Marty,

I have received notice from the SO that they have a couple of purchases they would like to proceed with using commissary and requesting legal guidance on the appropriate use. I have responded and will forward to you separately. The attached may be the services/items requested by way of the request for legal opinion.

I have reviewed the attached Professional Services Agreement with Tyler for upgrades to the SO's use of the Odyssey systems and approve as to the form of the agreement.

Thank you,

Josephine Ramirez Solis

Subject: FW: Odyssey Upgrades Agreements Question

Good afternoon Ms. Salazar,

Can you please provide me with the status on the mentioned items.

Should we place as an Agenda item or do we proceed in a different manner?

Being that we are in the process of changing the inmate phone system at the jail and we will

be using the inmates' SO # for this new system we do need this expedited. Please advise as to how to proceed.

Thank you,

Subject: Odyssey Upgrades Agreements Question

Good morning Ms. Salazar,

Attached are two upgrade agreements from Odyssey.

One is to make some modifications to our current inmate wristbands and the other is to upgrade the commissary system

to allow more than one person to access the system at one time. I am wondering what we would need to do to proceed in this case.

These two upgrades will be paid from our Commissary account. Please advise if we can just proceed with placing an item on Commissioners' Court

authorizing Sheriff Guerra to sign as authorized official or if we should follow a different process.

Thank you,

Rosie Gonzalez
