Roy,

Here are some prices one thing is that they come with a 90 day warranty for the computers so I took another \$50 off for that. If they have ram or hard drive I would remove \$60 off.

Dell 9010 All in one \$250
Dell 9020 All in one \$350
DELL VOSTRO 360 All in one \$150
Dell Monitor P2210f \$50
HP Laser Jet Pro 400 printer \$200
HP P4015n Printer \$160
HP laser Jet Pro M252 dw \$150

Good Afternoon Noah,

I need to get a current value on the electronic items on this page so I can attach a memo for Commissioner's Court.

Thank You,
