

The screenshot displays the 'Hidalgo County Basemap' web application. The main map area shows an aerial view of a rural landscape with several rectangular fields and small ponds. A road labeled 'BRUSHLINE' runs horizontally across the middle of the map. A yellow highlight is placed at the intersection of this road and a road running vertically from the bottom towards the center. The text 'BRUSHLINE' is also written vertically along the bottom road. In the bottom right corner, there is a circular seal for 'THE COUNTY OF HIDALGO TEXAS' featuring a star and a wreath. Below the seal is a scale bar labeled '1000 ft' and a coordinate string: '98° 01' 11" W 26° 33' 57" N'. The top of the interface has a blue navigation bar with a search bar containing the text 'Enter address', a 'Contact' link, and buttons for 'More...' and 'Basemap'. The Esri logo is in the bottom right corner of the map area.
