Subject: Request Auditorium & Historic Courthouse Tour

Good afternoon Mr. Balde Guerra,

I spoke to Judge Ramon Garcia regarding our up coming tour of downtown and he mentioned reaching out to you for use of the courthouse auditorium. I understand Judge Mary Alice Palacios also spoke to you about our request and support of our tour.

Our group would like to request the use of the Courthouse Auditorium on Saturday morning August 26th for purposes of discussion and courthouse building tour after our walk of the Museum of South Texas History, Citrus Theater and Courthouse square.

Time would be around 10:30 am.

At this time we have roughly 35 registered participants.

We appreciate your assistance with this educational tour for the community - theme "What is YOUR Vision for Downtown?"

If there is a form to fill out and/or a fee, Mr. Felipe Garcia, Esq. is graciously sponsoring this portion of the tour.

Please confirm receipt and approval.

Best,

BUILDr gv
