Rocio:

Thank you for sending the missing insurance certificate for the exhibit to the amendment to the architect's agreement. Note that some of the coverage expires on July 1, so if the approval of the amendment is delayed, the exhibit will need to be replaced. (The architect should provide an updated certificate next month even if the amendment is executed Tuesday with this one.)

With respect to the amendment itself, the version attached to your email is not the most recent one and should not be used. I scanned the most recent version with the insurance certificate exhibit added to it, and it is attached to this amendment.

If anyone has any further comments or questions on this version of the amendment, please let me know as soon as possible.

Thank you,

Debra L. Goetz
