Good Afternoon Mr. Suarez,

As requested, attached you will find the listing of qualified engineers outlining their areas of expertise for your selection of at least (3) firms, thereafter, proceed in providing the names of the three (3) firms, in order to supply you with scoring sheets and statements of qualifications for your review and scoring.

Thank you

Ms. Darlene:

Please provide Pct. #1 the approved/qualified list of Professional Engineer for the precinct staff to nominate at least 3 firms that provide the Road & Bridge/Highway discipline. Hopefully, they will request the 3 today so as to provide them the SOQs and grading sheets.

Thanks,
Marty S.
