Heidi,

Please find attached the draft services agreement for online pharmacy services with suggested revisions. Including, additions of provisions from other service contracts and removal of references to Physician. Please note, revisions to exhibit A and Exhibit B pages to reflect language regarding the proposal packet on first page of contract rather than physician documentation. Please verify if language is correct.

With the inclusion of the revision made on the attached form it is approved as to form. Please let us know if you have any questions.

Thank you,

**Robert Viña III**

Hi Robert:

Attached you will find the draft contract on the above-referenced project. The Health Dept and Precinct 2 are requesting that the packet is placed on the agenda for the 30th for authority to advertise. I am certain that there will be changes for the final contract, however, I just need the draft to complete my packet. Please let me know if you need anything else.

Thank you,

Heidi
