October 17, 2017

Dear Elected Officials and Department Heads,

Greetings! It's that time of year again when Hidalgo County elected officials and staff can truly make a difference in a child's life this Christmas by participating in our annual toy drive benefitting children enrolled in the Hidalgo County Head Start program.

There are more than 3,600 children ages 3 to 5 enrolled in Head Start. These children come from some of the poorest families in the county.

This year, we are asking that anyone who wishes to participate donate an unwrapped gift for a boy or girl, valued at \$10.

We will be collecting the gifts at my office at 100 E. Cano in Edinburg, Suite 201 Monday through Thursday, Nov. 13-16 between the hours of 8 a.m. and 5 p.m. Head Start will pick up the gifts and make sure they are wrapped and distributed to the centers.

Please respond via email to public.info@co.hidalgo.tx.us if you plan to participate.

Let's work together to bring smiles to as many children as possible this Christmas. Thank you for your support of our annual County toy drive.

Respectfully,

Ramon Garcia

Ramon Garcia
Hidalgo County Judge
