READ CAREFULLY AS THESE TERMS CONTAINS INDEMNIFICATION REQUIREMENTS AND LIMITATIONS OF LIABILITY

As used in this Order the terms (a) "Dealer" shall mean the authorized Dealer to whom this Order is addressed and who shall become a party hereto by its acceptance hereof, (b) "Purchaser" shall mean the party executing this Order as such on the face hereof, and (c) Manufacturer shall mean the Corporation that manufactured the vehicle or chassis, it being understood by Purchaser and Dealer that Dealer is in no respect the agent of Manufacturer, that Dealer and Purchaser are the sole parties to this Order and that reference to Manufacturer herein is for the purpose of explaining generally that Dealer does not manufacture motor vehicles and that certain contractual relationships exist between Dealer and Manufacturer with respect to new motor vehicles.

These Terms and Conditions shall govern the sale of motor vehicles ("Purchased Unit(s)") by Dealer to Purchaser. Dealer's performance and prices are expressly conditioned on these terms and conditions. This document shall be the final, complete, and exclusive agreement between the parties and may not be modified, amended, supplemented, explained, or waived by parol evidence. Purchaser's purchase order, a course of dealings, custom or trade usage, prior representations, Dealer's performance or delivery, Dealer's catalogs, circulars or other promotional material, or in any other way except in writing signed by Dealer's Authorized Representative. Dealer's Authorized Representative shall mean Dealer's Vice-President, General Counsel, Chief Financial Officer, or President.

Purchaser agrees to complete one of the following, and agrees that despite delivery of the Purchased Unit(s) to Purchaser, title to the Purchased Unit(s) shall remain with Dealer until Purchaser completes one of the following: (1) pay the balance due, as shown on this Order, in cash or (2) execute a Time Sales Agreement (Retail Installment Contract), or (3) execute a Loan Agreement for the purchase price of the Purchased Unit(s) plus additional charges shown herein, or (4) execute a lease agreement, on or before delivery of the Purchased Unit(s). Purchaser and Dealer agree that this Order is not a security agreement and that delivery of the Purchased Unit(s) to the Purchaser pursuant to this Order will not constitute possession of the Purchased Unit(s) by the Purchaser, as a debtor, for the purposes of the purchase money security provisions in any statutes relating to personal property security or its equivalent. Purchaser understands that its rights in connection with this purchase are limited as set forth in this Order.

Manufacturer has reserved the right to change the price to Dealer of new motor vehicles without notice. In the event the price to Dealer of new motor vehicles of the series and body type order is increased is changed by Manufacturer prior to delivery of the Purchased Unit(s) ordered hereunder to Purchaser, Dealer reserves the right to change the cash delivered price (or any other pricing) of such motor vehicle to Purchaser accordingly. If such cash delivered price (or any other pricing) is increased by Dealer by five percent (5%) or more, Purchaser's sole remedy is to cancel this Order, in which event if a used motor vehicle has been traded in as a part of the consideration for such new Purchased Unit(s), such used motor vehicle shall be returned to Purchaser upon payment by Purchaser. Dealer of all storage and repair cost incurred or, if such used motor vehicle has been previously sold by Dealer, the amount received for such sale by Dealer, less a selling commission of 15% and any cost or expense incurred in storing, repairing, insuring, conditioning or advertising said used motor vehicle for sale, shall be returned to Purchaser. Purchaser waives all other claims for any damage resulting from a manufacturer's change in pricing and/or a related cancellation.

If a used motor vehicle(s) which has been traded in as a part of the consideration for the motor vehicle ordered hereunder (such traded vehicle being a "Trade In(s)"), is not to be delivered to Dealer until delivery to Purchaser of such Purchased Unit(s), the Trade In(s) shall be reappraised at that time and such reappraised value shall determine the allowance to be made for such Trade In(s). If such reappraised value is lower than the original allowance shown on the front of this Order, Purchaser may, if dissatisfied therewith, cancel only the trade; however, Purchaser shall nevertheless remain obligated for the purchase of the Purchased Unit(s). Additionally, Dealer shall not be obligated to accept any Trade In(s) from Purchaser which are not reflected on this Order. In the event that Purchaser offers Trade Ins not reflected on this Order, Dealer shall have no obligation whatsoever to accept any such Trade Ins and Purchaser shall remain fully responsible for all obligations of Purchaser as set forth in this Order.

Purchaser agrees to deliver evidence satisfactory to Dealer of title to any Trade In(s) as a part of the consideration for the Purchased Unit(s) ordered hereunder in advance but in no case later than the time of delivery of such Trade In(s) to Dealer. Purchaser warrants any such Trade In(s) to be owned wholly by Purchaser free and clear of all liens and encumbrances except as otherwise noted hereon and deemed acceptable by Dealer. Purchaser further warrants that for any Trade In, the Exhaust Emission System or any of its components have not been deleted, removed, or altered in any way from factory-built state and that each Trade In will meet the emission standard in place as of the manufacture date. Purchaser understands that Dealer is relying on Purchaser's statement as a material representation, and thus Purchaser hereby agrees to indemnify, defend and hold harmless Dealer from all damages, expenses, fees and costs (including attorney's fees) that Dealer incurs in the event that this representation is inaccurate or untrue.

Unless this Order has been cancelled by Purchaser in accordance with the terms of this Agreement, Dealer shall have the right upon failure or refusal of Purchaser to accept delivery of the Purchased Unit(s) ordered in accordance with the terms herein, to seek all remedies provided to Dealer by law (including specific performance), in addition to Dealer's attorneys' fees and costs and expert fees. Additionally, Dealer may assess Purchaser a restocking fee of twenty percent (20%) of the Purchased Unit(s) sales price which shall be due immediately. Additionally, in the event a Trade In(s) has been delivered to Dealer, such Trade In(s) may be sold by Dealer, and the proceeds of any such sale may then be used to reimburse Dealer for any payments due to Dealer (or any damages incurred by Dealer if applicable).

Manufacturer has reserved the right to change the design of any new motor vehicle, chassis, accessories or parts thereof at any time without notice and without obligation to make the same or any similar change upon any motor vehicle, chassis, accessories or parts thereof previously purchased by or shipped to Dealer or being manufactured or sold in accordance with Dealer's order. Correspondingly, in the event of any such change by Manufacturer, Dealer shall have the option, but no obligation to Purchaser, to make the same or any similar change in any motor vehicle, chassis, accessories or parts thereof covered by this Order either before or subsequent to delivery thereof to Purchaser.

Dealer shall not be liable for failure to deliver or for any delay in delivering the Purchased Unit(s) covered by this Order where such failure or delay is due, in whole or in part, to any cause beyond the reasonable control of Dealer and which is not due solely to the willful misconduct of Dealer. Any such delays not caused solely by Dealer's willful misconduct shall affect a corresponding extension of Dealer's performance dates which are, in any event, understood to be approximate. If acts or omissions of Purchaser delay Dealer's performance, Purchaser shall reimburse Dealer for any increased cost or expenses resulting therefrom and extend the time of performance.

PURCHASER AGREES THAT IN NO EVENT SHALL DEALER BE LIABLE FOR ANY DAMAGES RELATED TO: LOSS OF USE OF THE PURCHASED VEHICLE(S), LOSS OF TIME REPLACEMENT OR RENTAL VEHICLES, LODGING, OR ANY OTHER INCIDENTAL, RESERVOIR, SPECIAL, INDIRECT, CONSEQUENTIAL OR EXEMPLARY DAMAGES FOR LAWFUL PERFORMANCE OR FAILURE TO PERFORM WHETHER IN CONTRACT, TORT, STRICT LIABILITY, OR ANY OTHER LEGAL THEORY, AND REGARDLESS OF WHETHER DEALER HAS BEEN ADVISED OF SUCH DAMAGES. ADDITIONALLY, notwithstanding any other provision to the contrary, IN NO EVENT SHALL DEALER'S LIABILITY TO PURCHASER EXCEED THE PURCHASE PRICE OF THE PURCHASED VEHICLE(S) REGARDLESS OF LEGAL THEORY UPON WHICH DEALER'S ALLEGED LIABILITY IS BASED (WHETHER SOUNDING IN TORT, CONTRACT, OR OTHERWISE).

Purchaser acknowledges and agrees that Dealer did not manufacture and therefore makes no implied or express warranty with regard to the Purchased Unit(s) and any service work or make-ready work shall not create any warranty of any nature whatsoever with respect to the Purchased Unit(s). Additionally, Purchaser agrees to use the Purchased Unit(s) and/or chassis at Purchaser's own risk and hereby releases Dealer, its principals, officers, directors, shareholders, members, agents, employees, successors and assigns, from any and all claims for any damages or injuries of any nature whatsoever to the full extent permitted by law.

The price for the Purchased Unit(s) specified on the face of this agreement does not include federal excise taxes, sales taxes, use taxes, or occupational taxes based on sales volume (Federal, State or Local) unless expressly so stated. Purchaser assumes and agrees to pay, unless prohibited by law, any such excise, sales, use, or occupational taxes imposed on or applicable to the transaction covered by this Order, regardless of which party may have primary tax liability thereof. Dealer will accept a valid sales or use tax exemption certificate from Purchaser; however, if a previous covered sales or use tax exemption certificate is ultimately disallowed by the applicable taxing agency for any reason, Purchaser agrees to immediately reimburse Dealer for any resulting taxes, penalty and interest incurred by Dealer. Purchaser shall obtain and pay all permits, licenses and official inspections required other than those required to be obtained in the name of Dealer.

Purchaser grants Dealer a purchase money security interest in the Purchased Unit(s) as security for Purchaser's obligation to pay the purchase price, and Purchaser agrees to execute a financing statement or other instrument required to perfect such security interest. In the event that Purchaser fails or refuses to execute a required document, Purchaser hereby appoints Dealer as its attorney-in-fact, coupled with an interest to execute the name on Purchaser's behalf and in Purchaser's stead.

In the event Purchaser seeks to obtain financing to acquire a vehicle named on this Order, Purchaser represents that all statements made in the Purchaser's credit application, finance contracts and information provided to Dealer and/or to the finance company are true and correct. Any misrepresentation by Purchaser in any of the aforementioned documents entitles Dealer to cancel this Agreement and Dealer shall be entitled to any damages incurred as a result. Should Purchaser or any finance company fail to tender the full contract price to Dealer, Dealer may cancel this Agreement. In the event of a misrepresentation by Purchaser or the full purchase price has not been tendered to Dealer in a prompt manner, Purchaser agrees to immediately return the vehicle and to reimburse Dealer for all cost and expenses incurred by Dealer as a result, including any mileage and/or restocking charge. Purchaser agrees to fully indemnify Dealer for any damages incurred by Dealer as a result of any misrepresentations or omissions made by Purchaser.

There are no warranties, expressed or implied, made by the Dealer herein, or the Manufacturer, on the vehicle or chassis described on the face hereof except in the case of a new vehicle or chassis and as provided exclusively by the Manufacturer. The printed new vehicle warranty issued by Manufacturer (and not Dealer) delivered to Purchaser with such vehicle or chassis is the only warranty applicable to such new vehicle or chassis and is expressly in lieu of all other warranties, expressed or implied including any implied warranty of merchantability or fitness for a particular purpose. In the case of a used vehicle or chassis, the applicability of an existing manufacturer's warranty thereon, if any, shall be determined solely by the terms of such warranty and not by Dealer.

Any used motor vehicle sold to Purchaser by Dealer must be inspected and investigated by Purchaser as all such sales are deemed "AS IS" and "WITH ALL FAULTS" at the time of delivery by Dealer without any guarantee or warranty of any nature, expressed or implied (including no warranty that the odometer reading on the Purchased Unit(s) represents the actual mileage traveled) or any implied warranty of merchantability or fitness for a particular purpose, as to its condition or the condition of any part thereof except as may be otherwise specifically provided in writing on the face of this order or a separate writing furnished to Purchaser by Dealer. Purchaser agrees that Dealer has made no representation and that Purchaser has not relied on any representations made by Dealer, but rather relying on its own investigation and inspection of the Purchased Unit(s).

The Purchaser, before or at the time of delivery of the motor vehicle covered by this Order will execute such other forms of agreement or documents as may be required by the terms and conditions of payment indicated on the front of this Order.

Waiver; Severability. No waiver of any term of this Order shall be valid unless it is in writing and signed by Dealer's authorized representative, notwithstanding any delays. If any provision or part of any provision of this Order shall be deemed to violate any applicable law or regulation, such invalid provision or part of a provision shall be inapplicable. BUT the Parties agree that the remaining part of that provision and the remainder of the Order shall continue to be binding and enforceable.

No Broker; Manufacturer Incentives. If at any time Dealer determines that Purchaser intends to engage in the resale of vehicles for profit, where such resale is not in conjunction with further manufacturing, Dealer reserves the right to cancel this Order. Certain manufacturer's incentives are intended to be used for retail customers at the location as identified by the Purchaser in this Order. Purchaser represents that it will register the Purchased Unit(s) with its state motor vehicle department and is not purchasing the Purchased Units with the intent to resale same, except where such resale is in conjunction with further manufacturing. If at any time Dealer determines that the foregoing representations are not true, Dealer has the right to seek repayment of any manufacturer incentives that have been paid.

This contract shall be governed by the laws of the State of Texas. Both Parties agree to present the other Party with notice of any claim relating to this Order at least five (5) business days before filing a petition or complaint relating thereto (in addition to any other applicable notice periods required by statute), during which time the Parties agree to negotiate in good faith to resolve their disputes. If negotiations fail, the Parties hereby waive the right to trial by jury and agree to a trial by judge. The Parties agree that the mandatory venue for dispute resolution is the state courts of Harris County, Texas unless otherwise required by law. Purchaser agrees it will bring any cause of action within one (1) year of the date of that cause's accrual, and that any causes of action or claims outside of that period are waived. The prevailing party in any disputes shall be entitled to recover reasonable attorney fees and expenses.

PURCHASER ACKNOWLEDGES THAT THE ADDITIONAL TERMS AND CONDITIONS HAVE BEEN READ AND AGREED TO.

Elena,

The Contact at the HGAC is Loleta Chappel. Her number is 713-993-2486. She works 10 Hour days Mon- Thur so she is off today.

She'll be happy to help you confirm the pricing.

Please let me know if you have any questions.

Thank You

Mike McCarthy
