Re: Purchase of Acrylic Displays with Standoffs

Dear Ms. Salazar,

We are requesting the approval to purchase acrylic displays with standoffs (see attached photos). The acrylic displays requested will show personnel photos as well as projects completed to inform the general public of Precinct 4's accomplishments with their tax dollars. Through this, the community will be able to identify and address concerns accordingly.

Should you require additional information feel free to contact me at (956)383-3112.

Sincerely,

A handwritten signature in blue ink that reads 'Maria D. Mayorga'. The signature is fluid and cursive.
