Dear Maria Muñoz,

I have asked my leadership and unfortunately, IBLCE is not registered on sam.org and at this time will not be able to register.

Please let me know if there is another way that we can assist.

Best Regards,

Dear Maria,

As per our conversation this is needed in order for an IBCLC to get her reimbursement.

Could you please provide the name of the IBCLC?

Good afternoon Mrs. Maria Palomino,

As per our telephone conversation, the following information is to assist in the registration on sam.gov.

Hidalgo County Auditor's Office is required to verify that all vendors doing business with Hidalgo County be registered on sam.gov. In reviewing the status of your business, the Auditor's Office is aware that your entity is not registered on this web site.

International Board of Lactation Examiners
10301 Democracy Lane
Suite 400
Fairfax, VA 22030

All vendors doing business with federal and state funded departments must be registered on this webpage.

The registration is FREE to everyone. Please do not pay anything!

Also, note that registering may take some time.

This is what the page should look like along with the link to the website.
