I conducted my investigation upon the conclusion of my investigation I left my clip board camera and tools in the home. I then walked to the road way to notify the Sheriff deputy I would be clearing the scene. I made contact with the home owners and multiple other neighbors that were in and around the home. All stated they had not seen the camera. I searched the entire area with nothing found. I then checked and cleared my county issued vehicle looking for the camera as well, with nothing found. I made contact with Tommy Ureste my immediate supervisor to advise him of the issue.
