Marty,

I don't believe these would require 1295 disclosure forms. At least one is with another governmental unit. Further, they are not contracts for goods and services in the typical sense. There is no value or consideration being exchanged, but rather a mutual benefit for training and a public purpose.

Counselors:

Please clarify this issue: S/O points out that this type of agreement does not involve any fiscal impact, but merely gives Sheriff's Office ability to "ride along" to gain experience/education.

We await your response.

Yours truly,

Good Afternoon,

Attached is one of the agreements I spoke to you about earlier. I have an agreement for Medicare EMS, Hidalgo County EMS, Knapp Medical Center, City of Weslaco Fire Department EMS and Four Paws Animal Hospital. We would like to get this on the agenda for the following Commissioner's Court set for June 27, 2017 but wanted to verify if a 1295 form would be needed for each. Thank you for your assistance.
