Subject: WebDealer Contract (PAG McAllen T1, LLC DBA Scion of Pharr, Toyota of Pharr – P123289, PAG McAllen H1, LLC DBA Hyundai of Pharr – P123292)

Dear Mr. Crain,

Thank you again for assisting us with these contracts. Updates to the Texas Administrative code required us to make changes to our existing WebDealer contracts. This will occur for all of our WebDealer participants in the following days. The Penske Automotive Group dealerships would like continue our agreement as it will entitle them to the new processing and handling fee. Dealer desires to act as agents of the County in the issuance of motor vehicle license registration stickers and license plates and in the application for vehicle titles. The dealership has increased its bond for both dealerships in the program from \$5,000 to \$100,000.

At this time we would like to formally request legal approval to proceed with this request from our Commissioners.

I am forwarding you a copy of the contract and supporting documents.

17. In the event that any audit or report of the Dealer Deputy discloses that any equipment, supplies, stickers, license plates or funds are missing or otherwise unaccounted for, the County Tax Assessor and County Auditor shall be notified immediately, and the County is entitled to collect on the bond or cash deposit for payment and apply the proceeds therefrom against the actual damages incurred by the County or any of its agents, employees, or public officials. RULE §217.166 Dealer Deputies

(a) A county tax assessor-collector, with the approval of the commissioners court of the county, may deputize a motor vehicle dealer to act as a dealer deputy to provide motor vehicle titling and registration services in the same manner and with the same authority as though done in the office of the county tax assessor-collector, except as limited by this section.

(b) A dealer deputy must hold a valid general distinguishing number (GDN) under Transportation Code, Chapter 503, Subchapter B, and may act as a dealer deputy only for a type of motor vehicle for which the dealer holds a GDN. A dealer may not continue to act as a dealer deputy if the GDN is cancelled or suspended.

(c) A county tax assessor-collector may impose reasonable obligations or requirements upon a dealer deputy in addition to those set forth in this section. The county tax assessor-collector may, at the time of deputation or upon renewal of deputation, impose specified restrictions or limitations on a dealer deputy's authority to provide certain titling or registration services.

(d) Upon the transfer of ownership of motor vehicles purchased, sold or exchanged by

the dealer deputy, the dealer deputy may process titling transactions in the same manner and with the same authority as though done in the office of the county tax assessor-collector. The dealer deputy may not otherwise provide titling services to the general public.

(e) Upon the transfer of ownership of a motor vehicle purchased, sold or exchanged by the dealer deputy, the dealer deputy may process initial registration transactions in the same manner and with the same authority as though done in the office of the county tax assessor-collector. (f) The county tax assessor-collector may authorize a dealer deputy to provide motor vehicle registration renewal services. A dealer deputy offering registration renewal services must offer such services to the general public, and must accept and process any proper application for registration renewal that the county tax assessor-collector would accept and process.

(g) To be eligible to serve as a dealer deputy, a person must be trained to perform motor vehicle titling and registration services, as approved by the county tax assessor-collector, or otherwise be deemed competent by the county tax assessor-collector to perform such services.

(h) To be eligible to serve as a dealer deputy, a person must post a bond payable to the county tax assessor-collector consistent with §217.167 of this title (relating to Bonding Requirements) with the bond conditioned on the person's proper accounting and remittance of the fees the person collects.

(i) A person applying to be a dealer deputy must complete the application process as specified by the county tax assessor-collector. The application process may include satisfaction of any bonding requirements and completion of any additional required documentation or training of the deputy before the processing of any title or registration transactions may occur.

(j) If a dealer deputy offers registration renewal services to the general public, the deputy must provide the physical address at which services will be offered, the mailing address, the phone number, and the hours of service. This information may be published on the department's website and may be published by the county if the county publishes a list of deputy locations.

(k) A dealer deputy shall keep a separate accounting of the fees collected and remitted to the county, and a record of daily receipts.

(l) A dealer deputy may charge or retain fees consistent with the provisions of §217.168 of this title (relating to Deputy Fee Amounts).

(m) This section does not prevent a county tax assessor-collector from deputizing a dealer as a full service deputy under §217.163 of this title (relating to Full Service Deputies) or a limited service deputy under §217.164 of this title (relating to Limited Service Deputies) instead of a dealer deputy under this section.

RULE §217.167

Bonding Requirements

- (a) A deputy appointed under this subchapter shall post a surety bond payable to the county tax assessor-collector.

(f) Related transactions by a full service deputy. The limitations of subsections (b), (c), (d), and (e) of this section do not apply to other services that a full service deputy may perform that are related to titles or registrations, but are not transactions that must be performed through the department's automated vehicle registration and title system. Services that are not transactions performed through the department's automated vehicle registration and title system include, but are not limited to, the additional fees a full service deputy may charge for copying, faxing, or transporting documents required to obtain or correct a motor vehicle title or registration. However, the additional fees that a full service deputy may charge for these other services may be limited by the terms of the county tax assessor-collector's authorization to act as deputy.

(g) Posting of fees. At each location where a full service deputy provides titling or registration services, the deputy must prominently post a list stating all fees charged for each service related to titling or registration. The fee list must specifically state each service, including the additional fee charged for that service, that is subject to subsections (b), (c), (d), or (e) of this section. The fee list must also state that each service subject to an additional fee under subsection (b), (c), (d), or (e) of this section may be obtained from the county tax assessor-collector without the additional fee. If the full service deputy maintains a website advertising or offering titling or registration services, the deputy must post the fee list described by this subsection on the website.

(h) Additional compensation. The fee amounts set forth in this section do not preclude or limit the ability of a county to provide additional compensation to a deputy out of county funds.

(a) For registrations that expire on or after January 1, 2017 and registrations that expired prior to January 1, 2017 that are submitted for renewal on or after July 1, 2017, except as provided in subsection (b) of this section, the fee amount established in §217.183 of this title (relating to Fee Amount) shall be allocated as follows:

(1) If the registration transaction was processed in person at the office of the county tax assessor-collector:

(A) the county tax assessor-collector may retain \$2.30; and

(B) the remaining amount shall be remitted to the department.

(2) If the registration transaction was mailed to office of the county tax assessor-collector:

(A) the county tax assessor-collector may retain \$2.30; and

(B) the remaining amount shall be remitted to the department.

(3) If the registration transaction was processed through the department or the TxIRP system or is a registration processed under Transportation Code, §§502.0023, 502.091, or 502.255; or §217.46(b)(5) or (d)(1)(B)(i) of this title (relating to Commercial Vehicle Registration):

(A) \$2.30 will be remitted to the county tax assessor-collector; and

(B) the remaining amount shall be retained by the department.

(4) If the registration transaction was processed through the department's online registration portal, the fee established in §217.183 is discounted by \$1:

(A) Texas Online receives the amount set pursuant to Government Code, §2054.2591, Fees;

(B) the county tax assessor-collector may retain \$.25; and

(C) the remaining amount shall be remitted to the department.

(5) If the registration transaction was processed by a deputy appointed by the county tax assessor-collector in accordance with Subchapter H of this chapter (relating to Deputies):

(A) the deputy may retain:

(i) the amount specified in §217.168(c) of this title (relating to Deputy Fee Amounts). The deputy must remit the remainder of the processing and handling fee to the county tax assessor-collector; and

(ii) the convenience fee established in §217.168, if the registration transaction is processed by a full service deputy;

(B) the county tax assessor-collector may retain \$1.30; and

(C) the county tax assessor-collector must remit the remaining amount to the department.

(b) For transactions under Transportation Code, §§502.092-502.095, the entity receiving the application and processing the transaction collects and retains the entire processing and handling fee established in §217.183. A full service deputy processing

a temporary permit transaction may not charge a convenience fee for that transaction.
