

THE STATE OF TEXAS §

COUNTY OF HIDALGO §

That the County of Hidalgo, Texas, acting by and through its Commissioners' Court, by virtue of motion and resolution introduced and adopted by said Commissioners' Court on the 7th day of March, 2017 does by these presents **GRANT, GIVE AND RELINQUISH TO:**

NORTH ALAMO WATER SUPPLY CORPORATION

hereinafter called Permittee, of the County of Hidalgo, Texas, the Right, Privilege and Authority to construct, reconstruct, lay and maintain a 12-inch inch water gas/ sewer/ irrigation line; said line to be constructed of material along the following public road easement held by the Hidalgo County of Hidalgo, Texas upon the conditions, obligations, and requirements as hereinafter set forth, said public road upon which said water/ gas/ sewer/ irrigation line is to be constructed, reconstructed, laid and maintained, **described as follows:**

Station 91+40: North Alamo Water Supply Corporation is proposing to cross Skinner Road with 91.0 lineal feet of 12-inch waterline. The waterline is located in rural eastern Hidalgo County just 5.9 miles east of Edinburg, Texas. The proposed waterline will be installed 55.0-foot north of the centerline of said Skinner Road and FM 1925. In addition, the waterline will be 40-inches below natural ground and will be bored and encased with 38 lineal feet of 21-inch SDR26 PVC Casing to cross Skinner Road.

Station 96+75: North Alamo Water Supply Corporation is proposing to cross Rio Bravo Road with 91.0 lineal feet of 12-inch waterline. The waterline is located in rural eastern Hidalgo County just 6.0 miles east of Edinburg, Texas. The proposed waterline will be installed 55.0-foot north of the centerline of said Rio Bravo Road and FM 1925. In addition, the waterline will be 40-inches below natural ground and will be bored and encased with 38 lineal feet of 21-inch SDR26 PVC Casing to cross Rio Bravo Road.

Station 117+75: North Alamo Water Supply Corporation is proposing to cross Sunflower Road with 113.0 lineal feet of 12-inch waterline. The waterline is located in rural eastern Hidalgo County just 6.3 miles east of Edinburg, Texas. The proposed waterline will be installed 55.0-foot north of the centerline of said Rio Bravo Road and FM 1925. In addition, the waterline will be 40-inches below natural ground and will be bored and encased with 33 lineal feet of 21-inch SDR26 PVC Casing to cross Sunflower Road.

The granting, giving and authorizing of permission for the said aforementioned Permittee to so construct, reconstruct, lay and maintain a 12-inch water line along the above described public road being conditioned that Permittee agrees that:

1. The Permittee will install and shall maintain said pipeline so that the top of the line will always be at least at the minimum depth of forty (40) inches below the flow line of the ditches on either side of said roadway when the pipeline is to be constructed, the Permittee shall contact the Commissioner in the Precinct in which the construction project is located and obtain written instructions, signed by said Commissioner, concerning the location and depth of said line. In this connection, it is agreed and understood that the Permittee will not cut the surface in any manner said public road or any roadway, without first obtaining the written permission of the Commissioners' Court of Hidalgo County, Texas.
2. The Permittee will employ a competent person or firm to do such installation and complete it in accordance with the covenants and conditions herein set forth.
3. Permittee shall stake its line on the location approved by the Commissioner in whose precinct the work is to be done well in advance of beginning its work. Permittee shall contact Commissioner before commencing any work.

THE STATE OF TEXAS §

COUNTY OF HIDALGO §

That the County of Hidalgo, Texas, acting by and through its Commissioners' Court, by virtue of motion and resolution introduced and adopted by said Commissioners' Court on the 7th day of March, 2017 does by these presents **GRANT, GIVE AND RELINQUISH TO:**

NORTH ALAMO WATER SUPPLY CORPORATION

hereinafter called Permittee, of the County of Hidalgo, Texas, the Right, Privilege and Authority to construct, reconstruct, lay and maintain a 12-Inch inch water gas/ sewer/ irrigation line; said line to be constructed of material along the following public road easement held by the Hidalgo County of Hidalgo, Texas upon the conditions, obligations, and requirements as hereinafter set forth, said public road upon which said water/ gas/ sewer/ irrigation line is to be constructed, reconstructed, laid and maintained, **described as follows:**

Station 00+00: North Alamo Water Supply Corporation is proposing to cross Brushline Road with 63.0 lineal feet of 12-inch waterline. The waterline is located in rural eastern Hidalgo County just 4.0 miles east of Edinburg, Texas. The proposed waterline will be installed 55.0-feet north of the centerline of said Brushline Road and FM 1925. In addition, the waterline will be 40-inches below natural ground and will be bored and encased with 36 lineal feet of 21-inch SDR26 PVC Casing to cross Brushline Road.

Station 14+30: North Alamo Water Supply Corporation is proposing to cross Sharp Road with 60.0 lineal feet of 12-inch waterline. The waterline is located in rural eastern Hidalgo County just 4.3 miles east of Edinburg, Texas. The proposed waterline will be installed 55.0-feet north of the centerline of said Brushline Road and FM 1925. In addition, the waterline will be 40-inches below natural ground and will be bored and encased with 33 lineal feet of 21-inch SDR26 PVC Casing to cross Sharp Road.

The granting, giving and authorizing of permission for the said aforementioned Permittee to so construct, reconstruct, lay and maintain a 12-inch water line along the above described public road being conditioned that Permittee agrees that:

1. The Permittee will install and shall maintain said pipeline so that the top of the line will always be at least at the minimum depth of forty (40) inches below the flow line of the ditches on either side of said roadway when the pipeline is to be constructed, the Permittee shall contact the Commissioner in the Precinct in which the construction project is located and obtain written instructions, signed by said Commissioner, concerning the location and depth of said line. In this connection, it is agreed and understood that the Permittee will not cut the surface in any manner said public road or any roadway, without first obtaining the written permission of the Commissioners' Court of Hidalgo County, Texas.
2. The Permittee will employ a competent person or firm to do such installation and complete it in accordance with the covenants and conditions herein set forth.
3. Permittee shall stake its line on the location approved by the Commissioner in whose precinct the work is to be done well in advance of beginning its work. Permittee shall contact Commissioner before commencing any work.

THE STATE OF TEXAS §

COUNTY OF HIDALGO §

That the County of Hidalgo, Texas, acting by and through its Commissioners' Court, by virtue of motion and resolution introduced and adopted by said Commissioners' Court on the 7th day of March, 2017 does by these presents **GRANT, GIVE AND RELINQUISH TO:**

NORTH ALAMO WATER SUPPLY CORPORATION

hereinafter called Permittee, of the County of Hidalgo, Texas, the Right, Privilege and Authority to construct, reconstruct, lay and maintain a **12-Inch** inch water/ gas/ sewer/ irrigation line; said line to be constructed of material along the following public road easement held by the Hidalgo County of Hidalgo, Texas upon the conditions, obligations, and requirements as hereinafter set forth, said public road upon which said water/ gas/ sewer/ irrigation line is to be constructed, reconstructed, laid and maintained, **described as follows:**

Station 39+50: North Alamo Water Supply Corporation is proposing to cross 3RD Avenue with 333.0 lineal feet of 12-inch waterline. The waterline is located in rural eastern Hidalgo County just 4.8 miles east of Edinburg, Texas. The proposed waterline will be installed 60.0-feet north of the centerline of said 3RD Avenue and FM 1925. In addition, the waterline will be 40-inches below natural ground and will be bored and encased with 33 lineal feet of 21-inch SDR26 PVC Casing to cross 3RD Avenue.

Station 65+00: North Alamo Water Supply Corporation is proposing to cross Val Verde Road with 145.0 lineal feet of 12-inch waterline. The waterline is located in rural eastern Hidalgo County just 5.4 miles east of Edinburg, Texas. The proposed waterline will be installed 45.0-feet north of the centerline of said Val Verde Road and FM 1925. In addition, the waterline will be 40-inches below natural ground and will be bored and encased with 33 lineal feet of 21-inch SDR26 PVC Casing to cross Val Verde Road.

The granting, giving and authorizing of permission for the said aforementioned Permittee to so construct, reconstruct, lay and maintain a 12-inch water line along the above described public road being conditioned that Permittee agrees that:

1. The Permittee will install and shall maintain said pipeline so that the top of the line will always be at least at the minimum depth of forty (40) inches below the flow line of the ditches on either side of said roadway when the pipeline is to be constructed, the Permittee shall contact the Commissioner in the Precinct in which the construction project is located and obtain written instructions, signed by said Commissioner, concerning the location and depth of said line. In this connection, it is agreed and understood that the Permittee will not cut the surface in any manner said public road or any roadway, without first obtaining the written permission of the Commissioners' Court of Hidalgo County, Texas.
2. The Permittee will employ a competent person or firm to do such installation and complete it in accordance with the covenants and conditions herein set forth.
3. Permittee shall stake its line on the location approved by the Commissioner in whose precinct the work is to be done well in advance of beginning its work. Permittee shall contact Commissioner before commencing any work.

THE STATE OF TEXAS §

COUNTY OF HIDALGO §

That the County of Hidalgo, Texas, acting by and through its Commissioners' Court, by virtue of motion and resolution introduced and adopted by said Commissioners' Court on the 7th day of March, 2017 does by these presents **GRANT, GIVE AND RELINQUISH TO:**

NORTH ALAMO WATER SUPPLY CORPORATION

hereinafter called Permittee, of the County of Hidalgo, Texas, the Right, Privilege and Authority to construct, reconstruct, lay and maintain a 16-Inch inch water/ gas/ sewer/ irrigation line; said line to be constructed of material along the following public road easement held by the Hidalgo County of Hidalgo, Texas upon the conditions, obligations, and requirements as hereinafter set forth, said public road upon which said water/ gas/ sewer/ irrigation line is to be constructed, reconstructed, laid and maintained, **described as follows:**

Station 00+00: North Alamo Water Supply Corporation is proposing to install 100.0 lineal feet of 16-inch waterline to cross Mile 2 West Road approximately 1,288 lineal feet from the intersection of Mile 12 1/2 North Road and Mile 2 West Road. The waterline is located in rural eastern Hidalgo County just 3.75 miles southwest of La Villa, Texas. In addition, the waterline will be 40-inches below natural ground and will be bored and encased with 55 lineal feet of 26-inch x 3/8-inch steel casing to cross Mile 2 West Road.

The granting, giving and authorizing of permission for the said aforementioned Permittee to so construct, reconstruct, lay and maintain a 16-inch water line along the above described public road being conditioned that Permittee agrees that:

1. The Permittee will install and shall maintain said pipeline so that the top of the line will always be at least at the minimum depth of forty (40) inches below the flow line of the ditches on either side of said roadway when the pipeline is to be constructed, the Permittee shall contact the Commissioner in the Precinct in which the construction project is located and obtain written instructions, signed by said Commissioner, concerning the location and depth of said line. In this connection, it is agreed and understood that the Permittee will not cut the surface in any manner said public road or any roadway, without first obtaining the written permission of the Commissioners' Court of Hidalgo County, Texas.
2. The Permittee will employ a competent person or firm to do such installation and complete it in accordance with the covenants and conditions herein set forth.
3. Permittee shall stake its line on the location approved by the Commissioner in whose precinct the work is to be done well in advance of beginning its work. Permittee shall contact Commissioner before commencing any work.
4. The Permittee will use all proper caution in performing the work to prevent injury to all persons and property and it will indemnify Hidalgo County against all damages that may be assessed against the County by reasons of the work here permitted and the maintenance of such pipeline.
5. Notwithstanding any provision in this Agreement to the contrary, Permittee recognizes that the paramount purpose of the easement and dedication for the said public road is to provide for the establishment and operation of a roadway for the public. Recognizing this as the paramount purpose of the easement and dedication, Permittee agrees that Permittee has the unlimited and unrestricted right to establish, construct,

THE STATE OF TEXAS §

COUNTY OF HIDALGO §

That the County of Hidalgo, Texas, acting by and through its Commissioners' Court, by virtue of motion and resolution introduced and adopted by said Commissioners' Court on the 7th day of March, 2017 does by these presents **GRANT, GIVE AND RELINQUISH TO:**

NORTH ALAMO WATER SUPPLY CORPORATION

hereinafter called Permittee, of the County of Hidalgo, Texas, the Right, Privilege and Authority to construct, reconstruct, lay and maintain a 16-inch inch water/ gas/ sewer/ irrigation line; said line to be constructed of material along the following public road easement held by the Hidalgo County of Hidalgo, Texas upon the conditions, obligations, and requirements as hereinafter set forth, said public road upon which said water/ gas/ sewer/ irrigation line is to be constructed, reconstructed, laid and maintained, **described as follows:**

Station 13+50: North Alamo Water Supply Corporation is proposing to cross Mile 13 North Road with 75.0 lineal feet of 16-inch waterline. The waterline is located in rural eastern Hidalgo County just 3.5 miles southwest of La Villa, Texas. The proposed waterline will be installed 48.0-feet west of the centerline of said Mile 2 West Road and Mile 13 North Road. In addition, the waterline will be 40-inches below natural ground and will be bored and encased with 35 lineal feet of 27-inch SDR26 PVC Casing to cross Mile 13 North Road.

Station 27+00: North Alamo Water Supply Corporation is proposing to install 70.0 lineal feet of 16-inch waterline along Mile 2 West Road. The waterline is located in rural eastern Hidalgo County just 3.25 miles southwest of La Villa, Texas. The proposed waterline will be installed 48.0-feet west of the centerline of said Mile 2 West Road and Mile 14 North Road. In addition, the waterline will be 40-inches below natural ground and located 1315 feet north from the intersection of Mile 13 North Road and Mile 2 West Road.

The granting, giving and authorizing of permission for the said aforementioned Permittee to so construct, reconstruct, lay and maintain a 16-inch water line along the above described public road being conditioned that Permittee agrees that:

1. The Permittee will install and shall maintain said pipeline so that the top of the line will always be at least at the minimum depth of forty (40) inches below the flow line of the ditches on either side of said roadway when the pipeline is to be constructed, the Permittee shall contact the Commissioner in the Precinct in which the construction project is located and obtain written instructions, signed by said Commissioner, concerning the location and depth of said line. In this connection, it is agreed and understood that the Permittee will not cut the surface in any manner said public road or any roadway, without first obtaining the written permission of the Commissioners' Court of Hidalgo County, Texas.
2. The Permittee will employ a competent person or firm to do such installation and complete it in accordance with the covenants and conditions herein set forth.
3. Permittee shall stake its line on the location approved by the Commissioner in whose precinct the work is to be done well in advance of beginning its work. Permittee shall contact Commissioner before commencing any work.

THE STATE OF TEXAS §

COUNTY OF HIDALGO §

That the County of Hidalgo, Texas, acting by and through its Commissioners' Court, by virtue of motion and resolution introduced and adopted by said Commissioners' Court on the 7th day of March, 2017 does by these presents **GRANT, GIVE AND RELINQUISH TO:**

NORTH ALAMO WATER SUPPLY CORPORATION

hereinafter called Permittee, of the County of Hidalgo, Texas, the Right, Privilege and Authority to construct, reconstruct, lay and maintain a **16-inch** inch ~~water/~~ gas/ sewer/ irrigation line; said line to be constructed of material along the following public road easement held by the Hidalgo County of Hidalgo, Texas upon the conditions, obligations, and requirements as hereinafter set forth, said public road upon which said water/ gas/ sewer/ irrigation line is to be constructed, reconstructed, laid and maintained, **described as follows:**

Station 39+92: North Alamo Water Supply Corporation is proposing to cross Mile 13 1/2 North Road with 75.0 lineal feet of 16-inch waterline. The waterline is located in rural eastern Hidalgo County just 3.0 miles southwest of La Villa, Texas. The proposed waterline will be installed 48.0-feet west of the centerline of said Mile 2 West Road and Mile 13 1/2 North Road. In addition, the waterline will be 40-inches below natural ground and will be bored and encased with 35 lineal feet of 27-inch SDR26 PVC Casing to cross Mile 13 1/2 North Road.

Station 66+32: North Alamo Water Supply Corporation is proposing to cross Mile 14 North Road with 75.0 lineal feet of 16-inch waterline. The waterline is located in rural eastern Hidalgo County just 2.5 miles southwest of La Villa, Texas. The proposed waterline will be installed 48.0-feet west of the centerline of said Mile 2 West Road and Mile 14 North Road. In addition, the waterline will be 40-inches below natural ground and will be bored and encased with 35 lineal feet of 27-inch SDR26 PVC Casing to cross Mile 14 North Road.

The granting, giving and authorizing of permission for the said aforementioned Permittee to so construct, reconstruct, lay and maintain a 16-inch water line along the above described public road being conditioned that Permittee agrees that:

1. The Permittee will install and shall maintain said pipeline so that the top of the line will always be at least at the minimum depth of forty (40) inches below the flow line of the ditches on either side of said roadway when the pipeline is to be constructed, the Permittee shall contact the Commissioner in the Precinct in which the construction project is located and obtain written instructions, signed by said Commissioner, concerning the location and depth of said line. 2. The Permittee will employ a competent person or firm to do such installation and complete it in accordance with the covenants and conditions herein set forth.
3. Permittee shall stake its line on the location approved by the Commissioner in whose precinct the work is to be done well in advance of beginning its work. Permittee shall contact Commissioner before commencing any work.

THE STATE OF TEXAS §

COUNTY OF HIDALGO §

That the County of Hidalgo, Texas, acting by and through its Commissioners' Court, by virtue of motion and resolution introduced and adopted by said Commissioners' Court on the 7th day of March, 2017 does by these presents **GRANT, GIVE AND RELINQUISH TO:**

NORTH ALAMO WATER SUPPLY CORPORATION

hereinafter called Permittee, of the County of Hidalgo, Texas, the Right, Privilege and Authority to construct, reconstruct, lay and maintain a 16-inch inch water/ gas/ sewer/ irrigation line; said line to be constructed of material along the following public road easement held by the Hidalgo County of Hidalgo, Texas upon the conditions, obligations, and requirements as hereinafter set forth, said public road upon which said water/ gas/ sewer/ irrigation line is to be constructed, reconstructed, laid and maintained, **described as follows:**

Station 92+00: North Alamo Water Supply Corporation is proposing to cross Mile 14 ½ North Road with 75.0 lineal feet of 16-inch waterline. The waterline is located in rural eastern Hidalgo County just 2.0 miles southwest of La Villa, Texas. The proposed waterline will be installed 48.0-feet west of the centerline of said Mile 2 West Road and Mile 14 ½ North Road. In addition, the waterline will be 40-inches below natural ground and will be bored and encased with 30 lineal feet of 27-inch SDR26 PVC Casing to cross Mile 14 ½ North Road.

Station 119+50: North Alamo Water Supply Corporation is proposing to cross Mile 15 North Road with 75.0 lineal feet of 16-inch waterline. The waterline is located in rural eastern Hidalgo County just 1.5 miles southwest of La Villa, Texas. The proposed waterline will be installed 48.0-feet west of the centerline of said Mile 2 West Road and Mile 15 North Road. In addition, the waterline will be 40-inches below natural ground and will be bored and encased with 40 lineal feet of 27-inch SDR26 PVC Casing to cross Mile 15 North Road.

The granting, giving and authorizing of permission for the said aforementioned Permittee to so construct, reconstruct, lay and maintain a 16-inch water line along the above described public road being conditioned that Permittee agrees that:

1. The Permittee will install and shall maintain said pipeline so that the top of the line will always be at least at the minimum depth of forty (40) inches below the flow line of the ditches on either side of said roadway when the pipeline is to be constructed, the Permittee shall contact the Commissioner in the Precinct in which the construction project is located and obtain written instructions, signed by said Commissioner, concerning the location and depth of said line. In this connection, it is agreed and understood that the Permittee will not cut the surface in any manner said public road or any roadway, without first obtaining the written permission of the Commissioners' Court of Hidalgo County, Texas.
2. The Permittee will employ a competent person or firm to do such installation and complete it in accordance with the covenants and conditions herein set forth.
3. Permittee shall stake its line on the location approved by the Commissioner in whose precinct the work is to be done well in advance of beginning its work. Permittee shall contact Commissioner before commencing any work.

THE STATE OF TEXAS §

COUNTY OF HIDALGO §

That the County of Hidalgo, Texas, acting by and through its Commissioners' Court, by virtue of motion and resolution introduced and adopted by said Commissioners' Court on the 7th day of March, 2017 does by these presents **GRANT, GIVE AND RELINQUISH TO:**

NORTH ALAMO WATER SUPPLY CORPORATION

hereinafter called Permittee, of the County of Hidalgo, Texas, the Right, Privilege and Authority to construct, reconstruct, lay and maintain a 16-Inch inch /water/ gas/ sewer/ irrigation line; said line to be constructed of material along the following public road easement held by the Hidalgo County of Hidalgo, Texas upon the conditions, obligations, and requirements as hereinafter set forth, said public road upon which said water/ gas/ sewer/ irrigation line is to be constructed, reconstructed, laid and maintained, **described as follows:**

North Alamo Water Supply Corporation is proposing to install 1,485.0 lineal feet of 16-inch waterline along Mile 2 West Road. The waterline is located in rural eastern Hidalgo County just 1.0 mile southwest of La Villa, Texas. The proposed waterline will be installed 5.0-feet east of the west right-of-way line of said Mile 2 West Road and 40-inches below natural ground. The waterline begins at Station 131+18 and continues north to Station 145+92 at which it will tie into an existing 16-inch waterline located within the said road right-of-way. The proposed waterline will also cross Mile 15 1/2 North Road where it will be bored and encased with 35 lineal feet of 27-inch SDR26 PVC Casing.

The granting, giving and authorizing of permission for the said aforementioned Permittee to so construct, reconstruct, lay and maintain a 16-inch water line along the above described public road being conditioned that Permittee agrees that:

1. The Permittee will install and shall maintain said pipeline so that the top of the line will always be at least at the minimum depth of forty (40) inches below the flow line of the ditches on either side of said roadway when the pipeline is to be constructed, the Permittee shall contact the Commissioner in the Precinct in which the construction project is located and obtain written instructions, signed by said Commissioner, concerning the location and depth of said line. In this connection, it is agreed and understood that the Permittee will not cut the surface in any manner said public road or any roadway, without first obtaining the written permission of the Commissioners' Court of Hidalgo County, Texas.
2. The Permittee will employ a competent person or firm to do such installation and complete it in accordance with the covenants and conditions herein set forth.
3. Permittee shall stake its line on the location approved by the Commissioner in whose precinct the work is to be done well in advance of beginning its work. Permittee shall contact Commissioner before commencing any work.
4. The Permittee will use all proper caution in performing the work to prevent injury to all persons and property and it will indemnify Hidalgo County against all damages that may be assessed against the County by reasons of the work here permitted and the maintenance of such pipeline.
5. Notwithstanding any provision in this Agreement to the contrary, Permittee recognizes that the paramount purpose of the easement and dedication for the said public road is to provide for the establishment and
