Hello Veronica,

No, no further contracts need to be signed by County if ordering off DIR. The service contract is between AT&T and DIR. The County is ordering services off of that contract.

Good morning Hector,

Can you please provide me with the service contract (if any) that needs to be signed for local voice services at the Linn San Manuel Emergency Service Building. We are using the DIR contract (DIR-TEX-AN-NG-CTSA-005) but the Purchasing Dept. would like to know if we need to sign any documents. I noticed Note 1 on the quote states that this is month to month. Does that make a difference with the service contract. Please provide me with feedback at your earliest convenience.
