Dear Judge and Commissioners:

***In accordance with Local Government Code Section 111.093, a requisition issued or a contract for work, labor, services, or materials and supplies is not binding until the county auditor certifies that the budget contains an ample provision for the obligation and that funds are or will be available to pay the obligation when due. Recommend that agreements/contracts be revised to include the County Auditor's signature as certification of available funds.***

Re: Review of *Monthly Fees Report* and Supporting Documentation
For the Month of April 2017

Dear Mr. Garza:

We conducted a limited scope review of the *Monthly Fees Report* and supporting documentation for the month of April 2017 pursuant to Local Government Code §115.002 (a) and (b). The objective of the review was to determine if fees collected were properly accounted and reported.

**Scope:**
The scope of the review was limited to collections reported by your office on the *Monthly Fees Report* for the month of April 2017. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

**Methodology:**
In planning and performing our review, we reviewed applicable statutes, the *Monthly Fees Report*, and fee schedules. The following procedures were performed:

- Reviewed the submittal date of the *Monthly Fees Report* to the County Auditor's Office to determine if the report and supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the reports.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.

- Verified receipts issued followed a sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Daily Remittance forms* to determine whether fees collected were properly accounted and deposited with the County Treasurer on or before the fifth day after the day on which the funds were received.
- Verified that the collections per the *Monthly Fees Report* agreed to total receipts issued and the deposits made with the County Treasurer.
- Reviewed receipts issued, *Daily Remittance forms*, and the *Monthly Fees Report* to verify proper completion.

**Conclusion:**
Total collections for the month of April 2017 were $8,787.50. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported; however, improvements could be made to the system of internal controls as noted in the following observation.

**Observation No. 1:**
The April 18, 2017 collections contained an overage of $75.00. Staff could not provide an explanation for the overage. The overage was deposited with other collections and recorded as miscellaneous revenue.

The County Auditor's Office requires that management monitor all overages to determine if there is a pattern meriting further investigation, modification of collection procedures, retraining of personnel, or disciplinary action.

Failure to monitor all overages to determine if there is a pattern meriting further investigation, modification of collection procedures, retraining of personnel, or disciplinary action may result in the loss of County revenue.

**Recommendation:**
Management should monitor all overages to determine if there is a pattern meriting further investigation, modification of collection procedures, retraining of personnel, or disciplinary action.

If you have any questions, please contact Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, Linda Fong, First Assistant Auditor, at ext. 4668, or me at ext. 4604.

Respectfully,

Ray Eufracio, CPA
County Auditor

Re: Review of the Environmental Health Division *Monthly Fees Report*
For the month of April 2017

Dear Mr. Olivarez:

We conducted a limited scope review of the Environmental Health Division *Monthly Fees Report* and supporting documentation for the month of April 2017 pursuant to Local Government Code §115.002 (a) and (b). The objective of the review was to determine if fees collected were properly accounted and reported.

**Scope:**
The scope of the review was limited to collections reported by your office on the *Monthly Fees Report* for the month of April 2017. Our review was not intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

**Methodology:**
In planning and performing our review, we reviewed applicable statutes, the *Monthly Fees Report*, and fee schedules. The following procedures were performed:

- Reviewed the submittal date of the *Monthly Fees Report* to the County Auditor's Office to determine if the report and supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001(b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified that receipts were issued in sequential order.
- Verified that procedures for voided receipts were properly followed.
- Reviewed *Daily Remittance/Close-Out Reports* (*Close-Out Reports*) to determine if fees collected were properly accounted and deposited with the financial institution on a daily basis.

Re: Review of the Precinct 1 Sanitation Program *Monthly Fees Report* and Supporting Documentation For the month of March 2017

Dear Commissioner Fuentes:

We conducted a limited scope review of the Precinct 1 Sanitation Program *Monthly Fees Report* and supporting documentation for the month of March 2017 pursuant to Local Government Code §115.002 (a) and (b). The objective of the review was to determine if fees collected were properly accounted and reported.

**Scope:**
The scope of the review was limited to collections reported by your office on the *Monthly Fees Report* for the month of March 2017. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

**Methodology:**
In planning and performing our review, we reviewed applicable statutes, the *Monthly Fees Report*, and fee schedules. The following procedures were performed:

- Reviewed the submittal date of the *Monthly Fees Report* to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified that receipts and permits issued followed a sequential order.
- Verified that procedures for voided receipts and voided permits were properly followed.

- Reviewed *Cashier's Daily Close-Out Reports/Daily Remittance Forms (Close-Out Reports)* to determine if fees collected were properly accounted and deposited with the financial institution on a daily basis.
- Verified that the collections per the *Monthly Fees Report* agreed to: 1.) total receipts issued by the Precinct; 2.) total deposits made with the financial institution; and 3.) total receipts issued by the County Treasurer.
- Reviewed receipts issued, *Close-Out Reports*, and *Monthly Fees Report* to verify proper completion.

**Conclusion:**
Total collections for the month of March 2017 were $48,125.00. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported. However, the system of internal controls for the collection and safeguarding of cash requires improvement as noted in the following observations.

**Observation No. 1:**
We noted during our review that receipt number 21604 was not properly voided. The receipt did not contain a supervisor's signature of approval and the date receipt was voided. According to staff, the supervisor was not aware that they were required to sign voided receipts.

The County Auditor's Office requires that approval to void a receipt be obtained prior to voiding a receipt. Approval of void receipts should be limited to supervisors. The supervisors should ensure the original and all copies of the void receipt contain on the face of the receipt the word "void", an explanation for the void, the date receipt was voided, and the supervisor's signature of approval. In addition, the properly authorized voided receipt must be submitted to the Auditor's Office along with the monthly reports.

Failure to ensure that receipts are properly voided may result in the loss of County funds.

**Recommendation:**
Management should ensure that all receipts are properly voided. At a minimum, the procedures noted above should be implemented.

**Observation No. 2:**
We noted during our review that the March 2017 "Void Permit Log" was not properly completed. All entries on the "Void Permit Log" were missing a supervisor's signature of approval and not all void/reissued permits were documented on the "Void Permit Log." According to staff, the supervisor was not aware that they were required to sign the "Void Permit Log."

The County Auditor's Office requires for the Precinct to maintain a "Void Permit Log" to document the issuance of a new permit to replace an active permit (void permit). The "Void Permit Log" requires for the employee to document the date permit was void, void permit number, reason for void, new permit number, the name of the individual requesting the new permit, employee's signature, and the supervisor's signature of approval. The supervisor's signature must be obtained prior to voiding the permit.

Failure to ensure that the "Void Permit Log" is properly completed may result in the loss of County funds.

**Recommendation:**
Management should ensure that the "Void Permit Log" is properly completed. In addition, management should ensure that all void permits are approved by a supervisor prior to voiding a permit.

**Observation No. 3:**
The *Monthly Fees Report* and applicable supporting documentation were not filed with the County Auditor's Office within five days after the last day of the month pursuant to Local Government Code §114.001 (b). The report was submitted nine days late.

Local Government Code §114.001 (b) requires monthly reports to be filed with the County Auditor's Office within five days after the last day of each month.

Failure to ensure that the monthly report is filed with the County Auditor's Office within five days after the last day of the month may result in the improper reporting of County funds.

**Recommendation:**
Management should ensure that the *Monthly Fees Report* and supporting documentation are filed with the County Auditor's Office within five days after the last day of the month.

In addition, on January 2016, February 2016, May 2016, July 2016, and October 2016, we noted the Sanitation Precinct 1 Program had six missing permits. The County Auditor's Office requested that $150.00 for the six missing permits be replenished and deposited with the County Treasurer. As of today, the funds have not been deposited. The $150.00 should be immediately deposited with the County Treasurer.

If you have any questions, please contact Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651, or Arcy B. Duran, CPA, Director of Audit, at ext. 4645, Linda Fong, First Assistant Auditor, at ext. 4648, or me at ext. 4604.

Re: Review of the Precinct 2 Sanitation Program *Monthly Fees Report* and Supporting Documentation For the Month of April 2017

Dear Commissioner Cantu:

We conducted a limited scope review of the Precinct 2 Sanitation Program *Monthly Fees Report* and supporting documentation for the month of April 2017 pursuant to Local Government Code §115.002 (a) and (b). The objective of the review was to determine if fees collected were properly accounted and reported.

**Scope:**
The scope of the review was limited to collections reported by your office on the *Monthly Fees Report* for the month of April 2017. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

**Methodology:**
In planning and performing our review, we reviewed applicable statutes, the *Monthly Fees Report*, and fee schedules. The following procedures were performed:

- Reviewed the submittal date of the *Monthly Fees Report* to the County Auditor's Office to determine if the report and applicable supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified that receipts and permits issued followed a sequential order.
- Verified that procedures for voided receipts and voided permits were properly followed.

- Reviewed *Cashier's Daily Close-Out Reports/Daily Remittance Forms (Close-Out Report)* to determine if fees collected were properly accounted and deposited with the financial institution on a daily basis.
- Verified that the collections per the *Monthly Fees Report* agreed to: 1.) Total receipts issued by the Precinct; 2.) Total deposits made with the financial institution; and 3.) Total receipts issued by the County Treasurer.
- Reviewed receipts issued, *Close-Out Reports,* and the *Monthly Fees Report* to verify proper completion.

**Conclusion:**
Total collections for the month of April 2017 were $4,050.00. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported.

Re: Review of Sanitation Program *Monthly Fees Report* and Supporting Documentation
For the months of February 2017 through April 2017

Dear Commissioner Flores:

We conducted a limited scope review of the Precinct 3 Sanitation Program *Monthly Fees Report* and supporting documentation for the months of February 2017 through April 2017 pursuant to Local Government Code §115.002 (a), and (b). The objective of the review was to determine if fees collected were properly accounted and reported.

**Scope:**
The scope of the review was limited to collections reported by your office on the *Monthly Fees Reports* for the months of February 2017 through April 2017. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

**Methodology:**
In planning and performing our review, we reviewed applicable statutes, the *Monthly Fees Reports*, and fee schedules. The following procedures were performed:

- Reviewed the submittal date of the *Monthly Fees Reports* to the County Auditor's Office to determine if the reports and supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Reports* to ensure that the reports were signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Reports* by footing and cross-footing the reports.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified that receipts and permits issued followed a sequential order.
- Verified that procedures for voided receipts and voided permits were properly followed.

- Reviewed *Cashier's Daily Close-Out Reports/Daily Remittance Forms (Close-Out Report)* to determine if fees collected were properly accounted and deposited with the financial institution on a daily basis.
- Verified that the collections per the *Monthly Fees Reports* agreed to: 1.) Total receipts issued by the Precinct; 2.) Total deposits made with the financial institution; and 3.) Total receipts issued by the County Treasurer.
- Verified that the *Close-Out Reports* and *Monthly Fees Reports* were properly completed.

**Conclusion:**
Total collections for the months of February 2017, March 2017, and April 2017 were $43,225.00; $56,125.00; and $42,425.00, respectively. Based on the results of our review, we have concluded that fees collected were generally properly accounted and reported; however, the system of internal controls for the accounting and reporting of fees requires improvement as noted in the following observations.

**Observation No. 1**
We noted during our review that the "Void Permit Logs" were not properly completed. The "Void Permit Logs" were missing the supervisor's signature of approval and not all void/reissued permits were documented on the "Void Permit Log".

In addition, we noted that there were numerous void/reissued permits, as follows:

| | User # | # of Void/Reissued Permits | # of Void/Reissued Permits not on the "Void Permit Log" | # of Receipts Issued During the Month |
|---|---|---|---|---|
| February | 13 | 112 | 10 | 667 |
| | 14 | 121 | 88 | 607 |
| | 47 | 4 | 0 | 21 |
| March | 13 | 137 | 6 | 622 |
| | 14 | 210 | 161 | 1011 |
| | 47 | 8 | 0 | 62 |
| April | 13 | 120 | 19 | 642 |
| | 14 | 137 | 119 | 699 |
| | 47 | 5 | 0 | 40 |

According to staff, the "Void Permit Log" is not signed by the supervisor since there are a lot of void permits during the month. In addition, staff was not able to provide an explanation for not including all the void/reissued permits on the "Void Permit Log."

The County Auditor's Office requires the Precinct to maintain a "Void Permit Log" to document the issuance of a new permit to replace an active permit (void permit). The "Void Permit Log" requires for the employee to document the date permit was void, void permit number, reason for void, new permit number, the name of the individual requesting the new permit, employee's signature, and the supervisor's signature of approval. The supervisor's signature must be obtained prior to voiding the permit.

Failure to ensure that the "Void Permit Log" is properly completed may result in the loss of County revenue.

**Recommendation:**
Management should implement formal monitoring procedures to ensure the "Void Permit Log" is properly completed. At a minimum, the procedures should ensure that void permits are approved by a supervisor prior to the clerk voiding the permit. In addition, management should monitor the number of void/reissued permits to determine if further investigation, modification of procedures, retraining of personnel, or disciplinary action is needed.

**Observation No. 2:**
During the month of March, permit number 41864 was unaccounted for. According to the official permits log, the permit was provided to user number 13 for issuance purposes. However, staff was not able to provide an explanation for the missing permit.

Persons who accept accountable forms (i.e., permits, receipts, etc.) become responsible, upon receipt, for the accountability and safeguarding of such forms. The person accountable shall be held liable for any amounts which may be required to be paid due to loss of the accountable forms resulting from his or her fault or negligence. Loss or theft of accountable forms must be promptly reported to the County Auditor's Office. The written notification should include a statement of the circumstances concerning the loss. Accountable forms reported lost or stolen must be marked "Void" in the electronic application system. Management must also monitor all missing accountable forms to determine if there is a pattern meriting further investigation, modification of procedures, retraining of personnel, or disciplinary action.

Failure to ensure that permits are properly accounted and safeguarded may result in the loss of County revenue.

**Recommendation:**
Management should ensure that permits are properly accounted and safeguarded. At a minimum, the procedures noted above should be implemented. The unaccountable permit should also be voided in the Solid Waste Disposal Application Program and $25.00 for the missing permit should be replenished and deposited with the County Treasurer.

In addition, we noted that shortages and missing permits totaling $540.00 (shortages of $25.00, $10.00, and $5.00 on January 8, 2016, January 11, 2016, and February 24, 2016, respectively, and 17 missing permits between January 2016 and January 2017 totaling $475.00) have not been replenished and deposited with the County Treasurer, as previously requested by the County Auditor's Office. The $540.00 should be immediately deposited with the County Treasurer.

**Observation No. 3:**
Procedures for completing the *Close-Out Report* require improvement. We noted that the *Close-Out Report* did not include the date the form was approved. In addition, one of *Close-Out Reports* was missing the signature of the County official or his/her designee documenting review and approval of the *Close-Out Report*. Staff was trained by the County Auditor's Office on how to properly complete the *Close-Out Report* before sanitation program was implemented.

Pursuant to the Cash Handling Guidelines and procedures, the County official or his/her designee must sign and date the *Close-Out Report* to document responsibility for reviewing and approving the *Close-Out Report*.

**Recommendation:**
Management should ensure that the *Close-Out Report* is dated and signed by the County official or his/her designee to document responsibility for reviewing and approving the *Close-Out Report*.

Please provide a management response to the observations noted above by May 31, 2017.

If you have any questions, please contact Letty Chavez, Compliance Audit Supervisor, at 318-2511 ext. 4651, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, Linda Fong, First Assistant Auditor, at ext. 4668, or me at ext. 4604.

Re: Review of the *Monthly Fees Report* and Supporting Documentation
For the Month of April 2017

Dear Constable Avila:

We conducted a limited scope review of the Constable Precinct No. 1 *Monthly Fees Report* and supporting documentation for the month of April 2017 pursuant to Local Government Code §115.002 (a) and (b) and Code of Criminal Procedure Article 103.011. The objective of the review was to determine if fees collected were properly accounted and reported.

**Scope:**
The scope of our review was limited to collections reported by your office on the *Monthly Fees Report* for the month of April 2017. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

**Methodology:**
In planning and performing our review, we reviewed applicable statutes, the *Monthly Fees Report*, and fee schedules. The following procedures were performed:

- Reviewed the submittal date of the *Monthly Fees Report* to the County Auditor's Office to determine if the report and supporting documentation were received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Monthly Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Monthly Fees Report* by footing and cross-footing the report.
- Reviewed receipts issued to determine if proper fee amounts were collected and reported.
- Verified receipts issued followed a sequential order.

Ernesto Silva, City Manager
City of Donna
307 S. 12th St.
Donna, Texas 78537

Ref: Donna TIRZ No. 1 Red River Subdivision

Dear Mr. Silva:

We conducted a limited scope review of the interlocal agreement between Hidalgo County, City of Donna, Texas, Tax Increment Reinvestment Zone (TIRZ) No. 1, City of Donna, Texas and Garden Valley Homes, LLC d/b/a Casa Linda Homes (Developer). The objective of the review was to determine compliance with the terms of the interlocal agreement regarding the obligations of the Developer and County's contribution to the City of Donna TIRZ No. 1.

**Background**

Pursuant to Tax Code §311.003 (a), a municipality by ordinance may designate a contiguous or noncontiguous geographic area that is in the corporate limits of the municipality, in the extraterritorial jurisdiction of the municipality, or in both to be a reinvestment zone to promote development or redevelopment of the area if the governing body determines that development or redevelopment would not occur solely through private investment in the reasonably foreseeable future.

Pursuant to Tax Code §311.013, the commissioners court of a county may enter into an agreement with the governing body of a municipality that created the zone to pay into the tax increment fund any of its tax increment produced from property located in a reinvestment zone.

Pursuant to Tax Code § 311.016 (a), on or before the 150th day following the end of the fiscal year of the municipality, the governing body of a municipality shall submit to the chief executive officer of each taxing unit that levies property taxes on real property in a reinvestment zone created by the municipality a report on the status of the zone. The report must include:

(1) The amount and source of revenue in the tax increment fund established for the zone;
(2) The amount and purpose of expenditures from the fund;
(3) The amount of principal and interest due on outstanding bonded indebtedness;
(4) The tax increment base and current captured appraised value retained by the zone; and
(5) The captured appraised value shared by the municipality and other taxing units, the total amount of tax increments received, and any additional information necessary to demonstrate compliance with the tax increment financing plan adopted by the governing body of the municipality.

A copy of this report must be submitted to the Texas Comptroller of Public Accounts.

**Designation of Tax Increment Zone**
On August 8, 2006, the City Council of the City of Donna approved Ordinance No. PL-2006-07-10 designating the Red River Phase I Development Project area as a tax increment reinvestment zone, describing the boundaries of the zone; creating a board of directors for the zone; providing for an effective date and a termination date for the zone; naming the zone "Reinvestment Zone Number One, City of Donna, Texas"; and establishing a tax increment fund. Pursuant to the ordinance, the council acknowledged and declared that the zone may be dissolved at any time by the City should no other taxing entity participate in zone; should all other taxing entities withdraw participation; should there be no development agreement reached with applicant or other entities in order to leverage private assets to City's benefit; or should any development agreements fail for whatever reason.

**Interlocal Agreement**
On January 9, 2007, Hidalgo County entered into an interlocal agreement with the City of Donna, Texas, Tax Increment Reinvestment Zone (TIRZ) No. 1, City of Donna, Texas and Garden Valley Homes, LLC d/b/a Casa Linda Homes (Developer). Pursuant to the agreement, the County agreed to participate in the TIRZ by contributing to the Tax Increment Fund 100% of its respective tax increments equal to its maintenance and operation tax rate, for the life of the TIRZ beginning with the 2007 tax year. The County's contributions to the tax increment fund shall end when it has contributed $970,863.81, or when it has made contributions of all tax increment payments, as specified in the project plan attributed to all periods through the end of the County's fiscal year 2027, whichever occurs first.

Pursuant to section VIII (J) of the interlocal agreement, "the zone agrees to conduct or to cause to be conducted, at a minimum, an annual financial review, a copy of which will be provided to the County. Furthermore, each party to this agreement shall have reasonable access to financial information and audit reports regarding the operation of the zone, contribution of tax increment payments to the tax increment fund, and expenditures from the tax increment fund for project costs. In addition, the city agrees, during the agreement term, to prepare and deliver an annual report to the County in accordance with Section 311.016 and 311.0101 (c), Texas Tax Code. The County shall have the right to withhold or delay payments to the tax increment fund until such time as it has received the financial report from the City for the applicable tax year, and shall not incur any penalties or interest with respect to any such withheld or delayed payments notwithstanding any provisions herein to the contrary."

Pursuant to the Project Plan and Financing Plan attached to the agreement, in order to obtain a reimbursement, Developer must complete the improvements in compliance with the agreement and promptly submit a certificate of completion and payment request to the TIRZ. Upon verification of completion, the TIRZ shall reimburse the developer from the tax increment fund. Pursuant to the interlocal agreement, the County's contribution to the tax increment fund shall be used to fund project costs including construction of public infrastructure improvements that were set to commence in 2006.

**Intent to Dissolve Tax Increment Zone**
On October 28, 2014, Resolution No. 2014-23 was approved by the City of Donna authorizing notice of intent to dissolve the City of Donna TIRZ No. 1. The Resolution authorized the City Manager, staff, consultants, and counsel to provide any notices required to dissolve the TIRZ and take any actions necessary to effectuate the intent of the Resolution.

On January 6, 2015, Ordinance No. F-2014-12-204 was approved by the City of Donna dissolving the City of Donna TIRZ No. 1. Pursuant to the ordinance, "...the developer was required to develop the Red River Project as described in the agreement. The project was never developed in accordance with the agreement and the developer entered into bankruptcy and no longer owns the project."

On December 1, 2015, Ordinance No. 2015-32 was approved by the City of Donna rescinding Resolution No. 2014-23. This ordinance only rescinded the resolution of notice of intent to dissolve the TIRZ and thus did not affect the ordinance dissolving the TIRZ.

**Payment Request**
On May 23, 2016, the County Auditor's Office received the first and only City of Donna TIRZ No. 1 payment request in the amount of $138,545.58. Copies of developer invoices dated between 2004 and 2005 were provided to the County Auditor's Office. On numerous occasions, the County Auditor's Office requested copies of cancelled checks to support payment of the invoices dated between 2004 and 2005 and the evidence was not provided. In addition, evidence that the Developer performed any improvements in 2006 and forward was not provided.

**"Assignment of Rights"**
The County Auditor's Office was provided with a copy of an "Assignment of Rights" where the developer transferred the rights, management, collection and benefit of the Red River Subdivision to the Law Office of Ramon Garcia. The document was not dated, signed by the assignee, or notarized. According to the document, the Law Office of Ramon Garcia was entitled to receive 40% of all gross proceeds. The remaining 60% was to be forwarded to South Texas Benevolence Society Inc.

On November 18, 2015, the TIRZ Board approved a reimbursement request in the amount $1,004,525.87. The total request was for $2,104,390.00; however, the Board only approved the reimbursement of $1,004,525.87.

On May 12, 2016, $195,000.00 was wire transferred to the Law Office of Ramon Garcia to fulfill a partial payment of the amount that had been previously approved by the TIRZ Board.

**Conflict Disclosure Statement (CIS)**
Due to the "Assignment of Rights" noted above, the Law Office of Ramon Garcia has an interest in the January 9, 2007 interlocal agreement with Hidalgo County, the City of Donna, Texas, Tax Increment Reinvestment Zone (TIRZ) No. 1, City of Donna, Texas and Garden Valley Homes, LLC.

Pursuant to Local Government Code § 176.003 (a), a local government officer, which includes a member of the governing body of a local governmental entity, shall file a conflict of interest disclosure statement with respect to a vendor if:

(1) the vendor enters into a contract with the local governmental entity or the local governmental entity is considering entering into a contract with the vendor; and
(2) the vendor:
  (A) has an employment or other business relationship with the local government officer or a family member of the officer that results in the officer or family member receiving taxable income, other than investment income, that exceeds $2,500 during the 12-month period preceding the date that the officer becomes aware that:
    (i) a contract between the local governmental entity and vendor has been executed; or
    (ii) the local governmental entity is considering entering into a contract with the vendor;

Pursuant to Local Government Code § 176.003 (b), a local government officer shall file the conflicts disclosure statement with the records administrator of the local governmental entity not later than 5 p.m. on the seventh business day after the date on which the officer becomes aware of the facts that require the filing of the statement under Subsection (a). A local government officer commits an offense if the officer knowingly violates Local Government Code § 176.003. An offense under this section is a misdemeanor.

The Texas Ethics Commission has developed Form CIS "Local Government Officer Conflicts Disclosure Statement" for compliance with Local Government Code § 176.003 (b).

**Audit Authority of the County Auditor**
Local Government Code 115.001 states the County Auditor shall have continual access to and shall examine and investigate the correctness of the books, accounts, reports, vouchers, and other records of any officer. The statute includes all evidentiary matter or records deemed necessary by the County Auditor to verify correctness. In addition, Local Government Code 113.064 states, "a claim, bill or account may not be allowed or paid until it has been examined and approved by the auditor."

**Scope and Methodology:**
The scope of our review was limited to the City of Donna TIRZ No. 1 payment request and supporting documentation submitted by the City of Donna. Our review was not designated nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made. The responsibility for sound internal controls rests with management.

As part of our review, we reviewed the City of Donna payment request for tax years 2007 through 2015; the TIRZ agreement; Tax Code Chapter 311, "Tax Increment Financing Act"; Local Government Code Chapter 176; City of Donna TIRZ No. 1 board minutes; Ordinances and Resolutions approved by the City of Donna; Assignment of Rights; and developer invoices.

**Conclusion:**
The results of our review revealed the following:

1. The City of Donna did not comply with the reporting requirements of section VIII (J) of the interlocal agreement. The interlocal agreement was entered into on January 9, 2007. Pursuant to the agreement, the City agreed to prepare and deliver an annual report to the County in accordance with Tax Code §311.016 on or before the 150th day following the end of the fiscal year.

   The 2007 through 2014 annual reports were provided on February 3, 2017. The 2015 annual report was provided on May 23, 2016.

2. The City of Donna TIRZ No.1 was dissolved on January 6, 2015 through Ordinance No. F-2014-12-204. Pursuant to the ordinance, the TIRZ was dissolved since the project was never developed in accordance with the agreement, the developer entered into bankruptcy, and the developer no longer owned the project. Documentation of action to rescind Ordinance No. F-2014-12-204 was not provided.

3. The City of Donna created TIRZ No. 1 on August 8, 2006 through Ordinance No. PI-2006-07-10. The County agreed to participate in Donna TIRZ No. 1 on January 9, 2007. According to the interlocal agreement that the County entered into with the City of Donna TIRZ No.1 and Garden Valley Homes, the County's contributions were to be used to fund project costs including construction of public infrastructure improvements that were set to commence in 2006.

   According to the interlocal agreement, in order for the developer to obtain a reimbursement, the developer was to complete the improvements in compliance with the interlocal agreement and submit a certificate of completion along with the payment request. We were not provided with evidence that the developer submitted a certificate of completion.

   We received invoices for improvements that took place between 2004 and 2005. However, we were not provided with cancelled checks to support payments of these invoices. We were not provided with any evidence that the developer performed any improvements in 2006 and forward.

4. We were provided with a copy of an Assignment of Rights where the developer transferred the rights, management, collection and benefit of the Red River Subdivision to the Law Office of Ramon Garcia. The document was not dated, signed by the assignee, or notarized. In addition, we found no evidence that this Assignment of Rights was approved by the City of Donna, the TIRZ Board, or Hidalgo County. According to the document, the Law Office of Ramon Garcia was entitled to receive 40% of all gross proceeds. The remaining 60% was to be forwarded to South Texas Benevolence Society Inc. On May 12, 2016, a wire transfer was made to the Law Office of Ramon Garcia in the amount of $195,000.00.

The Assignment of Rights created a business relationship between the County Judge and the developer. This relationship created a conflict of interest that needed to be disclosed pursuant to Local Government Code §176.003. According to the November 18, 2015 City of Donna TIRZ No. 1 board minutes, the County Executive Officer on behalf of the County stated for the record that "Ramon Garcia is acting as a private attorney, not the County Judge: has abstained himself; and has filed a recusal and conflict notification." We found no evidence that Form CIS was filed by the County Judge with regards to the conflict with the City of Donna TIRZ No. 1.

Based on the results of our review, we are not able to process a payment for the following reasons:

- The City of Donna TIRZ No.1 was dissolved on January 6, 2015 through Ordinance No. F-2014-12-204; and
- We were not provided with any evidence that the developer performed any improvements in 2006 and forward.

Re: Review of Sheriff's "B" Account Financial Statements
For the Months ended January 31, 2017 and February 28, 2017

Dear Sheriff Guerra:

We conducted a limited scope review of the "B" Account financial statements for the months ended January 31, 2017 and February 28, 2017 pursuant to Local Government Code §112.006 (a), §115.001, §115.002 (b), and §115.901. The objective of the review was to obtain limited assurance that the financial statements are free from material misstatement.

Management is responsible for the preparation of the financial statements including the design, implementation, and maintenance of internal controls relevant to the preparation of the financial statements. Our responsibility is to perform procedures to obtain limited assurance that the financial statements are free from material misstatement.

Based on our review, the financial statements did not contain any material misstatements. However, we noted that the system of internal controls relevant to the preparation of the financial statements requires improvement as noted in the following observations:

**Observation No. 1:**
We noted during our review that receipt number F-2017-01041, issued during the month of February, was not properly voided. A supervisor's signature of approval was not obtained. As per the Sheriff's Office staff, the supervisor's signature of approval was not obtained due to an oversight.

The County Auditor's Office requires that approval of a void receipt be obtained prior to voiding a receipt. Approval of void receipts should be limited to supervisors. The supervisors should ensure the original and all copies of the void receipt contain on the face of the receipt the word "void", an explanation for the void, the date receipt was voided, and the supervisor's signature of approval. In addition, the supervisor should ensure that the original and all the other copies of the voided receipt are securely attached together and submitted to the County Auditor's Office.

Failure to ensure proper procedures for voiding receipts are followed may result in the loss or misuse of County funds.

**Recommendation:**
Management should re-train staff regarding the proper procedures for voiding receipts. At a minimum, the procedures listed above should be implemented.

**Observation No. 2:**
The "B" Account financial statements and applicable supporting documentation were not filed with the County Auditor's Office within ten days after the last day of the month. The January and February financial statements were filed 39 and 21 working days late, respectively.

The County Auditor's Office requires that financial statements be submitted within ten days after the last day of the month.

Failure to ensure that the financial statements are submitted to the County Auditor's Office within ten days after the last day of the month may result in the improper reporting of County funds.

**Recommendation:**
Management should ensure that financial statements along with supporting documentation are submitted to the County Auditor's Office within ten days after the last day of the month.

Please provide a management response to the observations noted above by June 2, 2017.

Re: Review of *Hot Checks Processing Fees Report* and Supporting Documentation
For the Month of February 2017

Dear Mr. Rodriguez:

We conducted a limited scope review of the *Hot Checks Processing Fees Report* (*Processing Fees Report*) and supporting documentation for the month of February 2017 pursuant to Local Government Code §115.002 (a) and (b). The objective of the review was to determine if collections were properly accounted and reported.

**Scope:**
The scope of the review was limited to collections reported by your office on the *Processing Fees Report* for the month of February 2017. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvement could be made.

The responsibility for establishing and maintaining a sound internal control system rests with management. The objectives of an internal control system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or theft, and that transactions are executed in accordance with management's authorization and recorded properly.

The purpose of this report is to furnish management independent, objective analyses, recommendations, and information concerning the area reviewed. The report should serve as a tool to help management discern and implement specific improvements.

**Methodology:**
In planning and performing our review, we reviewed applicable statutes, the *Processing Fees Report*, and fee schedules. The following procedures were performed:

- Reviewed the submittal date of the *Processing Fees Report* to the County Auditor's Office to determine if the report was received within five days after the last day of the month pursuant to Local Government Code §114.001 (b).
- Verified the signature on the *Processing Fees Report* to ensure that the report was signed by an authorized signatory as documented on the "Authorized Signatories Form."
- Verified the mathematical accuracy of the *Processing Fees Report* by footing and cross-footing the report.
- Verified that the sequence of receipts and checks issued per the *Processing Fees Report* agreed to *Odyssey's DA Receipt Journal Report* and *Check Transaction Register Report*. In addition, verified that receipts and checks issued followed a sequential order.

- Verified collections and disbursements per the *Processing Fees Report* agreed to *Odyssey's Hot Checks Receipt Journal Report*.
- Verified that collections received from the Community Supervision and Corrections Department were receipted and included on the *Processing Fees Report*.
- Verified that the collections per the *Processing Fees Report* agreed to total receipts issued and the deposits made to the Hot Check bank account.
- Verified that the processing fees per the *Processing Fees Report* were remitted to the County Treasurer's Office in a timely manner.
- Verified that procedures for voided receipts and checks were properly followed.
- Reviewed a random sample of receipts to ensure processing and merchant fees were properly collected and reported as required by Code of Criminal Procedure §102.007 and Business and Commerce Code §3.506 (b) .
- Reviewed a random sample of receipts to determine if court costs collected were remitted to the applicable Justice of the Peace courts and receipted.

**Conclusion:**
Total collections for the month of February 2017 were $77,243.60. Based on the results of the review, we have concluded that collections were generally properly accounted and reported.

Re: Audit of the 2016 Approved Salary Schedule
Audit No. 2016-02

Dear Honorable Norma Garcia and Mr. Sergio Cruz:

We have completed an audit of the 2016 salary and allowance amounts in the *alio* Human Resource System (HRS) pursuant to Local Government Code §115.001 and our annual audit plan. The objective of the audit was to determine if the amounts to be paid to employees did not exceed the 2016 budgeted salary schedule approved by Commissioners Court.

**Background:**
Local Government Code §152.011 authorizes Commissioners Court to set the amount of compensation, office and travel expenses, and all other allowances for county and precinct officers and employees who are paid wholly from county funds. In addition, pursuant to Local Government Code §111.070, Commissioners Court may spend county funds only in strict compliance with the budget.

Pursuant to Local Government Code §113.041(a), the County Treasurer shall disburse the money belonging to the County and shall pay and apply the money as required by law and as the Commissioners Court may require or direct, not inconsistent with law.

On September 29, 2015, Commissioners Court approved the 2016 budgeted salary schedule which included budgeted salaries and allowances (i.e., longevity pay, interpreter pay, supplemental pay, automobile allowance, and clothing allowance) in the amount of $124,226,979.00.

*alio* Human Resource System (HRS)
The County Treasurer's Office utilizes HRS to process payroll and maintain employee payroll records. HRS has a position control program that is not being utilized. The position control program has built in controls to ensure actual salaries and allowances paid do not exceed the budgeted salaries and allowances approved by Commissioners Court. Employees are paid based on hourly and bi-weekly rates computed from the actual salary and allowance amounts as approved by the Elected Official/Department Head on a Change of Status form. The Elected Official/Department Head cannot approve salary and allowance amounts in excess of the amounts on the budgeted salary schedule approved by Commissioners Court.

Generally, changes to employee records are required to be submitted through a properly authorized Change of Status form. The Change of Status form requires the signature of the preparer, the Official or Department Head, the Human Resources Director, the Budget Officer, the County Auditor, and the County Treasurer. The exception to the use of the Change of Status form to make changes to employee records occurs as a result of

the adoption of the following year's salary schedule. Due to a significant volume of changes (i.e., Cost of Living Adjustment (COLA), longevity pay, title changes, etc.) that may occur in any year, the Department of Budget and Management prepares an electronic file that is uploaded to HRS by the County Auditor's Office IT staff. Commissioners Court approved 3% COLA increase for all employees effective January 1, 2016.

Prior to uploading the electronic file, the previous year's salary information is rolled over to the current year. The electronic file overrides the rolled over salary and allowance amounts, hourly and bi-weekly rates, position titles, general ledger account numbers, and distribution percent per general ledger account, as applicable.

The 2016 electronic file provided by the Department of Budget and Management included changes to longevity pay and COLA adjustments.

Budget Application Program

The Department of Budget and Management (DBM) utilizes the Budget Application Program (BAP), a Microsoft Access database developed internally by the IT Department, in order to develop the budgeted salary schedule that is presented to Commissioners Court for adoption during the annual budget process. In addition to the "adopted" salary schedule, the BAP contains an "actual" salary schedule for each year. The actual salary schedule is updated throughout the year to reflect the current budgeted and actual salaries and allowances per position. Since the BAP does not interface with HRS, a reconciliation of these two programs is needed. According to the Director of the Budget and Management Division, this reconciliation is conducted prior to preparing the electronic file that is uploaded to HRS.

Salary Upload Process

The Hidalgo County Department of Budget and Management implemented formal procedures for the salary upload process. The following process is followed in order to develop the electronic file used to upload salaries. An electronic file of HRS salary information for all active employees (except for elected officials, Adult Probation Department, temporary, and part-time employees) is requested from the County Auditor's Office. This electronic file is reconciled against the actual salary schedule.

The reconciled actual salary schedule serves as the basis for the following year's salary schedule. The salary schedule is adjusted for longevity pay and any applicable changes approved during the budget process (i.e., position creations, deletions, reclassifications, salary adjustments/increases, COLA adjustments, etc.). The adjusted schedule is used to create a Microsoft Excel file containing employee numbers, general ledger account numbers, distribution percent per general ledger account, position titles, and actual salaries and allowances. The Microsoft Excel file is forwarded to the County Auditor's Office IT staff to upload into HRS. In addition, the County Auditor's Office IT staff uses a program developed by the IT Department to compute and upload to HRS the hourly and bi-weekly rates, based on the actual salary and allowance amounts.

After the upload is completed, the County Auditor's Office IT staff queries HRS to extract the hourly rates, bi-weekly rates, and salary and allowance amounts for all employees and saves the extracted data to an electronic file. The electronic file is then forwarded to DBM. DBM's Budget Analysts reconcile the extracted data to the data on the electronic file initially provided by DBM to ensure that the data was properly uploaded. A formal notice of discrepancies noted during the reconciliation process is sent to the County Treasurer's Office.

**Scope and Methodology:**

The scope of our audit was limited to a review of the 2016 budgeted salary schedule approved by Commissioners Court and the 2016 hourly and bi-weekly rates for salaries and allowances in HRS. Our audit was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all inclusive of areas where improvements could be made.

In planning and performing our audit, we interviewed staff, obtained a copy of the 2015 and 2016 budgeted salary schedule approved by Commissioners Court and an electronic file of 2016 salaries and allowances in HRS. The following procedures were performed:

- Compared the 2015 adopted salary schedule to the 2016 adopted salary schedule to verify that salary increases did not exceed the 3% COLA, except for employees of the Juvenile Detention Department, County Auditor's Office, and Court Reporters.

- Compared the 2016 budgeted salary schedule approved by Commissioners Court to the 2016 hourly and bi-weekly rates for salaries and allowances in HRS to ensure the salaries did not exceed the 2016 budgeted salary schedule approved by Commissioners Court.
- Reviewed actual compensation for pay period 2 (December 28, 2015 through January 10, 2016) to determine if actual compensation for December 28, 2015 through December 31, 2015 did not exceed the 2015 budgeted salaries and actual compensation for January 1, 2016 through January 10, 2016 did not exceed the 2016 budgeted salaries.

**Conclusion:**

Based on the results of our audit, we have determined that the 2016 hourly and bi-weekly rates for salaries and allowances in HRS did not exceed the 2016 budgeted salary schedule approved by Commissioners Court. More specifically, the following was noted:

- Except for positions approved by Commissioners Court to receive a salary adjustment during the budget process (i.e., JP employees on the Judicial Pay Plan, and certain employees compensated from the special revenue fund), salary increases did not exceed the 3% COLA.
- The hourly and bi-weekly rates for 2,813 (100%) employees did not exceed the rates based on the 2016 budgeted salary schedule approved by Commissioners Court.
- Actual compensation for 2,794 employees for pay period 2 (December 28, 2015 through January 10, 2016) did not exceed the 2015 and 2016 budgeted salaries approved by Commissioners Court.

In addition, we noted that the system of internal controls over the uploading of the salary schedule to HRS requires improvement as follows:

- HRS has a position control program that is not being utilized. The position control program has built in controls to ensure actual salaries and allowances paid do not exceed the budgeted salaries and allowances approved by Commissioners Court. In addition, position control will facilitate the reconciliation of the approved budgeted salary schedule and HRS among other things.
- The approved 2016 budgeted salary schedule only contains position numbers and titles; however, HRS only includes employee numbers and titles. Since the databases do not include common fields, the reconciliation between these databases is difficult and time-consuming.

**Recommendation:**

The County Treasurer's Office should implement the position control program in HRS to ensure that salaries and allowances paid to employees do not exceed the budgeted salaries and allowances approved by Commissioners Court. The County Treasurer's Office should coordinate with the County Auditor's Office to consult with Weidenhammer regarding the implementation of position control. If position control cannot be implemented, DBM should include the slot and department number on the BAP electronic file.

We would like to express our appreciation to you and your staff for the courtesy, cooperation, and assistance provided to us during the audit. Ref: 2017 Tax Roll Abatement-South Texas Electric Cooperative, Inc.
Report No. 2017-23

Dear Mr. Garza:

We have completed a limited scope review of the tax abatement agreement between Hidalgo County and South Texas Electric Cooperative, Inc. The objective of the review was to determine whether South Texas Electric Cooperative, Inc. qualifies for a tax abatement for the 2017 tax year.

**Scope and Methodology**
The scope of our review was limited to a review of the tax abatement agreement between Hidalgo County and South Texas Electric Cooperative, Inc., Hidalgo County Tax Abatement Guidelines, correspondence received from South Texas Electric Cooperative, Inc. Representative, and compliance verification letter from South Texas Electric Cooperative, Inc. regarding compliance with terms of the tax abatement agreement.

**Conclusion:**
Based on the results of our review, we have determined that South Texas Electric Cooperative, Inc. qualifies for 80% tax abatement for the 2017 tax year based on the $210,076,550.44 capital cost of the improvements.

On May 16, 2017, the Hidalgo County Commissioners Court approved an addendum to the agreement between Hidalgo County and South Texas Electric Cooperative, Inc. granting an 80% tax abatement of the newly created value for South Texas Electric Cooperative, Inc. in accordance with section 3.04 of the agreement.

Pursuant to section 3.04 of the tax abatement agreement between Hidalgo County and South Texas Electric Cooperative, Inc., the percent of increase in newly created value to be abated is the greater of the abatement percentage determined by the capital cost involved in the project, or the abatement percentage determined by the number of full-time jobs created. Over $10,000,000 in capital cost qualifies the company for 80% tax abatement.

Re: City of Mission TIRZ No. 1 (THMS1 and THMS2)
Report No. 2017-26

Dear Mr. Villarreal:

We conducted a limited scope review of collections for the City of Mission Tax Increment Reinvestment Zone No. 1 (TIRZ). The objective of the review was to determine whether TIRZ collection reports prepared by the Tax Office included collections received for all tax accounts located within the TIRZ.

The scope of the review was limited to tax accounts located within the TIRZ for tax roll 2017. The review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made. The responsibility for sound internal controls rests with management.

As part of the review, we examined applicable sections of Tax Code Chapter 311, the agreement amongst the City of Mission, Hidalgo County, and City of Mission TIRZ, TIRZ collection reports provided by the Tax Office, and the list of accounts coded THMS1 and THMS2 by Hidalgo County Appraisal District (HCAD).

The results of the review revealed that 17 tax account numbers (see Exhibit A) coded THMS1 or THMS2 by the HCAD were not included in the TIRZ collection reports provided by the Tax Office. The collection reports were manually adjusted to reflect the proper collections.

We recommend that copies of the revised TIRZ collection reports be submitted to the County Auditor's Office once the revision listed above is made by the HCAD.

If you have any questions, please call Ricardo Nuñez, Internal Auditor I, at 318-2511 ext. 4644, Letty Chavez, Compliance Audit Supervisor, ext. 4651, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, Linda Fong, First Assistant Auditor, at ext. 4668, or me at ext. 4604.

Re: City of Mission TIRZ No. 1 (THMS1 and THMS2)
Report No. 2017-26

Dear Mr. Garza:

We conducted a limited scope review of the interlocal agreement between the City of Mission, Hidalgo County, and Reinvestment Zone Number One, City of Mission, Texas and (Mission TIRZ). The objectives of the review were to determine the accuracy of the Mission TIRZ 2017 payment amount and compliance with Tax Code §311.016 regarding completion of annual audit report by the Mission TIRZ.

The scope of our review was limited to the Mission TIRZ property accounts as of January 31, 2017. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made. The responsibility for sound internal controls rests with management.

The results of the review revealed the following:

1. A payment request in the amount of $2,602,428.78 was received from the City of Mission on behalf of the Mission TIRZ; however, it was determined that the payment amount should be $2,568,815.15 (a difference of $33,613.63) (see Exhibit A).
2. The Mission TIRZ annual audit report included the required information pursuant to Tax Code §311.016.

Re: Edinburg TIRZ No. 3, La Sienna Project
Report No. 2017-31

Dear Mr. Hinojosa:

We conducted a limited scope review of the interlocal agreement between the City of Edinburg, Hidalgo County, Reinvestment Zone No. 3, and Burns Brothers, LTD. The objectives of the review were to determine the accuracy of the Edinburg TIRZ No. 3 2016-2017 payment request and compliance with Section IV (B)(2), Section VIII (J) of the interlocal agreement and Tax Code § 311.016.

The scope of the review was limited to the property accounts within the Edinburg TIRZ No. 3 as of January 31, 2017. Our review was not designed nor intended to be a detailed study of every relevant control system, procedure, or transaction. Accordingly, the opportunities for improvement presented in this report may not be all-inclusive of areas where improvements could be made. The responsibility for sound internal controls rests with management.

The results of the review revealed the following:

1. A payment request in the amount of $143,901.86 was received from the City of Edinburg on behalf of the Edinburg TIRZ; however, it was determined that the payment amount should be $141,640.12 (a difference of $2,261.74) (see Exhibit A).
2. The annual report, fact sheet, and annual financial review were submitted in compliance with Section IV (B)(2), Section VIII (J) of the interlocal agreement and Tax Code §311.016 . According to the Edinburg TIRZ No. 3, they did not have any contracts with disadvantaged businesses; therefore, the applicable report was not provided.

If you have any questions, please call Ricardo Nunez, Internal Auditor I, at 318-2511 ext. 4644, Letty Chavez, Compliance Audit Supervisor, ext. 4651, Arcy B. Duran, CPA, Director of Audit, at ext. 4645, Linda Fong, First Assistant Auditor, at ext. 4668, or me at ext. 4604.

2. The Parties hereto agree that the COUNTY's contribution to the Tax Increment Fund shall be used to fund Project Costs including construction of public infrastructure improvements for "Residential-Related Public Infrastructure" (as defined and described in the Economic Development Agreement) to support the development and revitalization efforts in the ZONE. The COUNTY's contributions to the Tax Increment Fund shall end when it has contributed the maximum total contribution provided for herein of SEVENTEEN MILLION FOUR HUNDRED THOUSAND DOLLARS ($17,400,000) plus allowable interest, or when it has made contributions of all Tax Increment Payments, as specified in the Project Plan, attributable to all periods through the end of the COUNTY's fiscal year 2037 (ending on December 31, 2037), whichever occurs first.

**B. Tax Increment Payment**

1. COUNTY's obligation to contribute its Tax Increment Payment to the Tax Increment Fund, as provided in Section IV.A of this Agreement, shall accrue as the COUNTY collects its Tax Increment. The Parties hereto agree that all ad valorem property taxes collected each year by the COUNTY that are attributable to real property in the ZONE shall first constitute taxes on the Tax Increment Base and after the total amount of taxes on the Tax Increment Base have been collected, then the remaining ad valorem taxes collected shall constitute the Tax Increment. COUNTY agrees to deposit its first Tax Increment Payment to the Tax Increment Fund for tax year 2009 once all tax accounts have been coded by the Hidalgo County Appraisal District, the Hidalgo County Tax Office has received the list of tax accounts, collection reports have been provided to the Auditor's Office, the information required under section 311.016 of the Tax Code and the fully executed Interlocal Agreement has been received by the County. The amount of the first Tax Increment Payment shall be based on the Tax Increments that were received up to January 31, 2010, but only for tax year 2009 beginning October 1, 2009. For subsequent payments, the COUNTY agrees to contribute its yearly Tax Increment Payment to the Tax Increment Fund annually not later than the 90th day after the delinquency date for the COUNTY's property taxes (or the first business day thereafter) following the end of each tax year. The amount of each Tax Increment Payment shall be based on the Tax Increments that are received up to January 31st following the end of the tax year, but which have not been previously deposited in the Tax Increment Fund, during the annual periods preceding each deposit date. Under no circumstances shall the COUNTY be required to participate in the ZONE with taxes attributable to periods after 2037.

2. One month prior to a payment required under Section IV.B. of this Agreement, the CITY shall provide to the COUNTY an updated fact sheet that includes detail as to what portion of the Project has been completed to date, a schedule of what portion of the Project is to be completed in the following year and a current roster of the ZONE's board members, including the term of each board member, the entity that appointed the board member and the date for the next annual meeting. In addition to and as part of the CITY's fact sheet, the CITY shall supply the COUNTY with all information as required under section 311.016 of the Texas Tax Code on or before the 90th day following the end of the fiscal year of the CITY. The CITY shall also request collection reports from the Hidalgo County Tax Assessor Collector and provide a copy of those reports and a payment request to the COUNTY one month prior to a payment required under Section IV.B of this agreement.

3. Pursuant to Chapter 311 of the Texas Tax Code, in the event there is a conflict between the Parties in regards to the amount of the Tax Increment owed by the COUNTY, the Hidalgo County Auditor will make the final determination as to the amount of any Tax Increment owed by the COUNTY under this Agreement. The annual Captured Appraised Value for the real property contained within the ZONE shall be determined by the Hidalgo County Appraisal District on the assessed appraised values and the Hidalgo County Tax Offices' verification of collections in regards to

the real property contained with the ZONE.

4. Any delinquent deposit by the COUNTY of a Tax Increment Payment under this Agreement shall be administered as provided in Section 311.013(c) of the Texas Tax Code, which states as follows:

> "A taxing unit shall make a payment required by the Subsection (b) [Tax Increment Payment], not later than the 90th day after the delinquency date for the unit's property taxes. A delinquent payment incurs a penalty of five percent of the amount delinquent and accrues interest at an annual rate of ten percent."

The Parties expressly agree that the COUNTY shall not owe any penalty or interest on Tax Increments attributable to taxes that have been levied, but not received by the COUNTY. Further, the COUNTY shall not be liable for the payment of any penalties or interest if the fact sheet required under section IV.B.2 and the report required under section §311.016 of the Texas Tax Code is not timely submitted to the COUNTY or in any situation in which the CITY is not obligated to pay penalties and interest.

5. The CITY agrees to comply with the Project Plan. The CITY and the ZONE agree to provide prior written notice to all Participating Taxing Entities of a proposed material change (by which is meant any change that would constitute at least a twenty percent (20%) increase or decrease in either the Project Cost or the scope and scale of the Project) to the Project Plan; provided that any change that is not approved by the COUNTY shall not change the amount of Tax Increment Payments due from the COUNTY. The CITY shall have the right to amend and modify the Project Plan without providing prior written notice to the Participating Taxing Entities so long as such amendment or modification does not constitute a material change.

6 If the CITY materially breaches this Agreement, then a Participating Taxing Entity may provide written notice to the CITY, and the ZONE (with a copy to any other Participating Taxing Entity still contributing Tax Increment Payments) stating its intent to terminate its participation in the Zone and detailing its objection(s) or concern(s). If the objections and/or concerns, as set out in the notice, are not resolved within 90 business days from the date of such notice, then COUNTY may discontinue its Tax Increment Payments and terminate its participation in the ZONE.

7. Except for contributing its respective Tax Increment Payments to the Tax Increment Fund as set out in this Agreement, the COUNTY shall not have any obligation or responsibility for any costs or expenses associated with the development of the ZONE or the implementation of the Project Plan, including, without limitation, any obligation to pay or repay any bond or other debt issued by another Participating Taxing Entity, the ZONE or the ZONE BOARD relating to the ZONE or any costs associated with the operation of ZONE, the Project or any other projects relating thereto.

8. Notwithstanding anything herein to the contrary, the COUNTY's total Tax Increment Payment to the Tax Increment Fund over the term of the ZONE shall not exceed SEVENTEEN MILLION FOUR HUNDRED THOUSAND **DOLLARS ($17,400,000)** **plus** interest on DEVELOPER debt, as described in Section IV(A)(1) above, **plus** Administrative Costs not in excess of the COUNTY's Administrative Costs Cap, **plus** any applicable penalty and/or interest allowed in section 311.013 of the Tax Code, subject to the limitations on Section IV(B)(4). Eligible interest payments on DEVELOPER debt will be paid by the ZONE BOARD from the tax increment payment by the COUNTY and will only be paid when DEVELOPER provides to the ZONE BOARD and the COUNTY supporting documentation showing the interest due. Interest payments on DEVELOPER debt will not constitute a portion of the COUNTY's maximum total contribution of SEVENTEEN MILLION FOUR HUNDRED THOUSAND DOLLARS ($17, 400,000.00).

9. The COUNTY agrees to participate at one hundred percent (100%) of its COUNTY Maintenance and Operation (M&O) tax rate equal to $0.5127 per $100 valuation on the Captured Appraised Value. In the event that the COUNTY M&O tax rate is less than $0.5127 per $100 valuation on the captured appraised value during any of the years 2009 through 2037, then the maximum tax increment paid by the COUNTY into the Tax Increment Fund shall not exceed the designated percentage of the total amount of taxes collected by the COUNTY at the actual M&O tax rate during the year the COUNTY tax rate is less than $0.5127 per $100 valuation. In the event that the COUNTY M&O tax rate is greater than $0.5127 per $100 valuation on the captured appraised value during any of the years 2009 through 2037, the COUNTY shall retain all taxes collected above the maximum amount of tax increment deposited in the Tax Increment Fund at the designated percentage of the COUNTY'S M&O contribution equal to a tax rate of $0.5127 per $100 valuation on the captured appraised value. The Captured Appraised Value will be the value provided to COUNTY by the Hidalgo County Appraisal District as of January 31st of the year the tax increment payment is due for such tax roll. If the certified taxable value changes after the initial tax increment payment has been made, the change in value will not be included in the tax increment payment in the upcoming years. COUNTY taxes that are delinquent for more than five years will be considered uncollectible and shall not be included in the tax increment payment.

10. The COUNTY agrees the ZONE may reimburse Administrative Costs from the COUNTY's Tax Increment Payment up to the COUNTY's Administrative Costs Cap as set forth herein. The COUNTY's Tax Increment Payments shall not be allocated to any payment for Administrative Costs prior to the issuance of Bonds. Once Bonds are issued, $5,000.00 of the COUNT's Tax Increment Payment each year beginning with the year in which Bonds are issued through the end of the term of the ZONE shall be allocated to Administrative Costs. Notwithstanding anything to the contrary set forth in Section V.D.2. below, no Administrative Costs incurred more than six (6) months prior to the date of issuance of the Bonds will be eligible to be reimbursed from the COUNTY's Tax Increment Payments. Nothing contained in this Agreement shall be deemed to allow the incurrence of costs with respect to the issuance of Bonds in excess of any caps imposed by applicable law.

## C. Management of the ZONE

1. The ZONE shall in all respects be managed by the ZONE BOARD, including the Director appointed by the COUNTY. The ZONE BOARD shall have all powers allowed under Chapter 311 of the Texas Tax Code to manage the ZONE and carry out the Project Plan. Otherwise, the terms used herein shall have the meanings ascribed to them in Chapter 311, Texas Tax Code, as applicable.

## III. BACKGROUND

The City created and enlarged the Reinvestment Zone by Ordinance No. 2683, adopted September 24, 2001 and by Resolution No. 1022, adopted December 10, 2001, for the purposes of development and redevelopment in the area of the Reinvestment Zone. The City will deposit tax increments produced in the Reinvestment Zone in the Tax Increment Fund. The County desires to participate in the Reinvestment Zone in consideration for the agreements set forth below.

The County received written notice from the City of the City's intent to establish the Reinvestment Zone. Such notice was not received more than sixty (60) days before the public hearing on the creation of the Reinvestment Zone, however, the County has agreed to waive this requirement as provided for in 311.003(e) of the Texas Tax Code.

## IV. OBLIGATIONS OF THE COUNTY

### A. Tax Increment Participation by the County

For and in consideration of the agreements of the parties set forth herein, and subject to the remaining subsections of this section, the County agrees to participate in the Reinvestment Zone by contributing the below listed amounts of the tax increment produced in the Reinvestment Zone attributable to the County to the Tax Increment Fund during the term of this Agreement (the "County Tax Increment Participation").

The amount in the years 2002 through 2030 is the amount of taxes collected by the County in each of such years at a County tax rate of $0.5095100 per $100 valuation on the Captured Appraised Value. If the County tax rate is less than $0.5095 during such period, then the County Tax Increment Participation is the total amount of taxes collected by the County at the actual tax rate of the County on

the Captured Appraised Value. Taxes collected during such period by result of a County tax levy at a tax rate greater than $0.5095 shall be retained by the County.

The County's Tax Increment Participation and obligation to participate in the Reinvestment Zone shall be restricted to its tax increment collected on the Captured Appraised Value in the Reinvestment Zone in the amount shown above. The County shall not be obligated to pay its County Tax Increment Participation from other County taxes or revenues or until the County Tax Increment Participation in the Reinvestment Zone is actually collected. The obligation to pay the County Tax Increment Participation shall accrue as taxes representing the County tax increment are collected and payment shall be due on the first day of each calendar quarter.

As provided for in ' 311.013(d), the County is not required to pay a tax increment into the tax increment fund of the Reinvestment Zone after September 24, 2004 unless the following conditions exist or have been met prior to September 24, 2004:

(1) bonds have been issued for the Reinvestment Zone under ' 311.015 of the Texas Tax Code;

(2) the City has acquired property in the Reinvestment Zone pursuant to the project plan; or

(3) construction of improvements pursuant to the project plan has begun in the Reinvestment Zone.

**B. Expansion of the Investment Zone**

The obligation of the County to participate in the Reinvestment Zone is limited to the area described in Exhibit "A" and Exhibit "B" attached hereto. The County's participation shall not extend to the tax increment on any additional property added to the Reinvestment Zone by the City unless the County approves the participation.

**C. Board of Directors**

The County has the right to appoint one (1) member on the Reinvestment Zone Board of Directors.

## V. OBLIGATIONS OF CITY AND THE REINVESTMENT ZONE

A copy of the Reinvestment Zone Project Plan and any amendments thereto shall be provided to the County before any such plan is finally approved by the Reinvestment Zone.

## VI. TERM AND TERMINATION

### A. Agreement Term

This Agreement shall become effective as of the date of the final signature hereto, and shall remain in effect until December 31, 2030. The first payment of the County Tax Increment Participation shall be for those taxes levied by the County in the year 2002 and the last payment by the County under this Agreement is for those taxes levied by the County in the year 2030.

### B. Early Termination

The City shall not adopt an ordinance terminating the Reinvestment Zone earlier than the duration of the Zone established in Ordinance No. 2683, without the prior consent of the County, provided that the Reinvestment Zone may otherwise terminate by operation of law.

### C. Disposition of Tax Increments

Upon termination of the Reinvestment Zone, if all public improvements in the Project Plan have been constructed and financed and if all Reinvestment Zone debt is paid in full, the City and the Reinvestment Zone shall pay to the County all monies remaining in the Tax Increment Fund that are attributable to the County Tax Increment Participation.

## VII. MISCELLANEOUS

### A. Severability

In the event any term, covenant or condition herein contained shall be held to be invalid by any court of competent jurisdiction, such invalidity shall not affect any other term, covenant or condition herein contained, provided that such invalidity does not materially prejudice either the County, the City or the Reinvestment Zone in their respective rights and obligations contained in the valid terms, covenants or conditions hereof.

In the event any term, covenant or condition shall be held invalid and affects in any manner the limitations on the County's contributions or participation, then this Agreement shall be void as to the County and the County shall have no liability for any incremental or other payments as may otherwise be provided for in this Agreement.

**B. Entire Agreement**

This Agreement merges the prior negotiations and understandings of the parties hereto and embodies the entire agreement of the parties, and there are no other agreements, assurances, conditions, covenants (express or implied) or other terms with respect to the covenants, whether written or verbal, antecedent or contemporaneous, with the execution hereof.

**C. Written Amendment**

Unless otherwise provided herein, this Agreement may be amended only by written instrument duly executed on behalf of each party.

**D. Notices**

All notices required or permitted hereunder shall be in writing and shall be deemed delivered when actually received or, if earlier, on the third (3rd) day following deposit in a United States Postal Service post office or receptacle with proper postage affixed (certified mail, return receipt requested) addressed to the respective other party at the address prescribed in Section I of this Agreement or at such other address as the receiving party may have theretofore prescribed by notice to the sending party.

**E. Non-Waiver**

Failure of any party hereto to insist on the strict performance of any of the agreements herein or to exercise any rights or remedies accruing hereunder upon default or failure of performance shall not be considered a waiver of the right to insist on, and to enforce by any appropriate remedy, strict compliance with any other obligation hereunder or to exercise any right or remedy occurring as a result of any future default or failure of performance.

F. **Assignment** -

No party shall assign this Agreement at law or otherwise without the prior written consent of the other parties.

No party shall delegate any portion of its performance under this Agreement without the written consent of the other parties.

G. **Successors**

This Agreement shall bind and benefit the parties and their legal successors. This Agreement does not create any personal liability on the part of any officer or agent of the City or of any trustee, officer, agent or employee of the County.

I find that proper easements have been provided for District irrigation and drainage facilities. Therefore, this District has no objection to the proposed subdivision as platted.

Very truly yours,

CONTRACT TO GIVE DEED 193495

This Agreement made and entered into this 30th day of July, 1986, by and between FELIPE GALAVIZ and wife, ELENA GALAVIZ, hereinafter referred to as Sellers, and ROSALINDA DIAZ, hereinafter referred to as Purchaser.

WITNESSETH:

For and in consideration of the total sum of $5,500.00 Sellers hereby sell to Purchaser and Purchaser hereby buys from Sellers the following described property situated in the County of Hidalgo, State of Texas, subject to the terms and conditions hereinafter provided, to-wit:

0.30 acre tract of land, being designated as Tract No. 7 out of the North 3.10 acres of the East 19.57 acres of Lot 1, R. B. Curry Subdivision No. 2 as recorded in Volume 2, Page 23, of the Plat Records of Hidalgo County, Texas.

1. Payment shall be made as follows: This sum shall be scheduled for payments in 60 monthly payments of $100.00 and 11 monthly payments of $140.40 and 1 payment of $140.46, which shall include interest at the ANNUAL PERCENTAGE RATE OF 10%.

2. The first of such scheduled payments shall be made on or before August 1st, 1986, and a like payment shall be made on the same day of each succeeding month thereafter until fully paid or until August, 1992. Each installment shall be applied first to the payment of accrued interest on the unpaid principal balance and the remainder of each installment shall be applied to the reduction of unpaid principal. Purchasers may prepay the total balance remaining on the purchase price at any time prior to maturity without penalty.

3. The parties agree that Sellers have effected a credit sale of the above described real property whereby title to said realty will be retained by Sellers until the total purchase price provided above has been paid by Purchaser. Upon final payment of the entire purchase price, together with any accrued interest, Seller shall provide Purchaser with a general Warranty Deed to the above described property. Said conveyance will reserve all oil, gas and other minerals.

4. It is specifically understood and agreed that all city, school, state and county taxes for the current year will be prorated.

5. Possession of the above described property shall be given to Purchaser upon the execution of this contract.

6. Purchaser covenant and agree as follows:

(A) To make prompt payment of said indebtedness as same shall become due and payable and do and perform all of the covenants and agreements herein imposed upon Purchaser.

(B) To pay when due all taxes and assessments of every nature and kind inclusive of state, county, city and school taxes that fall due on said property after the date of this contract.

(C) That in the event Purchaser fail to pay promptly when due all taxes and assessments, as aforesaid, or fails to keep the improvements insured, as aforesaid, then Sellers may, but without being required to do so, pay such taxes and assessments and any sums which may be so paid out by Sellers therefore shall bear interest from the date of such payment at the highest rate allowed by law and shall be paid by Purchaser to Sellers upon written demand at the same place at which the hereinabove mentioned installments are payable.

(D) In the event Purchasers shall default in the prompt payment of said indebtedness or shall violate or ommit to perform any of the provisions of this Agreement and such default, violation or ommission shall continue for a period of 7 days and in any of such events Sellers may give thirty (30) days written notice to Purchasers, Purchasers expressly waiving further demand or notice, that unless Purchasers shall cure said default within said thirty (30) day period Sellers may declare the entire unpaid indebtedness, together with all interest then accrued thereon, immediately due and payable and enforce the collection thereof or declare this contract cancelled and of no further force and effect. In the event Sellers elect to declare this contract cancelled and of no further force and effect all monies that have been paid to or deposited with Sellers hereunder shall be forfeited and belong to Sellers as liquidated damages to compensate Sellers for breach of this contract and for rental and deterioration of the property. Immediately upon this contract being declared cancelled and of no further force and effect, all of the rights, claims and interests of the Purchasers in and to said property shall thereupon terminate and be at an end and the property shall unconditionally belong to Sellers.

7. Notwithstanding anything herein contained to the contrary it is agreed that if the herein described real property is used or to be used as the Purchasers residence, notice of Sellers intention to enforce the forfeiture and/or acceleration shall be in accordance with Article 1301b of the Revised Civil Statutes of Texas if in effect at the time of said notice of forfeiture and/or acceleration.

8. Neither this contract nor the property herein described may be assigned, sold, pledged, or mortgaged by the Purchasers without first obtaining the prior written consent of Sellers. Failure to obtain such consent shall be considered an event of default subject to paragraph 6(D) above.

9. It is agreed that written notice from Sellers addressed and mailed by certified or registered mail to the Purchasers at the address set forth after the Purchaser's signature below shall be sufficient notice of cancellation of this contract it being specifically agreed by Purchasers that no further notice shall be necessary.

10. No waiver by Sellers of any breach of any term, covenant or condition hereof shall be deemed a waiver of the same or subsequent breach of the same or any other term, covenant or condition. The acceptance of any installment payment by Sellers shall not be deemed a waiver of any earlier breach by Purchasers of any term, covenant or condition hereof regardless of Seller's knowledge of such breach when said payment is accepted. No covenant, term or condition of this agreement shall be deemed waived unless it is waived in writing.

11. This contract contains all of the terms and conditions of the agreement between Purchasers and Sellers. No statement, representation or warranty of any kind or nature whatsoever made by either party or by any other person shall be relied upon by either party unless included herein.

12. Until further notice all payments will be made by Purchasers to Sellers at Rt. 1 Box 458-A, Edinburg, Texas or Rt. 1 Box 449-D, Edinburg, Texas.

13. The terms and conditions of this Agreement shall be binding upon and shall inure to the benefit of the heirs, executors and legal representatives of Purchasers hereunder but no assignment or transfer by Purchasers under this contract or their interests in the property described shall be valid unless Purchasers shall comply with Paragraph 8 above.

The Honorable Ramon Garcia
Hidalgo County Commissioners
Edinburg, Texas 78539

Re: See attached list

Gentlemen:

The Hidalgo County District Court has ordered a correction to the tax roll as allowed by Property Tax Code Section 42.43. This correction decreased the tax liability of the property owner(s). Since taxes had been previously paid, our office determined that the tax roll correction resulted in a tax refund over $2,500.00 dollars due to the taxpayer(s). The County Auditor has also agreed with our determination. As a result, I respectfully request that the Commissioner's Court approve the enclosed application(s) for a tax refund as recommended by the County Auditor.

When completed, please return the attached to our office. Thank you for your assistance in this matter.

Respectfully,

Pablo (Paul) Villarreal, Jr., PCC

Re: See attached list

Gentlemen:

The Hidalgo County Appraisal District has made a correction to the tax roll as allowed by Property Tax Code Section 26.15. This correction decreased the tax liability of the property owner(s). Since taxes had been previously paid, our office determined that the tax roll correction resulted in a tax refund over $2,500.00 dollars due to the taxpayer(s). The County Auditor has also agreed with our determination. As a result, I respectfully request that the Commissioner's Court approve the enclosed application(s) for a tax refund as recommended by the County Auditor.

When completed, please return the attached to our office. Thank you for your assistance in this matter.

Respectfully,

Dear Mr. Rangel,

Enclosed please find an invoice for your dues to the Justices of the Peace and Constables Association of Texas (JPCA). Your timely remittance is most appreciated.

As Medina County Justice of the Peace, I've come to rely upon our Association for providing continued education, legislative representation, newsletters and expanded networking opportunities with my peers from across the state.

Special, members-only benefits include a brand new $5,000 Accidental Death and Dismemberment policy, discount registration to our annual conference and regular updates on legislation affecting our work.

The JPCA is committed to the educational needs of Texas Justice Courts and Constable offices through the Texas Justice Court Training Center. Please join me in supporting this organization that supports us so well and submit your JPCA membership dues today. This year the Texas Association of Counties will assist JPCA in the dues collection. Please make checks payable to TAC.

## HISTORICALLY UNDERUTILIZED BUSINESS (HUB) DECLARATION

The primary objective of the Hidalgo County HUB Program is to ensure Historically Underutilized Businesses receive a fair and equal opportunity for participation in the County's procurement process. The program strongly encourages Prime Contractors to provide subcontracting opportunities to Certified Hub Contractors/Vendors. Our goal for HUB contractor/vendor participation, as well as HUB subcontractor participation is 30%. To be considered as a "Certified HUB Contractor/Vendor" the contractor/vendor must have been certified by, and hold a current and valid certification with any of the three agencies listed below.

## General Instructions

**Future developments.** Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at *www.irs.gov/fw9*.

### Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

*If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding.* See *What is backup withholding?* on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

**Note.** If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

**Foreign person.** If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

**Nonresident alien who becomes a resident alien.** Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.

2. The treaty article addressing the income.

3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

***Example.*** Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

## Backup Withholding

**What is backup withholding?** Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

**Payments you receive will be subject to backup withholding if:**

1. You do not furnish your TIN to the requester,

2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

## What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

## Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

## Penalties

**Failure to furnish TIN.** If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**Civil penalty for false information with respect to withholding.** If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

**Misuse of TINs.** If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

# Specific Instructions

## Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account, list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

**Note. ITIN applicant:** Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C Corporation, or S Corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

## Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

## Line 3

Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

**Limited Liability Company (LLC).** If the name on line 1 is an LLC treated as a partnership for U.S. federal tax purposes, check the "Limited Liability Company" box and enter "P" in the space provided. If the LLC has filed Form 8832 or 2553 to be taxed as a corporation, check the "Limited Liability Company" box and in the space provided enter "C" for C corporation or "S" for S corporation. If it is a single-member LLC that is a disregarded entity, do not check the "Limited Liability Company" box; instead check the first box in line 3 "Individual/sole proprietor or single-member LLC."

## Line 4, Exemptions

If you are exempt from backup withholding and/or FATCA reporting, enter in the appropriate space in line 4 any code(s) that may apply to you.

**Exemption from FATCA reporting code.** The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

## Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns.

## Line 6

Enter your city, state, and ZIP code.

# Part I. Taxpayer Identification Number (TIN)

**Enter your TIN in the appropriate box.** If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on this page), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

**Note.** See the chart on page 4 for further clarification of name and TIN combinations.

**How to get a TIN.** If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at *www.ssa.gov*. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at *www.irs.gov/businesses* and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

**Note.** Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

**Caution:** *A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.*

## Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code* earlier.

**Signature requirements.** Complete the certification as indicated in items 1 through 5 below.

**1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.** You must give your correct TIN, but you do not have to sign the certification.

**2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.** You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

**3. Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.

**4. Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

**5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

## Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

**Protect yourself from suspicious emails or phishing schemes.** Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to *phishing@irs.gov*. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: *spam@uce.gov* or contact them at *www.ftc.gov/idtheft* or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.

## What is a Lease?

A lease is a contract made for the use of an asset. It is made between a lessor (the owner of the asset) and a lessee (the person who wants to use the asset).

You will hear the most about leasing houses and cars, but you can lease anything. Businesses routinely lease all sort of equipment, because the effect on the bottom line and on tax is favorable.

There is a considerable difference between leasing an asset and renting it. A lease contract is a strictly binding business agreement. The two parties make the agreement and neither one can deviate from its terms (without some very exceptional reason). Lease an apartment for three years, and you owe the rent on that apartment for the next three years month by month, and if you don't pay it, you will incur serious penalties.

This is very different from renting an apartment. Most rental contracts are covered by much more considerate terms for the tenant, who can move out early; arrange late payment in some cases, etc. That is why it is unusual for a landlord to lease an apartment to an individual – the laws covering rental contracts are better protection for both tenant and landlord. However, should a business seek an apartment to use, perhaps, for executives who visit the city from time to time, a leasing agreement might be favorable.

When agreeing to a lease, you will almost certainly be asked to make a deposit to cover risk of damages and non-payment. It should be clearly stated in the lease that the deposit is refundable.

## Leasing a Car

The most common form of leasing seen today is automobile leasing. This is not because leasing a car is cheaper than buying one – on the contrary, overall it's more expensive. But auto leasing has two principal benefits that make it very popular despite the expense: You can always drive a fairly new car, and it's always under warranty; and, for the same budget, you can often get a larger, more luxurious, better-equipped car.

## What is a Lease?

A lease is a contract made for the use of an asset. It is made between a lessor (the owner of the asset) and a lessee (the person who wants to use the asset).

You will hear the most about leasing houses and cars, but you can lease anything. Businesses routinely lease all sort of equipment, because the effect on the bottom line and on tax is favorable.

There is a considerable difference between leasing an asset and renting it. A lease contract is a strictly binding business agreement. The two parties make the agreement and neither one can deviate from its terms (without some very exceptional reason). Lease an apartment for three years, and you owe the rent on that apartment for the next three years month by month, and if you don't pay it, you will incur serious penalties.

This is very different from renting an apartment. Most rental contracts are covered by much more considerate terms for the tenant, who can move out early; arrange late payment in some cases, etc. That is why it is unusual for a landlord to lease an apartment to an individual – the laws covering rental contracts are better protection for both tenant and landlord. However, should a business seek an apartment to use, perhaps, for executives who visit the city from time to time, a leasing agreement might be favorable.

When agreeing to a lease, you will almost certainly be asked to make a deposit to cover risk of damages and non-payment. It should be clearly stated in the lease that the deposit is refundable.

## Leasing a Car

The most common form of leasing seen today is automobile leasing. This is not because leasing a car is cheaper than buying one – on the contrary, overall it's more expensive. But auto leasing has two principal benefits that make it very popular despite the expense: You can always drive a fairly new car, and it's always under warranty; and, for the same budget, you can often get a larger, more luxurious, better-equipped car.

(b) The prohibition in paragraph (a) of this clause does not preclude the Contractor from asserting rights that are otherwise authorized by law or regulation. (1) Unless exempted by an addendum to this contract, the Contractor is responsible during performance and through final payment of any contract for the accuracy and completeness of the data within the SAM database, and for any liability resulting from the ordering activity's reliance on inaccurate or incomplete data. To remain registered in the SAM database after the initial registration, the Contractor is required to review and update on an annual basis from the date of initial registration or subsequent updates its information in the SAM database to ensure it is current, accurate and complete. Updating information in the SAM does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.

(2) (i) If a Contractor has legally changed its business name, "doing business as" name, or division name (whichever is shown on the contract), or has transferred the assets used in performing the contract, but has not completed the necessary requirements regarding novation and change-of-name agreements in FAR Subpart 42.12, the Contractor shall provide the responsible Contracting Officer a minimum of one business day's written notification of its intention to (A) change the name in the SAM database; (B) comply with the requirements of Subpart 42.12; and (C) agree in writing to the timeline and procedures specified by the responsible Contracting Officer. contract will be considered to be incorrect information within the meaning of the "Suspension of Payment" paragraph of the electronic funds transfer (EFT) clause of this contract.

(3) The Contractor shall not change the name or address for EFT payments or manual payments, as appropriate, in the SAM record to reflect an assignee for the purpose of assignment of claims (see Subpart 32.8, Assignment of Claims). Assignees shall be separately registered in the SAM database. Information provided to the Contractor's SAM record that indicates payments, including those made by EFT, to an ultimate recipient other than that Contractor will be considered to be incorrect information within the meaning of the "Suspension of payment" paragraph of the EFT clause of this contract.

(4) Offerors and Contractors may obtain information on registration and annual confirmation requirements via SAM accessed through *https://www.acquisition.gov*.

(u) *Unauthorized Obligations*

(1) Except as stated in paragraph (u)(2) of this clause, when any supply or service acquired under this contract is subject to any End User License Agreement (EULA), Terms of Service (TOS), or similar legal instrument or agreement, that includes any clause requiring the Government to indemnify the Contractor or any person or entity for damages, costs, fees, or any other loss or liability that would create an Anti-Deficiency Act violation (31 U.S.C. 1341), the following shall govern:

(i) Any such clause is unenforceable against the Government.

(ii) Neither the Government nor any Government authorized end user shall be deemed to have agreed to such clause by virtue of it appearing in the EULA, TOS, or similar legal instrument or agreement. If the EULA, TOS, or similar legal instrument or agreement is invoked through an "I agree" click box or other comparable mechanism (e.g., "click-wrap" or "browse-wrap" agreements), execution does not bind the Government or any Government authorized end user to such clause.

(iii) Any such clause is deemed to be stricken from the EULA, TOS, or similar legal instrument or agreement.

(v) *Incorporation by reference.* The Contractor's representations and certifications, including those completed electronically via the System for Award Management (SAM), are incorporated by reference into the contract.

(ii) The conduct of one or more of the Contractor's employees selected or retained by the Contractor after any of the Contractor's managerial personnel has reasonable grounds to believe that the employee is habitually careless or unqualified.

(7) This clause applies in the same manner and to the same extent to corrected or replacement materials or services as to materials and services originally delivered under this contract.

(i) *Hourly rate*.

You created this PDF from an application that is not licensed to print to novaPDF printer (http://www.novapdf.com)

(A) The amounts shall be computed by multiplying the appropriate hourly rates prescribed in the contract by the number of direct labor hours performed. Fractional parts of an hour shall be payable on a prorated basis.

(B) The rates shall be paid for all labor performed on the contract that meets the labor qualifications specified in the contract. Labor hours incurred to perform tasks for which labor qualifications were specified in the contract will not be paid to the extent the work is performed by individuals that do not meet the qualifications specified in the contract, unless specifically authorized by the Contracting Officer.

(C) Invoices may be submitted once each month (or at more frequent intervals, if approved by the Contracting Officer) to the Contracting Officer or the authorized representative.

(D) When requested by the Contracting Officer or the authorized representative, the Contractor shall substantiate invoices (including any subcontractor hours reimbursed at the hourly rate in the schedule) by evidence of actual payment, individual daily job timecards, records that verify the employees meet the qualifications for the labor categories specified in the contract, or other substantiation specified in the contract.

(E) Unless the Schedule prescribes otherwise, the hourly rates in the Schedule shall not be varied by virtue of the Contractor having performed work on an overtime basis.

(1) If no overtime rates are provided in the Schedule and the Contracting Officer approves overtime work in advance, overtime rates shall be negotiated.

(2) Failure to agree upon these overtime rates shall be treated as a dispute under the Disputes clause of this contract.

(3) If the Schedule provides rates for overtime, the premium portion of those rates will be reimbursable only to the extent the overtime is approved by the Contracting Officer.

(ii) *Materials.*

(A) If the Contractor furnishes materials that meet the definition of a commercial item at 2.101, the price to be paid for such materials shall not exceed the Contractor's established catalog or market price, adjusted to reflect the –

(1) Quantities being acquired; and

(2) Any modifications necessary because of contract requirements.

(B) Except as provided for in paragraph (i)(1)(ii)(A) and (D)(2) of this clause, the ordering activity will reimburse the Contractor the actual cost of materials (less any rebates, refunds, or discounts received by the contractor that are identifiable to the contract) provided the Contractor –

(1) Has made payments for materials in accordance with the terms and conditions of the agreement or invoice; or

(2) Makes these payments within 30 days of the submission of the Contractor's payment request to the ordering activity and such payment is in accordance with the terms and conditions of the agreement or invoice.

(C) To the extent able, the Contractor shall –

(1) Obtain materials at the most advantageous prices available with due regard to securing prompt delivery of satisfactory materials; and

(2) Give credit to the ordering activity for cash and trade discounts, rebates, scrap, commissions, and other amounts that are identifiable to the contract.

(D) Other Costs. Unless listed below, other direct and indirect costs will not be reimbursed.

(1) *Other Direct Costs*. The ordering activity will reimburse the Contractor on the basis of actual cost for the following, provided such costs comply with the requirements in paragraph (i)(1)(ii)(B) of this clause: *_____*.

(2) *Indirect Costs (Material Handling, Subcontract Administration, etc.).* The ordering activity will reimburse the Contractor for indirect costs on a pro-rata basis over the period of contract performance at the following fixed price: *_____*.

(2) *Total cost.* It is estimated that the total cost to the ordering activity for the performance of this contract shall not exceed the ceiling price set forth in the Schedule and the Contractor agrees to use its best efforts to perform the work specified in the Schedule and all obligations under this contract within such ceiling price. If at any time the Contractor has reason to believe that the hourly rate payments and material costs that will accrue in performing this contract in the next succeeding 30 days, if added to all other payments and costs previously accrued, will exceed 85 percent of the ceiling price in the Schedule, the Contractor shall notify the Contracting Officer giving a revised estimate of the total price to the ordering activity for performing this contract with supporting reasons and documentation. If at any time during the performance of this contract, the Contractor has reason to believe that the total price to the ordering activity for performing this contract will be substantially greater or less than the then stated ceiling price, the Contractor shall so notify the Contracting Officer, giving a revised estimate of the total price for performing this contract, with supporting reasons and documentation. If at any time during performance of this contract, the ordering activity has reason to believe that the work to be required in performing this contract will be substantially greater or less than the stated ceiling price, the Contracting Officer will so advise the Contractor, giving the then revised estimate of the total amount of effort to be required under the contract.

(3) *Ceiling price*. The ordering activity will not be obligated to pay the Contractor any amount in excess of the ceiling price in the Schedule, and the Contractor shall not be obligated to continue performance if to do so would exceed the ceiling price set forth in the Schedule, unless and until the Contracting Officer notifies the Contractor in writing that the ceiling price has been increased and specifies in the notice a revised ceiling that shall constitute the ceiling price for performance under this contract. When and to the extent that the ceiling price set forth in the Schedule has been increased, any hours expended and material costs incurred by the Contractor in excess of the ceiling price before the increase shall be allowable to the same extent as if the hours expended and material costs had been incurred after the increase in the ceiling price.

(4) *Access to records.* At any time before final payment under this contract, the Contracting Officer (or authorized representative) will have access to the following (access shall be limited to the listing below unless otherwise agreed to by the Contractor and the Contracting Officer):

(i) Records that verify that the employees whose time has been included in any invoice meet the qualifications for the labor categories specified in the contract;

(ii) For labor hours (including any subcontractor hours reimbursed at the hourly rate in the schedule), when timecards are required as substantiation for payment –

(A) The original timecards (paper-based or electronic);

(B) The Contractor's timekeeping procedures;

(C) Contractor records that show the distribution of labor between jobs or

contracts; and

(D) Employees whose time has been included in any invoice for the purpose of verifying that these employees have worked the hours shown on the invoices.

(iii) For material and subcontract costs that are reimbursed on the basis of actual cost –

(A) Any invoices or subcontract agreements substantiating material costs; and

(B) Any documents supporting payment of those invoices.

(5) *Overpayments/Underpayments*. Each payment previously made shall be subject to reduction to the extent of amounts, on preceding invoices, that are found by the Contracting Officer not to have been properly payable and shall also be subject to reduction for overpayments or to increase for underpayments. The Contractor shall promptly pay any such reduction within 30 days unless the parties agree otherwise. The ordering activity within 30 days will pay any such increases, unless the parties agree otherwise. The Contractor's payment will be made by check. If the Contractor becomes aware of a duplicate invoice payment or that the ordering activity has otherwise overpaid on an invoice payment, the Contractor shall –

(i) Remit the overpayment amount to the payment office cited in the contract along with a description of the overpayment including the –

(A) Circumstances of the overpayment (e.g., duplicate payment, erroneous payment, liquidation errors, date(s) of overpayment);

(B) Affected contract number and delivery order number, if applicable;

(C) Affected contract line item or subline item, if applicable; and

(D) Contractor point of contact.

(ii) Provide a copy of the remittance and supporting documentation to the Contracting Officer.

(6) (i) All amounts that become payable by the Contractor to the ordering activity under this contract shall bear simple interest from the date due until paid unless paid within 30 days of becoming due. The interest rate shall be the interest rate established by the Secretary of the Treasury as provided in 41 U.S.C. 7109, which is applicable to the period in which the amount becomes due, as provided in (i)(6)(v) of this clause, and then at the rate applicable for each six-month period as fixed by the Secretary until the amount is paid.

(ii) The ordering activity may issue a demand for payment to the Contractor upon finding a debt is due under the contract.

(iii) *Final Decisions*. The Contracting Officer will issue a final decision as required by 33.211 if –

(A) The Contracting Officer and the Contractor are unable to reach agreement on the existence or amount of a debt in a timely manner;

(B) The Contractor fails to liquidate a debt previously demanded by the Contracting Officer within the timeline specified in the demand for payment unless the amounts were not repaid because the Contractor has requested an installment payment agreement; or

(C) The Contractor requests a deferment of collection on a debt previously demanded by the Contracting Officer (see FAR 32.607-2).

(iv) If a demand for payment was previously issued for the debt, the demand for payment included in the final decision shall identify the same due date as the original demand for

payment.

(v) Amounts shall be due at the earliest of the following dates:

(A) The date fixed under this contract.

(B) The date of the first written demand for payment, including any demand for payment resulting from a default termination.

(vi) The interest charge shall be computed for the actual number of calendar days involved beginning on the due date and ending on –

(A) The date on which the designated office receives payment from the Contractor;

(B) The date of issuance of a ordering activity check to the Contractor from which an amount otherwise payable has been withheld as a credit against the contract debt; or

(C) The date on which an amount withheld and applied to the contract debt would otherwise have become payable to the Contractor.

(vii) The interest charge made under this clause may be reduced under the procedures prescribed in 32.608-2 of the Federal Acquisition Regulation in effect on the date of this contract.

(viii) Upon receipt and approval of the invoice designated by the Contractor as the "completion invoice" and supporting documentation, and upon compliance by the Contractor with all terms of this contract, any outstanding balances will be paid within 30 days unless the parties agree otherwise. The completion invoice, and supporting documentation, shall be submitted by the Contractor as promptly as practicable following completion of the work under this contract, but in no event later than 1 year (or such longer period as the Contracting Officer may approve in writing) from the date of completion.

(7) *Release of claims.* The Contractor, and each assignee under an assignment entered into under this contract and in effect at the time of final payment under this contract, shall execute and deliver, at the time of and as a condition precedent to final payment under this contract, a release discharging the ordering activity, its officers, agents, and employees of and from all liabilities, obligations, and claims arising out of or under this contract, subject only to the following exceptions.

(i) Specified claims in stated amounts, or in estimated amounts if the amounts are not susceptible to exact statement by the Contractor.

(ii) Claims, together with reasonable incidental expenses, based upon the liabilities of the Contractor to third parties arising out of performing this contract, that are not known to the Contractor on the date of the execution of the release, and of which the Contractor gives notice in writing to the Contracting Officer not more than 6 years after the date of the release or the date of any notice to the Contractor that the ordering activity is prepared to make final payment, whichever is earlier.

(iii) Claims for reimbursement of costs (other than expenses of the Contractor by reason of its indemnification of the ordering activity against patent liability), including reasonable incidental expenses, incurred by the Contractor under the terms of this contract relating to patents.

(8) *Prompt payment.* The ordering activity will make payment in accordance with the Prompt Payment Act (31 U.S.C. 3903) and prompt payment regulations at 5 CFR part 1315.

You created this PDF from an application that is not licensed to print to novaPDF printer (http://www.novapdf.com)

(9) *Electronic Funds Transfer* (EFT). If the ordering activity makes payment by EFT, see 52.212-5(b) for the appropriate EFT clause.

(10) *Discount*. In connection with any discount offered for early payment, time shall be computed from the date of the invoice. For the purpose of computing the discount earned, payment shall be considered to have been made on the date that appears on the payment check or the specified payment date if an electronic funds transfer payment is made.

(j) *Risk of loss*. Unless the contract specifically provides otherwise, risk of loss or damage to the supplies provided under this contract shall remain with the Contractor until, and shall pass to the ordering activity upon:

(1) Delivery of the supplies to a carrier, if transportation is f.o.b. origin; or

(2) Delivery of the supplies to the ordering activity at the destination specified in the contract, if transportation is f.o.b. destination.

(k) *Taxes*. The contract price includes all applicable Federal, State, and local taxes and duties.

(l) *Termination for the ordering activity's convenience*. The ordering activity reserves the right to terminate this contract, or any part hereof, for its sole convenience. In the event of such termination, the Contractor shall immediately stop all work hereunder and shall immediately cause any and all of its suppliers and subcontractors to cease work. Subject to the terms of this contract, the Contractor shall be paid an amount for direct labor hours (as defined in the Schedule of the contract) determined by multiplying the number of direct labor hours expended before the effective date of termination by the hourly rate(s) in the contract, less any hourly rate payments already made to the Contractor plus reasonable charges the Contractor can demonstrate to the satisfaction of the ordering activity using its standard record keeping system that have resulted from the termination. The Contractor shall not be required to comply with the cost accounting standards or contract cost principles for this purpose. This paragraph does not give the ordering activity any right to audit the Contractor's records. The Contractor shall not be paid for any work performed or costs incurred that reasonably could have been avoided.

(m) *Termination for cause.* The Government may terminate this contract, or any part hereof, for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any contract terms and conditions, or fails to provide the Government, upon written request, with adequate assurances of future performance. Subject to the terms of this contract, the Contractor shall be paid an amount computed under paragraph (i) Payments of this clause, but the “hourly rate” for labor hours expended in furnishing work not delivered to or accepted by the Government shall be reduced to exclude that portion of the rate attributable to profit. Unless otherwise specified in paragraph (a)(4) of this clause, the portion of the “hourly rate” attributable to profit shall be 10 percent. In the event of termination for cause, the Contractor shall be liable to the Government for any and all rights and remedies provided by law. If it is determined that the Government improperly terminated this contract for default, such termination shall be deemed a termination for convenience.

(n) *Title*. Unless specified elsewhere in this contract, title to items furnished under this contract shall pass to the ordering activity upon acceptance, regardless of when or where the ordering activity takes physical possession.

(o) *Warranty*. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

(p) *Limitation of liability*. Except as otherwise provided by an express warranty, the Contractor will not be liable to the ordering activity for consequential damages resulting from any defect or deficiencies in accepted items.

(q) *Other compliances*. The Contractor shall comply with all applicable Federal, State and local laws, executive orders, rules and regulations applicable to its performance under this contract.

(r) *Compliance with laws unique to Government contracts*. The Contractor agrees to comply with 31 U.S.C. 1352 relating to limitations on the use of appropriated funds to influence certain Federal contracts; 18 U.S.C. 431 relating to officials not to benefit; 40 U.S.C. 3701, et seq., Contract Work Hours and Safety Standards Act; 41 U.S.C. 51-58, Anti-Kickback Act of 1986; 41 U.S.C. 4712 and 10 U.S.C. 2409 relating to whistleblower protections; 49 U.S.C. 40118, Fly American; and 41 U.S.C. 423 relating to procurement integrity.

(s) *Order of precedence*. Any inconsistencies in this solicitation or contract shall be resolved by giving precedence in the following order: (1) the schedule of supplies/services; (2) the Assignments, Disputes, Payments, Invoice, Other Compliances, Compliance with Laws Unique to Government Contracts, and Unauthorized Obligations paragraphs of this clause; (3) the clause at 52.212-5; (4) addenda to this solicitation or contract, including any license agreements for computer software; (5) solicitation provisions if this is a solicitation; (6) other paragraphs of this clause; (7) the Standard Form 1449; (8) other documents, exhibits, and attachments; and (9) the specification.

(t) *System for Award Management (SAM).*

(1) Unless exempted by an addendum to this contract, the Contractor is responsible during performance and through final payment of any contract for the accuracy and completeness of the data within the SAM database, and for any liability resulting from the ordering activity's reliance on inaccurate or incomplete data. To remain registered in the SAM database after the initial registration, the Contractor is required to review and update on an annual basis from the date of initial registration or subsequent updates its information in the SAM database to ensure it is current, accurate and complete. Updating information in the SAM does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.

(2) (i) If a Contractor has legally changed its business name, "doing business as" name, or division name (whichever is shown on the contract), or has transferred the assets used in performing the contract, but has not completed the necessary requirements regarding novation and change-of-name agreements in FAR Subpart 42.12, the Contractor shall provide the responsible Contracting Officer a minimum of one business day's written notification of its intention to (A) change the name in the SAM database; (B) comply with the requirements of Subpart 42.12; and (C) agree in writing to the timeline and procedures specified by the responsible Contracting Officer. The Contractor must provide with the notification sufficient documentation to support the legally changed name.

(ii) If the Contractor fails to comply with the requirements of paragraph (t)(2)(i) of this clause, or fails to perform the agreement at paragraph (t)(2)(i)(C) of this clause, and, in the absence of a properly executed novation or change-of-name agreement, the SAM information that shows the Contractor to be other than the Contractor indicated in the contract will be considered to be incorrect information within the meaning of the "Suspension of Payment" paragraph of the electronic funds transfer (EFT) clause of this contract.

(3) The Contractor shall not change the name or address for EFT payments or manual payments, as appropriate, in the SAM record to reflect an assignee for the purpose of assignment of claims (see Subpart 32.8, Assignment of Claims). Assignees shall be separately registered in the SAM database. Information provided to the Contractor's SAM record that indicates payments, including those made by EFT, to an ultimate recipient other than that Contractor will be considered to be incorrect information within the meaning of the "Suspension of payment" paragraph of the EFT clause of this contract.

(4) Offerors and Contractors may obtain information on registration and annual confirmation requirements via SAM accessed through *https://www.acquisition.gov*.

(u) *Unauthorized Obligations*

(1) Except as stated in paragraph (u)(2) of this clause, when any supply or service acquired under

this contract is subject to any End User License Agreement (EULA), Terms of Service (TOS), or similar legal instrument or agreement, that includes any clause requiring the Government to indemnify the Contractor or any person or entity for damages, costs, fees, or any other loss or liability that would create an Anti-Deficiency Act violation (31 U.S.C. 1341), the following shall govern:

(i) Any such clause is unenforceable against the Government.

(ii) Neither the Government nor any Government authorized end user shall be deemed to have agreed to such clause by virtue of it appearing in the EULA, TOS, or similar legal instrument or agreement. If the EULA, TOS, or similar legal instrument or agreement is invoked through an "I agree" click box or other comparable mechanism (e.g., "click-wrap" or "browse-wrap" agreements), execution does not bind the Government or any Government authorized end user to such clause.

(iii) Any such clause is deemed to be stricken from the EULA, TOS, or similar legal instrument or agreement.

(2) Paragraph (u)(1) of this clause does not apply to indemnification by the Government that is expressly authorized by statute and specifically authorized under applicable agency regulations and procedures.

(v) *Incorporation by reference.* The Contractor's representations and certifications, including those completed electronically via the System for Award Management (SAM), are incorporated by reference into the contract.
