Good morning!

Attached you will find the quotes that were submitted to our County from Freightliner and Bergkamp. We're trying to purchase a pothole patcher and the chassis with one purchase order.

Can you verify pricing for it? Once price verification is done, will you please send me a copy of your backup for auditing purposes, and a notice in letterhead stating it's pricing is compliant to each of their contracts. I ask that it be sent in PDF file, as our email will reject any emails with any other type of attachments.

If either of you need guidance on how to turn a Word document into a PDF file, please do not hesitate to call. I'd be more than happy to help.

Thank you!

BR
