**GARED®** services the after-market, retail, and custom gymnasium structure markets, and have become the leader in innovative product design, precision engineering, and premium manufacturing of sports equipment. Our centrally located manufacturing and warehouse facilities, and new state-of-the-art powder coating operation in Noblesville, Indiana have enabled us to offer our customers shorter lead times and more economical shipping costs. We sell our products through a trusted network of dealers across the United States and around the world.

**GARED®** is a supporting member of many prominent domestic organizations as well as international governing bodies for sports. In addition, our products meet the safety guidelines of the Consumer Product Safety Commission (CPSC), and we continually strive to lower our carbon footprint through sustainable design and recycling of raw materials. **GARED®** is a member of the GARED Holdings, LCC family of brands along with industry-leading brands: **GARED®** Hoops, **GARED INTERNATIONAL**, and **PERFORMANCE SPORTS SYSTEMS®**.

Much has changed in sports over the years since our establishment in 1922. Games are now faster, more intense, and competitive. As the games have changed, **GARED®** has met these challenges, by constantly improving the design, strength and durability of our sports equipment. We continue to build on past expertise while shaping the future of the sports that we serve. Our sports equipment is found in a variety of venues; in pro-arenas and universities across the world, school yards, parks, high school gymnasiums, both in big cities and small towns, and in the driveways and home courts of people who recognize the value of reliability and product quality.

**DON'T STAND ON THE SIDELINES –  
GET IN THE GAME WITH GARED!**

### ABOUT PLAYRX

For over ninety years GARED has set the standard for the manufacturing of athletic equipment. Whether in a school gymnasium, city park, or recreation center - sports equipment that is in good working condition benefits players, fans, and communities alike. It has a nicer appearance and encourages better play - keeping everyone coming back for more! As play environment experts we want to help you keep your play environments safe and inviting for all your players. In order to help accomplish this we created the **PlayRX®** program which consists of two levels: self evaluation inspection or certified inspection.

**LEVEL ONE** is a GARED guided visual inspection of your play environment through the means of our equipment checklist. Don't risk the safety and enjoyment of your players and fans by providing them with poorly-operating equipment. Our checklist provides you with our decades of experience of what and where to look for common problems that can plague your athletic equipment. Then through an easily calculated score card, we help you determine if replacement or further inspections is required for your equipment. As we all know an ounce of prevention is worth a pound of cure so early diagnosis is critical to keeping your court or field ready for play!

**LEVEL TWO** is the answer when further diagnosis or replacement is required. Look no further than GARED's factory certified, thoroughly experienced, **PlayRX® DEALER NETWORK** for assistance! Let GARED guide you to the local representative to help you solve your problems by recommending one of these GARED tested and approved representatives in your area to help you fix those athletic equipment ills that are beyond your facilities capabilities.

Regardless of your equipment's age, origin, or level of disrepair, GARED's PlayRX® program has your remedy.

**GARED HAS YOUR PRESCRIPTION FOR FUN!**

Guadalupe,

BuyBoard contract pricing does not include payment/performance bonding or insurance coverage. Members must evaluate each project to determine if there is a need for bonding or insurance. This includes, without limitation, workers' compensation insurance as may be require by State or local law. If it is determined that bonding or insurance is required, it is up to each member to work with the vendor to obtain bonding or insurance from the vendor. This charge is part of the project, and is the responsibility of the project owner to reimburse.

All of the products quoted include references to BuyBoard. The vendor has grouped the products based on their type.

Page 1 shows all actual park products, with a sub-total of \$45,695, then the 5% discount (\$-2284.75), which is in compliance.

Safety surfacing on page 2 (Flexiturf) shows list price as well as 5% BuyBoard discount, which is in compliance.

Gared Sports items show list price as well as 5% BuyBoard discount, which is in compliance.

Installation is priced based on the overall size of the project, and is covered under the contract.

Performance/Payment Bond is to be billed to the County at the actual cost of the Bond (vendor cannot add additional fees).

The quote is in full compliance with the vendor's award under BuyBoard

Contract 512-16.

Respectfully,

Connie W. Burkett, *CTSBS*

Mrs. Burkett:

Can you please verify that all items on the attached quote are per Contract # 512-16.

I am concerned specifically with the last quoted item labeled BOND in the amount of \$3,543.00 I have never seen this charge added to any buyboard quote before, it is my understanding that this charge is an administrative cost to the company.

I also see that under the item column they list items as buyboard and others are listed probably from different vendors, is this allowed thru the Buyboard contract # 512-16?

Please advise me as soon as possible, as I would like to place order this week.

Thank you and have a blessed day!

**Respectfully submitted,**

### **Bonding Regulatory Notice**

BuyBoard contract pricing does not include bonding or insurance. Each entity must assess their individual projects to determine the need for bonding and insurance, including without limitation such workers' compensation insurance as may be required by state or local law or policy. If required, it is the responsibility of each entity to obtain such bonding and insurance or confirmation of coverage, as applicable, from the vendor.

Also, each entity must assess their individual projects to determine whether the project is subject to prevailing wage rate requirements under the federal Davis Bacon Act or state or local law. If any such requirements apply, it is the responsibility of each entity to take appropriate action to determine compliance by the vendor.

The Texas Professional Services Procurement Act, Chapter 2254 of the Texas Government Code ("Act"), prohibits a governmental entity from using a competitive bid process that initially considers price in the procurement of professional services covered under the Act. "Professional services" under the Act includes, but is not limited to, professional engineering, architecture, accounting, landscape architecture, land surveying, and real estate appraisal services. Additionally, the Texas Interlocal Cooperation Act provides that a governmental entity may not use an interlocal contract with a purchasing cooperative to purchase engineering or architectural services (Texas Government Code, Section 791.011(h)). BuyBoard® contracts do not, and are not intended to, include professional services that must be procured in accordance with the Act. Cooperative members are reminded that they must comply with the Act whenever a contract includes professional services as a component part, and may not procure engineering or architectural services through a BuyBoard contract.

### Request for Taxpayer Identification Number and Certification

Give form to the requester. Do not send to the IRS.

Print or type  
See Specific Instructions on page 2.

Name (as shown on your income tax return)  
**Exerplay, Inc**

Business name, if different from above

Check appropriate box:  Individual/Sole proprietor  Corporation  Partnership  Other  Exempt from backup withholding

Address (number, street, and apt. or suite no.)  
**PO Box 1160**

City, state, and ZIP code  
**Cedar Crest, NM 87008**

List account number(s) here (optional)

Requester's name and address (optional)

#### Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

---	---	---	---	---	---	---	---	---

**Note.** If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

#### Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
- I am a U.S. person (including a U.S. resident alien).

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

#### Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

**U.S. person.** Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee.

In 3 above, if applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

**Note.** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes, you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or
- Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
