Please see below regarding insurance. Does this email suffice for posting purposes?

How does the County want to handle the \$5,000 non-conforming certificate, as identified by HDR?

Sincerely,

Aaron

As discussed in an earlier email today, we have received CEO approval to provide a \$20M Practice Policy for E&O insurance as requested in the contract exhibits.

In addition, we have received word from our insurance carrier that to provide ISO form CG 20 10 10 01 would be an increased cost to us of \$5,000 to issue the non-conforming certificate.

1.5 Additional Insureds Additional Insured status shall be provided in favor of Owner Parties on ISO form CG 20 10 10 01 to the extent permitted by law.

Please call if you have any additional questions. We would be happy to set up a call with County representatives if necessary.

Thanks
Mike
