Good Afternoon Letty/ Sergio

I have attached a Supplemental No. 1 to WA#2 for FM 2220 Project. We would like to have this item on the next agenda and we are working with Drainage to have an ILA on agenda as well since they will be reimbursing the County for the expense (see attached email). I have also requested that the engineer provide the HB 1295 so that there are no concerns with the agenda item (see attached email).

If you could please assist us with this we would greatly appreciate it, thank you!

Respectfully,
