitalized. In addition, donations should be capitalized at fair market value. On November 10, 2009, Commissioners Court clarified that assets with an inventory cost of $300.00 to $999.99 were subject to inventory.

SCOPE AND METHODOLOGY:
The scope of our audit was limited to the asset inventory listing as of November 16, 2016. Our audit was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

In planning and performing our audit, the following procedures were performed:

- Selected all assets on the asset inventory listing for physical identification to determine whether the assets were properly tagged; and
- Compared assets located at the 398th District Court premises to the asset inventory listing to determine whether the asset inventory listing was complete.

CONCLUSION:
Based on the results of our review, we have concluded that the inventory listing maintained by the Purchasing Department on behalf of the 398th District Court was not accurate and complete. More specifically, the following was noted:

We selected all 51 (100%) of the capital assets listed on the asset inventory listing and the results of our review revealed the following:

- 49 (96%) assets were physically located. All 49 assets contained assets tags.
- 2 (4%) assets were not physically located. The assets were declared surplus by the 398th District Court. Copies of the "Asset Transfer" forms were provided by the 398th District Court; however, the Purchasing Department has not removed the assets from the asset inventory listing (see Exhibit A).

We physically located 11 assets that were not on the 398th District Court asset inventory listing. Of the 11 assets:

- 8 assets (2 Credenzas, 1 Radio, 3 Chairs, 1 DVD player, and 1 Night stand table) contained an asset tag. All 8 assets were listed by the Purchasing Department under location 7777, in error. According to the Purchasing Department, the asset will be added to the 398th District Court's asset inventory listing (see Exhibit B).
- 3 assets (1 television, 1 receiver, and 1 laptop) located did not contain an asset tag. In addition, the assets did not have a record in *alio* (see Exhibit C). The Purchasing Department was not able to explain the reason why the assets were not listed.

RECOMMENDATION:
Management should coordinate with the Purchasing Department to take corrective action to address the deficiencies identified in the audit and ensure the asset inventory listing is updated, as follows:

1. Purchasing Department should remove the 2 assets that have been declared surplus from 398th District Court's inventory listing.

2. Purchasing Department should add the 8 assets (2 Credenzas, 1 Radio, 3 Chairs, 1 DVD player, and 1 Night stand table) that contained an asset tag and were listed on the asset inventory listing under location 7777 to the District Court's asset inventory listing.
3. Purchasing Department should add the 3 assets (1 television, 1 receiver, and 1 laptop) to the 398th District Court's inventory listing, if the assets are subject to inventory as approved by Commissioners Court on November 10, 2009.

Please provide management responses to the recommendations by December 22, 2016. Your prompt response will be greatly appreciated.

We would like to express our appreciation to you and your staff for the courtesy, cooperation, and assistance provided to us during the audit. Re: Audit of the 449th District Court Asset Inventory Listing
Audit No. 2016-72

Dear Judge Contreras:

It is the practice of the County Auditor's Office to conduct an asset inventory audit when a change in administration occurs; therefore, we conducted an audit of the 449th District Court asset inventory listing pursuant to Local Government Code §115.001 and our annual audit plan. The objective of the audit was to evaluate the accuracy and completeness of the asset inventory listing maintained by the Purchasing Department on behalf of the 449th District Court.

Employees of the District Court are also inherently responsible for protecting County property entrusted to them. This includes the proper care, maintenance, control, and reasonable safeguards to prevent loss, damage, or theft of such assets.

As of November 21, 2016, the 449th District Court asset inventory listing consisted of 35 assets with a total acquisition cost of $34,373.78.

Generally Accepted Accounting Principles (GAAP)
Pursuant to generally accepted accounting principles (GAAP), adequate controls must be maintained over capital and minor assets. In addition, the GASB 34 Manual for Texas Cities and Counties states, "A government should maintain its capital asset records in its capital asset software module. - Compared assets located at the 449th District Court premises to the asset inventory listing to determine whether the asset inventory listing was complete.

CONCLUSION:

Based on the results of our review, we have concluded that the 449th District Court's inventory listing per *alio* was not accurate and complete. More specifically, the following was noted:

We selected all 35 (100%) of the capital assets listed on the asset inventory listing and the results of our review revealed the following:

- 35 (100%) assets were physically located. Of the 35 assets:
  - 34 contained an asset tag.
  - 1 (Dell 4320 Projector) did not contain an asset tag. The asset was traced to the asset inventory listing utilizing the serial number (see Exhibit A).

We physically located 21 assets that were not on the 449th District Court asset inventory listing. Of the 21 assets:

- 14 assets (3 credenzas, 4 conference tables, 1 New Yorker lift, 1 file cabinet, 2 chairs, 2 loveseats, and 1 HP printer) contained an asset tag. All 14 assets were listed under location 7777, in error. According to the Purchasing Department, the assets will be added to the 449th District Court's asset inventory listing (see Exhibit B).
- 5 assets (2 tables, 1 HP printer, 1 credenza, and 1 filing cabinet) did not contain an asset tag. In addition, the assets did not have a record in *alio* (see Exhibit C).
- 2 assets (1 ceiling mount and 1 recording camera) contained an asset tag; however, the assets were not recorded in *alio*. According to the Purchasing Department, the assets were not recorded in *alio* since evidence was not received that the assets were purchased (see Exhibit D).

RECOMMENDATION:

Management should coordinate with the Purchasing Department to take corrective action to address the deficiencies identified in the audit and ensure the asset inventory listing is updated, as follows:

1. Purchasing Department should affix an asset tag on the asset (Dell 4320 Projector) that did not contain an asset tag.

2. Purchasing Department should add the 14 assets (3 credenzas, 4 conference tables, 1 New Yorker lift, 1 file cabinet, 2 chairs, 2 loveseats, and 1 HP printer) that contained an asset tag and were listed on the asset inventory listing under location 7777 to the 449th District Court's asset inventory listing.
3. Purchasing Department should add the 5 assets (2 tables, 1 HP printer, 1 credenza, and 1 filing cabinet) to the 449th District Court's asset inventory listing, if the assets are subject to inventory as approved by Commissioners Court on November 10, 2009.
4. Purchasing Department should record in *alio* the 2 assets (1 ceiling mount and 1 recording camera) that were not on the inventory listing.

Please provide management responses to the recommendations by December 22, 2016. Your prompt response will be greatly appreciated.

We would like to express our appreciation to you and your staff for the courtesy, cooperation, and assistance provided to us during the audit. Re: Audit of the Chapter 59 Asset Forfeiture Audit Report by Attorney Representing the State
For the Fiscal Year Ended August 31, 2016
Audit No. 2016-54

Dear Mr. Rodriguez:

We have completed an audit of the "Chapter 59 Asset Forfeiture Audit Report by Attorney Representing the State" (Asset Forfeiture Report) for the fiscal year ended August 31, 2016 pursuant to Code of Criminal Procedure § 59.06 (g)(1), Local Government Code § 115.001 and § 115.0035, and our annual audit plan. The objective of the audit was to determine if Chapter 59 seizures, forfeitures, receipts, and expenditures were properly accounted and reported.

Background:
Code of Criminal Procedure (CCP) Chapter 59 "Forfeiture of Contraband" provides for the forfeiture of contraband seized by peace officers employed by law enforcement agencies of the state and its political subdivisions. Chapter 59 defines "contraband" as property of any nature (including real, personal, tangible, or intangible property) that is used or intended for use in the commission of certain enumerated felonies, Class A and Class B misdemeanors, or property that is gained, acquired, and/or used to facilitate the commission of certain enumerated felonies and misdemeanors.

For the fiscal year ended August 31, 2016, the District Attorney's Office had Chapter 59 seizures as follows: cash totaling $625,690.82, 2 motor vehicles, 13 real properties, 53 monetary instruments (silver coins), 246 gaming machines, 34 pieces of jewelry, 7 electronic items, 3 equipment items (safe, battery pack, and a money counting machine), and 3 supplies related items (tote and documents). In addition, the District Attorney's Office was awarded (forfeited) cash totaling $ 820,100.83.

Pursuant to CCP § 59.03 (c), a peace officer having custody of property must provide to the District Attorney a sworn statement that contains a schedule of the property seized, an acknowledgment that the officer has seized the property, and a list of the officer's reasons for the seizure. In addition, "not later than 72 hours after the seizure, the peace officer shall: (1) place the property under seal; (2) remove the property to a place ordered by the court; or (3) require a law enforcement agency of the state or a political subdivision to take custody of the property and move it to a proper location."

Pursuant to CCP § 59.04 (a) & (b), the District Attorney must commence forfeiture proceedings by filing a notice of the seizure and intended forfeiture (petition) with the District Clerk's Office not later than the 30th day after the date of the seizure.

Pursuant to CCP § 59.05 (b) & (e), forfeiture proceedings are conducted in accordance with rules and principles governing civil cases. If the court finds that the state has proven by a preponderance of the evidence that all or part of the seized property is subject to forfeiture, the judge shall forfeit the property to the state. Pursuant to CCP § 59.06 (f), a final judgment of forfeiture perfects the state's title to the forfeited property.

Pursuant to CCP § 59.05 (f), the District Clerk is entitled to court costs in forfeitures to the state of an amount greater than $2,500 as in other civil proceedings.

Pursuant to CCP § 59.06 (a), all forfeited property is administered by the District Attorney, acting as the agent of the state, in accordance with accepted accounting practices and with the provisions of any local agreement entered into between the District Attorney and law enforcement agencies (LEAs). If a local agreement has not been executed, the property shall be sold on the 75th day after the date of the final judgment of forfeiture at public auction under the direction of the county sheriff. Proceeds of the sale must be distributed in accordance with CCP § 59.06.

Pursuant to CCP § 59.06 (b), if a local agreement exists between the District Attorney and the LEA, the District Attorney may transfer the property to the LEA. Furthermore, CCP § 59.06 (c) states, if a local agreement exists between the District Attorney and LEAs, all money, securities, negotiable instruments, stocks or bonds, or things of value, or proceeds from the sale of those items shall be deposited, after the deduction of court costs which the District Clerk is entitled, into one or more of the following funds: (1) a special fund in the county treasury for the benefit of the District Attorney's Office, to be used by the District Attorney solely for the official purposes of his office; or (2) a special fund in the county treasury if distributed to a county LEA, to be used solely for law enforcement purposes, such as salaries and overtime pay for officers, officer training, specialized investigative equipment and supplies, and items used by officers in direct law enforcement duties.

Pursuant to CCP § 59.06 (b), the District Attorney's Office entered into local agreements with the following LEAs effective January 1, 2015: Cities of Alamo, Alton, Donna, Edcouch, Edinburg, Elsa, La Villa, La Joya, McAllen, Mercedes, Mission, Palmview, Palmhurst, Peñitas, Pharr, Progreso, Hidalgo, Weslaco, San Juan, and Sullivan City; Constable Precinct 1, Constable Precinct 2, Constable Precinct 3, Constable Precinct 4, Hidalgo County Sheriff's Office, Cameron County Sheriff's Office, Texas Alcohol and Beverage Commission, University of Texas Rio Grande Valley (UTRGV) Police Department, Hidalgo County HIDTA Task Force, and Texas Department of Public Safety (DPS).

Pursuant to the local agreements, auction proceeds for property forfeited to the State Attorney and the LEA, with the exception of DPS, shall be paid 25% to the District Attorney's Office and 75% to the LEA if the property was put to use by the LEA and State Attorney. If the property was not put to use by the LEA and State Attorney, the auction proceeds shall be paid 40% to the District Attorney and 60% to the LEA.

Pursuant to the local agreement between the District Attorney and DPS, auction proceeds for property seized in connection with a violation of Chapter 481, Health and Safety Code and forfeited to the State Attorney and DPS shall be paid 40% to DPS, 30% to the District Attorney, and 30% to the State of Texas general revenue fund. With respect to all other forfeited property, if no answer was filed (default judgment), 70% is paid to DPS and 30% to the District Attorney. If answer was filed (agreed judgment), 60% is paid to DPS and 40% to the District Attorney. If trial commenced, 50% is paid to DPS and 50% to the District Attorney.

In addition, pursuant to the local agreements, the LEAs are responsible for paying all court costs, attorney ad-litem fees, depositions, title searches, title policies, confidential informants, and all costs related to forfeitures of real estate and personal property. Furthermore, money and property shall be considered forfeited to the State once a forfeiture judgment has become final and no motion for new trial or notice of appeal has been taken. Texas Rule of Appellate Procedure No. 26.1 states that a notice of appeal must be filed within 30 days after the judgment is signed, with a few enumerated exceptions.

Property that was forfeited in 2015 or 2016, and seized in 2014 or prior, was distributed pursuant to the local agreement in place at the time of the seizure. Pursuant to the local agreements in place prior to 2015, personal property not used for law enforcement purposes is to be sold and proceeds from the sale shall be paid 50% to the LEA and 50% to the District Attorney's Office, with the exception of HIDTA, which is paid 100% of the proceeds; and DPS, which is paid 70% of the proceeds and 30% is paid to the District Attorney.

Pursuant to CCP § 59.06 (c-3) notwithstanding subsection (a), with respect to forfeited property seized in connection with a violation of Chapter 481, Health and Safety Code (Texas Controlled Substances Act), by the Department of Public Safety, in a proceeding under Article 59.05 in which a default judgment is rendered in favor of the state, the District Attorney shall enter into a local agreement with the department that allows the District Attorney either to: (1) transfer forfeited property to the department to maintain, repair, use, and operate

for official purposes in the manner provided by subsection (b); or (2) allocate proceeds from the sale of forfeited property described by subsection (c), after the deduction of court costs as described by that subsection, in the following proportions: (A) 40 percent to a special fund in the department to be used solely for law enforcement purposes; (B) 30 percent to a special fund in the county treasury for the benefit of the District Attorney's Office, to be used solely for the official purposes of the District Attorney's Office; and (C) 30 percent to the general revenue fund.

Pursuant to CCP § 59.06 (d) proceeds awarded to a law enforcement agency or District Attorney's Office may be spent after a detailed budget has been submitted to Commissioners Court. The budget may not list details that would endanger the security of an investigation or prosecution. Commissioners Court may not use the existence of an award to offset or decrease total salaries, expenses, and allowances that the District Attorney receives from the Commissioners Court at or after the time the proceeds are awarded.

Pursuant to CCP § 59.06 (d-1) the District Attorney may not use proceeds or property received under this chapter to: (1) contribute to a political campaign; (2) make a donation to any entity, except as provided by Subsection (d-2); (3) pay expenses related to the training or education of any member of the judiciary; (4) pay any travel expenses related to attendance at training or education seminars if the expenses violate generally applicable restrictions established by the commissioners court; (5) purchase alcoholic beverages; (6) make any expenditure not approved by the commissioners court, if the District Attorney holds an elective office and: (A) the deadline for filing an application for a place on the ballot as a candidate for reelection to that office in the general primary election has passed and the person did not file an application for a place on that ballot; or (B) during the person's current term of office, the person was a candidate in a primary, general, or runoff election for reelection to that office and was not the prevailing candidate in that election; or (7) increase a salary, expense, or allowance for an employee of the District Attorney's Office who is budgeted by the commissioners court unless the commissioners court first approves the increase.

District Attorney's Procedures

The District Attorney's Office requires LEAs to deposit seized currency into a certificate of deposit (CD) at the county depository under the name of the District Attorney's Office pending final disposition of the case. Seized personal property is maintained under the LEAs custody pending final disposition of the case. The LEA must provide the District Attorney's Office with a copy of the CD and receipt, if applicable, a sworn statement containing a schedule of the property seized, an acknowledgment that the officer seized the property, and a list of the officer's reasons for the seizure.

The District Attorney commences proceedings no later than the 30th day after the date of the seizure. The petitions are filed with the District Clerk pursuant to CCP § 59.04 (a) & (b). Once a judgment is rendered, the currency and/or personal property are distributed pursuant to the local agreement.

The District Attorney's Office determines whether forfeited personal property will be retained for official purpose of the District Attorney's Office or auctioned. If a vehicle is retained, the District Attorney submits an application for certificate of title, along with a copy of the final judgment, to the Texas Department of Motor Vehicles. Upon receipt, the original certificate of title is retained by the District Attorney's Office and insurance coverage is requested from the Executive Office Safety Division. The District Attorney's Office subsequently sends a copy of the certificate of title, final judgment, proof of insurance coverage, and an asset tag request to the Purchasing Department's Fixed Assets Division. If the vehicle is not placed in use, a transfer form is prepared and the vehicle is declared surplus. The vehicle is safeguarded by the County's contracted auctioneer until the vehicle is auctioned.

The Purchasing Department is responsible for disposing of county assets. The Purchasing Department receives the auction proceeds and prepares a "Purchasing Department/ Fixed Asset Division Auction Report" that details the amount of proceeds to be receipted to each fund. The proceeds are then deposited with the Hidalgo County Treasurer to the credit of the applicable funds, including the District Attorney's Forfeiture Fund. Pursuant to the local agreements, the auction proceeds should be apportioned to the District Attorney's Forfeiture Fund within 30 days of the sale.

Scope and Methodology:

The scope of our audit was limited to a review of all seized currency and property for which a law enforcement agent's affidavit was made available to the County Auditor's Office for review and all forfeited currency and property for which a final judgment was rendered for the fiscal year ended August 31, 2016.

Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

In planning and performing our review, we conducted interviews with staff, sent confirmation letters to participating law enforcement agencies and financial institutions, reviewed applicable statutes, policies and procedures, and local agreements. The following procedures were performed:

1. Verified whether all Chapter 59 revenues recorded in *alio*, the County's financial accounting system, and required to be reported (i.e., cash forfeitures, proceeds received from the sale of forfeited property, and interest) were included on the Asset Forfeiture Report.
2. Verified whether all Chapter 59 expenditures recorded in *alio* were included on the Asset Forfeiture Report and made solely for official purposes of the District Attorney's Office.
3. Reviewed the salary schedule adopted by Commissioners Court and compared it to District Attorney's Forfeiture Fund "2016 Hourly Rate" report for calendar year 2016 to verify whether the actual salary paid to employees did not exceed the budgeted salary amounts.
4. Generated a "Case Index-Inactive" report for the fiscal year ended August 31, 2016 for the District Attorney's Office from *Odyssey*, the County's justice information systems, to determine if all seizures and forfeitures were reported on the Asset Forfeiture Report.
5. Obtained a list of District Attorney's Office vehicles and property from Rod Robertson Enterprises, Inc. (Rods) to determine if the list agreed to the County Auditor's Office and District Attorney's Office lists of a seized and forfeited assets maintained at Rods.
6. Reviewed confirmation letter responses received from LEAs that participated with the District Attorney's Office in Chapter 59 seizures to determine whether the seized and forfeited vehicles, real property, other items, and/or currency reported by District Attorney's Office on the Asset Forfeiture Report agreed to those confirmed by the LEAs.
7. Reviewed judgments, checks issued, "District Attorney Accounting Control Sheet," and county depository bank statements for the period under review to determine if court costs for forfeited amounts less than $2,500.00 were not paid to the District Clerk's Office pursuant to CCP § 59.05 (f).
8. Compared the list of CDs held by the county depository related to Chapter 59 on behalf of the District Attorney's Office to the District Attorney's HB 65 financial statements as of August 31, 2016 to determine if all CDs were properly accounted by the District Attorney's Office. In addition, we reviewed the CDs related to Chapter 59 listed on the District Attorney's HB 65 financial statements as of August 31, 2016 and applicable case disposition information to determine if any funds were pending to be disbursed to the proper parties.
9. Reviewed cases, judgments, and checks issued by the District Attorney's Office to determine if forfeited funds were disbursed after the forfeited judgment became final (30 days after the judgment was signed) pursuant to the Texas Rule of Appellate Procedure No. 26.1.
10. Reviewed *alio* revenue reports and the Purchasing Department's "Auction Report" for the District Attorney's Office to determine if auction proceeds generated from the sale of forfeited assets were apportioned to the District Attorney's Forfeiture Fund by the Hidalgo County's Purchasing Department within 30 days of the sale as required by the local agreement.
11. Selected 529 Chapter 59 assets (3 vehicles, 56 monetary instruments, 246 gaming machines, 174 gaming motherboards, 33 pieces of jewelry, 8 electronic items, 3 equipment items, and 6 supplies related items) held by the District Attorney's Office, including those assets seized and forfeited from prior years and not sold, as of August 31, 2016 for physical identification and to determine

if the vehicles put to use by the District Attorney's Office were assigned an asset tag number and insurance coverage was obtained for the vehicles.

12. Reviewed *alio* revenue reports and confirmation letters received from 11 of 24 LEAs to determine if forfeited vehicles were sold through auction and if the District Attorney's portion of the auction proceeds were sent to the County Treasurer's Office within 30 days of the auction.
13. Reviewed the affidavits prepared by the seizing officers and the CD receipts to determine if the CDs for the seized cash were opened in the amount noted on the affidavits within 72 hours of the seizure. In addition, we verified whether the seized amounts noted on the petitions filed by the District Attorney's Office agreed to the CD amounts and the seizing officers' affidavits.
14. Reviewed schedules of filed cases generated from *Odyssey* to determine if petitions were filed by the District Attorney's Office no later than the 30th day after the date of the seizure pursuant to CCP § 59.04 (a) & (b).

Conclusion:

Based on the results of our audit, we have determined that generally Chapter 59 seizures, forfeitures, receipts, and expenditures were properly accounted and reported. More specifically, the following was noted:

1. All Chapter 59 revenues recorded in *alio* and required to be reported were included on the Asset Forfeiture Report.
2. All Chapter 59 expenditures recorded in *alio* were included on the Asset Forfeiture Report and made solely for official purposes of the District Attorney's Office.
3. Employees' actual salaries paid from the District Attorney's Forfeiture Fund did not exceed the budgeted salary amounts.
4. All seized and forfeited assets listed on the "Case Index-Inactive" report for the District Attorney's Office were included on the Asset Forfeiture Report.
5. All vehicles on Rods list of property held on behalf of the District Attorney's Office was on the lists of seized and forfeited assets that is maintained by the County Auditor's Office and District Attorney's Office.
6. Confirmation letters were sent to 24 LEAs that were identified in the "Case Index-Active" and "Case Index-Inactive" reports as having Chapter 59 seizures to determine whether the seized and forfeited vehicles, real property, other items, and/or currency reported by the District Attorney's Office on the Asset Forfeiture Report agreed to those confirmed by the LEAs.

   11 LEAs responded to the confirmation request (Pharr PD, Edinburg PD, Mission PD, Sullivan City PD, San Juan PD, Weslaco PD, Donna PD, Elsa PD, Palmhurst PD, TABC, and DPS). Of the 11 LEAs:

   - 8 LEAs (Pharr PD, Edinburg PD, Mission PD, Sullivan City PD, San Juan PD, Weslaco PD, TABC, and DPS) confirmed the same number of seized and/or forfeited vehicles, property, and/or currency as those reported by the District Attorney's Office on the Asset Forfeiture Report.
   - 3 LEA's (Donna PD, Elsa PD, and Palmhurst PD) did not confirm the same number of seized and/or forfeited vehicles, real property, other items, and/or currency as those reported by the District Attorney's Office on the Asset Forfeiture Report. However, only the items provided by the District Attorney's Office were included on the Asset Forfeiture Report since an affidavit from the LEA indicating that the items were seized was filed with the District Attorney and a signed judgment listing the forfeited items was recorded at the District Clerk's Office. The seized and forfeited items/currency not confirmed by the LEAs are as follows:

     - 1 LEA (Donna PD) did not confirm 3 vehicles seized during the reporting period as noted in the petition;
     - 1 LEA (Elsa PD) did not confirm $8,196.00 seized during the reported period as noted in the petition; and
     - 1 LEA (Palmhurst PD) confirmed 1 vehicle, a $2,255.00 check, and a $1,000 money order seized during the reporting period that was not noted on an affidavit and/or a petition filed for seizures in the reporting period. According to Palmhurst PD, the vehicle was returned to respondent and the check and money order are being held as evidence.

We attempted to determine the reason the LEAs did not confirm the seized and forfeited vehicles, real property, other items, and/or currency; however, we did not receive a response from the LEAs.

7. There were 85 judgments that included cash disbursements during the period of review. All 85 forfeiture disbursements that were less than $2,500 did not pay court costs to the District Clerk's Office pursuant to CCP § 59.05 (f).
8. There were 103 CDs totaling $4,768,408.83 held as of August 31, 2016 at the county depository related to Chapter 59. All 103 CDs were properly accounted by the District Attorney's Office on the financial statements. In addition, 103 CDs totaling $4,768,408.83 were for cases pending a judgment; therefore, the funds had not been distributed.

However, improvements could be made to the system of internal controls for the accounting and reporting of Chapter 59 seizures, forfeitures, receipts, and expenditures. More specifically, the following was noted:

9. 68 cases with a forfeited judgment became final during the period in review. Of the 68 cases:
   - 63 cases were disbursed after the judgment became final (30 days after the judgment was signed) pursuant to the Texas Rule of Appellate Procedure No. 26.1.
   - 5 cases were disbursed before the forfeited judgment became final pursuant to the Texas Rule of Appellate Procedure No. 26.1. The disbursements were made 2 to 29 days after the judgment was signed. According to the District Attorney's Office Accountant, 1case was disbursed before the forfeited judgment became final, in error. For 2 cases, the forfeited judgment became final on a weekend; therefore, the funds were disbursed on a Friday. 2 cases were disbursed before the forfeited judgment became final based on the instructions from the Assistant District Attorney.
10. The County conducted auctions on December 9, 2015, March 9, 2016, and June 8, 2016. The auctions generated proceeds of $23,100.00, $49,900.00, and $44,850.00, respectively. The proceeds for the June 8, 2016 auction were not apportioned to the District Attorney's Forfeiture Fund within the 30 days of the sale as required by the local agreement. Instead, the funds were receipted in a General Fund undistributed account at the request of the Purchasing Department. The funds were apportioned to the District Attorney's Chapter 59 Fund 135 days after the auction.
11. Of the 529 Chapter 59 assets:
    - 283 (100 seized and 183 forfeited) assets held by the District Attorney's Office were physically located, as follows:
      - Of the 183 assets forfeited to the District Attorney:
        - 1 vehicle was assigned an asset tag and insurance coverage was obtained.
        - 182 assets (174 gaming motherboards, 1flat screen TV, 1 security computer hard drive and remote control, 1 money counter, 4 supplies items , and 1 computer monitor) did not contain an asset tag. According to staff, the assets would be sold through auction or properly disposed.
    - Gambling machines were visually located at a third party warehouse; however, due to the location, we were not able to confirm if all 246 gambling machines related to the same case were maintained.

According to staff, vehicles seized by DPS are held at Weslaco DPS until a judgment is rendered. Once a judgment is rendered, the forfeited vehicles awarded to DPS and the District Attorney's Office not put to use are sent to Rods to be auctioned. We selected 8 vehicles seized and 7 vehicles forfeited to DPS and the District Attorney's Office as of August 31, 2016 to physically identify the vehicles.

8 vehicles were located at Rods and 7 were located at the Weslaco DPS station. 1 vehicle located at Rods did not have a judgment. According to staff, the vehicle was sent to Rods, in error, by the Weslaco DPS Office.

According to the District Attorney's Office, there are no formal procedures to document when a vehicle can be auctioned by the District Attorney's Office; however, there is an understanding that the vehicles picked up from the DPS Office will not be put to use by DPS and can be auctioned. The interlocal agreement between the District Attorney's Office and DPS does not stipulate that the District Attorney will take custody of the seized property and will be responsible for auctioning the

forfeited property. Furthermore, procedures to document when the District Attorney's Office took custody of the property were not in place.

12. Of the 11 confirmation letters received:
    - 4 LEAs (Edinburg PD, Mission PD, San Juan PD, and Pharr PD) confirmed that proceeds totaling $2,950.00, $53,634.38, $15,811.87, and $2,839.44, respectively, had been received from the auction of forfeited personal property during the period of review. The portion belonging to the District Attorney's Office was forwarded to the County Treasurer's Office; however, the auction proceeds were not always forwarded to the County Treasurer's Office within 30 days.
    - 1 LEA (Palmhurst PD) confirmed that proceeds totaling $8,128.11 had been received from the auction of forfeited personal property during the period of review; however, the portion belonging to the District Attorney's Office has not been forwarded to the County Treasurer's Office.
    - 1 LEA (Sullivan City PD) stated that auctions had not been held during the period in review.
    - 5 LEAs (TABC, Weslaco PD, Donna PD, DPS, and Elsa PD) did not include a response on the confirmation letter regarding auction proceeds; however, for 1 LEA (DPS), forfeited property is sold by Hidalgo County.

    A formal request is made by the District Attorney's Office on an annual basis to all LEAs that the District Attorney's portion of any auction proceeds must be forwarded to the County Treasurer's Office within 30 days of the auction.

13. 103 CDs were opened for the cash seizures made by LEAs and the District Attorney's Office during the period of review. Of the 103 CDs:
    - All the petitions filed by the District Attorney's Office were in the amount of the CDs and the seizing officer's affidavit.
    - 59 CDs were opened within 72 hours of seizure as required by CCP § 59.03 (c).
    - 44 CDs were not opened within 72 hours of seizure. The CDs were opened 1 to 27 days late.
14. There were 352 petitions filed by the District Attorney's Office during the period of review. Of the 352 petitions, 24 petitions were not filed within 30 days after the date of seizure as required by CCP § 59.04 (a) & (b). The petitions were filed by the District Attorney's Office from 1 to 14 days late. According to the Assistant District Attorney, cases are filed even if the 30 days have elapsed. However, the risk exists that seizures/forfeitures may need to be returned to the respondent/defendant if the petition is not filed in a timely manner.

Recommendations:

In our opinion, the issues identified during our review could be addressed by developing and implementing formal policies and procedures for the proper accounting and reporting of Chapter 59 seizures, forfeitures, receipts, and expenditures. At a minimum, the following procedures should be implemented:

1. Ensure that funds are distributed to the proper parties in a timely manner (30 days after the final judgment is signed).
2. Coordinate with the Purchasing Department to ensure that auction proceeds generated from the sale of forfeited assets are apportioned to the District Attorney Forfeiture Fund within 30 days of the auction.
3. Ensure that the interlocal agreement between the District Attorney's Office and DPS includes language stipulating who will take custody of the property when seized and who will be responsible for selling the forfeited property. In addition, if applicable, a log should be developed to document when the District Attorney's Office takes custody of assets seized and/or forfeited by DPS. The log should include the date the asset was delivered to the District Attorney's Office or Rods; the names of the individuals that delivered and took possession of the asset; asset description; and case number.
4. Coordinate with the LEAs to ensure that auction proceeds from the sale of forfeited property are distributed to the District Attorney's Office within 30 days of the auction pursuant to the interlocal agreement. In addition, coordinate with Palmhurst PD to ensure that the auction proceeds belonging to the District Attorney's Office are immediately forwarded to the County Treasurer's Office.
5. Notify LEAs that CDs should be opened within 72 hours of seizure pursuant to CCP § 59.03 (c) which requires a law enforcement agency of the state or a political subdivision to take custody of

the property and move it to a proper location. In addition, management should consider revising the interlocal agreements to include language that requires LEAs to open CDs within 72 hours of seizures.

6. Develop and implement formal policies and procedures to ensure petitions are filed on or before the 30th day after the date of the seizure as required by CCP § 59.04 (a) & (b). In addition, management should consider revising the interlocal agreements to include language that requires LEAs to submit to the District Attorney's Office the affidavits with sufficient time to ensure that a petition is filed on or before the 30th day after the date of the seizure.

Please provide management responses to findings 9 through 14 noted in the conclusion section of the report by December 22, 2016.

Ref: Cash Count
Report No. 2016-56

Dear Mr. Rodriguez:

We conducted a surprise cash count of the cash held at the District Attorney's Asset Forfeiture Section on November 2, 2016, as required by Local Government Code § 115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued up to the time of the cash count.

Scope:
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included, but were not limited to, the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

Conclusion:
At the time of the cash count, receipts had not been issued and collections had not been made. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
Security cameras were not utilized in areas where cash was receipted and safeguarded. According to staff, cameras will be considered for purchase when funding is available.

The County Auditor's Office recommends that security alarms and/or security cameras be installed in areas where cash collections are received and safeguarded. Camera images must be stored on the type of media (e.g., digital recording box, tape, DVD, etc.) and retained for the period of time recommended by the Information Technology Department. If, however, the camera images are part of an ongoing investigation, they must be retained for the period of time determined by the investigating agency. Furthermore, a notice

stating that an area is being monitored by a security camera must be posted at the entrance to the area being monitored.

Failure to utilize security cameras in areas where cash is receipted and safeguarded increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that security cameras are utilized in areas where cash is receipted and safeguarded.

Observation No. 2:
Checks, money orders, and/or cashier's checks were not endorsed "For Deposit Only" immediately, upon receipt. The cashier responsible for collecting did not have an endorsement stamp. According to staff, the checks, money orders, and/or cashier's checks are stamped at day's end when preparing the daily close out report.

The County Auditor's Office requires all checks, money orders, and/or cashier's checks be restrictively endorsed "For Deposit Only" immediately, upon receipt.

Failure to ensure that checks, money orders, and/or cashier's checks are stamped with the restrictive endorsement "For Deposit Only" upon receipt increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure all checks, money orders, and/or cashier's checks are restrictively endorsed "For Deposit Only" immediately, upon receipt.

Please provide written management responses to the observations noted above by December 16, 2016.

We would like to express our sincere appreciation to you and your staff for the courtesy, cooperation, and assistance provided to us during the cash count. Report No. 2016-57

Dear Mr. Rodriguez:

We conducted a surprise cash count of the cash held at your office on November 19, 2016, as required by Local Government Code § 115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued up to the time of the cash count.

Scope:
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Conclusion:
At the time of the cash count, receipts had not been issued and collections had not been made. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
The cash box is maintained unlocked and kept in a safe that is accessed by several employees. According to staff, the employee designated to collect cash should be the only employee able to access the safe where the cash box is maintained.

The County Auditor's Office requires that each cashier be assigned to a separate cash drawer which only that cashier may access while on duty. The cash drawer must be locked during the cashier's absence.

Failure to establish individual responsibility for cash receipts increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that each cashier be assigned to a separate cash drawer which only that cashier may access while on duty. The cash drawer must be locked during the cashier's absence.

Observation No. 2:
Security cameras were not utilized in areas where cash was receipted and safeguarded. According to staff, cameras will be considered for purchase when funding is available.

Ref: Cash Count
Report No. 2016-62

Dear Commissioner Flores:

We conducted a surprise cash count of the cash held at the Anzalduas Park on October 22, 2016 as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund.

Scope:
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included, but were not limited to, the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

Conclusion:
Total cash on hand at the time of the cash count did not reconcile to the total receipts issued up to the time of the cash count (see observation No.1). In addition, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
Cash on hand at the time of the cash count totaled $74.00 while receipts issued and the approved change fund of $50.00 totaled $70.00, resulting in a $4.00 overage. The $4.00 overage was deposited with the County Treasurer. According to staff, they were unaware of what may have caused the overage.

The County Auditor's Office requires that cash received for payment be deposited intact. In addition, management should monitor all overages and shortages to determine if there is a pattern meriting further investigation, modification or collection procedures, retraining of personnel, or disciplinary action."

Failure to monitor all overages and shortages to determine if there is a pattern meriting further investigation, modification or collection procedures, retraining of personnel, or disciplinary action increases the risk of loss or misuse of County funds.

Recommendation:
Management should monitor all overages and shortages to determine if there is a pattern meriting further investigation, modification or collection procedures, retraining of personnel, or disciplinary action.

Observation No. 2:
Security cameras were not utilized in areas where cash was receipted and safeguarded. According to staff, approval is currently being sought for the purchase of three security cameras that will be placed in the entrance, exit, and collection areas.

The County Auditor's Office recommends that security alarms and/or security cameras be installed in areas where cash collections are received and safeguarded. Camera images must be stored on the type of media (e.g., digital recording box, tape, DVD, etc.) and retained for the period of time recommended by the Information Technology Department. If, however, the camera images are part of an ongoing investigation, they must be retained for the period of time determined by the investigating agency. Furthermore, a notice stating that an area is being monitored by a security camera must be posted at the entrance to the area being monitored.

Failure to utilize security cameras in areas where cash is receipted and safeguarded increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that security cameras are utilized in areas where cash is receipted and safeguarded.

Observation No. 3:
We noted during our review that if a shift change is necessary and collections are transferred from one employee to the other, a transfer form is not prepared. According to staff, shift changes are mostly done during the lunch hour and completing a transfer form would be impractical due to limited number of staff.

The County Auditor's Office requires that only one cashier be allowed access to a specific cash drawer during a single shift. When cash is transferred from one person to another, it should be counted in the presence of both parties. In addition, a transfer form should be prepared when a shift change takes place. This is necessary for the purposes of establishing responsibility relating to a shortage.

Failure to prepare a transfer form when a shift change is necessary may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that a transfer form is prepared when a shift change takes place. At a minimum, the procedures noted above should be implemented.

Observation No. 4:
The notice "Make sure you receive an official county receipt when making payments at this office", along with a sample official County receipt, was not posted for the public's view. According to staff, the required notice, along with a sample official County receipt, was subsequently posted.

A notice stating "Make sure you receive an official county receipt when making payment at this office" must be posted in a place visible to the public near cashiers. A sample of each official County receipt issued by the department must be posted by the notice so the public will know what type of receipt to expect.

Failure to ensure a notice stating "Make sure you receive an official county receipt when making payments at this office", along with a sample official County receipt, is posted in an area visible to the public could increase the risk of loss or misuse of County funds.

Recommendation:
Management should ensure a notice stating "Make sure you receive an official county receipt when making payments at this office", along with a sample official County receipt, is posted in an area visible to the public.

Observation No. 5:
A $4.00 park entrance fee is collected from vehicles entering the Anzalduas Park on Saturdays and Sundays. Commissioners Court approved to increase the park entrance fee from $2.00 to $4.00 on March 23, 1993. A review of the County's financial records indicated that a park entrance fee has been collected since at least 1992. Commissioners Court may set and approve park entrance fees if approved by a majority of qualified voters through a referendum election; however, evidence that a referendum election was conducted was not provided. According to the Anzalduas Park staff, they were not aware if and when a referendum election was held to approve the collection of the park entrance fee.

In addition, according to staff, the park entrance fee is waived under certain circumstances. For example, the park entrance fee is only collected on weekends and waived on weekdays. The park entrance fee is also waived from vehicles entering the park after the *Daily Close-Out Report* and deposit cut-off time of 4:30 p.m. In addition, the park entrance fee is waived from County employees and law enforcement personnel upon presentment of a County or law enforcement identification card. Although Commissioners Court may waive the collection of the park entrance fee under certain circumstances, evidence of a Commissioners Court waiver policy was not provided. According to the Anzalduas Park staff, a waiver policy will be presented to Commissioners Court.

Local Government Code §316.001(4) states that "the commissioners court of a county may set and collect fees for admission to a county park, if approved by a majority of the qualified voters of the county voting on the issue at a referendum election, which the commissioners court may order and hold for that purpose." Local Government Code §316.004 further states that "the commissioners court may set and collect the fees in different amounts or may waive the fees in consideration of the following factors: (1) the time of the day at which or the day of the week on which a facility or service is used; (2) the size of a group wishing to use a facility or service; (3) the special circumstances of certain classes of persons, including elderly persons and indigent persons; or (4) other factors that the court considers to justify a different fee or the waiver of a fee."

The County Auditor's Office requires that all departments continue to collect and receipt after the established cut-off time. Any collections receipted after the cut-off time can be safeguarded overnight until they are deposited the next business day with the next business day's collections.

Failure to properly collect the park entrance fees may result in the loss of County funds.

Recommendation:
Management should ensure that park entrance fees are properly collected. Evidence that a referendum election was conducted and evidence authorizing the collection and waiver of the fee should be obtained. In addition, the park entrance fee should continue to be collected after the cut-off time as required by the *Cash Handling Guidelines and Procedures*.

Please provide written management responses to the observations noted above by December 16, 2016.

In addition. please provide us with copies of updated written procedures and internal controls, if any, established by your department for the handling of cash and cash equivalent transactions by December 16, 2016. The written procedures manual should include, at a minimum, the following:

Re: Cash Count
Report No. 2016-63

Dear Sheriff Guerra:

We conducted a surprise cash count of the cash held at the Sheriff's Office for the Inmate Trust account on October 26, 2016, as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count.

Scope:
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

Conclusion:
Total cash on hand at the time of the cash count was $6,753.44. Based on the results of our review, we have concluded that total cash on hand did reconcile to the total receipts issued for the day up to the time of the cash count. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
We noted during our review that the "Cash Handling Guidelines and Procedures" acknowledgement receipts were not maintained on file for all employees responsible for handling cash. According to staff, jail staff is not required to read the "Cash Handling Guidelines and Procedures."

The County Auditor's Office requires that departments train all employees responsible for handling cash regarding proper cash handling procedures. The employees handling cash must read the "Cash Handling Guidelines and Procedures" and sign a receipt acknowledging their understanding of these guidelines and procedures. The acknowledgment receipt should be kept on file by the department.

Recommendation:
Management should require all employees responsible for handling cash to read the "Cash Handling Guidelines and Procedures" and sign a receipt acknowledging their understanding of these guidelines and procedures. The acknowledgment receipt should be maintained on file for all employees responsible for handling cash.

The Honorable Joseph Palacios, Commissioner
Hidalgo County Precinct No. 4

Edinburg, Texas 78542

Ref: Cash Count
Report No. 2016-66

Dear Commissioner Palacios:

We conducted a surprise cash count of the cash held at the Edinburg Sanitation Office on October 12, 2016 as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund.

Scope:
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included, but were not limited to, the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

Conclusion:
Total cash on hand at the time of the cash count was $900.00. Based on the results of our review, we have concluded that total cash on hand did reconcile to the total receipts issued up to the time of the cash count and approved change fund of $200.00. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
We noted during our review that security cameras were not utilized in areas where cash was receipted and safeguarded. According to staff, security cameras were not utilized since they recently relocated to a new office where cameras were not installed.

The County Auditor's Office recommends that security alarms and/or security cameras be installed in areas where cash collections are received and safeguarded. Camera images must be stored on the type of media (e.g., digital recording box, tape, DVD, etc.) and retained for the period of time recommended by the Information Technology Department. If, however, the camera images are part of an ongoing investigation, they must be retained for the period of time determined by the investigating agency. Furthermore, a notice stating that an area is being monitored by a security camera must be posted at the entrance to the area being monitored.

Failure to utilize security cameras in areas where cash is receipted and safeguarded increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that security cameras are utilized in areas where cash is receipted and safeguarded.

Observation No. 2:
We noted that each cashier does not reconcile their cash drawer against receipts issued and the change fund using the *Cashier's Daily Close out Report*. According to staff, the collections are reconciled; however the reconciliation is not documented separately by each cashier on a *Cashier's Daily Close out Report*.

The County Auditor's Office requires that each day, each cashier reconcile the cash drawer against receipts issued and the change fund using the Cashier's Daily Close out Report. The reconciliation must be witnessed by another person.

Failure to ensure that each cashier reconciles the cash drawer against receipts issued and the change fund using the Cashier's Daily Close out Report may result in the loss of County funds.

Recommendation:
Management should ensure that each cashier reconciles the cash drawer against receipts issued and the change fund using the Cashier's Daily Close out Report.

Please provide written management responses to the observations noted above by November 23, 2016.

In addition, management should develop and implement procedures for the handling of cash and cash equivalent transactions and provide a copy to the County Auditor's Office by November 23, 2016. These procedures should include, at a minimum, the following:

a. An office organizational chart;
b. Location of cash collection points;
c. Types of collections made by each cash collection point;
d. A list of those positions involved with the handling of cash, a description of their duties, and description of how segregation of duties will be maintained;
e. A complete start to finish description of the following:
    1. Process for accounting and safeguarding of the change fund, if any;
    2. Process for safeguarding cash until it is deposited;
    3. Process for accounting and safeguarding mail-in payments;
    4. Process for reconciling collections, including frequency of reconciliation;
    5. Bookkeeping system used, and how it is maintained; and
    6. Computer hardware and software used;
f. List of the reports prepared/generated for the collection and the reporting of funds, including procedures for preparing the reports, who the reports should be submitted to, and when the reports are due;
g. A schedule of how often deposits will be made; and
h. Copies of any related forms/reports.

The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count.

Scope:
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

Conclusion:
At the time of the cash count, receipts had not been issued and collections had not been made. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
We noted that security cameras were not utilized where cash is receipted and safeguarded. According to staff, the purchase of security cameras is not worth the cost due to minimal risk of loss of funds.

The County Auditor's Office recommends that security alarms and/or security cameras be installed in areas where cash collections are received and safeguarded. Camera images must be stored on the type of media (e.g., digital recording box, tape, DVD, etc.) and retained for the period of time recommended by the Information Technology Department. If, however, the camera images are part of an ongoing investigation, they must be retained for the period of time determined by the investigating agency. Furthermore, a notice stating that an area is being monitored by a security camera must be posted at the entrance to the area being monitored.

Failure to utilize security cameras increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that security cameras are utilized where cash collections are received and safeguarded. At a minimum, the procedures noted above should be implemented.

Observation No. 2:
According to staff, *Blueaccess*, a Blue Cross Blue Shield of Texas (BCBS) web-based health care coverage application system, does not prompt and require users to change passwords every 90 days; however, users may update passwords at any time on their own. According to staff, passwords are not changed every 90 days.

The Information Technology (IT) Securities Policy requires that passwords be changed at least every 90 days.

Failure to change passwords may increase the risk of unauthorized access to *Blueaccess*.

Recommendation:
Management should contact BCBS and request that *Blueaccess* be programmed to prompt and require users to change passwords every 90 days. If this is not feasible, management should monitor that employees change their passwords every 90 days.

Please provide a written management response to the observations noted above by January 16, 2017.

Dear Sheriff Guerra:

We conducted a surprise cash count of the cash held at the Sheriff's Office for the Investigative Fund account on November 29, 2016 as required by Local Government Code § 115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the approved petty cash fund less total outstanding expenditure vouchers as of the time of the cash count.

Scope:
The scope of our review was limited to a count of the cash on hand and total outstanding vouchers as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

As part of our procedures, we verified that cash on hand agreed to the approved petty cash fund less any total outstanding expenditure requests as of the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included, but were not limited to, the following: custody of cash, use of a locked safe, proper authorization of voided transactions, and segregation of duties.

Conclusion:
Total cash on hand at the time of the cash count was $9,915.00. Based on the results of our review, we have concluded that total cash on hand did reconcile to the total outstanding vouchers and the approved petty cash fund of $10,000.00.

Please provide us with copies of updated written procedures and internal controls, if any, established by your department for the handling of the petty cash fund by January 13, 2017. The written procedures manual should include, at a minimum, the following:

a. An office organizational chart;
b. A list of those positions involved with the handling of the petty cash fund, a description of their duties, and description of how segregation of duties will be maintained;
c. A complete start to finish description of the following:

According to staff, a mail log is not used and checks are not immediately endorsed since the mail is opened by the Sheriff's Secretary. Mail payments are immediately distributed to the cashier to receipt.

The County Auditor's Office requires that mail be opened promptly with two people present. Payments received through the mail should be recorded on the *Daily Mail Collection Report* (mail log). The person responsible for noting this information should provide his/her signature on the "Prepared by" line of the mail log.
c. The person responsible for issuing receipts should enter the receipt date and receipt number issued for the mail-in payment on the mail log.

Recommendation:

In addition, management should develop and implement procedures for the handling of cash and cash equivalent transactions and provide a copy to the County Auditor's Office by January 13, 2017. These procedures should include, at a minimum, the following:

Management should ensure that a mail log is used to document all payments received through the mail. At a minimum, procedures noted above should be implemented.

Please provide written management responses to the observations noted above by January 13, 2017.

In addition, management should develop and implement procedures for the handling of cash and cash equivalent transactions and provide a copy to the County Auditor's Office by January 13, 2017. These procedures should include, at a minimum, the following:

a. An office organizational chart;
b. Location of cash collection points;
c. Types of collections made by each cash collection point;
d. A list of those positions involved with the handling of cash, a description of their duties, and description of how segregation of duties will be maintained;
e. A complete start to finish description of the following:
    1. Process for accounting and safeguarding of the change fund, if any;
    2. Process for safeguarding cash until it is deposited;
    3. Process for accounting and safeguarding mail-in payments;
    4. Process for reconciling collections, including frequency of reconciliation;
    5. Bookkeeping system used, and how it is maintained; and
    6. Computer hardware and software used;

f. List of the reports prepared/generated for the collection and the reporting of funds, including procedures for preparing the reports, who the reports should be submitted to, and when the reports are due;
g. A schedule of how often deposits will be made; and
h. Copies of any related forms/reports.

Re: Cash Count
Audit No. 2016-79

Dear Mr. Martinez:

We conducted a surprise cash count of the cash held at your office on December 6, 2016 as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count.

Scope:
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

Conclusion:
At the time of the cash count, receipts had not been issued and collections had not been made. Based on the results of our review, we have concluded that total cash on hand reconciled to the approved change fund of $150.00. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
Separate locked cash drawers were not maintained by each employee responsible for handling collections. Instead, the Deputy Fire Marshals collect and receipt payments and transfer the collections to the Administrative Assistant II or Clerk III to place in the locked cash drawer. According to staff, it is not feasible for each employee to have a locked cash box since a change fund would need to be assigned to each employee and nine cash boxes would need to be consolidated at the end of the day.

The County Auditor's Office requires that separate locked cash drawers be assigned to each employee responsible for handling collections. Only one cashier should be allowed access to a specific cash drawer during a single shift. Furthermore, when cash is transferred from one person to another, it should be counted in the presence of both parties. The amount should be recorded on a receipt, and the receipt should be signed by the employee accepting custody. This is necessary for the purposes of establishing responsibility relating to a shortage.

Failure to ensure that a separate locked cash drawer is assigned to each employee responsible for receipting collections may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that a separate locked cash drawer is assigned to each employee responsible for receipting collections. In the alternative, if a locked cash drawer cannot be assigned to each employee, collections should only be received by either the Administrative Assistant II or Clerk III.

Observation No. 2:
Procedures for safeguarding receipts require improvements as noted below:

1. An inventory log of receipts held by the department is not maintained; and
2. All Deputy Fire Marshals have access to unused receipts in the office.

According to staff, since receipts are used by all the Deputy Fire Marshals, the receipts need to be easily accessible; however, as of December 7, 2016, the Fire Marshal's Office will safeguard unused receipts in a safe an implement the use of an inventory log for the receipts.

The County Auditor's Office requires that an inventory log of receipts held by the department be maintained. The inventory log should include the receipt number sequence, the date receipts were issued for use, name of the person receiving the receipts, and the date receipts were returned. Furthermore, unused receipts should be safeguarded under lock and key. Access to the unused receipt books should be limited to as few employees as possible.

Failure to safeguard unused receipts may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that receipts are properly safeguarded. At a minimum, the procedures noted above should be implemented.

Observation No. 3:
We noted that security cameras were not installed in areas where cash collections and receipts are received and safeguarded. According to staff, cameras are not installed since they recently moved into a new building.

The County Auditor's Office recommends that security alarms and/or security cameras be installed in areas where cash collections and receipts are received and safeguarded. Camera images must be stored on the type of media (e.g., digital recording box, tape, DVD, etc.) and retained for the period of time recommended by the Information Technology Department. If, however, the camera images are part of an ongoing investigation, they must be retained for the period of time determined by the investigating agency.

Failure to properly utilize security cameras increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that security cameras are utilized where cash is receipted and safeguarded.

Please provide written management responses to the observations noted above by January 13, 2017.

In addition, management should develop and implement procedures for the handling of cash and cash equivalent transactions. These procedures should include, at a minimum, the following:

a. An office organizational chart;
b. Location of cash collection points;
c. Types of collections made by each cash collection point;
d. A list of those positions involved with the handling of cash, a description of their duties, and description of how segregation of duties will be maintained;
e. A complete start to finish description of the following:
    1. Process for accounting and safeguarding of the change fund, if any;

2. Process for safeguarding cash until it is deposited;
3. Process for accounting and safeguarding mail-in payments;
4. Process for reconciling collections, including frequency of reconciliation;
5. Bookkeeping system used, and how it is maintained; and
6. Computer hardware and software used;

f. List of the reports prepared/generated for the collection and the reporting of funds, including procedures for preparing the reports, who the reports should be submitted to, and when the reports are due;
g. A schedule of how often deposits will be made; and
h. Copies of any related forms/reports.

Please provide a copy of the written procedures by January 13, 2017.

Ref: Cash Count
Report No. 2016-80

Dear Mr. Arredondo:

We conducted a surprise cash count of the cash held at the Planning Department's Edinburg Office on December 12, 2016 as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund.

Scope:
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included, but were not limited to, the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

Conclusion:
Total cash on hand at the time of the cash count was $255.00. Based on the results of our review, we have concluded that generally total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund of $225.00. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
We noted during our review that security cameras are installed in areas where cash collections and receipts are received and safeguarded; however, a notice stating that the area is being monitored by a security camera was not posted. According to staff, they are not authorized to place any notices up without the Health Department's approval.

The County Auditor's Office requires that a notice stating that an area is being monitored by a security camera be posted at the entrance to the area being monitored.

Failure to ensure that a notice stating that an area is being monitored by a security camera is posted increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that a notice stating the area is being monitored by security cameras is posted at the entrance to the area being monitored.

Observation No. 2:
We noted that a unique username and password was not required to access the Building Permit Tracker information system. In addition, all users had unlimited access (read/write access) to the information system. According to staff, the Building Permit Tracker information system was not programmed to require the use of a username and password. In addition, according to staff, a new information system for the Building Permit Tracker is being developed that will require a unique username and password.

Access control is a key component of information security. The principle of access control is to limit access to users who have valid reasons for accessing computers, systems, or data. A users' access and privileges should be appropriate and consistent with their current job responsibilities. Electronic accounts consisting of a username and password are used to identify individuals and authenticate access to an information system.

Failure to require a unique username and password to access the Building Permit Tracker information system and limit access based on the user's current job responsibilities increases the risk of unauthorized access to the Building Permit Tracker information system.

Recommendation:
Management should ensure that a unique username and password is required to access the Building Permit Tracker information system and that access to the information system is appropriate and consistent with the user's current job responsibilities. Management should contact the Information Technology Department to request their assistance regarding this observation.

Please provide written management responses to the observations noted above by January 13, 2017.

In addition, management should develop and implement procedures for the handling of cash and cash equivalent transactions and provide a copy to the County Auditor's Office. These procedures should include, at a minimum, the following:

a. An office organizational chart;
b. Location of cash collection points;
c. Types of collections made by each cash collection point;
d. A list of those positions involved with the handling of cash, a description of their duties, and description of how segregation of duties will be maintained;
e. A complete start to finish description of the following:
    1. Process for accounting and safeguarding of the change fund, if any;
    2. Process for safeguarding cash until it is deposited;
    3. Process for accounting and safeguarding mail-in payments;
    4. Process for reconciling collections, including frequency of reconciliation;
    5. Bookkeeping system used, and how it is maintained; and
    6. Computer hardware and software used;
f. List of the reports prepared/generated for the collection and the reporting of funds, including procedures for preparing the reports, who the reports should be submitted to, and when the reports are due;
g. A schedule of how often deposits will be made; and
h. Copies of any related forms/reports.

Please provide our office with copies of the procedures by January 13, 2017. We would like to express our sincere appreciation to you and your staff for the courtesy, cooperation, and assistance provided to us during the cash count. If you have any questions regarding this cash count or would like to schedule a meeting to discuss this cash count, please contact Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651, Arcy B. Re: Cash Count
Report No. 2016-530

Dear Mr. Villarreal:

We conducted a surprise cash count of the cash held at the San Juan Motor Vehicle Substation on August 25, 2016, as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund.

Scope:
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

Conclusion:
Total cash on hand at the time of the cash count was $21,162.19. Based on the results of our review, we have concluded that generally total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund of $4,000.00. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
According to staff, when checks are accepted in excess of the amount due, a cash refund will be made if the refund does not exceed $5.00.

The County Auditor's Office requires that cashiers be prohibited from issuing cash refunds for overpayments made by checks or credit card transactions that are in excess of the payment due. Payers should be asked to make the check amount for the amount due. If this is not possible, refunds for checks accepted in excess of the payment due should be made by check.

Failure to ensure that cashiers do not issue cash refunds when checks are accepted in excess of the amount due may result in the loss of funds.

Recommendation:
Management should ensure that cashiers do not issue cash refunds when checks are accepted in excess of the amount due. At a minimum, the procedures noted above should be implemented.

Observation No. 2:
During the review, it was noted that credit card transactions can be reversed. Management informed us that Hamer Enterprises provided them with an online portal in which supervisors were given the ability to reverse same-day credit card transactions. Management informed us that reversals are done when the incorrect amount was processed on the transaction or when an individual wanted to cancel the transaction.

The County Auditor's Office requires that credit card transaction reversals be prohibited. Prior to taking a credit card payment, the amount being charged to the credit card should be checked to ensure that it is accurate. If after the payment has been processed, it is determined that the credit card transaction amount is incorrect, then the difference should be treated as an overpayment. If a refund needs to be issued, the refund should not be credited back to the individuals' credit card through a reversal; instead it must follow the same procedures as any other refund and be issued by check.

Failure to ensure that credit card transactions are not reversed and access to the online portal is revoked may result in the loss of County funds.

Recommendation:
Management should ensure that credit card transactions are not reversed and access to the online portal is revoked. If a refund is due to the payer, it must be processed as a refund check.

Observation No. 3:
We noted that checks received for payment were made payable to either Hidalgo County Tax Assessor Pablo "Paul" Villarreal Jr.; Pablo (Paul) Villarreal Jr. Assessor & Collector; or Pablo (Paul) Villarreal Jr. PCC. In addition, signs were posted for the public's view instructing them to make checks payable to "Pablo (Paul) Villarreal Jr. Tax Assessor & Collector.

On March 7, 2016, the County Auditor issued a letter to the Tax Assessor requiring cashiers to verify that checks are made payable to the Elected or Public Official's title (i.e. Hidalgo County Tax Assessor/Collector) prior to accepting a check as payment.

Failure to ensure to ensure that checks are made out to the Elected Official's title (i.e., Hidalgo County Tax Assessor/Collector) increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that checks are made out to the Elected Official's title (i.e., Hidalgo County Tax Assessor/Collector).

Observation No. 4:
We noted during our review that cashiers accepted three over-the-counter checks on August 24, 2016 dated August 16, 2016, August 18, 2016, and August 19, 2016. According to the Supervisor, checks accepted over-the-counter should be dated with the date payment was received; however, acceptance of the checks may have been an oversight.

The County Auditor's Office requires that, prior to accepting a check for payment; the cashier must verify that the date on the check is the day that payment is presented. Stale-dated or post-dated checks may not be accepted.

Failure to verify that checks accepted as payments are dated the date received may result in the loss of County funds.

Recommendation:
Management should ensure that staff verifies that checks accepted as payment are dated the date received.

Observation No. 5:
Passwords to gain access to *Hamer Enterprises*, the credit card processing system, and *Scofflaw Case Management System* are not changed at least every 90 days. According to staff, the site does not prompt them to change their password; therefore, they do not need to update it.

The Information Technology (IT) Securities Policy requires that usernames passwords not be shared and passwords be changed at least every 90 days.

Failure to change passwords at least every 90 days may increase the risk of unauthorized access to *Hamer Enterprises* and *Scofflaw Case Management System*.

Recommendation:
Management should ensure that passwords are changed at least every 90 days.

Observation No. 6:
According to staff, a listing of the names of customers whose checks have been returned by the bank ("hot checks") due to insufficient funds, closed accounts, unauthorized signatures, or drawn on uncollected funds has not been requested from the Edinburg Main Office. Since payments received by check are minimal and personal checks are not accepted, staff believes the possibility of accepting a hot check is decreased.

The County Auditor's Office requires that a listing of the names of customers whose checks have been returned by the bank ("hot checks") due to insufficient funds, closed accounts, unauthorized signatures, or drawn on uncollected funds be maintained. The hot check list should be referenced when receiving checks from customers.

Failure to maintain a hot check list increases the risk of loss of County funds.

Recommendation:
Management should ensure that all Motor Vehicle locations have an updated listing of the names of customers whose checks have been returned by the bank due to insufficient funds, closed accounts, unauthorized signatures, etc.

Please provide written management responses to the observations noted above by December 22, 2016.

In addition, please provide us with copies of updated written procedures and internal controls, if any, established by your department for the handling of cash and cash equivalent transactions by December 22, 2016. The written procedures manual should include, at the minimum, the following:

a. An office organizational chart;
b. A list of those positions involved with the handling of cash, a description of their duties, and description of how segregation of duties will be maintained;
c. A complete start to finish description of the following:
    1. Process for accounting and safeguarding of the change fund, if any;
    2. Process for safeguarding cash until it is deposited;
    3. Process for accounting and safeguarding mail-in payments;
    4. Process for reconciling collections, including frequency of reconciliation;
    5. Bookkeeping system used, and how it is maintained; and
d. Computer hardware and software used;
e. List of the reports prepared/generated for the collection and the reporting of funds, including procedures for preparing the reports, who the reports should be submitted to, and when the reports are due;
f. A schedule of how often deposits will be made; and
g. Copies of any related forms/reports.

We would like to express our sincere appreciation to you and your staff for the courtesy, cooperation, and assistance provided to us during the cash count. Re: Cash Count
Report No. 2016-536

Dear Judge Morales:

We conducted a surprise cash count of the cash held at your office on October 17, 2016, as required by Local Government Code § 115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued up to the time of the cash count.

Scope:
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. In addition, we evaluated the procedures in place related to the 1.) collections process; 2.) accounting of citations and civil cases filed with the court; and 3.) documenting the authorization of dismissed criminal cases for the period of September 1, 2016 through September 30, 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, segregation of duties, filing of citations and civil cases, and documenting the authorization of dismissed cases.

Conclusion:
Total collections at the time of the cash count were $240.20. Based on the results of our review, we have concluded that total cash on hand did reconcile to the total receipts issued for the day up to the time of the cash count. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
Although a mail log is prepared, the mail log is not properly completed. The department does not add the receipt number after checks and or money orders have been receipted in *Odyssey*. According to the Court Coordinator, the receipt number is not added due to time constraints.

The County Auditor's Office requires that mail-in payments be listed on a daily mail log. The mail log should include the following information for each mail-in payment received: date received, the name of the payer, the amount of the remittance, the form of the remittance (e.g., cash or check), and, if applicable, the check number. If no mail-in payments are received, a mail log should nonetheless be prepared to indicate that no payments were received.

Failure to ensure that a daily mail log is properly prepared may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that a daily mail log is properly prepared. Please refer to the mail log section of the "Cash Handling Guidelines and Procedures" prescribed by the County Auditor's Office for the minimum procedures to be implemented for processing mail-in payments.

Observation No. 2:
We noted during our review that a current sample of the official County receipt was not posted for the public's view. According to staff, they were not aware that the notice had to be updated with a current Official receipt.

The County Auditor's Office requires that a notice stating "Make sure you receive an official County receipt when making payments at this office" be posted in a conspicuous location for the public's view. A sample of each official County receipt issued by the department should be posted by the notice in order to indicate to the payee what he/she should expect to receive.

Failure to post a sample of the official County receipt by the required notice increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that the current sample official County receipt be posted for the public's view.

Observation No. 3:
A listing of the names of customers whose checks have been returned by the bank ("hot checks") due to insufficient funds, closed accounts, unauthorized signatures, or drawn on uncollected funds is not maintained. According to the Court Coordinator, the court was under the impression that this was an additional log that needed to be completed. The Court Coordinator was advised that this list can be obtained through the County Treasurer's Office.

The County Auditor's Office requires that a listing of the names of customers whose checks have been returned by the bank ("hot checks") due to insufficient funds, closed accounts, unauthorized signatures, or drawn on uncollected funds be maintained. The hot check list should be referenced when receiving checks from customers.

Failure to ensure a hot check list is maintained and referenced when receiving checks from customers may result in the loss of County funds.

Recommendation:
Management should ensure a hot check list is maintained and referenced when receiving checks from customers. A copy of the hot check list should be requested from the County Treasurer's Office. Checks from customers on the hot check list should not be accepted.

Observation No. 4:
We noted during our review that segregation of duties over the handling of collections requires improvement. The Court Coordinator performs the following incompatible duties:

- Custody: Receives money, issues receipts, maintains a cash drawer, and balances copies of receipts against the cash drawer
- Recording: Accounts for numerical sequence of cash receipts, maintains inventory log of unused cash receipts, has access to dismiss cases on *Odyssey*, and prepares the monthly report
- Authorization: Verifies that voided original receipts are kept and reviewed

According to the Court Coordinator, due to a heavy case load and limited number of staff, proper segregation of duties over the handling of collections has not been implemented.

The responsibility for sound internal controls rests with management. Segregation of duties is a basic, key internal control in any organization. Segregation of duties prevents one individual from performing a transaction from beginning to end. In addition, it provides an individual with the opportunity to catch an error before a transaction is fully executed. Duties that should be segregated include: custody of assets, recording transactions, and authorization. The individual responsible for receiving money, issuing receipts, maintaining a cash drawer, and balancing copies of receipts against the cash drawer should be different from the individual responsible for accounting for numerical sequence of cash receipts, maintaining the inventory log of unused cash receipts, having access to dismiss cases on *Odyssey*, and preparing the monthly report. In addition, the individuals previously noted should not be responsible for verifying that voided original receipts are kept and reviewed.

Maintaining segregation of duties is especially challenging for units with a small number of employees. In these cases, it is important that management institute compensating controls to cover for the lack of a basic control. In an environment with a limited number of clerical and administrative personnel, management needs to be involved in documenting, reviewing, and approving transactions, reports, and reconciliations. Adequate and timely supervision is especially important in small departments, where limited personnel may inhibit a thorough segregation of duties.

Failure to ensure that incompatible duties are adequately segregated or that compensating controls are implemented increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that incompatible duties are adequately segregated such as those noted above. If incompatible duties cannot be adequately segregated, management should ensure that compensating controls are implemented.

Observation No. 5:
We noted during our review that mail-in payments were not immediately restrictively endorsed "For Deposit Only." According to the Court Coordinator, mail-in payments are restrictively endorsed by the Cashier and not the person responsible for opening the mail.

The County Auditor's Office requires that all checks received be immediately restrictively endorsed by the person responsible for opening the mail.

Failure to ensure that checks accepted as payment are immediately restrictively endorsed "For Deposit Only" may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that checks accepted as payment are immediately restrictively endorsed "For Deposit Only" by the person responsible for opening the mail.

Observation No. 6:
We randomly selected 30 of 307 dismissed criminal cases for the month ended September 30, 2016 to determine if authorization for dismissal of the cases was properly documented. The results of the review revealed the following:

1. 2 dismissals were not properly documented. The dismissals were pending the signed "Motion and Order to Dismiss".

2. 28 dismissals were properly documented. The dismissals contained a "Motion to Dismiss" submitted by the District Attorney's Office, "Order to Dismiss" signed by the Justice of the Peace, and reason(s) for the dismissal noted in the applicable docket book.

According to the Court Coordinator, the cases are dismissed as soon as proper documents are received from the District Attorney's Office.

Pursuant to the Justices of the Peace Manual, Justices of the Peace may dismiss cases in criminal proceedings only when specifically authorized to do so by statute or when directed to do so by the prosecution (i.e. district attorney) in accordance with Code of Criminal Procedure Art. 32.02. All dismissals should be noted in the applicable docket book along with the reason(s) for dismissal.

A properly authorized dismissed criminal case should include in the case files and/or the docket book the following:

- "Motion to Dismiss" submitted by the District Attorney's Office, an "Order to Dismiss" signed by the Justice of the Peace, and reason(s) for the dismissal noted in the applicable docket; or
- "Order to Dismiss" and/or judgment signed by the Justice of the Peace, copies of documents as proof of dismissal based on the judge's discretion in accordance with state statutes (i.e. copies of a commercial vehicle service logs, motor vehicle registration, valid driver's license, etc.), and reason(s) for the dismissal noted in the applicable docket.

Failure to properly document dismissals may result in sanctions from the State Commission on Judicial Conduct and/or loss or misuse of County funds.

Recommendation:
Management should ensure that dismissals are properly documented. At a minimum, the procedures noted above should be implemented.

Observation No. 7:
Passwords to gain access to *Hamer*, the County's credit card system, are not changed at least every 90 days. According to staff, *Hamer* has not been programmed to prompt and require users to change passwords at least every 90 days.

The Information Technology (IT) Securities Policy requires that passwords be changed at least every 90 days.

Failure to change passwords may increase the risk of unauthorized access to *Hamer*.

Recommendation:
Management should contact the Information Technology Department to request their assistance regarding this recommendation. If this is not feasible, management should monitor that employees change their passwords at least every 90 days.

Please provide written management responses to the observations noted above by December 22, 2016.

In addition, management should develop and implement procedures for the handling of cash and cash equivalent transactions. These procedures should include, at a minimum, the following:

a. Location of cash collection points;
b. Types of collections made by each cash collection point;
c. A list of those positions involved with the handling of cash, a description of their duties, and description of how segregation of duties will be maintained;
d. A complete start to finish description of the following:
    1. Process for accounting and safeguarding of the change fund, if any;
    2. Process for safeguarding cash until it is deposited;
    3. Process for accounting and safeguarding mail-in payments;
    4. Process for reconciling collections, including frequency of reconciliation;

5. Bookkeeping system used, and how it is maintained; and
6. Computer hardware and software used;

e. List of the reports prepared/generated for the collection and the reporting of funds, including procedures for preparing the reports, who the reports should be submitted to, and when the reports are due;
f. A schedule of how often deposits will be made; and
g. Copies of any related forms/reports.

Please provide a copy of the written procedures by December 22, 2016.

We would like to express our sincere appreciation to you and your staff for the courtesy, cooperation, and assistance provided to us during the cash count. If you have any questions regarding this cash count or would like to schedule a meeting to discuss this cash count, please contact Mirjam Sinder, Internal Auditor I, at 318-2511 ext. 4646, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. Re: Cash Count
Report No. 2016-537

Dear Judge Contreras:

We conducted a surprise cash count of the cash held at your office on September 22, 2016 as required by Local Government Code § 115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count.

Scope

The scope of our review was limited to a count of cash on hand as of the time of the cash count. In addition, we evaluated the procedures in place related to 1.) the collections process, 2.) accounting of citations and civil cases filed with the court, and 3.) documenting the authorization of dismissed criminal cases for the period August 1, 2016 through August 31, 2016. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, segregation of duties, filing of citations and civil cases, and documenting the authorization of dismissed cases.

Conclusion:

Total cash on hand at the time of the cash count was $510.10. Based on the results of our review, we have concluded that total cash on hand did not reconcile to the total receipts issued for the day up to the time of the cash count (see Observation 1). In addition, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:

A check dated August 12, 2016 in the amount of $41.00 was pending to be receipted at the time of the cash count. The check was kept in the same drawer as checks that had already been receipted. According to the cashier, the check was received through the mail on September 21, 2016.

The County Auditor's Office requires that all cash (i.e., cash, checks, credit card payments, etc.) received be promptly recorded and controlled using pre-numbered official County receipts.

Failure to ensure that cash is promptly receipted may result in the loss or misuse of County.

Recommendation:
Management should ensure that the all cash received be promptly receipted.

Observation No. 2:
A schedule of authorized fines and fees was not posted in a conspicuous location for the public's view. According to staff, the office does not have a schedule of fines and fees available for posting.

The County Auditor's Office requires that a schedule of authorized fines and fees be posted in a conspicuous location for the public to see. The schedule sets forth those fines and fees to be charged by the Justice of the Peace pursuant to state statutes and Commissioners Court approval.

Failure to post a schedule of authorized fines and fees in a conspicuous location increases the risk of loss or misuse of County funds.

Recommendation:
Management should develop and post a schedule of authorized fines and fees in a conspicuous location for the public to see.

Observation No. 3:
We noted during our review that the "Cash Handling Guidelines and Procedures Receipt Acknowledgement" forms (acknowledgement receipts) for four employees responsible for handling cash, including the Justice of the Peace, were not maintained on file. According to the Court Coordinator, she was not in possession of a blank copy of the "Cash Handling Guidelines and Procedures Receipt Acknowledgement" for new employees to sign. After the cash count she was able to locate a blank copy of the form and had the new employees sign it and submitted copies to the County Auditor's Office. According to the Court Coordinator, the Justice of the Peace has not signed one.

The County Auditor's Office requires that departments train all employees responsible for handling cash regarding proper cash handling procedures. The employees handling cash must read the "Cash Handling Guidelines and Procedures" and sign a receipt acknowledging their understanding of these guidelines and procedures. The acknowledgment receipt should be kept on file.

Failure to maintain the acknowledgement receipts as proof that employees, including the Justice of the Peace, were trained regarding proper cash handling procedures increases the risk of loss or misuse of County funds.

Recommendation:
Management should maintain the acknowledgement receipts on file as proof that all employees, including the Justice of the Peace, were trained regarding proper cash handling procedures.

Observation No. 4:
Although security cameras are utilized, the security cameras are not utilized where cash is received and safeguarded. The Court Coordinator could not provide a response as to why the recommendation has not been implemented.

The County Auditor's Office recommends that security alarms and/or security cameras be installed in areas where cash collections are received and safeguarded. Camera images must be stored on the type of media (e.g., digital recording box, tape, DVD, etc.) and retained for the period of time recommended by the Information Technology Department. If, however, the camera images are part of an ongoing investigation, they must be retained for the period of time determined by the investigating agency. Furthermore, a notice stating that an area is being monitored by a security camera must be posted at the entrance to the area being monitored.

Failure to utilize security cameras increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that the security cameras are installed in areas where cash collections are received and safeguarded.

Observation No. 5:
A notice stating that an area is being monitored by a security camera was not posted in a conspicuous location for the public's view. According to staff, the notice was posted by the Information Technology Department on the outside of the building.

The County Auditor's Office requires that a notice stating that an area is being monitored by a security camera be posted in a conspicuous location for the public's view.

Failure to post the required notice increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that a notice stating an area is being monitored by a security camera is posted in a conspicuous location for the public's view.

Observation No. 6:
According to staff, a listing of the names of customers whose checks have been returned by the bank ("hot checks") due to insufficient funds, closed accounts, unauthorized signatures, or drawn on uncollected funds has not been requested from the County Treasurer's Office. According to staff, only checks received from businesses and/or attorneys are accepted. Since payments received by check are minimal and personal checks are not accepted, staff believes the possibility of accepting a hot check is decreased.

The County Auditor's Office requires that a listing of the names of customers whose checks have been returned by the bank ("hot checks") due to insufficient funds, closed accounts, unauthorized signatures, or drawn on uncollected funds be maintained. The hot check list should be referenced when receiving checks from customers.

Failure to maintain a hot check list may result in the loss of County funds.

Recommendation:
Management should request the "hot check" listing from the County Treasurer's Office.

Observation No. 7:
We noted during our review that undeposited collections were not always placed in a locked cash drawer. According to staff, the cashiers place payments received in their desk until it is time to reconcile at the end of the day. Not all of the cashier's desks are locked when they are away from their desk and some remain unlocked throughout the day. In addition, personal belongings are kept in the desk drawer as well. According to the Court Coordinator, staff was subsequently asked to remove personal items and provided with a key to their desk drawer.

The County Auditor's Office requires for all cash to be protected immediately by using a cash drawer, safe, or other secure place until it is deposited. A secure area for processing and safeguarding cash received, petty cash funds, change funds, and unissued receipts must be provided and restricted to authorized personnel.

Failure to ensure that a locked cash drawer is maintained by each employee responsible for handling collections may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that a locked cash drawer is assigned to each employee responsible for handling collections. At a minimum, the procedures noted above should be implemented.

Observation No. 8:
A mail log was not utilized to record payments received through the mail. According to staff, a mail log is not prepared due to limited staff and time and the quantity of mail received.

The County Auditor's Office requires that mail-in payments be listed on a daily mail log. The mail log should include the following information for each mail-in payment received: date received, the name of the payer, the amount of the remittance, the form of the remittance (e.g., cash or check), and, if applicable, the check number.

Failure to ensure that a daily mail log is prepared to record payments received through the mail may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that a daily mail log is prepared to record payments received through the mail. Please refer to the mail log section of the "Cash Handling Guidelines and Procedures" prescribed by the County Auditor's Office for the minimum procedures to be implemented for processing mail-in payments.

Observation No. 9:
A notice stating "Make sure you receive an official county receipt when making payments at this office" was posted; however, it did not contain a sample of the current receipt being issued by the department. According to the Court Coordinator, staff does not have time to update the receipt.

The County Auditor's Office requires that a notice stating "Make sure you receive an official County receipt when making payments at this office" must be posted in a place visible to the public near cashiers. A sample of the official County receipt issued by the department must be posted by the notice so the public will know what type of receipt to expect.

Failure to post the required notice along with a sample of the official County receipt issued by the department increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that a poster stating "Make sure you receive an official county receipt when making payments at this office" is posted with a sample of the receipt being issued by the department in a conspicuous location for the public's view.

Observation No. 10:
We noted during our review that collections are not consistently transported to the bank in a locked cash bag. According to the Court Coordinator, the court mainly receives money orders; therefore, locked cash bags are not needed to transport deposits to the bank.

The County Auditor's Office requires that cash be secured in a locked cash bag when transporting deposits to the bank. The courier should exercise caution when transporting deposits by not taking the key to the cash bag with them and by varying the time and the route taken.

Failure to utilize a locked cash bag when transporting deposits may result in the loss of County funds.

Recommendation:
Management should ensure a locked cash bag is utilized when transporting deposits to the bank. At a minimum, the procedures noted above should be implemented.

Observation No. 11:
We noted during our review that segregation of duties over the handling of collections requires improvement. The Court Coordinator performs the following incompatible duties:

- Custody: Receives money, issues receipts, opens and lists mail receipts, balances copies of receipts against cash drawer, maintains a cash drawer, and prepares bank deposits
- Recording: Accounts for numerical sequence of cash receipts, has access to dismiss cases in *Odyssey*, prepares monthly reports, and prepares billings for delinquencies (courtesy letters).
- Approving: Compares bank deposit receipts to bank statement and verifies that voided receipts are kept and reviewed

The Assistant Court Coordinators perform the following incompatible duties:

- Custody: Receive money, issue receipts, open and list mail receipts, balance copies of receipts against cash drawer, maintain a cash drawer, and prepare bank deposits
- Recording: Account for numerical sequence of cash receipts, have access to dismiss cases in *Odyssey*, and prepare billings for delinquencies (courtesy letters).

- Approving: Compare bank deposit receipts to bank statement and verifies that voided receipts are kept and reviewed

According to staff, due to a heavy case load and limited number of staff, proper segregation of duties over the handling of collections has not been implemented. In addition, all employees are cross trained and are able to perform each other's job. The Assistant Court Coordinators now share a lot of duties with the Court Coordinator.

The responsibility for sound internal controls rests with management. Segregation of duties is a basic, key internal control in any organization. Segregation of duties prevents one individual from performing a transaction from beginning to end. In addition, it provides an individual with the opportunity to catch an error before a transaction is fully executed. Duties that should be segregated include: custody of assets, recording transactions, and authorization. The individual responsible for receiving money, issuing receipts, opening and listing mail receipts, balancing copies of receipts against cash drawer, maintaining a cash drawer, and preparing bank deposits should be different from the individual accounting for numerical sequence of cash receipts, having access to dismiss cases in Odyssey, preparing monthly reports, and preparing billings for delinquencies (courtesy letters). In addition, the individuals previously noted should not be responsible for comparing bank deposit receipts to bank statement and verifying that voided receipts are kept and reviewed.

Maintaining segregation of duties is especially challenging for units with a small number of employees. In these cases, it is important that management institute compensating controls to cover for the lack of a basic control. In an environment with a limited number of clerical and administrative personnel, management needs to be involved in documenting, reviewing, and approving transactions, reports, and reconciliations. Adequate and timely supervision is especially important in small departments, where limited personnel may inhibit a thorough segregation of duties.

Failure to ensure that incompatible duties are adequately segregated or that compensating controls are implemented increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that incompatible duties are adequately segregated such as those noted above. If incompatible duties cannot be adequately segregated, management should ensure that compensating controls are implemented.

Observation No. 12:
Passwords to gain access to *Hamer*, the County's credit card system, are not changed at least every 90 days. According to staff, *Hamer* has not been programmed to prompt and require users to change passwords at least every 90 days.

The Information Technology (IT) Securities Policy requires that passwords be changed at least every 90 days.

Failure to change passwords may increase the risk of unauthorized access to *Hamer*.

Recommendation:
Management should contact the Information Technology Department to request their assistance regarding this recommendation. If this is not feasible, management should monitor that employees change their passwords at least every 90 days.

Observation No. 13:
At the time of the cash count, there were no appeal bonds on hand. However; according to staff, when appeal bonds are received, an official County receipt is not issued. The appeal bonds are made payable to the County Clerk's Office. According to staff, all documentation received including the check is scanned into the case in *Odyssey*. Subsequently, the check is stapled to the paperwork and placed into a sealed envelope which is delivered by a Deputy Constable to the County Clerk's Office. The Deputy is not required to sign the checks out on a log; however, the Deputy will call the Justice of the Peace office to notify them who the paperwork was dropped off with. Staff indicated that it does not take longer than 1 day before the bonds are delivered to the County Clerk's Office. A receipt for the appeal bond is not issued to the Justice of the Peace by the County Clerk's office.

The County Auditor's Office requires that all cash (i.e., cash, checks, credit card payments, etc.) received be promptly recorded and controlled using pre-numbered official County receipts.

Failure to ensure that appeal bonds are promptly receipted in a timely manner may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that all appeal bonds are promptly receipted in a timely manner. In the alternative, the Justice of the Peace should prepare all applicable court documentation and request that the payor submit the documentation along with payment of the appeal bond to the County Clerk's Office.

Observation No. 14:
We noted that some checks received for payment by mail were made payable to "Justice Court Clerk, Hidalgo County". Furthermore, four checks received by mail were stale dated; August 11, 2016 (1), August 12, 2016 (1), August 26 (1), and August 29, 2016 (1); and receipted on September 22, 2016. According to staff, they cannot alter checks received by mail. In addition, the court is not in possession of a stamp with the Elected Official's title, to stamp above incorrectly filled out checks.

Pursuant to Local Government Code Sec. 112.002 and 112.006, the county auditor has financial oversight for all county offices and may dictate the accounting procedures and internal controls to be implemented by each county office. As such, the County Auditor has set up procedures requiring that cashiers, prior to accepting a check as payment, verify that the check is made payable to the Elected or Public Official's title (i.e., Hidalgo County Tax Assessor/Collector). In addition, the cashier must verify that the check contains a date that is not stale or post-dated. In addition, the County Auditor's Office requires that all cash (i.e., cash, checks, credit card payments, etc.) received be promptly recorded and controlled using pre-numbered official County receipts.

Failure to ensure that checks are made out to the Elected Official's title (i.e., Hidalgo County Justice of the Peace) and properly dated may increase the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that checks are made out to the Elected Official's title (i.e., Hidalgo County Tax Justice of the Peace), properly dated and promptly receipted.

Observation No. 15:
According to staff, when accepting checks as payment, cashiers are not required to ensure that the payer's driver's license number and date of birth are pre-printed or recorded on the face of the check. Staff is only required to verify that the payer's name, address, and phone number are included on the check.

The County Auditor's Office requires that, prior to accepting a check for payment; the cashier must verify that the payer's name, address, driver's license number, date of birth, and phone number is pre-printed on the face of the check. If some of this information is not pre-printed on the face of the check, the cashier must request this information and record it in on the face of the check. In addition, the District Attorney requires the driver's license number, date of birth and phone number if the check is submitted to the District Attorney's Hot Check Division for collection purposes.

Failure to ensure that cashiers verify that the payer's name, address, driver's license number, date of birth, and phone is pre-printed or recorded on the face of the check may result in the loss of County funds if the checks are returned non-sufficient funds and are unable to file with the District Attorney's Office for lack of information .

Recommendation:
Management should ensure that cashiers verify that the payer's name, address, driver's license number, date of birth, and phone is pre-printed or recorded on the face of the check.

Please provide written management responses to the observations noted above by December 22, 2016. In addition, management should develop and implement procedures for the handling of cash and cash equivalent transactions.

These procedures should include, at a minimum, the following:

a. An office organizational chart;
b. Location of cash collection points;
c. Types of collections made by each cash collection point;
d. A list of those positions involved with the handling of cash, a description of their duties, and description of how segregation of duties will be maintained;
e. A complete start to finish description of the following:
    1. Process for accounting and safeguarding of the change fund, if any;
    2. Process for safeguarding cash until it is deposited;
    3. Process for accounting and safeguarding mail-in payments;
    4. Process for reconciling collections, including frequency of reconciliation;
    5. Bookkeeping system used, and how it is maintained; and
    6. Computer hardware and software used;
f. List of the reports prepared/generated for the collection and the reporting of funds, including procedures for preparing the reports, who the reports should be submitted to, and when the reports are due;
g. A schedule of how often deposits will be made; and
h. Copies of any related forms/reports.

Please provide our office with copies of the procedures by December 22, 2016.

We would like to express our sincere appreciation to you and your staff for the courtesy, cooperation, and assistance provided to us during the cash count. If you should have any questions or would like to schedule a meeting to discuss this cash count, please do not hesitate to contact Mirjam Sinder, Internal Auditor I, at 318-2511 ext. 4646, Yvonne Torres, Revenue Audit Supervisor, at ext. 4642, Arcy B. The Honorable Laura Hinojosa
Hidalgo County District Clerk
100 N. Closner
Edinburg, TX 78539

Re: Cash Count
Report No. 2016-543

Dear Ms. Hinojosa:

We conducted a surprise cash count of the cash held at your office on September 15, 2016 as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund.

Scope:
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included, but were not limited to, the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

Conclusion:
Total cash on hand at the time of the cash count was $2,456.00. Based on the results of the review, we have concluded that total cash on hand did not reconcile to the total receipts issued for the day up to the time of the cash count and the approved change fund of $450.00 (see observation numbers 1and 2). In addition, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
Total receipts for the day up to the time of the cash count did not reconcile to the cash on hand. Cash on hand was over by $1,389.00. The overage consisted of 4 money orders received as child support payments that were made payable to the "Texas Child Support Disbursement Unit". According to staff, the child support payments are

forwarded to the Texas Child Support Disbursement Unit; however, an official County receipt is not issued. This practice was implemented based on a verbal agreement made between Judge Maria Leos and the District Clerk to accept and forward child support payments to the Texas Child Support Disbursement Unit.

The County Auditor's Office requires that all payments, including mail-in payments, be promptly recorded and controlled using pre-numbered official County receipts.

Failure to ensure that payments, including mail-in payments, are promptly receipted and controlled using pre-numbered official County receipts may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that payments are promptly receipted and controlled using pre-numbered official County receipts. In the alternative, the payors should submit child support payments to the Texas Child Support Disbursement Unit.

Observation No. 2:
The Special Registry Account change fund of $50.00 had a $5.00 shortage. According to staff, the change fund is not accounted for during the daily cash reconciliation process and staff did not recall the last time the change fund was utilized. Subsequent to the cash count, the $5.00 shortage was replenished by staff.

The County Auditor's Office requires that the cashier reconcile the cash drawer against receipts issued and/or the change fund on a daily basis utilizing the *Cashier's Daily Cash Fund Report.*

Failure to ensure that cashiers account for the change fund as part of the daily reconciliation process increases the risk of loss or misuse of the County funds.

Recommendation:
Management should ensure that cashiers account for the change fund as part of the daily reconciliation process. If the change fund is not needed, the change fund should be returned to the County Treasurer's Office.

Observation No. 3:
Passwords to gain access to the Jury System, the electronic system used to randomly select jurors, are not changed at least every 90 days. According to staff, the Jury System is linked to the Windows password; however, the system does not prompt the users to change passwords at least every 90 days.

The Information Technology (IT) Securities Policy requires that passwords be changed at least every 90 days.

Failure to change passwords may increase the risk of unauthorized access to the Jury System.

Recommendation:
Management should contact the applicable software providers to request that the Jury System be programmed to prompt and require users to change passwords at least every 90 days.

Please provide written management responses to the observations noted above by January 6, 2017.

In addition, please provide us with copies of updated written procedures and internal controls, if any, established by your department for the handling of cash and cash equivalent transactions. The written procedures manual should include, at a minimum, the following:

f. List of the reports prepared/generated for the collection and the reporting of funds, including procedures for preparing the reports, who the reports should be submitted to, and when the reports are due;
g. A schedule of how often deposits will be made; and
h. Copies of any related forms/reports.

Re: Cash Count
Report No. 2016-549

Dear Mr. Olivarez:

We conducted a surprise cash count of the cash held at the Hidalgo Health Clinic on November 1, 2016 as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund.

Scope:
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included, but were not limited to, the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

Conclusion:
Total cash on hand at the time of the cash count was $75.00. Based on the results of our review, we have concluded that total cash on hand did reconcile to the total receipts issued for the day up to the time of the cash count and the approved change fund of $25.00. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
We noted that security cameras were not utilized where cash is receipted and safeguarded; however, there is a security alarm system in place for the building. According to management, security cameras have not been installed due to budgetary constraints.

The County Auditor's Office recommends that security alarms and security cameras be installed in areas where cash collections and receipts are received and safeguarded. Camera images must be stored on the type of media (e.g., digital recording box, tape, DVD, etc.) and retained for the period of time recommended by the Information Technology Department. If, however, the camera images are part of an ongoing investigation,

they must be retained for the period of time determined by the investigating agency. Furthermore, a notice stating that an area is being monitored by a security camera must be posted at the entrance to the area being monitored.

Failure to utilize security cameras increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that security cameras are installed and utilized where cash is receipted and safeguarded. Management should contact the Department of Budget and Management to request funding assistance to purchase the security cameras.

Observation No. 2:
According to staff, fees for services are waived when the Clerk and Clerk Manager are away on the quarterly meetings and/or trainings.

The County Auditor's Office requires that individuals make payment of all fees at the time services are rendered, with the exception of individuals deemed indigent, based on the Hidalgo County Health and Human Services Department "Income Guidelines and Schedule of Charges-Sliding Fee Schedule".

Failure to ensure that individuals make payment of all fees at the time services are rendered, with the exception of individuals deemed indigent, may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that individuals make payment of all fees at the time services are rendered, with the exception of individuals deemed indigent.

Observation No. 3:
We noted during our review that when transporting the cash deposit to the bank, the key to the cash bag is taken by the employee responsible for making the deposit. According to staff, the key is taken by the employee to verify that the validated deposit slip that is placed in the locked cash bag by the bank teller corresponds to the amount being deposited.

The County Auditor's Office requires that cash be secured in a locked cash bag when transporting deposits to the bank or County Treasurer's Office, as applicable. The courier should exercise caution when transporting deposits by not taking the key to the cash bag with them and by varying the time and the route taken. In addition, the bank should have the keys to the cash bag that are utilized for making deposits.

Failure to ensure that the employee making the deposit does not take the key to the cash bag when transporting the cash deposit to the bank may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that the employee making the deposit does not take the key to the cash bag when transporting the cash deposit to the bank

Please provide written management responses to the observations noted above by December 22, 2015. In addition, information regarding the items listed below was previously provided to our office; however, please provide any updated procedures, if applicable, by December 22, 2015.

a. An office organizational chart;
b. Location of cash collection points;
c. Types of collections made by each cash collection point;
d. A list of those positions involved with the handling of cash, a description of their duties, and description of how segregation of duties will be maintained;
e. A complete start to finish description of the following:
    1. Process for accounting and safeguarding of the change fund, if any;
    2. Process for safeguarding cash until it is deposited;
    3. Process for accounting and safeguarding mail-in payments;
    4. Process for reconciling collections, including frequency of reconciliation;
    5. Bookkeeping system used, and how it is maintained; and
    6. Computer hardware and software used;

Re: Cash Count
Audit No. 2016-557

Dear Mr. Villarreal:

We conducted a surprise cash count of the cash held at the Edinburg Tax Office on September 12, 2016 as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund.

Scope:
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

Conclusion:
Total cash on hand at the time of the cash count was $456,468.73. Based on the results of our review, we have concluded that total cash on hand did not reconcile to the total receipts issued for the day up to the time of the cash count and the approved change fund of $5,600.00 (see Observation 1). In addition, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
Total cash on hand at the time of the cash count exceeded receipts issued by $56,660.48 due to the following:

- 56 mail-in payments held by the Executive Assistant totaling $56,594.45 received between May 31, 2016 and August 31, 2016 had not been receipted since a tax account number had not been provided

or the tax account did not have an outstanding balance. According to staff, the checks were pending to be returned to the payer. Of the 56 mail-in payments:

  - 48 checks were stamped with the date received and included on the log of checks submitted to the Executive Assistant (2 checks were subsequently receipted on October 4, 2016 and on October 7, 2016).
  - 5 checks were not stamped with the date received but were included in the log of checks submitted to the Executive Assistant.
  - 3 checks were stamped with the date received but were not included on the log of checks submitted to the Executive Assistant.
- 2 mail-in payments held by a cashier totaling $66.27 received between September 8, 2016 and September 12, 2016 had not been receipted. As of today, we have not received supporting documentation to ensure a receipt was issued for each of the payments.
- Cashier shortage for collections received on September 9, 2016 in the amount of $0.24.

The County Auditor's Office requires that all payments, including mail-in payments, be promptly recorded and controlled using pre-numbered official County receipts. Collections must be deposited on a daily basis, unless the amount collected is less than $100.00. If a payment discrepancy occurs (i.e. lack of tax account number, tax account paid in full, etc.), a pre-numbered manual Official County receipt should be issued. Once the discrepancy is resolved, an Official County receipt from the electronic receipting system should be issued and refund check issued, if applicable. In the alternative, the department may return the payment to the sender. If the department returns the payment, a log should be utilized to document the return of checks that includes: the name of the person/entity to whom the check is returned; return address; check date; check amount; date returned; and reason for return. A copy of all checks returned should be maintained on file.

Failure to ensure that all payments are promptly receipted and deposited may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that all payments are promptly receipted and deposited. At a minimum, the procedures noted above should be implemented.

Observation No. 2:
We noted during our review that mail-in payments held by the Executive Assistant pending to be returned to the payer are not adequately safeguarded. The checks are kept in the Executive Assistant's desk until they are mailed back to the payer.

The County Auditor's Office requires all cash must be protected immediately by using a locked cash drawer, safe, or other secure place until it is deposited.

Failure to adequately safeguard collections may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that all collections are adequately safeguarded until they are receipted and deposited or returned to the payer.

Observation No. 3:
We noted during our review that a mail log was not utilized to record payments received through the mail. In addition, mail-in payments were not immediately restrictively endorsed "For Deposit Only". Furthermore, the mail-in payments were not safeguarded in a locked safe; instead, the mail-in payments were placed on a bookshelf located in the "Collections Room" until processed. According to staff, a mail log has not been implemented due to a heavy workload and limited number of staff. In addition, mail-in payments are restrictively endorsed by the cashiers at the time a receipt is issued. Furthermore, mail-in payments are not taken from the bookshelf by anyone unless the payments are ready to be processed.

The County Auditor's Office requires that mail be opened on the same day it is received. If this is not possible, mail must be kept in a locked safe in a secure area overnight and opened the following business day. The following procedures should be followed when processing mail:

1. Mail should be opened by an employee who is not responsible for receipting or maintaining accounting records.
2. Immediately upon receipt, the person responsible for opening the mail must restrictively endorse all checks "For Deposit Only" to the credit of the County.
   a. A check may not be restrictively endorsed if the payee line of the check is blank or made payable to another department, unless a supervisor has verified that the check is a proper payment to the department. If the payment is a proper payment to the department and the payee line of the check is blank, the department's name must be recorded on the payee line. If verification of proper payment is not possible, the check must be returned to the sender.
   b. A check may not be restrictively endorsed if it is stale-dated. Stale-dated checks must be returned to the sender.
3. Mail-in payments must be listed on a mail log. The mail log should include the following information for each mail-in payment received: date received, the name of the payer, the amount of the remittance, the form of the remittance (e.g., cash or check), and, if applicable, the check number.
4. The employee responsible for opening the mail and listing the mail-in payments must sign and date the mail log to document responsibility for verifying the cash received and preparing the listing.
5. Mail-in payments must then be transferred to the cashier. After issuing a receipt for the mail-in payment, the cashier must enter the receipt date and receipt number issued for the mail-in payment on the mail log.
6. An employee other than the cashier should verify that an official County receipt was issued for each mail-in payment. The employee conducting this verification must sign and date the mail log to document responsibility for the verification.
7. The "Customer Copy" of a receipt issued for a mail-in payment should be mailed to the payer if the payer included a stamped, self-addressed envelope with the mail-in payment. Otherwise, the "Customer Copy" of the receipt for the mail-in payment must be maintained on file.

Failure to ensure that mail-in payments are promptly processed and safeguarded under lock and key may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that mail-in payments are properly processed and safeguarded under lock and key. At a minimum, the procedures noted above should be implemented.

Observation No. 4:
We noted that checks received for payment were made payable to either Hidalgo County Tax Assessor Pablo "Paul" Villarreal Jr.; Pablo (Paul) Villarreal Jr. Assessor & Collector; or Pablo (Paul) Villarreal Jr. PCC. In addition, signs were posted for the public's view instructing them to make checks payable to "Pablo (Paul) Villarreal Jr. Tax Assessor & Collector". Furthermore, tax statements sent out to tax payers instruct payers to make checks payable to "Pablo (Paul) Villarreal Jr., PCC".

On March 7, 2016, the County Auditor issued a letter to the Tax Assessor requiring cashiers to verify that checks are made payable to the Elected or Public Official's title (i.e. Hidalgo County Tax Assessor/Collector) prior to accepting a check as payment. Pursuant to Local Government Code Sections 112.002 and 112.006, the county auditor has financial oversight for all county offices and may dictate the accounting procedures and internal controls to be implemented by each county office.

Failure to ensure that checks are made out to the Elected Official's title (i.e., Hidalgo County Tax Assessor/Collector) increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that checks are made out to the Elected Official's title (i.e., Hidalgo County Tax Assessor/Collector).

Observation No. 5:
During the cash count, we were informed that cashiers are allowed to process credit card payments from a person who is not the cardholder. According to staff, the payer must be able to provide all the information required in order to process a credit card payment which includes the tax account being paid, the cardholder name, address where the credit card is billed, card type, credit card number, expiration date, phone number,

and amount to charge. Once the transaction is processed and approved, a receipt is printed and the payer must sign and provide a phone number. According to the Chief Accountant, if the use of the credit card ends up being fraudulent, the credit card payment is reversed and *Hamer Enterprise* is responsible for resolving the issue with the payer.

The County Auditor's Office requires that the cashier request identification from the payer when a credit card is presented as payment. The identification is required to verify that the card belongs to the payer. After the card is swiped or processed and the transaction has been authorized, the cashier must obtain the payer's signature on the credit card receipt.

Failure to ensure that cashiers request a valid form of identification to verify that the payers name agrees to the card being presented for payment may result in credit card fraud.

Recommendation:
Management should ensure that cashiers only process credit card transactions from an individual whose name agrees to the card being presented for payment by requesting identification to verify cardholder is present.

Observation No. 6:
One check received at the counter did not have the payee line completed. According to the Chief Accountant, cashiers must verify checks are properly completed prior to acceptance as payment. If a cashier fails to ensure the checks are properly completed, the error will be caught when the checks are scanned for remote deposit. Prior to scanning the checks, the Head Cashier/Assistant Head Cashier re-verify that all checks have been endorsed and that the payee line has been filled out. We reviewed the deposit of that check and confirmed that the check was deposited without the payee line completed.

The County Auditor's Office requires that cashiers verify that a check is made payable to Hidalgo County or Hidalgo County and County Official's title (e.g., Hidalgo County Tax Assessor-Collector). If the payee line of the check is blank, the department's name must be recorded on the payee line in the manner previously noted. In addition, the cashier must verify that checks contain a date and that the check is not stale or post-dated. Furthermore, all checks must be restrictively endorsed "For Deposit Only" immediately upon receipt.

Failure to verify that checks are properly completed prior to acceptance as payment may result in the loss or misuse of County funds.

Recommendation:
Management should remind cashiers to verify that checks are properly completed prior to acceptance as payment.

Please provide written management responses to the observations noted above by January 13, 2017.

In addition, procedures established by your department for the handling of cash were previously provided to the Auditor's Office; however, the procedures did not address the following:

a. Location of cash collection points;
b. Types of collections made by each cash collection point;
c. The training that will be provided at the collection point and description of how segregation of duties will be maintained;
d. A complete start to finish description of the following:
    1. Process for accounting and safeguarding of the change fund, if any;
    2. Process for safeguarding cash until it is deposited;
    3. Process for accounting and safeguarding mail-in payments;
    4. Process for reconciling collections, including frequency of reconciliation;
    5. Bookkeeping system used, and how it is maintained;
    6. Computer hardware and software used; and
e. A schedule of how often deposits will be made.

Please provide our office with copies of the procedures listed above and any updated procedures, if applicable, by January 13, 2017.

We would like to express our sincere appreciation to you and your staff for the courtesy, cooperation, and assistance provided to us during the cash count. Re: Cash Count
Audit No. 2016-560

Dear Mr. Villarreal:

We conducted a surprise cash count of the cash held at the Mission Tax Office Substation on October 27, 2016 as required by Local Government Code §115.0035. The objective of the cash count was to determine whether total cash on hand reconciled to the total receipts issued for the day up to the time of the cash count and the approved change fund.

Scope:
The scope of our review was limited to a count of the cash on hand as of the time of the cash count. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

As part of our procedures, we verified that cash on hand agreed to the total receipts issued up to the time of the cash count. We also reviewed the internal control structure in order to verify that cash on hand was safeguarded against loss from unauthorized use and that only authorized transactions were executed, recorded, and reported in accordance with applicable laws and procedures. The internal controls reviewed during our walkthrough included but were not limited to the following: custody of cash, use of locked cash drawers, proper authorization of voided transactions, and segregation of duties.

Conclusion:
Total cash on hand at the time of the cash count was $30,187.66. Based on the results of our review, we have concluded that total cash on hand did reconcile to the total receipts issued for the day up to the time of the cash count and the approved change fund of $300.00. However, we noted that the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

Observation No. 1:
At the time of the cash count, we were informed by the Assistant Supervisor that change funds assigned to the Tax Division are occasionally used by the Motor Vehicle Division and vice versa, as needed. According to the Chief Accountant, a re-evaluation of the need to increase the change funds would be made.

The County Auditor's Office requires that departments utilize change funds only for approved collection points. On the recommendation of the County Auditor, the Commissioners Court may increase or decrease the change fund at any time.

Failure to ensure that change funds are utilized only for approved collection points may increase the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that the change funds are utilized only for approved collection points. In addition, if the change fund advance is not adequate to run the daily operations please submit a request to the County Auditor's Office requesting an increase.

Observation No. 2:
Security cameras were not utilized in the vault or in the Head Cashier's Office where collections are reconciled and cash is safeguarded. According to staff, they have previously requested more cameras from the Main Tax Office but have not received a response.

The County Auditor's Office recommends that security cameras be installed in areas where cash collections and receipts are received and safeguarded. Camera images must be stored on the type of media (e.g., digital recording box, tape, DVD, etc.) and retained for the period of time recommended by the Information Technology Department. If, however, the camera images are part of an ongoing investigation, they must be retained for the period of time determined by the investigating agency. Furthermore, a notice stating that an area is being monitored by a security camera must be posted at the entrance to the area being monitored.

Failure to ensure that security cameras are utilized in all areas where cash is safeguarded increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that security cameras are utilized in all areas where cash is safeguarded.

Observation No. 3:
We noted that checks received for payment were made payable to either Hidalgo County Tax Assessor Pablo "Paul" Villarreal Jr.; Pablo (Paul) Villarreal Jr. Assessor & Collector; or Pablo (Paul) Villarreal Jr. PCC. In addition, signs were posted for the public's view instructing them to make checks payable to "Pablo (Paul) Villarreal Jr. Tax Assessor & Collector". Furthermore, tax statements sent out to tax payers instruct payers to make checks payable to "Pablo (Paul) Villarreal Jr., PCC".

On March 7, 2016, the County Auditor issued a letter to the Tax Assessor requiring cashiers to verify that checks are made payable to the Elected or Public Official's title (i.e. Hidalgo County Tax Assessor/Collector) prior to accepting a check as payment. Pursuant to Local Government Code Sections 112.002 and 112.006, the county auditor has financial oversight for all county offices and may dictate the accounting procedures and internal controls to be implemented by each County office.

Failure to ensure that checks are made out to the Elected Official's title (i.e., Hidalgo County Tax Assessor/Collector) increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that checks are made out to the Elected Official's title (i.e., Hidalgo County Tax Assessor/Collector).

Observation No. 4:
According to staff, when accepting checks as payment, cashiers are not required to ensure that the payer's name, address, driver's license number, date of birth, and phone number are pre-printed or recorded on the face of the check. Staff is only required to verify that a name, address, and phone number are recorded on the check. In addition, identification is not requested by the cashier to verify the information on the check is correct. According to staff, if checks are returned by the bank as NSF or for any other reason, the tax payer's account is reversed. In addition, according to staff no tax payment can be denied.

The County Auditor's Office requires that, prior to accepting a check for payment; the cashier must verify that the payer's name, address, driver's license number, date of birth, and phone number is pre-printed on the face of the check. If some of this information is not pre-printed on the face of the check, the cashier must request this information and record it in on the face of the check. Identification must be requested by the cashier to verify the information on the check.

Failure to ensure that cashiers verify that the payer's name, address, driver's license number, date of birth, and phone is pre-printed or recorded on the face of the check may result in the loss or misuse of County funds.

Recommendation:
Management should ensure that cashiers verify that the payer's name, address, driver's license number, date of birth, and phone is pre-printed or recorded on the face of the check.

Observation No. 5:
A notice stating that an area is being monitored by a security camera was not posted in the lobby. According to the Substation Supervisor, the notice was posted; however, it is posted in the walk-in hallway (where the restrooms and vending machines are located) prior to entering the main lobby.

The County Auditor's Office requires that a notice stating that an area is being monitored by a security camera be posted in a conspicuous location for the public's view.

Failure to post the required notice increases the risk of loss or misuse of County funds.

Recommendation:
Management should ensure that a notice stating an area is being monitored by a security camera is posted in a conspicuous location for the public's view.

Please provide written management responses to the observations noted above by December 22, 2016.

Procedures established by your department for the handling of cash were previously provided to the Auditor's Office; however, the procedures did not address the following:

a. Location of cash collection points;
b. Types of collections made by each cash collection point;
c. The training that will be provided at the collection point and description of how segregation of duties will be maintained;

REVISED NOVEMBER 2017

THE STATE OF TEXAS §

COUNTY OF HIDALGO §

That the County of Hidalgo, Texas, acting by and through its Commissioners' Court, by virtue of motion and resolution introduced and adopted by said Commissioners' Court on the 10th day of January, 2017 does by these presents **GRANT, GIVE AND RELINQUISH TO:**
Quintanilla, Headley & Associates, Inc.
hereinafter called Permittee, of the County of Hidalgo, Texas, the Right, Privilege and Authority to construct, reconstruct, lay and maintain a 36" inch /water/ gas/ sewer/ irrigation line; said line to be constructed of material along the following public road easement held by the Hidalgo County of Hidalgo, Texas upon the conditions, obligations, and requirements as hereinafter set forth, said public road upon which said water/ gas/ sewer/ irrigation line is to be constructed, reconstructed, laid and maintained, **described as follows**:

MAIZ ACRES No. 7: The proposed 36" H.P. storm sewer will start on the West side of Border Road 470.0 feet South of Ridge Road; it will then run North and cross Ridge Road, then it will run East along the North side of Ridge Road by crossing Border Road and Whalen Road, and it will end 710.0 feet East of Whalen Road. Crossing will be done by boring.

The granting, giving and authorizing of permission for the said aforenamed Permittee to so construct, reconstruct, lay and maintain a 36" line along the above described public road being conditioned that Permittee agrees that:

1. The Permittee will install and shall maintain said pipeline so that the top of the line will always be at least at the minimum depth of forty (40) inches below the flow line of the ditches on either side of said roadway when the pipeline is to be constructed, the Permittee shall contact the Commissioner in the Precinct in which the construction project is located and obtain written instructions, signed by said Commissioner, concerning the location and depth of said line. In this connection, it is agreed and understood that the Permittee will not cut the surface in any manner said public road or any roadway, without first obtaining the written permission of the Commissioners' Court of Hidalgo County, Texas.

2. The Permittee will employ a competent person or firm to do such installation and complete it in accordance with the covenants and conditions herein set forth.

3. Permittee shall stake its line on the location approved by the Commissioner in whose precinct the work is to be done well in advance of beginning its work. Permittee shall contact Commissioner before commencing any work.

4. The Permittee will use all proper caution in performing the work to prevent injury to all persons and property and it will indemnify Hidalgo County against all damages that may be assessed against the County by reasons of the work here permitted and the maintenance of such pipeline.

5. Not withstanding any provision in this Agreement to the contrary, Permittee recognizes that the paramount purpose of the easement and dedication for the said public road is to provide for the establishment and operation of a roadway for the public. Recognizing this as the paramount purpose of the easement and dedication, Permittee agrees that Permitter has the unlimited and unrestricted right to establish, construct, reconstruct and maintain the said public road and to conduct all maintenance for the roadway and all related structures (including but not limited to the maintenance, construction and reconstruction of ditches, drainage pipes, bridges and paving surfaces) without incurring any liability, obligation or duty to Permittee.

The Honorable Ramon Garcia
Hidalgo County Commissioners
Edinburg, Texas 78539

Re: See attached list

Gentlemen:

The Hidalgo County District Court has ordered a correction to the tax roll as allowed by Property Tax Code Section 42.43. This correction decreased the tax liability of the property owner(s). Since taxes had been previously paid, our office determined that the tax roll correction resulted in a tax refund over $2,500.00 dollars due to the taxpayer(s). The County Auditor has also agreed with our determination. As a result, I respectfully request that the Commissioner's Court approve the enclosed application(s) for a tax refund as recommended by the County Auditor.

When completed, please return the attached to our office. Thank you for your assistance in this matter.

Respectfully,

Pablo (Paul) Villarreal, Jr., PCC

Re: See attached list

Gentlemen:

The Hidalgo County District Court has ordered a correction to the tax roll as allowed by Property Tax Code Section 42.43. This correction decreased the tax liability of the property owner(s). Since taxes had been previously paid, our office determined that the tax roll correction resulted in a tax refund over $2,500.00 dollars due to the taxpayer(s). The County Auditor has also agreed with our determination. As a result, I respectfully request that the Commissioner's Court approve the enclosed application(s) for a tax refund as recommended by the County Auditor.

When completed, please return the attached to our office. Thank you for your assistance in this matter.

ASPA's Mission

ASPA is the leading interdisciplinary public service organization that:

- Advances the art, science, teaching, and practice of public and non-profit administration.
- Promotes the value of joining and elevating the public service profession.
- Builds bridges among all who pursue public purposes at home and internationally.
- Provides networking and professional development opportunities to those committed to public service values.
- Achieves innovative solutions to the challenges of governance.

The American Society for Public Administration is the largest and most prominent professional association for public administration. It is dedicated to advancing the art, science, teaching and practice of public and non-profit administration. ASPA's four core values are:

- Accountability and Performance
- Professionalism
- Ethics and
- Social Equity

We live out these values through a variety of resources available to members throughout the year. More information about each of these appears below and throughout the pages on this site.

Accountability and Performance

ASPA's Center for Accountability and Performance addresses the requirement for all levels of government to move toward performance-based, results-driven management, through education, training, advocacy, technical assistance, resource sharing and research.

Additionally, ASPA provides three publications for its members:

- *PA TIMES* is a quarterly magazine focusing on issues in public management and the best practices in the field of public administration. Its twice-weekly online supplement can be viewed at www.patimes.org.
- The Bridge is ASPA's biweekly newsletter that details the organization's latest news and current news in the public administration community.
- *Public Administration Review (PAR)* is ASPA's premier professional journal. It is a bimonthly publication that links theory and public management practice together.

Professionalism

Our value of professionalism is promoted through Chapters, through which members have an opportunity to advance their careers by becoming involved in their local public administration community.

Members also gain exposure to major public service issues by joining ASPA's topic-based Sections . These Sections focus on finance, budgeting, human resources, health and human services, ethics and more. Sections provide additional networking opportunities through conferences and other professional development activities. They also have a variety of award and scholarship opportunities.

Ethics and Integrity

ASPA promotes ethics and integrity in public service and governance worldwide. ASPA's Code of Ethics exhorts members to adhere to ethical principles while working in the field of public service. Through membership in ASPA's Section on Ethics and Integrity of Governance, members can access a variety of resources including the leading ethics journal in the field, *Public Integrity*, and Ethics Today, an award-winning electronic newsletter.

Social Equity

Finally, ASPA promotes dialogue on social equity issues in all areas of public service including public budgeting, government hiring practices, diversity in academia and more. Additionally, each year at the Annual Conference, ASPA hosts the Gloria Hobson Nordin Social Equity Award Luncheon, where it honors a public administrator who has distinguished him or herself in achieving fairness, justice and equity in government.
