Sec. 262.027. AWARDING OF CONTRACT. (a) The officer in charge of opening the bids shall present them to the commissioners court in session. Except as provided by Subsection (e), the court shall:

(1) award the contract to the responsible bidder who submits the lowest and best bid; or

(2) reject all bids and publish a new notice.

(b) If two responsible bidders submit the lowest and best bid, the commissioners court shall decide between the two by drawing lots in a manner prescribed by the county judge.

(c) A contract may not be awarded to a bidder who is not the lowest dollar bidder meeting specifications unless, before the award, each lower bidder is given:

(1) notice of the proposed award; and

(2) an opportunity to appear before the commissioners court and present previously unconsidered evidence concerning the lower bid as best, which may include evidence of the bidder's responsibility.

(d) In determining the lowest and best bid for a contract for the purchase of earth-moving, material-handling, road maintenance, or construction equipment, the commissioners court may consider the information submitted under Section 262.0255.

(e) In determining the lowest and best bid for a contract for the purchase of road construction material, the commissioners court may consider the pickup and delivery locations of the bidders and the cost to the county of delivering or hauling the material to be purchased. The commissioners court may award contracts for the purchase of road construction material to more than one bidder if each of the selected bidders submits the lowest and best bid for a particular location or type of material.

(f) Notwithstanding any other requirement of this section, the commissioners court may condition acceptance of a bid on compliance with a requirement for attendance at a mandatory pre-bid conference under Section 262.0256.

(g) If after the award the successful bidder fails to qualify for required bonds, or is otherwise unable to meet the requirements of the award, the commissioners court may award the contract to the next bidder in order of ranking as lowest and best bid.

(h) Before a contract is awarded, a bidder must give written notice to the officer authorized to open bids that the bidder intends to protest an award of the contract under Subsection (c). This subsection does not limit the ability of a bidder to speak at a public meeting of the commissioners court under rules established by the court.
