

Hidalgo County Urban County Program

Citizen Participation Plan

CITIZEN PARTICIPATION PLAN

The County of Hidalgo Urban County Program is required by 24 CFR 91.105 to have a detailed Citizen Participation Plan which contains the County's policies and procedures for public involvement in the Consolidated Plan Strategy (CPS) process; when preparing an assessment of fair housing (AFH), and the use of **Community Development Block Grants (CDBG)**, **HOME**, and **Emergency Shelter Grants (ESG)** funds. This Citizen Participation Plan must be available to the public.

This Plan covers the four County Precincts, and eighteen non-entitlement cities which comprise the Hidalgo County Urban Program, and **supersedes all previous plans**. (Addresses and telephone numbers for the Consortium Cities and Precincts and central administration are listed as an attachment to this Plan.)

Encouraging Public Participation

The law requires that the Citizen Participation Plan both provide for and encourage public participation, in the development of the AFH, any revisions to the AFH, the consolidated plan, any substantial amendments to the consolidated plan or annual action plan and the annual performance report.

The following are encouraged to participate in the development of documents aforementioned:

Low and moderate income people — especially those living in low and moderate income neighborhoods, particularly those persons living in areas designated as a revitalization area or in a slum and blighted area where CDBG or HOME funds are proposed to be used.

Minorities, people who do not speak English, homeless individuals and families, and people with disabilities (including nursing homes and other institutions for persons with disabilities) are encouraged. Summaries of basic information about CDBG, HOME and ESG, the Consolidated Planning process; and AFH are to be made available in English and Spanish (when requested).

Local and regional institutions, Continuums of Care, and other organizations (including businesses, developers, non-profit organizations, philanthropic organizations, and community-based and faith-based organizations).

Local public housing agencies and residents of public housing (including any resident advisory boards, resident councils, and resident management corporations).

The Role of Low Income People

The law declares that the primary purpose of the programs covered by this Citizen Participation Plan is to improve communities by providing: decent housing, a suitable living environment, and growing economic opportunities — all principally for low and moderate income people.

The amount of federal fund the County receives each year is mostly based upon the severity of both poverty and substandard housing conditions in the County therefore, it is necessary that public participation genuinely involve low income residents who experience these conditions. Participation by low income people is strongly encouraged at all stages of the process.

The Stages of the Consolidated Plan Process

The general stages include:

1. Identification of housing and community development needs.
2. Preparation of a “draft” use-of-funds-document for the upcoming year, called the proposed Annual Action Plan. Periodically there will be the development of a proposed Consolidated Plan or the development or revision of the Assessment of Fair Housing, and any amendments.
3. Formal approval by elected officials of a final Annual Action Plan or Consolidated Plan.
4. On occasion during the year, it might be necessary to change the use of the money already budgeted in an Annual Action Plan, or to change the priorities established in the Consolidated Plan. In that case, a formal Substantial Amendment will be proposed, considered and acted upon.
5. After a program year is complete, an Annual Performance Report must be drafted for public review and comment followed by submittal to HUD.

The Program Year

The Program Year chosen by the County of Hidalgo is July 1 through June 30.

PUBLIC NOTICE

There shall be 30 day advanced public notice for the development and any revisions to the AFH; Proposed Annual Action Plan or Consolidated Plan, any proposed Substantial Amendment to the Action Plan or Consolidated Plan, and the Annual Performance Report.

In addition, there shall be 30 day advanced public notice of all public hearings and all public meetings or Commissioners’ Court (subcommittee) meetings relating to the funds or planning process covered by this Citizen Participation Plan.

Forms of Public Notice

1. Public notices will be published in the McAllen Monitor and will be posted at the City Hall, Precinct office or Urban County administrative offices, as applicable.

4. Notice may be posted at public libraries, government offices, public places, neighborhood organizations, public housing resident groups, radio and television media, and other persons or groups as deemed appropriate by the Urban County Program.

The law requires Public Hearings at all stages of the process, including at least one public hearing on Community Needs (Needs Assessment) and one public hearing to review Proposed Use of Funds.

THE STAGES IN THE PROCESS

Identifying Needs

Because the housing and community development needs of low and moderate income people are so great and so diverse, priorities must be set. This is the basic reason the Consolidated Plan exists.

The laws and regulations require at least one Public Hearing each year to obtain residents' opinions about needs and what priorities those needs have.

Public Hearings about needs will be completed 30 days before a draft Annual Action Plan/Consolidated Plan is published for comment, so that the needs identified can be considered by the County and addressed in the draft Annual Action Plan or Consolidated Plan.

Assessment of Fair Housing

At the start of the public participation process, HUD provided data and any other supplemental information will be made available to its citizens/residents, public agencies, and other interested parties. The HUD-provided data available to the public by cross-referencing to the data on HUD's Web site and when applicable on the Hidalgo County Urban County Program's website.

The Proposed Annual Action Plan (and/or Five-Year Strategy)

The law providing the funds covered by this Citizen Participation Plan calls for improved accountability of jurisdictions to the public. In that spirit and in compliance with the terms of the law. The County of Hidalgo will use the following procedures:

At the beginning of the this stage, the County will provide the public with an estimate of the amount of CDBG, HOME, and ESG funds it expects to receive in the upcoming year, along with a description of the range of the types of activities that can be funded with these resources. Each city and precinct in the Urban County Consortium will provide the public with similar information concerning their allotment for the upcoming year. The public will also be given an estimate of the amount of these funds which will be used in ways that will benefit low and moderate income people.

The plans of the County to minimize the extent to which low and moderate income people will have to leave their homes as a result of these federal dollars (called "displacement") will also be available at this time. This "anti-displacement plan" will also describe how the County will compensate people who are actually displaced as a result of the use of these funds, specifying the type and amount of compensation.

The following steps represent the process:

1. Development of the Assessment of Fair Housing
 - a. Publish & Post notice.
 - b. There shall be a 30 day comment period before final approval by the City Commission.
 - c. There shall be a public hearing before the Community Development Advisory Board during the 30 day comment period.
 - d. Send to HUD for final approval.
2. Consolidated Plan/Annual Action Plan

 - c. There shall be a public hearing before the Community Development Advisory Board during the comment period before final approval by the City Commission.
 - d. Send to HUD for final approval.
3. Substantial Amendments

Technical Assistance

County staff and the staff of the cities and precincts in the Urban County will work with organizations and individuals representative of low and moderate income people who are interested in submitting a proposal to obtain funding for an activity. All potential applicants for funding are encouraged to contact County or City staff for technical assistance before submitting a proposal.

Availability of a Proposed Annual Action Plan, Consolidated Plan, CAPER and AFH

The County will notify the public that a Proposed Annual Action Plan/Consolidated Plan is available. The means of "Notice" described earlier will be used.

The date that a **Proposed** Consolidated Plan is available to the public will be at least 30 days prior to the date a **Final** Consolidated Plan is approved by the County Commissioners' Court so that low and moderate income people will have a reasonable opportunity to examine it and to submit comments.

Copies of the Proposed Annual Action Plan (and/or Five-Year Strategy) will be made available to the public for free and without delay at the locations specified in the section "Public Access to Information." This requirement may be satisfied by distributing summaries of the Annual Action Plan (and/or five Year Strategy), along with information as to where complete copies could be located.

So that low and moderate income people can determine the degree to which they might be affected, they will be provided, upon request, complete copies of the Proposed Annual Action Plan, Consolidated Plan and AFH (and/or Five-Year Strategy), containing all HUD-required sections, the HUD-required Priorities Table, and a written description of all proposed uses of CDBG, HOME, and ESG funds. At a minimum, this description shall include the type of activity, its location, and the amount of federal money to be allocated to it.

This requirement may be satisfied by distributing summaries of the Annual Action Plan, Consolidated Plan, and AFH, along with information as to where complete copies may be reviewed.

Public Hearing and Further Action

A Public Hearing about the Proposed Action Plan/Consolidated Plan will be held no sooner than 30 days after the Plan is first made available to the public. Additionally, this Hearing will be held so that officials may consider the comments from the public before final approval of the Action Plan or Consolidated Plan.

In preparing the Final Annual Action Plan, Consolidated Plan or AFH careful consideration will be given to all comments and views expressed by the public, either verbally or in writing. The Action Plan, Consolidated Plan and AFH will have a section which presents all comments received, and explains why any comments were not accepted.

- b) creation or deletion of an activity;
- c) change in the purpose, location, scope, or beneficiaries of an activity; and
- d) a material change in the AFH HUD provided data which effect established priorities and goals. The public will be given 30 days to comment on any revision/amendment to the AFH before submission to HUD for approval

Public notification requirements will be followed for substantial amendments to the Annual Action Plan/Consolidated Plan and AFH.
