

RGV Fallen Bikers

In Honor of All Fallen Biker Brothers, Sisters, and Their Families

May 5, 2017

Honorable Judge Ramon Garcia
And Hidalgo County Commissioners
100 E. Cano Street
Edinburg, Texas 78539

Dear Judge Garcia & Hidalgo County Commissioners:

May is *National Motorcycle Safety and Awareness Month*. This month provides an excellent opportunity for our County to demonstrate its support in raising motorcycle safety and awareness and to unite with the biker brothers, sisters, and their families who have been affected by tragedy due to motorcycle accidents. Further, it is a wonderful opportunity to educate the public on the seriousness of not paying 100 percent attention to their surroundings while driving.

RGV Fallen Bikers is a non-profit self-funded organization that is actively involved in educating the public regarding motorcycles and related issues. After losing one of our own biker brothers, Milton Carlos Solano, in July 2016, RGV Fallen Bikers was founded in his honor to be a voice for the families and friends of fallen bikers in the Rio Grande Valley. Our mission is to make drivers more aware of motorcyclists on the road and the challenges they face through our commitment of leadership, education, and community involvement in efforts to reduce motorcycle accidents and save lives.

RGV Fallen Bikers would be honored if Hidalgo County would sponsor an official proclamation to recognize May 2017 as "Motorcycle Safety and Awareness Month." Your proclamation would lend official recognition to the important work of educating the public regarding motorcycle safety and awareness, as well as emphasize your personal commitment to supporting victims of motorcycle accidents due to inattentive or drunk driving. I have enclosed a sample proclamation which may help your office compose the appropriate proclamation for our County.

If you, or your staff, have any questions concerning the request, the sample proclamation, or National Motorcycle Safety and Awareness Month, please call me at (956) 250-0540. All 590+ members of RGV Fallen Bikers would appreciate your support of Motorcycle Safety and Awareness Month. Thank you for your consideration on this special request.

Respectfully,

Amelia "Mia" Guerra
Attorney at Law / Co-Founder of RGV Fallen Bikers
