Jaime,

There is a Alexander Dr in Weslaco and in Palmview and Danielle in Mission, Edinburg, and in Pharr. There is no street named Alessandra; therefore, we could go with Alessandra Service Rd which would be presented as Alessandra SR where service road would be the equal of private road.

Subject: Fwd: Service Road Name

Good morning Mr. Madero,

As per our phone discussion last week, on naming a service road in the Pct No. 2 area. Attached, is a letter that was delivered to our office by Mr. Rocha the property owner where this private road exist. He has come up with three names for the service road, we the precinct would like to make sure the names that we submitted did not conflict with any names currently in existence within the precinct. His first preference would be Alexander if possible if not then which any of the other ones. Please advise, so that we can move forward with placing the item on next agenda.

Thanks,

To Whom It May Concern:

I Alexander J. Rocha and my wife Angelica Rocha are building a home in the lot located behind 405 W. Minnesota Road in San Juan, Tx. 78589 (Legal Description: J5700-00-007-0004-14). We are in the process of building our home and have recently made a road on an easement that allows us access to our residence. At this point and time, we are in need to make a decision of a street name in order to create an official documented address for our residence. We are asking that our road stays private to enable access only to the people listed below.

Street Name Options:

Alexander

Sincerely,

Danielle

Mr. Alexander Jacob Rocha

Alessandra

I agree to the three listed names above that may be selected to name the street indicated above.
