RE: Certification of Revenue

Dear Judge and Commissioners:

Pursuant to Local Government Code § 111.07075 SPECIAL BUDGET FOR REVENUE RECEIVED AFTER START OF FISCAL YEAR.

The county auditor shall certify to the commissioners court the receipt of revenue from a new source not anticipated before the adoption of the budget and not included in the budget for that fiscal year. On certification, the court may adopt a special budget for the limited purpose of spending the revenue for general purposes or for any of its intended purposes.

I, Ray Eufrazio, County Auditor of Hidalgo County, certify to the Hidalgo County Commissioners Court the revenue received from a transfer from Jail Commissary Trust Fund in the amount of \$236,350.00 to fund the upgrade of MTI Security Control System at the Hidalgo County Adult Detention Center. These funds may now be made available by creating a new special budget or amending a current budget for its intended purposes.

Subject: Re: Use of Commissary Funds

Chief,

As our office has previously advised, the Texas Local Government Code dictates that the sheriff or the sheriff's designee may use commissary proceeds for a limited number of purposes, one of which is:

"[to] fund physical plant improvements, technology, equipment, programs, services, and activities that provide for the well-being, health, safety, and security of the inmates and the facility."

Tex. Loc. Gov't Code §351.0415(c)(5).

To the extent the proposed purchases will be used for the well being, health, and safety of inmates, and without further guidance that such purchases are not prohibited by section 351.0415(c)(5), it is likely the Sheriff's Office may use these funds for the proposed expenses.

As we have previously noted, the Sheriff has wide discretion to determine how to use these funds to meet the needs of the inmates and the facility. The improvements and replacement of security systems, monitors, etc., which you have described below appear to be permissible purchases in accordance with the applicable code provisions.

Should you need any further assistance from our office, please feel free to contact me.

Thank you,

Good afternoon Ms. Ramirez,

As is our established protocol, prior to the use of Commissary Funds for building renovations, we are submitting to your office to for review to determine if the projects meet the requirements of the Texas Local Government Code Section 351.0415

Sec. 351.0415. COMMISSARY OPERATION BY SHERIFF OR PRIVATE VENDOR. (a) The sheriff of a county or the sheriff's designee, including a private vendor operating a detention facility under contract with the county, may operate, or contract with another person to operate, a commissary for the use of the inmates committed to the county jail or to a detention facility operated by the private vendor, as appropriate. The commissary must be operated in accordance with rules adopted by the Commission on Jail Standards.

(b) The sheriff or the sheriff's designee:

(1) has exclusive control of the commissary funds;

(2) shall maintain commissary accounts showing the amount of proceeds from the commissary operation and the amount and purpose of disbursements made from the proceeds; and

(3) shall accept new bids to renew contracts of commissary suppliers every five years.

(c) The sheriff or the sheriff's designee may use commissary proceeds only to:

- (1) fund, staff, and equip a program addressing the social needs of the inmates, including an educational or recreational program and religious or rehabilitative counseling;
- (2) supply inmates with clothing, writing materials, and hygiene supplies;
- (3) establish, staff, and equip the commissary operation and fund the salaries of staff responsible for managing the inmates' commissary accounts;
- (4) fund, staff, and equip both an educational and a law library for the educational use of inmates; or
- (5) fund physical plant improvements, technology, equipment, programs, services, and activities that provide for the well-being, health, safety, and security of the inmates and the facility.

We have three proposed new projects that would require the use of commissary funds.

The first project is for the purchase and installation of cameras and camera monitoring system (monitors, dvr's, cabling etc) for the recreation yards in three sections of the jail that are not in the direct view of the officer assigned to the pod control. This will allow the officer to monitor from his control point existing cameras to now include inmates in the recreation yard thus enhancing the security and safety of the inmates.

The second for the purchase and installation of monitors with hardware and software. Monitors will be placed outside of the holding cells. The purpose of the holding cell monitors for a continues broadcast of inmate rules and information specific for inmates regarding visitation and commissary. Monitors will be placed in the visitation lobby's for the transmission of information to the inmates families regarding visitation rules, dates, how to deposit money in the inmates accounts for commissary, how to submit medication for inmates and how to file complaints.

The third project is a total upgrade of the current facility security control points through the pods and central control with new hardware and upgraded software that is responsible for security functions (i.e. cell doors opening and closing, locks, alarms etc.) that are antiquated (installed in 2002 for jail opening in 2003).

The listed projects would be a benefit to the inmates well-being, health and safety. We would work with the Hidalgo County Purchasing Department to ensure that all purchasing laws are followed. Once a vendor has been selected and the cost of each projects is known, we will transfer the appropriate amounts for the Purchase Orders as has been the practice to date.

These projects are essential for safe operations. Funding is available in Commissary accounts.

Thank you in advance for your attention to this request.

Chief Roy Quintanilha
