The Proposal Invitation seeks base pricing for vehicles. Optional equipment is not to be listed in a base price since options will be selected by the Cooperative member at time of order. All options are to be priced at standard government pricing. A COMPLETE LIST OF ALL OPTIONAL EQUIPMENT MUST BE SUBMITTED WITH PROPOSAL FOR PROPOSAL TO BE CONSIDERED. The Cooperative considers an option listed and priced in a proposal response to be a "Published Option", part of any awarded contract, and available for purchase by members separately and independently from associated base price items. Any option that has not been listed and priced in the response is considered to be an "Unpublished Option". Unpublished Options may be sold, but only in connection with the sale of an awarded base product item, and only if the total cost of all "Unpublished Options" remains below twenty-five percent (25%) of the total cost of the base product plus any Published Options. No Published or Unpublished Option may be sold which essentially converts a Product such that it competes with a Product Item awarded to another Vendor.

AWARD AND EVALUATION

This contract will be awarded based on the evaluation and award criteria set out in Section C.2 of the General Terms and Conditions to provide best value to Cooperative members. Awarded proposals will not be active on the BuyBoard until price sheets or catalogs are submitted in the proper format to be posted to the BuyBoard.

This Proposal Invitation requires Proposers to provide certain information that the Cooperative does not evaluate and is not included in the award criteria set out in Section C.2. The Cooperative requests the information, however, because it may be relevant to federal, state or local procurement law or other legal requirements that apply to various Cooperative members. The information, which will be made available to Cooperative members with respect to awarded Vendors, includes the following:

- a) Proposer's status as a minority/woman-owned business enterprise, historically underutilized business, or service-disabled veteran;
- b) Whether Proposer or its ultimate parent or majority owner has its principal place of business in Texas or employs at least 500 persons in Texas; and
- c) Whether Proposer is a Texas resident or a non-resident business.

TYPE OF CONTRACT

This is a "sealed proposal" based on unit prices and discount off catalog or price list and may contain a not-to-exceed hourly labor rate. All discount percentages shall remain firm for the duration of the contract. In the event of price decreases, such price decreases shall be allowed for all products. Catalog/pricelist must be submitted with the Proposal.

By signing this Proposal, the Proposer certifies that the proposing entity has obtained, and will continue to maintain during the entire term of this contract, all permits, approvals, or licenses, necessary for lawful performance of its obligations under this contract. Individual Cooperative members may in certain circumstances request background checks on an awarded Vendor's employees who will have direct contact with students, or for other reasons, and may require Vendor to pay the cost of obtaining criminal history information.

BUYBOARD ADVISORY REGARDING CONSTRUCTION-RELATED GOODS AND SERVICES

The Cooperative issued the Construction-Related Goods and Services Advisory, which provides information specifically relevant to the procurement of construction-related goods and services by Texas Cooperative members. The Advisory is included as Form F in the Proposal Forms associated with this Proposal Invitation. Because many BuyBoard contracts include goods or installation services that might be considered construction-related, Proposer should sign and submit Form F regardless of type of goods or services associated with this Proposal Invitation.

Every™ Confidence.

You can have confidence knowing that your Cummins 2017 engine is backed by the total coverage of Cummins Base Warranty and Extended Coverage plans.

Every major component, from the air handling to the exhaust aftertreatment* – including those in the Single Module™ aftertreatment system and Cummins Aftertreatment System – is included under the Base Warranty.

In addition to the Base Warranty, Cummins offers a selection of Extended Coverage plans that provide extra protection for your business against major unexpected repair expenses. These protection plans provide financial peace of mind, insuring you against unforeseen expenses for years to come. And they can be included in the financing of your new truck for just dollars a day.

Cummins Extended Coverage plans are honored at all authorized Cummins service locations and backed by Cummins Care. No matter where your business takes you, you've always got a Cummins-authorized service facility nearby, with over 3,500 locations in North America. So you can be assured that every contingency is covered. Best of all, those facilities will handle every bit of paperwork associated with your warranty repair.

*Does not include air cleaner, intake pipes, exhaust pipes or mounting hardware.

L9 Base Warranty.

The L9 Base Warranty is good for 2 years/250,000 miles (402,336 km), whichever occurs first, and includes virtually everything at no additional cost:

2-Year/250,000-Mile (402,336 km) Coverage

- 100 percent parts and labor on warrantable failures*
- Travel or towing when an engine is disabled by a warrantable failure (from date of delivery through the first year)
- Consumables not reusable due to covered failure
- No deductible
- Includes aftertreatment

*Warrantable failures are those due to defects in Cummins material or factory workmanship.

~~B6.7 Base Warranty.~~

~~As part of Cummins commitment to add value for our customers, we've increased the Base Warranty for the market-leading B6.7 by 50 percent in 2017, from 2 years/unlimited mileage to 3 years/unlimited mileage.~~

~~3-Year/Unlimited-Mileage Coverage~~

- ~~■ 100 percent parts and labor on warrantable failures*~~
- ~~■ Travel or towing when an engine is disabled by a warrantable failure (from date of delivery through the duration of the 3-year Base Warranty)~~
- ~~■ Consumables not reusable due to covered failure~~
- ~~■ No deductible~~

Terms and Conditions for Allison Transmission Coverage

Effective Dates

Transmission coverage effective dates as shown below are based upon individual agreements entered into between the OEM and Allison.

Navistar	Vehicles built on or after April 11, 2011.
Hino	Vehicles built on or after December 15, 2011.
American LaFrance	Vehicles built on or after January 1, 2012.

All other OEMs referenced on the cover of this guide are eligible to receive Partnership Coverage and Extended Transmission Coverage, so long as they meet the Extended Transmission Coverage requirements listed below.

NOTE: Stated prices are effective for Extended Transmission Coverage purchased in 2016.

Transmission Coverage Definitions And Requirements

Standard Limited Warranty

All Allison transmissions carry a comprehensive Standard Limited Warranty covering 100% parts and labor. The length of Standard Limited Warranty coverage depends upon the Vocational Model Series and vehicle vocation.

REQUIREMENTS: Use of Allison Approved TES 295[®] transmission fluid** and Genuine Allison Filters is required to be eligible for Partnership Transmission Coverage and Extended Transmission Coverage. Failure to use Allison Approved TES 295[®] transmission fluid and Genuine Allison Filters during the Standard Limited Warranty coverage period will result in no additional coverage options beyond Standard Limited Warranty.

Partnership Coverage

Some Allison-equipped vehicles purchased through Allison Partnerships carry Partnership Coverage. Partnership Coverage begins at the end of the Standard Limited Warranty period. Duration of Partnership Coverage varies depending upon the Vocational Model Series purchased.

REQUIREMENTS: Use of Allison Approved TES 295[®] transmission fluid and Genuine Allison Filters is required. Failure to use Allison Approved TES 295[®] transmission fluid and Genuine Allison Filters will result in no coverage for repairs beyond Standard Limited Warranty.

NOTE: Except as noted, all transmissions with Partnership Coverage beyond Standard Limited Warranty have 100% parts and labor coverage with no mileage limitations.

Extended Transmission Coverage***

In addition to Partnership Coverage, transmissions purchased through Allison Partnerships are eligible for Extended Transmission Coverage. Extended Transmission Coverage can be purchased on all models to increase coverage to a total of five years. Extended Transmission Coverage can be purchased on Highway Series, P&D/Beverage, to increase coverage to a total of seven years. Extended Transmission Coverage begins at the end of Partnership Coverage and is available for purchase through Allison Authorized Distributors and Dealers.

REQUIREMENTS: Use of Allison Approved TES 295[®] transmission fluid** and Genuine Allison Filters is required. Failure to use Allison Approved TES 295[®] transmission fluid and Genuine Allison Filters will result in no coverage for repair beyond the Standard Limited Warranty period. If the transmission is not OEM factory filled with Allison Approved TES 295[®] transmission fluid and Genuine Allison Filters, then Allison Approved TES 295[®] transmission fluid and Genuine Allison Filters must be installed at the time of Extended Transmission Coverage purchase. Transmissions not OEM factory filled with Allison Approved TES 295[®] transmission fluid, or transmissions operating with non-TES 295[®] fluids, must be drained and filled with Allison Approved TES 295[®] transmission fluid to achieve 100% concentration. One hundred percent concentration is not achieved until the second consecutive fluid change using Allison Approved TES 295[®] transmission fluid. The second consecutive change must be achieved at the time of Extended Transmission Coverage purchase.

* Suggested retail prices are established for each transmission vocational model/vocation combination. Prices and/or coverage are subject to change without notice. For current prices and coverage information, go to allisontransmission.com.

** For a list of current Allison Approved TES 295[®] transmission fluids, go to: allisontransmission.com; click on Parts + Service, then Approved Fluids.

*** The terms and conditions under which Allison Transmission offers Extended Transmission Coverage are set forth on the back of the Extended Transmission Coverage Agreement Registration, available from any authorized Allison Transmission Distributor or Dealer.
