Mrs Badillo

985 The Boom Radio is partnering with Palm Valley on this event. All vendors (as per the planning and zoning department of Edinburg) are responsible for their own permits. We will not allow any vendor to participate without having the required documentation.

We (985) will be handling the insurance and any other permits needed to host this event, as we are the organizers of such.

If there are any questions, please feel free to reach out to us.

David Brown (CEO of FFLE dba 985 The Boom Radio)
