Edna,

I need to fund the attached custom report. We can refer to the original Tyler Tech contract through the recently approved Sole Source.

We can pay for this out of 200-002 OBJ 336. This is for an Odyssey wide enhancement.

Thanks!

Sorry for the delay but the Professional Services team needs to see what they can do. They are leaning towards this scenario so please let me know if this would work? I attached the original PS agreement that has yet to be modified.

"They suggest ADDING the words "Custom Report" to the description but Conversion Services is our labor category and wouldn't align when our auditors review things. Adding it would be a win/win for both".

Thanks.

Hi Larry

Renan would like to know if the wording on the description "conversion services" can be changed to "custom report". Our Auditor may have a problem with that description.
