Good afternoon,

I received notice from Mrs. Gavlik that she should have a final Master Plan for us by December 5th and the final draft available for Dec.12th Commissioners Court approval, with that said, I believe her contract expires on the 30th of November and we may want to extend her contract to avoid any payment conflict from the Auditors office. Please review and advise on the proper form of action to take if any.

Respectfully,

Glinda Pacheco
