Narrative Information

Introduction

This application covers grant applications for funds administered by CJD under the funding announcements for the General Victim Assistance – Direct Services Program (VOCA), Violence Against Women Justice and Training Program (VAWA), Building Capacity to Recover and Restore Survivors of Child Sex Trafficking (VOCA-CST), and Sexual Assault Services Program (SASP). See the relevant CJD funding announcement (linked above under "OOG Solicitation") for application instructions.

WARNING: This application has changed significantly since last year. It is essential to review the funding announcement (linked above) for instructions specific to each grant program. The funding announcements may require certain information – especially under the project narrative boxes – that your application may be considered incomplete without, resulting in the application being declared invalid and ineligible for funding.

Unless otherwise specifically instructed, DO NOT UPLOAD ATTACHMENTS with further information. Use the space provided here to address any aspects of the project you consider relevant.

Section 1: Program-Specific Questions

A. Culturally Competent Victim Restoration

Guidance

Victim service providers must have the ability to blend cultural knowledge and sensitivity with victim restoration skills for a more effective and culturally appropriate recovery process. Cultural competency occurs when: (1) cultural knowledge, awareness and sensitivity are integrated into action and policy; (2) the service is relevant to the needs of the community and provided by trained staff, board members, and management; and (3) an advocate or organization recognizes each client is different with different needs, feelings, ideas and barriers.

Provide information in this section regarding how your organization is culturally competent when providing services to victims.

B. Culturally Specific and Underserved Populations

Guidance

Following are relevant definitions needed to answer this question.

- Underserved populations means populations who face barriers in accessing and using victim services, and includes populations underserved because of geographic location, religion, sexual orientation, gender identity, underserved racial and ethnic populations, populations underserved because of special needs (such as language barriers, disabilities, alienage status, or age), and any other population determined to be underserved by the Attorney General or by the Secretary of Health and Human Services, as appropriate.
- Culturally specific means the program is primarily directed toward racial and ethnic minority groups (as defined in section 1707(g) of the Public Health Service Act (42 U.S.C. 300u-6(g)).
- Racial and ethnic minority group means American Indians (including Alaska Natives, Eskimos, and Aleuts); Asian Americans; Native Hawaiians and other Pacific Islanders; Blacks; and Hispanics.
- Hispanic means individuals whose origin is Mexican, Puerto Rican, Cuban, Central or South American, or any other Spanish-speaking country.

Does your program have a primary focus on serving a culturally specific population? (The organization must do more than merely provide services to an underserved population or culturally specific group; rather, the organization's primary focus must be on providing culturally competent services designed to meet the specific needs of the target population in order to justify a YES response in the section below.)

- Yes
 No

If you answered 'YES' above, you must explain in the box below how your organization's program is specifically designed to focus on and meet the needs of culturally specific populations. If this item does not apply enter 'N/A'.

C. Victim Referral Process

Describe how victims are referred to your agency.

D. Relevance to Priorities

Provide a brief explanation regarding the proposed project's relevance to any or all of the following priorities. If none of these items apply enter 'N/A'

Improving the criminal justice system response.

Improve court services regarding domestic violence, sexual assault, dating violence, and stalking.

Strengthen victim restoration.

Increase collaboration and communications across all levels of government and among all victims services.

E. Sustainment

How many additional years, beyond this request, do you plan to request continuation funding?

- 1) If you entered three (3) years or fewer, provide a brief explanation of your sustainment plan (if you entered more than three years or the project will not be sustained, enter 'N/A');
- 2) If you entered more than three (3) years, explain the longer term sustainment plan or why other resources cannot be used to continue this project and why a sustainment strategy is not possible (if you entered three years or fewer or the project will not be sustained, enter 'N/A');

F. Rural Victim Services

Does your project serve victims in rural areas or rural counties, as defined by the Texas Health and Safety Code*?

* Texas Health and Safety Code and Title 25, Health Services Section of the Texas Administrative Code, define "rural area" as (1) a county with a population of 50,000 or less; or (2) a relatively large, isolated, and sparsely populated area in a county with a population of more than 50,000.

- Yes
 No

If you answered '**YES**' above, list the counties or areas of service below and their populations to demonstrate how the definition of "rural area" is met. If you answered '**NO**' above, enter '**N/A**'.

G. Vehicle Purchases

VOCA applicants seeking grant funds for the purchase of a vehicle must describe below:

- 1) What are the current program transportation needs that will be addressed with vehicle purchases under this project;
- 2) What evidence exists to support the need for transportation funding that is specific to the program site;
- 3) What current transportation services exist at each specific program site and how will these current services be enhanced;
- 4) What transportation services will be provided; and
- 5) How the grantee will ensure the safe transportation of victims/survivors to and from the program site.

If this application does not seek funds for the purchase of a vehicle, enter '**N/A**'.

I. Evaluation Projects

This section regards any evaluation budget line item and/or selection of "Program Evaluation" as a project activity.

Tier-One Evaluations

Evaluations of programs that have been implemented and the evaluations will test the fidelity of the program based on proven models or best-practices. The evaluation also will review available program output and outcome information.

Does this application include a tier-one evaluation?

- Yes
 No

If you answered '**YES**' above, describe below the best practices/model to be used in a fidelity and performance evaluation, the goal(s) of the evaluation, and why it is needed. If you answered '**No**' above, enter '**N/A**'.

Tier-Two Evaluations

Evaluations directed at measuring the effectiveness of proposed new program models or significant changes in present program models. The goal of tier-two evaluations is both to measure the program's effectiveness and to produce data and evidence necessary for others to replicate the program models and to develop best practices that CJD can use in supporting similar efforts.

Does this application include a tier-two evaluation?

- Yes
 No

If you answered '**YES**' above, describe below why this new program model is needed and the goal(s) of the evaluation. If you answered '**No**' above, enter '**N/A**'.

In addition to the requirements found in existing statute, regulation, and the funding announcement, this program requires applicant organizations to certify compliance with the following:

A. Forensic Medical Examination Payments

Health care facilities shall conduct a forensic medical examination of a victim of an alleged sexual assault if the victim arrived at the facility within 96 hours after the assault occurred and the victim consents to the examination. The victim is not required to participate in the investigation or prosecution of an offense as a condition of receiving a forensic medical examination, nor pay for the forensic examination or the evidence collection kit. The evidence collection portion of the exam is to be paid by law enforcement per state law. Crime Victim Compensation funds may be used to pay for the medical portion of the exam unless the victim of sexual assault is required to seek reimbursement for the examination from their insurance carrier. If a health care facility does not provide diagnosis or treatment services for sexual assault victims, the facility is required to refer the victim to a facility that provides those services.

Applicant agrees to maintain the confidentiality of client-counselor information and research data, as required by state and federal law. Personally identifying information or individual information collected in connection with services requested, utilized, or denied may not be disclosed; or, reveal individual client information without informed, written, reasonably time-limited consent of the person about whom information is sought. Does the applicant meet the criteria outlined above?

Yes

F. Polygraph Testing Prohibition

A peace officer or attorney representing the state may not require an adult or child victim of an alleged sex offense to submit to a polygraph examination or other truth telling device as a condition for proceeding with the investigation of such an offense. In addition, the refusal of a victim to submit to a polygraph or other truth telling examination will not prevent the investigation, charging, or prosecution of an alleged sex offense or on the basis of the results of a polygraph examination.

G. Protection Orders

Victims applying for a protective order or their attorney may not bear the costs associated with the filing of an order of protections.

H. Offender Firearm Prohibition

K. Immigration and Customs Enforcement Requests

The full text of this certification can be found [here](#). To be in compliance with this requirement, any county or municipal government that includes a department that detains individuals after arrest for a criminal violation must provide a letter signed by the head of each such department certifying to the requirements. This letter may be used for any application submitted to OOG for a period of up to two years from the date it is signed. If that period expires during the project period of any grant, the grantee must submit an updated letter for each such grant to remain in compliance with this requirement.

All applicants must select one of the following options:

- Applicant is not a county or municipal government
- Applicant is a county or municipal government and does not include any department that detains individuals after arrest for a criminal violation at any time

- Applicant is a county or municipal government that includes department(s) that detain individuals after arrest for a criminal violation. The Authorized Official has read the certification found on the aforementioned CJD website. Further, the Authorized Official will not be submitting signed letters certifying compliance from the heads of all such departments and understands that failure to comply with this certification may result in OOG, at its sole discretion, rejecting this application and any other application from the relevant county or municipal government.

M. Immigration Legal Services

CJD prioritizes funding of projects that provide a full spectrum of counseling, crisis services, and other direct victim services. CJD will not fund projects that focus primarily on immigration legal services and do not provide a significant level of other types of victim services.

N. Services to Victims of Crime

Applicant agrees to provide services to victims of crime which include: responding to the emotional and physical needs of crime victims; assisting victims in stabilizing their lives after victimization; assisting victims to understand and participate in the criminal justice system; and providing victims with safety and security. If the application is for a project that serves victims of sexual assault, applicant agrees to provide services to victims of sexual assault which includes providing core services, direct intervention, and related assistance to victims of sexual assault in order to assist with their recovery from the physical and psychological trauma of rape and sexual assault.

O. Volunteers

If awarded VOCA funds, applicant agrees to use volunteers to support either the project or other agency-wide services/activities, unless CJD determines that a compelling reason exists to waive this requirement.

P. Crime Victims' Compensation

Applicant agrees to assist crime victims in applying for crime victims' compensation benefits.

Q. Community Efforts

Applicant agrees to promote community efforts to aid crime victims. Applicants should promote, within the community, coordinated public and private efforts to aid crime victims. Coordination efforts qualify an organization to receive these funds, but are not activities that can be supported with these funds.

R. Records

Applicant agrees to maintain daily time and attendance records specifying the time devoted to allowable victim services.

S. Civil Rights Information

Applicant agrees to maintain statutorily required civil rights statistics on victims served by race, national origin, sex, age, and disability of victims served, within the timeframe established by CJD. This requirement is waived when providing services, such as telephone counseling, where soliciting the information may be inappropriate or offensive to the crime victim.

T. Victims of Federal Crime

Applicant agrees to provide equal services to victims of federal crime. (Note: Victim of federal crime is a victim of an offense that violates a federal criminal statute or regulation; federal crimes also include crimes that occur in an area where the federal government has jurisdiction, such as Indian reservations, some national parks, some federal buildings, and military installations.)

U. No Charge

Applicant agrees to provide grant-funded services at no charge to victims of crime. Applicants are also prohibited from billing Crime Victims Compensation, private insurance, Medicaid, or Medicare for services provided using VOCA funds.

V. Discrimination

Applicant agrees not to discriminate against victims because they disagree with the State's prosecution of the criminal case.

W. Effective Services

Applicants applying for funds to provide victim services must demonstrate a record of providing effective services to crime victims. If the applicant cannot yet demonstrate a record of providing effective services, the applicant must demonstrate that at least 25 percent of its financial support comes from non-federal sources. (See "Capacity & Capabilities" instructions in the Funding Announcement.)

Overall Certification

Each applicant agency must certify to the specific requirements detailed above as well as to comply with all requirements within the CJD Funding Announcement, the *Guide to Grants*, the *Grantee Conditions and Responsibilities*, any authorizing or applicable state and federal statutes and regulations to be eligible for this program.

- I certify to all of the application content & requirements.

Project Abstract :

The Hidalgo County Criminal District Attorney's Office has identified the following needs: training for law enforcement, evidence collection,

report writing, and more victim services to assist victims in the criminal justice process. We need to expand the Domestic Violence Unit and hire additional administrative staff to help the Specialty Prosecutor in the prosecution of domestic violence cases and assist victims in obtaining protective orders. The proposed project will achieve its stated goals and objectives by 1) improving the criminal court prosecutions and investigations of domestic violence 2) establishing a more uniform approach to handling the cases. The prosecutor will assess the program through input from police, victims, and other members of the team. The assigned specialty prosecutor will also determine how many of the domestic violence referrals lead to indictments by the Grand Jury for prosecution in Hidalgo County District Courts. It will serve all cities, municipalities and unincorporated areas in Hidalgo County, Texas. The services will target victims of domestic violence while focusing on keeping victims safe and holding perpetrators accountable. We will serve both genders, all ages and races will be served; to include Undocumented victims of crime.

Problem Statement :

Research also indicates that domestic violence and sexual assault crimes are perhaps the most difficult cases to prosecute and require specially trained investigators, prosecutors and victim advocates. Special areas of concern for the DA's Office include: 1) child witnesses 2) recanting domestic violence victims 3) lack of physical evidence and 4) community general viewpoints about these type of crimes and 5) victimless prosecutions. Further complicating matters is the ever rising reliance on the Supreme Court case Crawford v. Washington, 124 S.Ct. 1354, (2004), where prosecutors are faced with even greater challenges when dealing with victimless prosecutions cases. These issues continue to make it difficult for both Hidalgo County law enforcement agencies and prosecutors to present these cases to juries. In the majority of domestic violence cases, the victim and the defendant share a common relationship which poses a serious barrier to successful prosecution. Victims often recant or refuse to testify about the crime because they are scared or are in a state of denial. Many jurors are less likely to believe or be sympathetic to a victim of domestic violence who recants or returns to the abuser. Domestic violence cases continue to be extremely difficult to successfully prosecute. Due to the difficulty in prosecution and the unique circumstances that exist in the lives of domestic violence victims, law enforcement investigators and prosecutors need to be specially trained in order to ensure the safety of both the victims and the community. This grant will help us reduce the time between arrest and disposition of the case and to maintain a reduced caseload. The reduced caseload of the prosecutor ensures that discovery, trial preparation, and pretrial issues are handled more efficiently than on a larger caseload. When appropriate, the prosecutor opposes defense requests for continuances. The prosecutor announces ready on designated trial dates, barring significant problems that may arise between filing and trial. Readiness status is increased because the prosecutor handles the case from the filing stage and therefore is better prepared. This ensures that reasonable efforts are made to reduce the time between arrest and disposition.

Supporting Data :

According to the 2014 Texas D.P.S. Uniform Crime Report more than 5,531 cases of family violence and 576 Sexual Assaults were reported to local enforcement agencies in Hidalgo County. The Hidalgo County Sheriff's Office responded to 2,053 calls for family violence incidents, which equates to 37 percent of calls received in 2014. According to the National Crime Victims Coalition, every year 1.3 million women suffer family violence by their intimate partner. This is translated to 3,869 women a day; more shocking this equals to 3 women suffering a form of family violence every minute of the day! In addition, 3 women die every day due to acts of family violence. In addition, the FBI Uniform Crime Report of 2014, reported a total of 340 Forcible Rapes, 1,549 incidents of aggravated assaults, and 24 homicides in Hidalgo County. According to the Texas Council of Family Violence, 132 women were killed in 2014 by intimate partner violence in Texas. In 2014, perpetrators used a firearm in 67% of the femicides, which is a 16% increase over the national average in 2008. Hidalgo County had 3 intimate partner homicides in 2014. Maria Cruz Coronado age 43, Daniela Ramos age 27, and Elvita Balli age 56 were murdered by their spouse in Hidalgo County. As a result of this 3 homicides, 7 children were left to deal with the aftermath of the murder, the effects of domestic violence on children and a lifetime of grief.

Project Approach & Activities:

This project will address the following priorities in the LRGVDC Regional Strategic Plan: domestic violence, dating violence, child abuse, sexual assault, and stalking. It will also address counseling and support for victims and secondary victims. The Domestic Violence Specialty Prosecutor will review, investigate, and prosecute cases of family violence, stalking, dating violence, and sexual assault. The Victim Advocate will provide victim assistance to assist victims through the judicial process. The victim advocate will also refer victims to community based services. They will help victims obtain protective orders. The Victim Advocate will provide additional services including crisis counseling, case management, resources and referrals, education about the criminal justice system, emergency assistance for transportation, food, and housing through the victim's emergency fund, and access to emergency relocation. Translation services will be available for non-English speaking victims. The specialty prosecutor and victim advocate will interact with other community based organizations, the local Domestic Violence Shelter, and the Hidalgo County Family Violence Task Force to coordinate community responses to violence against women and children, and work directly with victims throughout the criminal justice process to help ensure victims rights are afforded and victims voice is heard in proceedings.

Capacity & Capabilities:

The Hidalgo County Criminal District Attorney Office represents the state of Texas government in the prosecution of criminal offenses in the County of Hidalgo. The grant is administered by the D.A.'s Office and all required reports and justification for the grant are provided on a yearly basis. In addition, the D.A.'s office runs the domestic violence unit and oversees that the grant monies are adequately expended. The D.A.'s office also works closely with the County Auditor's Office to ensure the proper use of grant funds and to budget accordingly. The Domestic Violence Specialty Prosecutor is an attorney for the state with 5 years of prosecutorial experience in domestic violence cases. The Victim Advocate has a BS in Social Work and has 10 years victim assistance experience.

Performance Management :

The goals of the Hidalgo County Domestic Violence Specialty Prosecutor Program are: 1) to protect the victim from additional acts of violence committed by the perpetrator; 2) to reduce the exposure and/or possible injury to children or other family members from domestic violence; 3) to deter the perpetrator from committing continued acts of violence in the community and hold him accountable for his actions; 4) to create a general deterrence to domestic violence in the community; and 5) to serve justice. The objectives of the program are to have 350 cases referred, filed and investigated for prosecution. To file 150 protective orders for victims, and to provide 6 training events. Assist 500 victims with victim assistance services to include, 150 crime victim compensation applications, to provided 200 victims

with information and referrals, and 300 victims with crisis counseling. The program success will be measured by providing every victim that we serve with a Service Evaluation. The service evaluation will be in Spanish and English and will measure how effective our services were rendered to the victim.

Data Management:

The Hidalgo County District Attorney's office will provide a Client Satisfaction Survey to monitor and track the how victims are receiving services. The advocate and prosecutor will submit monthly reports to the Victim's Unit Director to track the outcomes and make sure that they are in compliance with all grant requirements.

Target Group :

Victims that reside in Hidalgo County population of 842,304 as of the last Census Hidalgo County has a 91.3% of Hispanic Population Female Population in Hidalgo County is 51.2% Victims of Domestic Violence- All age groups 0-99 years of age Spanish Speaking Victims Undocumented Victims Female & Male Victims

Evidence-Based Practices:

The Hidalgo County District Attorney's Office implemented the Victims Unit in a effort to comply with Article 56.05(c) of the Texas Code of Criminal Procedure that states the Attorney representing the state has the duty to ensure that victims are afforded their rights. The office of the attorney representing the state has the duty to ensure to the extent practicable that a victim, guardian of a victim, or close relative of a deceased victim is afforded the rights granted by Subsection (a) of the CCP, Chapter 56. Subchapter A. Art. 56.02 and 56.021, and upon request, an explanation of those rights. Art. 56.02(c) If the offense is a capital felony, the victim has the right to receive by mail from the court a written explanation of defense-initiated victim outreach if the court has authorized expenditures for a defense-initiated victim outreach specialist. The victim has the right to not be contacted by the victim outreach specialist unless the victim, guardian, or relative has consented to the contact by providing a written notice to the court. The victim may designate a victim service provider to receive all communications from a victim outreach specialist acting on behalf of any person. Art. 56.02(a)(16)(A-C) The Hidalgo County District Attorneys Office used the guide issued by the Texas Department of Criminal Justice Division "CRIME VICTIM ASSISTANCE STANDARDS" developed and distributed by the Texas Crime Victim Clearinghouse in accordance with Article 56.05(c) of the Texas Code of Criminal Procedure to aid Law Enforcement Officers and Attorneys Representing the State of Texas in performing duties imposed by Chapter 56.
