Friends,

WELCOME to iGO, the International Association of Government Officials...and the premier professional development organization dedicated to the public service sector.

We are excited about our new association, one which was formed by the merger of IACREOT and NACRC.

Beginning in January with our Mid-Winter Conference, scheduled January 8 – 11, 2017, set at the Omni National in beautiful and picturesque Tucson, Arizona, we are expanding participation and education. There will be scheduled hours of education, including two classes toward the Certificate in Public Education, with our continuing education partner, George Washington University.

In the summer, our many members will meet and greet at the Walt Disney World Swan and Dolphin, in Orlando, Florida, to participate and network in our Annual Conference and Trade Show. Mark your calendar for July 6 – 13, 2017 to be on site for the industry's top notch conference for government officials and to traverse the floor of our state-of-the-art trade show, showcasing the latest in equipment and technology advances. I promise you a fulfilling and exciting time, learning and sharing information with peers from the United States and abroad.

We are in the process of updating our website, which will debut in the coming weeks, with a modern approach to visibility and accessibility.

We value you, individually and professionally, as a former member of IACREOT or NACRC, or both, and invite you to renew your membership in our new association. Your experience and knowledge are building blocks to improving our connection with the public sector. Please use the form enclosed to renew for 2017. Your current membership is valid through December 31, 2016; however receiving the form now gives you an opportunity to pay when is best for your budget calendar.

I am privileged to serve as your President this year and I pledge to make iGO work for you.

We are "MOVING FORWARD TOGETHER – A NEW BEGINNING"

Sincerely,

Linda von Nessi
iGO President

Sandy will renew w/ Mrs. DeGard
