Good Morning Mr. Gallardo,

I am writing this to state that Cantera is willing to donate an estimated 80 yards of caliche at the Bright & Shiff 3 and 4 locations belonging to Cantera. Cantera easements at no cost to Hidalgo County Pct 3. Estimated value of the medium grade caliche is \$12.50 a yard at 80 yards estimated cost is \$1000. Cantera will not be liable or accrue any cost for loading or hauling caliche. Cantera will have a representative on call when loading and hauling is in progress.

Thank you,

Production Supervisor
