SYNNEX Contract #01-65

On August 1st, 2016 SYNNEX was awarded a NCPA contract for Cloud Collaboration and Storage Services. Under the original RFP Tab 8, there was included a clause for “Value Added Products and Services” which allows the vendor to add “any additional products/services available that the vendor currently performs in their normal course of business that is not included in the scope of this solicitation that will enhance and add value to this contract for all NCPA participating agencies”.

NCPA has accepted the entire SYNNEX Line Card Catalog under this clause for Tab 8. This allows SYNNEX to provide not only Cloud Services under their contract but also extend out their entire catalog which will be a great benefit to NCPA participating agencies.

If there are any questions on this matter feel free to reach out to me directly at 832-477-3475 or by email at japplegate@ncpa.us. Thank you.

Sincerely,

Jonathan Applegate
Director, Operations

Tab 8 – Value Added Products and Services

- ◆ Include any additional products and/or services available that vendor currently performs in their normal course of business that is not included in the scope of the solicitation that you think will enhance and add value to this contract for Region 14 ESC and all NCPA participating entities.
