Hi Sandy

I am sorry we do not verify pricing under Unpublished Options we just make sure it doesn't go over 25%. But you can notify the vendor and have you to send you the paperwork on the pricing.

Thank You

Good Afternoon Ms. Chappel,

I'm sorry, but I need to bother you, hopefully for the last time on this same project. There is an item listed on Mr. McCarthy's Pricing Worksheet, Under part C. Unpublished Options - Cummins ISL 370HP. Where can I find a price verification for this or where can I find in the contract where it states this is allowable?

Your assistance is greatly appreciated.
